The Ex-Husband's Revenge Chapter 67

Brody had been leading Leon up the garden path, causing the latter to spend more than a million bucks for no good reason!

Such an amount of money was not a small sum for him, and he could feel his heart aching after suffering such a huge loss.

"That dude just took the poor guy for a spin!

"Poor young man. He spent more than a million only to look like a fool in the end!"

"He'll be pissed for sure if that piece of raw jade stone ends up being worthless!"

Everyone came to that sudden realization and began looking at Leon with pity and contempt. They all felt that Leon was the epitome of a sucker!

Leon suppressed the anger in his heart. He might have been tricked by Brody, but at the very least he was successful in obtaining that piece of raw jade stone. The only thing left for him to do was hope that the jade could provide him with what he wanted. After all, having it fail on him was the last thing that he wanted! He would have been a real fool if that were to happen!

"You're just going to let him have it? Aren't you being a little too easy on him?" Marilyn asked a little unhappily.
