Chapter 3086

"What do you want to do?" Sonya hurried forward to block Ruben, but at this time David had already stopped.

However, after David hit a few acupuncture points, Ruben immediately felt his breathing became smoother, and his face became much rosier.

"I've only temporarily controlled your injury. It will take some time to heal. Because of your age, your hidden disease needs to be recuperated slowly!"

David said flatly.

"Thank you, little brother, for saving me, thank you so much..." Ruben stepped forward and grabbed David's hand excitedly, thanking him constantly.

Yuqi was also very surprised to see her father's face was obviously rosy and his health improved a lot.

"I rescued you because I know that you often do good deeds and donate more than a dozen primary schools. I should do it out of emotion and reason!"
David saved

Ruben because he knew that Ruben was a great benevolent person. If they meet by chance and they don't know each other, David may not necessarily rescue them, not to mention that Sonya swears at him just now, almost killing him. David is not a b!tch, he can save everyone!

When Ruben heard it, he was a little embarrassed, "What kind of good deed I have done, it is still far away, little brother saved my life, just say what you want, it will be noon now, I will invite little brother to go to the rich How about a meal in a big hotel?"

"No, I still have some things to deal with!"

David shook his head and refused, and he still wanted to see Delia to find out.

Seeing David's refusal, Ruben was a little surprised. You must know that as the richest man in Horendel, there are countless people who want to invite him to dinner, and those who can sit with him to eat are all powerful people.

Now he took the initiative to invite David to dinner, but he didn't expect David to refuse, which was a bit unexpected!

"Little brother, let's sit down and have a meal together to express my gratitude!"

Ruben tightly held David's arm.

David could see that Ruben desperately wanted to invite him to dinner, just to know about the follow-up treatment of his disease, but Ruben was sincere, so David nodded and said, "Well, I'll deal with the matter first, At that time, I will go to the Regal Hotel to find you!"

Seeing what David said, Ruben let go of his hand, "Okay, it's a deal, the little brother is here, just call me!"

David nodded, and couldn't wait He left and rushed towards Geng's house!

.....

"Where is Delia? I want to see her!"

David said to the middle-aged woman in front of a slightly old villa!

This middle-aged woman is Delia's mother, Ethel. If it was before, David would never have dared to speak to Ethel in such a tone, but now after hearing what his mother said, David was already so angry that he didn't do anything directly. Even if it is not bad.

Ethel was dressed in a cheongsam, with her toes high and her hands crossed on her chest, she looked at David with disdain, "Get out of here, my daughter is getting married today, and you, a reform-through-labor prisoner, are too unlucky to be here..." "Married?"

Chen

Ping Ping frowned, it seemed that what the bald man said was true!

"Where is Delia? Who is she married to? Tell her to come out to me and explain clearly..."

David rushed into the villa with a cold face!

"Hey...you lunatic, why did you just break into someone's yard?"

Ethel pulled David desperately!

But she was not as strong as David, she was dragged into the yard by David!

David was about to rush in with his eyes open, when a girl in a wedding dress came out with a gloomy face!

When he saw the girl, David stopped suddenly.

"Delia, what's going on? What's going on? Can you tell me clearly?"

David waited his eyes angrily, and questioned Delia!

"David, let's go, don't come looking for me anymore, I've decided to marry Jordan!"

Delia looked at David expressionlessly and said!

David's eyes were fixed, and he clenched his fists tightly. Although he already knew, when Delia said it himself, David's heart still twitched violently.

He was sent to jail because of that Jordan, but now his girlfriend wants to marry him?

This is so ironic!

Suddenly, David gave a self-deprecating wry smile, he felt that he was really too cheap...

"Is this what you mean?"

David looked at Delia, with no anger on his face, and slowly let go of his hands

.

"Yes!" Delia nodded, "I want to live the life of a rich man,

but you can't give it to me at all. " Why support me?"

"For the sake of our previous relationship, you can take the few hundred yuan, so you can save yourself from sleeping on the streets!" After

finishing speaking, Delia took out a few hundred yuan bills from her bag and threw them on David's face. superior!

At this moment, David looked at Delia and completely gave up. The person in front of him was no longer his girlfriend.

"You'll regret it!"

David turned around and left without taking Delia's money.

"Bah, I'll regret marrying a poor man like you!"

Ethel spat hard from behind!

Chapter 3087

There was no time for any reaction at all, the monk was directly shot down by the jet-black water jet into the sea of ink!

After struggling twice, he disappeared into the sea of ink!

"This idiot dares to call the holy tortoise a beast. He really wants to die." "

These holy tortoises have long been intelligent. Except for their appearance, they have not transformed into human forms, and they are no different from humans. Do you really think they can't understand human language?"

When everyone saw the tragic death of the monk who fell into the ink sea, they didn't feel the slightest sadness, but they all gloated!

These holy tortoises are powerful, but they have never actively attacked humans, so many monks still like the holy tortoises!

That cultivator was so outspoken just now, he deserves to die!

While everyone was discussing the tragic death of the monk, David had already been taken dozens of miles away by the huge holy tortoise!

On the pitch-black water, close to the eyes, David could no longer be seen!

When they found that David was missing, all the monks immediately became emotional!

