

# A Man Like None Other

## Novel Chapter 3161

### Chapter 3161

A piercing

piercing sound rang out, and an incomparably fierce breath tore through the void, and finally bombarded David who was motionless!

Facing the attack of the four people, David burst out with a golden light instantly!

A series of golden scales cover the whole body, and the indestructible golden body activates!

From the looks of it, David was planning to resist this blow!

Everyone was shocked when they saw that David was still motionless against the attack of the four people!

Gao Qilan clenched her fists tightly, her eyes showed worry!

The Devil Mountain Ghost Elder also frowned. Although David is very strong, it is not impossible to win the battle with the four elders of the Fengmo League!

But that was under equal attack. Now that David stood motionless, neither dodging nor dodging, just being beaten stiffly like this, could he still bear it?

boom!

In an instant, the place where David was standing collapsed, and the smoke and dust instantly filled the air, covering David's figure!

No one knows what happened to David now!

The four elders succeeded in one blow, but they didn't stop, but once again passed a trace of ruthlessness!

"The cage of ten thousand swords..."

There was another burst of shouting, and all four elders had a long sword in their hands!

With a sudden swing of the long sword, it instantly turned into dozens of sword lights, like a thousand swords swung at once!

On this long sword, there are special lines, exuding a breathtaking aura!

Dozens of sword beams burst out, instantly piercing through the smoke and dust, and only a rumbling sound was heard!

The four elders attacked fiercely. They knew how powerful David was, so they didn't dare to be careless. The offensive in their hands fell like a torrential rain. The astonishingly powerful sword lights were like thousands of meteors falling into the smoke and dust. middle!

Seeing this scene, everyone was slightly moved. It is impossible for David to bear this level of attack alone!

Moreover, the four elders of the Sealing Demon League made a killer move as soon as they made a move. It seemed that David would definitely die, so almost everyone exhausted the spiritual power in their bodies.

These elders of the Sealing Demon League also knew that if David couldn't be killed by this blow, then they might have no chance, and they would be the ones who died!

The sword glow fell like a storm, and everyone looked at the smoke and dust quietly. They all wanted to see what happened to David now!

"This David is really arrogant. Facing the attack of four people, he stood still. This time, he may be doomed.

"Impossible, not to mention that these four people have almost exhausted all their spiritual power." "It's

too crazy, if David doesn't die, I'll give him two knocks."

Everyone whispered, waiting for the smoke and dust. go away!

Gao Qilan and Ji Yun were all nervously looking at the smoke and dust, they were all very nervous!

Everyone is waiting now, waiting for the final result!

Ye Fengqing raised the corner of his mouth slightly, and let out a long breath of relief.

Ye Fengqing is the clearest about the power erupted by the four elders. Although these four elders only have the strength of the first and second ranks of the Transcendence Tribulation Realm, if the four of them join forces, the explosive power of the three elders will not be able to withstand the third rank of the Tribulation Transcendence Realm. .

It was impossible for David to resist the attack of the four people, and even without any resistance or dodge!

Now Ye Fengqing is waiting to see if David's body has turned into a meat paste!

The four elders of the Sealing Demon League also slowly fell from mid-air, everyone's complexion was a little pale, and in this almost instant, they burst out all the spiritual power in their bodies, which made them all look very weak!

On the coast, gusts of sea breeze blew, filled with tension!

Almost everyone held their breath, waiting for the smoke to disperse!

## Chapter 3162

Running separately

Apart from the sound of heavy breathing, it is the sound of the sea breeze blowing by!

In the sea breeze, the smoke and dust gradually dissipated, and the scene gradually became clear, revealing a mess all over the place, and a bottomless pit appeared in front of everyone!

But when everyone was about to step forward to see the situation in the pit, suddenly a golden light shone in the pit!

Along with the golden light flashing, a figure slowly rose from the pit.

So the pupils shrank, and his eyes were full of astonishment. He saw David suspended in mid-air, with golden light shining on his body, his aura rushing all over his body, and a golden dragon circled around David, enveloping David!

David stood in the middle of the golden dragon, with a calm expression and no waves!

In an instant, countless sounds of horror sounded, followed by screams and excitement!

"Mr. Chen is awesome, so awesome..."

Ji Yun jumped up high, waving his arms high!

"Mr. Chen, awesome...too awesome..."

“Mr. Chen is more than awesome!”

Jin Dong, Ji Lianzhan and others also praised David again and again!

