

# I'm A Quadrillionaire

Chapter 2022

Chapter 2022

How could they not be pissed and furious as they watched all previous efforts going down the drain?

External resources were fine.

However, they could only recover from exhausting their bodies after spending significant time recuperating.

Once they missed this opportunity, they would never get a second chance.

There was even the possibility of severing Lorraine's foundation. If that happened, she would no longer be able to absorb new training.

They finally made up their minds to perform the forbidden technique, but unexpectedly, they got this result.

The four sisters could not accept this no matter what.

Lorraine was about to pass out at the last moment, but she started hallucinating.

She met David in her dream, and only the two of them were there.

This was the first time Lorraine met David alone.

She had imagined this scene countless times in her mind, but this time, Lorraine showed no fear or hesitation.

She faced David directly and asked seriously, "David, why did you reject me in front of all of the chosen ones in

Somerland at the grand event of the chosen ones? The grand event of the chosen ones was initiated by myself, so if you won first place, you should have abided by the rules. Since you didn't want to marry me, why did you come to the event? Were you deliberately taking me for a fool and wanted to embarrass me in front of everyone?"

"That's right! That's what I had in mind," David replied blankly.

After getting an affirmative answer from the other party, Lorraine shuddered.

She tried her best to keep calm. She then held back the tears that were about to fall from her eyes and asked through gritted teeth, "Why?" i

"Why? There is no reason! There aren't so many reasons in this world. The rules are made by the strong and I am

strong. Therefore, I can do whatever I want. A piece of trash like you is not qualified to control what I do. You want to ask me for the reason but you're not qualified to know it." David's tone was full of sarcasm.

"Yes, I'm a piece of trash to you, but how many of the women around you are not trash? How am I, Lorraine Lovewood, inferior to them? Tell me! Ah!" Lorraine almost growled and asked.

"You are far worse than them. No matter how I compare you to them, you are not worthy to even kiss their feet. To me, they are treasures and you are just trash. You're trash that no one wants, do you understand?" David scoffed.

"No! I'm not trash! I'm not trash! I'm not trash!" Lorraine muttered.

"You are not only trash but also useless, unwanted trash! Hahaha!"

David's sardonic laughter rang in Lorraine's ear.

I'm not trash.

'Who am I then?

'Who am I?

'I remember. I'm Lorraine Lovewood.'

'I am Lorraine Lovewood who has been loved by thousands since I was a child. I am always the star no matter where I go.

'David!

'I want to prove to you that you are wrong.

'I, Lorraine Lovewood, am not trash, and I am not unwanted trash.'

Lorraine, who was about to faint, suddenly woke up.

The agony from her body and soul struck again.

However, for her, being treated as trash by David was better than being despised by David.

This pain was nothing.

Lorraine was not willing to give up just like that.

David had become the subject of a lifetime of pain to her.

She would demand an explanation from David no matter what.

When Lorraine woke up, the four sisters were overjoyed.

They were all about to give up just now.

Unexpectedly, a new hope was ignited.

This girl's willpower was so strong, and she forcibly got over this hurdle.

It was nothing short of a miracle.

The four sisters looked at each other and they could all see the ecstasy in each other's eyes.

God was so good to them!

With this girl's willpower, they could even complete their task in one fell swoop.
