

A Man Like None Other Novel

-----Chapter 3046

Yihe from behind just looked at the two people in front with a sneer!

He knew exactly what the two of them were thinking, but the two of them really thought that Yihe didn't know anything!

As they continued to go deeper, there were waves of low roars from all around the jungle!

"Fellow Daoist, you have to be careful, there are too many monsters here, it's very dangerous." "

It's lucky that you met the two of us today, let us take you out of here, otherwise you might not be able to leave at all Get out."

The leading man looked back at Yihe and said!

He was afraid that Yihe would hear so many growling monsters, he was too scared to leave!

"So, how much do I have to thank you two?"

Yihe said with a faint smile!

"That's no need, since you paid us to hire us, these are what we should do."

After the man finished speaking, he winked at the man beside him!

The man with the long scarf quietly took out a bag of powder from his arms, and then shook it to the ground!

A strange fragrance wafted out, and soon there were chaotic footsteps around the jungle!

Dozens of monsters immediately surrounded Yihe and the others!

"Oh, why are there so many monsters? This is troublesome."

The leading man yelled!

He called it to Yihe on purpose, so that Yihe would not suspect the two of them!

"That's right, why are there so many monsters suddenly appearing? It's too scary..."

Another man with a long scarf on his head also shouted!

Yihe watched the performance of the two, and suddenly laughed, "There's no need to act anymore, you tricked me here, what do you want?"

When the two heard this, Yihe actually saw through their plot, and immediately stopped pretending!

"Fellow Daoist, hand over your money and mount, and we won't hurt your life, what do you think?" the

leading man asked!

"Based on the two of you, are you my opponent?"

Yihe said with a cold smile!

"It's not the two of us here. These dozens of monsters are all raised by us. As long as we give an order, we will tear you into pieces." The

leading man said proudly!

"Really? Why do I not believe it?"

Yihe had a playful look on his face!

"You don't believe me? Then I'll let you see..."

Seeing that Yihe didn't believe it, the man with the long scarf snapped his fingers and said to a wolf monster, "Go, bite him..."

But the wolf The demon stood motionless, as if he hadn't heard it at all!

The man was stunned for a moment, and then said loudly again, "Bite him..."

The wolf demon still didn't move!

In the end, the man became anxious, and took out a packet of powder again and waved it casually, this time the fragrance was even stronger!

"Bite me, bite him..."

the man roared, but none of the monsters moved!

This time, both of them were stunned. They couldn't figure out why these monsters were disobedient!

"They don't seem to listen to you at all, but if I say something, they will definitely listen!"

After Yihe finished speaking, he waved and said, "Get down..."

Dozens of monsters all lay down obediently in an instant. on the ground!

The two who saw this scene were dumbfounded!

They couldn't understand why the monsters they raised obeyed Yihe's orders?

Just when Yihe wanted to play with the two guys, he suddenly frowned slightly!

He seemed to sense David's existence!

And David should be in danger at this time!

If he can be sensed, it proves that he will not be far away from David!

Thinking that David was nearby and in danger, Yihe immediately put away his playful face, and then rode a white tiger towards the sensed direction!

"You want to run?"

The man with the long scarf saw Yihe running away on the white tiger suddenly, thought he was scared, so he jumped and rushed towards Yihe!

-----Chapter 3047

Yihe was worried about David's safety at this time, and this short-sighted guy actually wanted to stop him, which immediately made Yihe furious!

"Looking for death..."

Yihe yelled loudly, and with a wave of his hand, a breath struck like a tornado!

Then the man with the long scarf on his head saw this, and before he had time to react, he was directly crushed by this breath!

Not even a corpse was left behind!

This time, the remaining guy was stunned!

“Bite him to death...” After

Yihe finished speaking, his figure disappeared instantly!

And those dozens of monsters rushed towards the remaining guy together!

They didn't know what kind of existence Yihe was until they died!

At this time, David and the others were indeed in danger!

Originally, several people were about to walk out of the extreme north, but they were stopped by someone!

“Boy, didn't you expect that? I will stop you here.”

Huo Sha looked at David and the others with a sneer on his face!

Although Huo Sha himself was the only one this time, David was not at all relaxed!

Now that his body has not fully recovered, he has no way to deal with Huo Sha!

Ji Yun is only at the seventh rank of the Fusion Realm, and he can't be Huo Sha's opponent!

As for Liu Ruyan, Huofeng, Yu Jiameng and the girls, it is even more impossible for them to be Huo Sha's opponents!

