Chapter 2253

Chapter 2253

"So what if I hit her?! Who asked her to humiliate Fifi like that? She asked for it herself!" Yonas sneered as he said.

"You—"

"You're hopeless! I'll make sure to tell this to the elder when we're back. I'll have him punish you heavily!" Roanne was furious.

Yonas was her cousin, and John was with her, so there was no way Yonas could do anything to her. However, she could not do anything to Yonas as well!

However, she knew that Arthur was always a very fair person. If she reported the matter to Arthur, Arthur would not let Yonas off lightly!

"Do whatever you want! She's just a useless wretch, there's nothing worth being concerned about!" Yonas sniffed, not bothered by Roanne's threat at all!"

He knew very well that if he hurt Roanne, then Arther would probably not spare him easily!

However, Iris was different. She was just an outsider, and was also a woman without anything remarkable to speak of!

Even if Arthur found out about it, he would just be scolded a bit!

There was no way anything could happen to him!

So, he was not afraid at all!

"Sir, we're a bit too dumb!"

John was also furious when he saw the scene. He had a complicated expression on his face.

Leon gave him the Sun Pill before, so he was quite unhappy seeing Yonas hurting Leon's girlfriend in front of him!

However, Yonas was the second heir of the family. He had no way of doing anything to Yonas for Iris' sake.novelxo

However, with Leon's relationship with the Thompsons, Angus, and Arthur would not spare Yonas easily if they found out!

He felt more or less the same as Roanne. He planned on reporting the matter to Angus and Arthur when they got back, asking Angus and Arthur to properly teach Yonas a lesson. It would also be justice for Leon and Iris!

That was the only thing he could do for Leon!

"This is great!"

Fiona was incredibly happy when she saw that Roanne and John were so angered. She could not help but giggle in her heart.

Rodney's task for her was to find a way to break the relationship between Yonas and the first line of direct descendants of the Thompsons!

With her pushing the matter, Yonas and Roanne were already in conflict with each other. Even Iris was pulled into this!

The more the matter blew up, the more chaos there was!

It was perfect for her!

It was obvious how happy she was!

"John, Roanne, cut the nonsense! I'll remember what you did today. I'll make sure to make you pay at another time!" Yonas said coldly.

He already vented his frustrations, so he was beginning to calm down.

No matter what, Roanne was his cousin. If he harmed Roanne, he would be punished by Arthur after the fact!

It was not a smart thing to do!

On top of that, Fiona seemed quite happy, so she was satisfied with the result. So, he decided to drop the matter!

"Men, take Iris away!"

After Yonas regained his calm, he ordered the two experts from the Thompsons.

"What?"

The moment that was said, it was like a bomb that went off that shocked everyone there!