The Devil Mountain Ghost looked at David blankly, and finally said: “Mr. Chen is really a heifer with a big head...” “

Senior, what does this mean?” Asked the solution!

“It’s so awesome...” Moshan Guilao explained!

Luo Xi was taken aback for a moment, then understood, and blushed instantly!

David fell down slowly, with no injuries on his body, even in the face of the attacks of the four elders of Transcending Tribulation Realm, David did not suffer any harm!

For this result, David himself is very satisfied!

It seems that he has absorbed the dragon energy, which is of substantial help to the promotion of the immortal golden body and the forging of his own physical body!

“It’s unbelievable. Did you block these attacks just by relying on your own body protection technique?” “

What kind of body protection technique is this? It looks really powerful.” “

Did you see that golden dragon? This can’t be a golden dragon possession, right?”

Many people have speculated, they don’t understand how David, a monk who looks fit, has such a powerful body protection magic skill!

Especially the golden dragon, which made many monks who had never seen David summoning the golden dragon feel very shocked!

Ye Fengqing's smile froze on his face at this time, it was uglier than eating shit!

As for the four elders, their complexions changed drastically, and their eyes were terrified, because they knew that what awaited them next might be death!

Especially David's seemingly calm demeanor made them feel the danger even more. This danger made their heart beat faster and their breathing faster!

The scalps of the four elders were numb. They didn't understand that David's realm was clearly only at the Composite Realm, so how could the aura and strength he erupted be stronger than those at the Transcending Tribulation Realm, and he could completely reach the fourth-rank strength of Transcending Tribulation Realm!

Is this unscientific?

At this moment, David looked at the four elders of the Fengmomeng, and there was no trace of emotion in his indifferent eyes!

There is no anger, no killing intent, only indifference!

It seemed that these four elders of the Sealing Demon League were like ants in David's eyes, and they couldn't arouse David's emotions at all!

Looking into David's eyes, the four elders' scalps burst instantly, and they hurriedly backed away!

But when the four elders retreated, David suddenly moved!

David's figure instantly blurred, and then several figures appeared!

Suddenly, four identical David appeared!

Every David carries the same aura!

This time, the four elders were dumbfounded, and even the other monks were also dumbfounded!

They never thought that David could do the avatar technique!

“Run separately, there is only one real body here...”

Ye Fengqing ordered to the four elders!

## Chapter 3163

Damn it Ye

Fengqing thinks that among the four figures of David, only one is real, and the others are just illusions or afterimages!

When the four elders heard Ye Fengqing's order, they split up and fled immediately!

The four of them can only bet now that David behind them is just a phantom!

But just as the four elders retreated separately, David was already in front of him!

Boom!

David's sharp punch hit the elder directly on the back!

The four David shot at the same time, and all of them punched the backs of the four elders. In an instant, the breath exploded, and the robes of the four elders were all shattered, and they flew out screaming!

The four elders all flew hundreds of meters, and then fell heavily to the ground, life and death unknown!

This time, everyone fell silent!

Those eyes looked at David, as if seeing a monster!

They didn't understand, how could there be four identical ones in David, who also had attack power at the same time?

This is impossible, how could such a thing happen?

Ye Fengqing was even more dumbfounded, he stood there in a daze, like a fool!

David's four figures merged together, and his breath became a bit disordered!

Providing breath for the four bodies at the same time made David a little unbearable for a while.

If it wasn't for the four elders who had exhausted their spiritual power at the beginning and were still fleeing in panic, it would not be so easy for David to kill these four elders in one fell swoop!

Although David can transform into avatars by using the Nine Shadows Sword Technique, and each avatar has the same aura as David!

It's just that the strength of each clone will be greatly reduced, after all, David wants to separate his own power.

The Demon Mountain Ghost Elder seemed to see something, and immediately stepped forward to gently support David's shoulder with one hand, and a spiritual force instantly penetrated into David's body!

"Mr. Chen, are you alright?"

Moshan Ghost asked in a low voice!

"I'm fine!" David shook his head lightly, then turned his gaze to Ye Fengqing and said, "Do you still want to eliminate demons and defend Taoism now?"

Ye Fengqing didn't dare to speak, his face was full of embarrassment!

Seeing that Ye Fengqing was silent, David continued: "If you don't get rid of the demons and defend the way, I will do it for the heavens. You all have no conscience. If you don't do good things, I will destroy you if I enter." Ye Fengqing heard

, David was about to kill himself, and suddenly panicked: "If you dare to kill me, the Sealed Demon League will never let you go, you must know that the entire heavenly and human world has the power of my Sealed Demon League, you killed me, I will definitely be hunted down endlessly by the Sealed Demon League."