Although Huofeng absorbed the Sky Thunder Fruit and broke through to the third rank of the Composite Body Realm, but compared with Huo Sha, it is nothing but a big witch!

As for Yu Jiameng, Tianleiguo also allowed her to reach the fifth rank of Huajing, but Huajing was in the world of heaven and man, so it was nothing at all.

“Is it just you? Where are your companions? Come out together...”

David asked calmly!

He needs to know if Huo Sha is the only one!

“You don’t have to say that, it’s me now, as for the others, of course I’m going to intercept those casual cultivators and the Ning family.” “You know the secret of

our Sealing Demon League, how can you let you leave easily! ”

Huo Sha said without hesitation!

Because in his opinion, David and the others are like fish on the iron plate, allowing him to slaughter them!

“Mr. Chen, I’ll hold him back, you go first...”

Ji Yun stood in front of David with a serious expression on his face!

Now, among the few of them, he is the only one who can do two tricks with Huo Sha!

Huo Sha glanced at Ji Yun contemptuously, and waved his hand casually!

Suddenly a fierce breath blasted out, and the void shook instantly, and the breath rushed towards the face like a wave!

Ji Yun didn’t have time to resist, and was sent flying out, spitting blood!

“Ji Yun...”

David stepped forward to check and found that Ji Yun's life was not in danger, so he breathed a sigh of relief!

"Hmph, it's only the seventh rank of the Body Fit Realm, and you dare to speak out!"

Huo Sha raised his lips!

David looked at Huo Sha coldly, his eyes were full of anger!

It's a pity that his body is weak now, and he can't fight against that Huo Sha at all!

It would be great if I could rest at Gao's house for a day, but David didn't want to waste time!

He didn't expect that these Five Elements Tiansha guys would dare to intercept them halfway!

"Boy, hand over all the things you got, I will let you die quickly!"

"If not, after I killed you, I played with these chicks..."

Huo Sha said with a smirk on his face!

Huofeng and the others, listening to Huosha's words, each of them had an extremely ugly expression on their faces!

"You don't look at your own virtue, even if we all die, we won't take advantage of you trash!"

Huo Feng spat at Huo Fiercely!

If she hadn't been relegated to the secular world and her strength had been greatly reduced, it would be Huo Sha's turn to show off her power here, and Huo Feng would have slapped him to death with one slap!

"Since you are not afraid of death, then I will fulfill you..."

After Huosha finished speaking, he raised his hands, and the monstrous flames immediately filled the entire sky!

-----Chapter 3048

In an instant, in the sky, two monsters transformed from flames roaring and rolling continuously. Flames rose from their bodies, causing the surrounding temperature to rise rapidly!

The two monsters stared at David and the others with four eyes, and then under the command of Huo Sha, they suddenly rushed towards David!

Now as long as David is dealt with, Huo Sha doesn't have to worry about the rest!

Even if I stand still, these people don't want to hurt me at all!

"Master..."

Seeing this, Huofeng instantly soared into the air, turning into a flaming Huofeng directly, and flames rose from the opened wings!

"Fire phoenix? It turned out to be a beast in human form, and now I can make a lot of money..."

Seeing the appearance of the fire phoenix, Huo Sha shouted excitedly!

"Huofeng, get back..."

Seeing this, David hurriedly yelled to stop!

He knew that it was impossible for Huo Feng to be Huo Sha's opponent, the difference in strength between the two was too great!

“Master, you...”

Huofeng fluttered her wings, she was not afraid of death, but she couldn't let David get hurt!

“Quickly step back...”

David immediately sacrificed the dragon-slaying sword, and shouted loudly at Huofeng!

Seeing this, Huofeng could only slowly fall down!

David watched quietly, and the two monsters kept rushing toward them with flames. The hot feeling could be felt even miles away!

Facing Huo Sha now, David has no chance of winning!

But he had to face it, he couldn't watch his woman fall into the hands of another man!

Even if he blew himself up in the end, David would not let Huo Sha succeed!

What's more, David didn't need to explode himself, he still had the Ice Soul Pill in his hand!

Now to deal with Huo Sha, David can only swallow the Ice Soul Pill, and then forcefully break through to the fourth level of the Composite Body Realm. When the thunder rolls in the sky, a Huo Sha will be nothing to fear!

It's just that if this happens, he won't be able to do business with the Princess of Jialing County. I don't know if the poison in Na Yihe's body can be eliminated!

But this is something that can't be helped, you can't just watch Huo Sha kill them all, and then take the Bing Po Pill away, right?

