Married at First Sight Chapter 2140-The whole family was trying their best to help Kevin take her down.

She was only twenty-eight years old, was she really at the age where she must marry?

...

The entrance of Dawson's villa.

A few cars stopped at the entrance of the villa, and they didn't dare to honk their horns, for fear of being known by Mrs. Dawson in the villa.

Analia grabbed her bag in the car and was about to get out of the car.

"flourishing."

The man she invited to pretend to be Zachary and take intimate photos with her couldn't help but hugged her waist from behind.

"Analia, will you stay with me again?"

The other party had been with Analia for a while, although he knew that Analia was just using him as a stand-in, these luxury cars and bodyguards were all rented by Analia for him to show off.

The suit on him was given to him by Analia.

Every time she saw him in a suit and leather shoes, Analia looked at him with warm eyes.

But he knew she was looking at another man through him.

Who was that man, he still did not know.

The person who paid him to get close to Analia didn't tell him who he looked like.

Kingston's purpose was to make Analia's actions anger Second Uncle and alienate Second Uncle's father-daughter relationship. In this way, he would have the opportunity to take over Dawson's Group and become the head of Dawson family.

He didn't want to offend Zachary.

If this double knew that his body shape was a bit like Zachary's, and he knew Zachary's identity, who knew if he would pretend to be Zachary and do tricks and abductions in the future?

Therefore, Kingston was tight-lipped.

Analia naturally thought of this too.

"Let go, you've crossed the line!" Analia scolded coldly.

"Analia, am I not good-looking?"

The stand-in followed Analia to live a rich life. Analia took him to and from high-end places, and he liked this kind of life.

He wanted to have a real fake show with Analia.

If he could become Analia's real man, even if he was taken care of by her, he would benefit a lot.

He didn't want to go back to deliver food anymore.

Analia pulled away his arms around her waist, turned around, and pinched his handsome face.

The man was handsome, still very handsome.

It's a pity to deliver food.

He could be an idol star.

But no matter how handsome he was, he was not as good as Zachary in her eyes.

Asking him to pretend to be Zachary was just a body image. When she took pictures with him, she never took a frontal photo of him. Once she took a frontal photo of him, he didn't look like Zachary.

Analia was very clear about it, she won't fall in love with him just because she took so many intimate photos with him.

Analia: "Tonight, I see that you made a mistake the first time, so I forgive you. Next time, I will chop off your hand and feed it to the dogs. If you want money, please obey my arrangement."

After speaking, Analia got out of the car. Without looking back, she walked to the door of his own house, took out the key, opened the door of the villa, and entered.

As soon as Analia entered, the drivers of those cars drove away quickly.

When Analia entered the room and saw her father sitting on the sofa with a livid face, she stopped in her tracks.