"In order to tame the holy tortoise, I risked my life in vain." "

I'm so overwhelmed, a fifth-grade monk in the fit state, I still want to tame the holy tortoise, and I want to tame the biggest holy tortoise." "

If this guy can tame that The biggest holy tortoise, then we will all be slapped in the face.” “

I feel that the most slapped in the face is Master Ye Duo.”

Many monks discussed, and then put their eyes on Jin Dong!

They all paid attention to David just now, but not many people paid attention to Jin Dong, now that David is gone, so they all focus on Jin Dong!

At this time, Gao Qilan and Ji Yun looked at David who had disappeared, and they all felt their hearts ache!

Although they also knew about David's strength, this place was above the sea of ink, not on land. If something really happened, there was nowhere to escape on the sea of ink!

“Miss Gao, your elder brother is not very strong, but you are so courageous. You even went to tame the holy tortoise, and even dared to attack the biggest one!” Zhou Tai also had some respect for

David at this moment, no matter what, David's ruthlessness is really remarkable!

Gao Qilan didn't take care of Zhou Tai, at this moment she was very anxious, worried about David's safety, how could she have the mood to take care of Zhou Tai!

On the sea of ink, Jin Dong has changed from a standing position to a prone position, with his hands clasping the tortoise shell tightly, his hands are already bloody!

Several times he was almost thrown into the sea of ink, but Jin Dong did not give up at all, he knew that if he could not tame a holy turtle, they would be found on the spirit ship sooner or later!

If people from the Sealed Demon League find out, then they don't want to escape!

For his junior sister, Jin Dong also tried his best!

Seeing Jin Dong fight so hard, many monks on the spirit boat couldn't help admiring him!

"Who is this guy? He looks very hard-working, and his hands are about to be crippled." "

I don't know, this guy doesn't show his aura at all. It's really kind of a brute force to resist this holy tortoise." "

"In order to tame a holy tortoise, it's a matter of life!"

Everyone was discussing!

And Jin Dong's junior sister looked at her senior brother with anxiety on her face!

David, who was tens of miles away from the spirit boat, was still trying to communicate with the holy tortoise under him with his spiritual sense, but the holy tortoise was quite stubborn and resisted desperately, not allowing David's spiritual sense to enter the sea of consciousness at all. Opportunity.

Half an hour has passed now, even though the holy tortoise is huge, it is a little exhausted at the moment, and its swimming speed is getting slower and slower, but even so, it does not surrender to David at all!

Seeing that the holy tortoise was too stubborn, David glanced at the spirit ship that had long since disappeared, and immediately burst out the power of the dragon in his body!

A golden dragon roared and appeared, hovering over David's head.

The holy tortoise was powerlessly floating on the sea, and Jin Dong was powerlessly lying on top of the holy tortoise!

Many monks are also not interested in watching it, so they don't know when it will be the end!

"Look, what is that?"

At this moment, someone pointed to the distance and shouted!

Everyone hurriedly looked over and found a huge holy tortoise heading towards their spirit ship, braving the wind and waves!

The appearance of a huge holy tortoise didn't surprise them. What surprised them was that there was a figure standing on top of the holy tortoise!

The strong sea breeze blew by, and the robe on the figure swayed with the wind, as if he was a fairy!

But when the holy tortoise approached, everyone discovered that the one standing on the holy tortoise was actually David, and this was the holy tortoise that David wanted to tame just now!

Looking at David who came back, and the obedient holy tortoise under his feet, everyone was stunned!

A fifth-grade monk in the Body Fit Realm actually tamed such a huge holy tortoise?

One must know that even Ye Fengqing has not tamed this Holy Turtle.

Seeing David's safe return, Gao Qilan and Ji Yun all jumped up excitedly!

"Damn it, Miss Gao, isn't your brother too awesome? Did you really tame the holy tortoise?"

Seeing David returning with the holy tortoise, Zhou Tai's eyes widened and his mouth opened in shock!

And Jin Dong, who was lying on the tortoise shell, saw David driving the holy tortoise back, knowing that the other party had tamed the holy tortoise, he couldn't help casting envious eyes!

You must know that David's holy tortoise is the largest and the most difficult to tame, and now David has tamed it!

And Jin Dong, the holy tortoise, is small in size, and he hasn't tamed it for a long time. It's obvious that the competition between the two has come to an end!

David saw that Jin Dong was in a stalemate with the holy turtle under him, so he decided to help him!

I saw David patted his holy tortoise on the head and said, "Go, help him..."

David's holy tortoise let out a low cry, and then swam over!

When the holy tortoise under Jin Dong saw David's holy tortoise swimming, he immediately showed great respect!

It can be seen that the holy tortoise tamed by David is the leader of this group of holy tortoises!

I saw David's holy tortoise rubbing its head on the other holy tortoise's head, and immediately the holy tortoise let out a roar!

Immediately afterwards, he turned his head and stuck out his tongue to lick Jin Dong's hand!

Seeing the appearance of the holy tortoise, Jin Dong's eyes were full of surprises, so he slowly let go of his hand, and found that the holy tortoise under his feet did not resist anymore!

Gently stroking Sheng Gui's head, Jin Dong looked excitedly at David and said, "Brother, thank you..." "

If you can get me, I, Jin Dong, will go through fire and water, and I will do whatever it takes."

Jin Dong knows, Without David's help, it would be difficult for him to tame the Holy Turtle under his feet!