Just as David was watching the two flame-transformed beasts rushing towards him, and hesitating whether to swallow the Bingpo Pill, suddenly a white figure flashed past his eyes!

Immediately afterward, I saw white wind and snow falling all over the sky, and the temperature that had originally risen became extremely cold at this time!

Ka Ka Ka...

For a moment, everything around seemed to be frozen, and there were bursts of freezing sounds!

Soon, the two demonic beasts transformed into flames and were motionless at this moment, their bodies wrapped in thick ice!

So when people saw this scene, they were all shocked. No one thought that the flames could be frozen!

David fell slowly, and in front of him, a white ice crystal shone with light, and the icy air continued to spread toward the surroundings!

The white chill was spreading at a speed visible to the naked eye, and everyone felt that the temperature dropped a lot!

"Who are you?"

Huo Sha frowned slightly and asked!

And in the white snow fog, Gao Qilan was standing beside David with an ice crystal in his hand!

At this time, Gao Qilan was dressed in white, blooming like a white snow lotus.

"Sister Qilan..."

Seeing Gao Qilan, Huofeng shouted happily!

David didn't expect Gao Qilan to come back, he was a little surprised and said, "Miss Gao, why are you here?" "If

I don't come, you would have been burned to death already?"

Gao Qilan said with a slight smile!

This sentence made David feel embarrassed. He had the Ice Pollution Pill in his hand, so it was unlikely that he would be burned to death, but the Ice Pollution Pill might not be able to keep it!

-----Chapter 3049

"Sister Qilan, are you reluctant to part with your master, and then you chased after me?" "

I told you a long time ago, come with us, the master is very good, don't think he has many women, but we all add up. If you can't satisfy the master, you can just share it for us!"

Huofeng was so unrestrained in front of so many people!

This time, Gao Qilan was ashamed enough, after all, she was still a big girl!

David laughed so hard at Huofeng's words!

Liu Ruyan and Yu Jiameng also lowered their heads with blushing faces, they knew that what Huofeng said was true!

This guy David is too fierce...

"Huofeng, shut your mouth and stop talking nonsense!"

David said as if glaring at Huofeng!

This scene made Ji Yun on the side want to bang him to death. He is also a man, but he didn't have David's life!

"Damn it, you're still flirting and cursing when you're about to die. Even if you come to help, it can't change anything!"

Huo Sha was so angry when he saw that David had several beauties who offered to hug him!

"You are so brave, this is the land of the extreme north, our Gao family's territory, you dare to act wild here?"

Gao Qilan asked Huo Sha in a cold voice.

"It turns out that you are from the Gao family, but have you forgotten that this place will soon be out of the extreme north, can your Gao family still manage it?" "

Besides, even in the extreme north, I will seal the demon Meng Meng is not afraid of your Gao family, if you are acquainted, get out, or you will be useless!"

Huo Sha knew Gao Qilan's identity, and he was not afraid at all!

This is just the edge of the extreme north, he doesn't have to be afraid, and they don't have to be afraid of the Gao family either!

When they beat Gao Qisheng back then, none of them were afraid!

"Since you want to die, then I will fulfill you. I want you to know the strength of our Gao family in the extreme north!"

Gao Qilan's voice was full of coldness, and he grabbed it casually, and two frost-condensed swords appeared!

"Miss Gao, this guy is much stronger than you, you are no match for him..."

Seeing this, David hurriedly said to Gao Qilan!

Although Gao Qilan has now reached the sixth rank of the Composite Body Realm, she is still far behind Huo Sha!

“Don’t worry, I have the ice crystals given by my brother, which can restrain his flames.” “I still have

some ice crystal fragments here, you should absorb them quickly to restore your strength, or anyone who comes here can bully you.” It’s gone.”

Gao Qilan said, and threw a bag to David, which actually contained more than a dozen fragments of ice souls of different sizes!

David looked at Gao Qilan with surprise in his eyes, not understanding how she got so many ice shards!

“My brother gave it to me. I came to chase you, so I can’t do it empty-handed. This is considered a dowry...”

Gao Qilan smiled slightly!

Gao Qiqiang’s words at that time made Gao Qilan make up his mind to take the initiative to pursue his own happiness. Since David didn’t open his mouth, then she would take the initiative.

That’s why Gao Qilan chased after her!

Hearing the word dowry, David was at a loss for a while, because he didn’t know what he was giving Gao Qilan!

marriage?

I guess I can’t even give Gao Qilan a complete wedding in the end, so what is it for him to hold such an expensive dowry?