"You take people away now, I will pretend I didn't see it, this matter ends here, what do you think?"

Ye Fengqing was still threatening with the Sealed Demon League David!

Hearing Ye Fengqing's threat, David laughed, and then said lightly: "I won't kill you, you Fengmomeng are also chasing me..." Ye Fengqing was stunned, not understanding

what David was Meaning, David continued: "You know the Five Elements Heavenly Fiend of the Sealed Demon League, right?" "

Of course!" Ye Fengqing nodded!

"I killed Jin Sha, Huo Sha, and Mu Sha among the Five Elements, and they also told me the secret of your Seal of Demons." David looked at Ye

Fengqing with a sneer!

When Ye Fengqing heard that David had killed three of the Five Elements Tiansha and told David the secret, his eyes widened in shock!

"These damned guys dare to reveal the secrets of our Sealed Demon League casually, they are simply damned!"

Ye Fengqing gritted his teeth and said viciously!

He didn't expect that David would have enmity with them in the Seal of Demon League. From this point of view, his life is in danger!

"You people of the Sealed Demon League deserve to die..."

After David finished speaking, he slapped Ye Fengqing with a palm!

## Chapter 3164

Farewell

Ye Fengqing was terrified, and wanted to dodge, but found that he couldn't dodge at all!

Just like that, under David's palm, Ye Fengqing died suddenly!

This is the sub-head of the Fengmomeng, if you say kill it, you will kill it!

Seeing this, the other monks rolled their Adam's apples one by one, their faces were full of shock, and they didn't dare to say a word!

They were all rejoicing that they all backed out at the last moment, and no one stood with the Sealed Demon League, or else they would have ended up like this now!

Especially when Zhou Tai saw Ye Fengqing being slapped to death, his legs trembled and he peed in his pants!

David even dared to kill the leader of the Fengmo League. David would not pay attention to him as a brother of the Zhou family!

Zhou Tai's forehead was covered with cold sweat, and he was secretly rejoicing!

And the rest of the members of the Sealing Demon League, when they saw Ye Fengqing was killed, they all turned around and ran away!

But David did not catch up!

"Mr. Chen, cut the weeds and get rid of the roots, otherwise these guys will go back and report the news, and the Demon League will definitely not let it go."

Ji Lianzhan hurriedly said to David!

"I asked them to report back on purpose. Since I dared to kill Ye Fengqing, I'm not afraid that the Fengmomeng will find out." "An organization like the Fengmomeng shouldn't exist in this world."

David said slowly !

Ji Lianzhan didn't say anything anymore, he understood that if David could say such a thing, it meant that David and that Fengmomeng would never die!

Even if the Fengmomeng didn't trouble David, David would not let the Fengmomeng go!

"Mr. Chen, we will never forget your great kindness and virtue, because we came out secretly, so we have to hurry back to avoid Master's worry."

"If Mr. Chen has the opportunity, he can visit our Blood Spirit Valley. Our Blood Spirit Valley is next to Tianmo Mountain. There are rich resources and many rare treasures there. I believe Mr. Chen will definitely gain something if he goes there." Dong stepped forward and bid farewell to David!

"Brother Jin, if I have the chance, I will go to you, and I will also go to Tianmo Mountain." "

You two take care all the way!"

David patted Jin Dong on the shoulder!

Jin Dong nodded, and then, under David's gaze, he took Luo Xi and left!

The Demon Mountain Ghost Elder also stepped forward at this time and said: "Mr. Chen, then I will go back to Tianmo Mountain first, and wait for Mr. Chen's visit!

" You can have a glimpse of the majesty of the ancestor Feng Mo."

"Definitely!" David smiled lightly!

David knew that even if he went to Tianmo Mountain, he might not be able to see Feng Mo, and it was impossible for Feng Mo to show up!

Now that the battle between gods and demons is full of mysteries, it is obvious that they were all suppressed, and it was premeditated!

Before finding out the truth, the devils probably won't show up easily!

If it is known that they have all been released, it must be dangerous!

What's more, all they escaped were spirit bodies, and it took time to recover their physical bodies and strength!

So it is even more impossible to show up easily and expose yourself!

The Demon Mountain Ghost Elder also left, and now only David, Ji Lianzhan, his father and son, and Gao Qilan were left!

