Chapter 2238

Chapter 2238

"There's no need! Yonas, I'll give you the win this time! I'll remember this. I'll make sure to pay you back for this!" Rodney said coldly.

He wanted to retreat anyway. With Yonas suddenly showing up and defeating him, it suited him just fine!

So, he did not bother continuing to fight Yonas. He called out to his subordinates and left the place!

"That's amazing! Mister Thompson, I can't believe you chased Rodney away. You're so strong!" Joel immediately said as he looked at Rodney's retreating.

After that, he quickly started to shower Yonas with praise, taking the chance to boost up Yonas' ego!

It would make his and Rodney's plans go much easier!

"That's right!"

"Mister Thompson, you're so heroic by stepping up to defend the weak. You are a role model to us all."

All the other rich scions around them started to cheer for Yonas as well, being swept up by Joel.

Of course, they were quite sincere in their praise!

Rodney was the son of the Southern Boss, and from the underworld as well. He was a completely different existence from the others!

They did not like Rodney at all!

Yet, Rodney harassed a weak girl in front of everyone's eyes, and ended up being chased away by Yonas!

His heroic and righteous actions immediately won their admiration!

"Everyone, you're too kind."

Yonas smiled at everyone's praise!

Since Yuri was too strong and much better than him in every way, he was always jealous of Yuri. He dreamed of being like Yuri, gaining the praise and acknowledgment of everyone!

He finally obtained it!

Since everyone was full of sincere praise, he felt incredibly happy!

At that moment, he was more satisfied than he ever was!

"Mister Thompson, thank you for saving me."

At that moment, that beautiful young woman walked forward and thanked Yonas gratefully.

"You're welcome," Yonas calmed himself down a bit as he held the girl's wrist and helped her up.

Her skin was soft and supple to the touch!

He could not help but feel like his mood was lifted!

His goal in coming here this time was to drink and have fun, and to find a girl to vent his frustrations!

The girl in front of him was an incredibly rare beauty, and she had an incredibly hot figure as well. She looked like a succubus that could seduce any man!

With alcohol already in his body, he felt more and more interested!

Of course, he just won so much praise thanks to his heroic actions!

Even if he was very interested in that girl, there was no way he would do anything that crossed the line in front of everyone else. So, he was forced to push back his urges!

"Miss, what's your name?" Joel took the chance to ask.

"Sir, I'm Fiona Lynch, you can call me Fifi," The girl answered demurely, exchanging a look with Joel sneakily.

"Fifi, I have some things to discuss with you! This isn't a good place to talk, could you come with us to the room?" Joel invited.

"Yes, alright," Fiona nodded.
