Married at First Sight Chapter 2143-Analia covered her slapped face and looked at her father in disbelief.

Father hit her!

She was her parents' only child, and they had raised her since she was a young child. Although her father was very strict with her in order to cultivate her, he never beat her.

Now her father slapped her because she liked a man.

Analia burst into tears of grievance.

Mrs. Dawson came back to her senses, and immediately stood up distressed, and while pulling away her daughter's hand covering her face, she said to her husband: "You can't hit Analia."

"Analia, now I'm hitting you. I can't hit you If you wake up. You will never join the Dawson Group again, and I will not hand over the Dawson Group to someone who will bring disaster to the company, even if this person is my only child!

Analia, Zachery can't even look down on you, you are so shameless, you are willing to become a mistress, and I will sever the father-daughter relationship with you, just as if I have no birth in this life I want you to be my daughter!

My daughter must act upright, sit upright, and have an upright outlook. In the name of pursuing true love like you, you are actually destroying other people's marriages. There is a problem with the three outlooks, not my daughter.

My family has a big business. If my daughter is unreliable, I can leave it to the descendants of my Dawson Family. I have a lot of nephews. There is always someone who can take over the Dawson Group. I don't have to be the heir.

Your stand-in, you drive him away as soon as possible. If you let me know that you are still with him, be affectionate, take some photos and send them to Serenity, I will freeze your bank card. I will freeze your bank card when you return to the company tomorrow. You fire!"

Mr. Dawson said coldly: "I can do what I say! If you don't believe me, you can try it and see if I will kick you out of the Dawson Group and hand over the Dawson Group to Kingston!"

After speaking, Mr. Dawson raised his foot and left, instead of going upstairs, he walked outside the house.

“Husband, where are you going?” Mrs. Dawson was startled by her husband’s words. She didn’t expect her husband to be so angry.

Mr. Dawson actually wanted to sever the father-daughter relationship with his daughter, froze her bank card, and even drove his daughter out of the company and handed over the company to his nephew!

This, this was to make her daughter have nothing.

Mr. Dawson did not answer his wife.

He didn’t want to live at home.

He didn’t want to hear his wife plead for his daughter, and he didn’t want to listen to his wife’s cries. He spent half his life making the Dawson Group have the status and wealth it has today. He couldn’t let his daughter destroy the Dawson Group.

If his daughter was right, he wouldn’t be so angry.

It was his daughter who was wrong. He had already reminded his daughter and warned her not to provoke Zachery and his wife, but the daughter refused to listen, and while he was on a business trip, she was still doing things to destroy other people’s marriages.

Even if Zachery didn’t file a complaint, he wouldn’t let his daughter go on like this if he found out.

How could his daughter be a mistress?

All the men in the world were not dead anymore, why bother to hang on the tree of Zachery?

“Husband, husband, it’s so late, you still want to go out?”