Even if there were only a few of them left, Zhou Tai was trembling with a few of the Zhou family's masters of crossing the tribulation realm, and he didn't dare to have any thoughts at all!

In fact, Zhou Tai at this time, if he led someone to attack David, David would not be able to stop him at all. He had just fought against the four Elders of the Sealing Demon League, and David had consumed a lot of energy!

In addition to the departure of Devil Mountain Ghost, only Ji Lianzhan is a master of the tribulation realm, and it may be very difficult to deal with the Zhou family's masters of the tribulation realm!

However, David's performance just now scared Zhou Tai to death. Even if David was left alone at this time, Zhou Tai would never dare to do anything again!

David glanced at that Zhou Tai slowly, and was so frightened that Zhou Tai fell to the ground in an instant!

Seeing Zhou Tai like that, David just sneered, didn't pay attention, and left with Gao Qilan and the others!

Many monks gave way to David and hid far away, for fear of offending David!

## Chapter 3165

David, who sneaked out, took Ji Yun and the others back to the small town, and then took the airship of Feitianzong to rush back to Feitianzong!

This time, Fei Tianzong suffered a lot of losses, more than half of the airship alone was lost, and it may take a long time to recover!

When he arrived at Feitianzong, David didn't want to stay, but he couldn't hold back Ji Lianzhan's enthusiasm, so he had no choice but to stay for a day!

Although Feitianzong suffered a lot of losses, it is still quite rich compared to ordinary sects!

So Ji Lianzhan treated David well for a day!

“Mr. Chen, I... can I go with you?”

Before David left, Ji Yun finally mustered up his courage and followed David in a low voice!

In fact, Ji Yun wants to be by David's side, he can learn a lot and experience himself!

It's just that with his current strength, he was afraid that David would look down on him, and being by David's side would be a burden, so he never dared to speak!

Ji Yun didn't speak until David was about to leave!

“This...”

David hesitated. It wasn't that he didn't want Ji Yun to follow him, because following him would be life-threatening. The Demon Sealing League hunts down!

If Ji Yun followed him, there would be troubles at that time, David didn't know how to explain to Ji Lianzhan, Ji Lianzhan was just such a son!

“Ji Yun, it's not that I don't want you to follow, it's just that Feitianzong has been hit hard now, you should accompany your father to run Feitianzong well.” “

And it's very dangerous to follow me. People must be looking for me everywhere, if you are really in danger, I'm afraid I won't be able to take care of you.” “

Your father is only your son, if something happens, what do you ask your father to do?"

David could only follow Ji Yun and tell the truth!

"Mr. Chen, you don't have to think about me. If you can let Yun'er follow you, I agree with both hands, and I can also gift an airship as a means of transportation for you!" "He has been following you for a while

, It has indeed changed a lot, which made me look different, if I hadn't met Mr. Chen, maybe he would still be a dandy, ignorant."

Ji Lianzhan came over and said loudly!

"Mr. Chen, don't worry, my dad agrees." Ji Yun looked at David expectantly.

David looked at Ji Yun's expectant eyes, and finally he could only nod his head!

Especially Ji Lianzhan's airship, this airship can't be built just by having money, it's very troublesome, and the construction period is very long!

Now that Ji Lianzhan is going to send out an airship, it can be seen that he attaches great importance to David!

Seeing David nodding, Ji Yun roared excitedly!

"Great, I can follow Mr. Chen from now on..."

When Ji Yun shouted excitedly, Ji Lianzhan took out a bronze coin from his arms!

On the top of the coin is engraved a big seal character!

"Yun'er, this is our Ji family's token, you take this thing, if you have a chance, go back to your hometown and have a look..."

Ji Lianzhan handed the coin into Ji Yun's hand!

"Dad, don't you say that there is no one at home?"

Ji Yun asked with a puzzled look on his face!

"Dad has always lied to you. In fact, the Ji family has always had people, and in the entire Central Continent, the Ji family can be regarded as a respectable family." "I ran out of Ji's house secretly in order to marry your mother

. Came here to establish the Feitian Sect."

"It's been so many years, and I don't know what's going on with Ji's family or your grandfather. If you have the opportunity to go to the Central Continent, take this thing and go to Ji's house." "And there

is If you need help, the Ji family will definitely help when they see this coin..."

Ji Lianzhan said slowly to Ji Yun!

It can be seen that Ji Lianzhan is homesick, but after running away for so many years, he has no face to go back.