Gao Qilan saw David's hesitation, so she jokingly said, "You don't have to worry about using it. If you don't want me, I won't be looking for you to get back these ice soul fragments." Although she said it in a joking tone

, But it also revealed Gao Qilan's heart!

David nodded, with these ice soul fragments, most of David's strength can be restored!

Although it may not be possible to kill Huo Sha, but if he wants to leave, Huo Sha can't stop him at all!

Huo Sha was watching from the side, Gao Qilan was blinded by the fact that he had actually restored David's strength to so many Ice Soul fragments!

-----Chapter 3050

"It seems that I'm going to be serious this time, as long as you are dead, I'll send..."

After finishing speaking, Huo Sha rushed towards Gao Qilan with raging flames wrapped around his body!

Gao Qilan's eyes were extremely cold, without the slightest panic, she suddenly flew up with two swords in her hand!

Flame repeated the same trick again, clapping his hands with flames to transform into two monsters!

Gao Qilan was also unceremonious, she swung the two ice swords continuously, and shot out streaks of frost, instantly freezing the two flame monsters!

With the blessing of ice crystals, Gao Qilan's frost method is obviously much more powerful. This may be because Gao Qiqiang was afraid that Gao Qilan would be in danger halfway, so Gao Qilan let Gao Qilan carry it with him!

These streams of cold air restrained Huo Sha, making him a little annoyed!

And David took the opportunity to quickly absorb the fragments of the ice soul to recover!

Ji Yun, Huofeng, and Yu Jiameng are protecting David. At this time, David must not make any mistakes!

In mid-air, Gao Qilan and Huofeng continued to cast spells, there was constant roaring, the wind and rain suddenly changed, and the surrounding temperature fluctuated from hot to cold!

The entire sky was divided into half red and half cold white!

The two forces kept colliding and intertwining. If there were no ice crystals, Gao Qilan would have been unable to bear it!

Huo Sha saw that going on like this would consume too much of his physical strength, not to mention that David was likely to recover soon, so a cold light flashed in his eyes, and his whole body was burning with raging flames!

Then a figure in the flames rushed towards Gao Qilan!

Gao Qilan didn't think too much, and slapped out with one palm, instantly freezing that figure into ice!

When Gao Qilan saw this, she felt something in her heart, she didn't expect that Huo Sha would be frozen by herself so easily!

But when Gao Qilan was happy, Huofeng suddenly yelled, "Sister Qilan, be careful..."

Gao Qilan was startled, and suddenly felt a strong wind coming from behind her!

Gao Qilan was trying to dodge, but it was too late, and Huo Sha, who was circled behind her, slapped her back with a palm!

The figure that rushed out of the flames just now was not Huo Sha, it was just a blindfold!

This palm was full of scorching flames, Gao Qilan only felt that his whole body was enveloped by the heat wave!

Bang.....

Gao Qilan's body fell rapidly, and finally fell to the ground in an instant!

"Sister Qilan..."

Seeing this, Huofeng hurried over to show Gao Qilan a look!

I saw a palm print on Gao Qilan's back, and there were many tiny flames around, continuously pouring into Gao Qilan's body!

What Gao Qilan practiced was ice-cold art, now that the fireworks entered her body, she would definitely be repulsed!

The cold air in Gao Qilan's body kept forcing those flames to enter!

All of a sudden, a white mist continuously appeared from Gao Qilan's back!

Huo Sha was in mid-air, looking down at the few people below, his eyes were full of complacency!

"Those who stand in my way will die, you ants, still want to stop me?"

After Huo Sha finished speaking, he rushed directly toward David!

Seeing this, Gao Qilan endured the severe pain in her body, jumped up with two swords in her hands, and directly blocked David!

Now she is the only one who can withstand the blow of Huosha!

"Hmph..."

Huo Sha snorted coldly, grabbed it casually, and a flaming long sword appeared, and waved it casually!

Two wounds appeared on Gao Qilan's body, and the blood directly dyed the pure white clothes red!

When Ji Yun and the others saw this, they all rushed forward, regardless of whether they could beat Huo Sha or not!

They all have to protect David, David is at his most vulnerable now!

Bang bang...

Ji Yun, Liu Ruyan and Huo Feng were also sent flying by Huo Sha!

Looking at David in front of him, the corners of Huo Sha's mouth turned up. Now David's eyes are slightly closed, and he is struggling to absorb the energy of the shards of ice soul!

"Go to hell..."

Huo Sha raised the flaming long sword in his hand!

Yu Jia threw herself on David in a dream. Although she knew it was futile, she did it anyway. She would rather die with David!
