

A Man Like None Other Novel

Chapter 3186

Attacking the City

David's palm only stopped a few centimeters above Li Xing's head. If King Li was one step too late, David would have slapped Li Xing to death!

"I'll make an exchange with you. You let my son go, and I'll give you the Divine King's Bow..."

With that said, King Li took out the Divine King's Bow!

Looking at the God King Gong, David's eyes flashed unconsciously!

"Give me the God King's bow first, and I will release your son..."

You brought so many people, I am on my own, I will not be stupid enough to release them first..."

David said to King Li!

"Then I gave you the God King's Bow, what if you don't let my son go?"

King Li asked!

"Do you still have a choice now? You can only believe me..."

If you don't believe it, then we don't have to exchange. I will kill your son and hang it on the tower to boost morale." After

David finished speaking, he carried If you follow Li Xing, you have to go back!

King Li hesitated. He did not dare to give the God-King Bow directly to David!

"Prince Li, although David is very strong, he is just himself. Let's give him the God King Bow first, and he won't be able to do any tricks." "When the time comes, we will save the young

master and launch an attack on the city. As long as the Demon Emperor City is captured, God King Gong will come back obediently...”

Elder Qi stepped forward and said to King Li!

After hearing this, King Li gritted his teeth and said to David: “Okay, I will give you the God King’s Bow first, but if you dare to play tricks on me and don’t let my son go, I will definitely let you die without a body...””

David didn’t say anything, but raised his hand and gave Li Xing a few slaps!

If King Li dares to threaten him, David will beat his son!

Ahhhh...

Li Xing screamed and started crying.

When King Li saw this, he was also angry and anxious, but he had no choice but to let his son be in David’s hands!

Seeing his son being beaten, King Li didn’t dare to talk nonsense anymore and could only throw the God King Bow towards David!

David stretched out his hand and directly caught the God King’s bow!

Feeling the breath of the God King’s bow, David was filled with excitement!

God King Bow is finally back!

“David, I gave you the God King’s Bow, can you let my son go now?”

King Li looked at David and asked!

“Of course, I am a man of integrity. Since you gave me the Divine King’s Bow, then I will let your son go...” After David finished speaking, he threw away

the Li Xing!

Upon seeing this, King Li suddenly jumped up, caught Li Xing, and slowly fell to the ground!

While David was throwing Li Xing out, his body was retreating rapidly!

After Prince Li put down Li Xing, he shouted angrily: “Boy, let me see where you are running...” “

Prince Li, no, there must be a formation under the Demon Emperor’s city. You can catch up with it yourself, I’m sure There will be danger.”

“If something happens to you, then we will be leaderless.” “

I think we should start attacking the city. As long as the city is broken, no one of them can escape...”

Elder Qi Stopped King Li and said!

King Li thought that this was indeed the case, so he waved his hand and said: “Attack the city...”

In an instant, tens of thousands of troops began to attack the city in a mighty manner!

Yihe was on the city tower, watching the tens of thousands of troops attacking the city in a mighty manner. He couldn’t help but frown and ordered his men to stand ready!

When David saw that the other party had launched a large army to attack the city, he actually stopped running towards the Demon Emperor City. Instead, he stood there and quietly looked at the tens of thousands of enemy troops!

Seeing David like this, everyone was confused. They didn’t know what David was going to do?

Don’t you want to be able to resist an army of tens of thousands by yourself?

“Mr. Chen, come back quickly...”

Yihe shouted when he saw this!

“David, come back.”

“Come back quickly...”

Gao Qilan and the others were also anxious, shouting loudly!

But David didn't move. He had put away the God King's bow. He was holding the shining dragon-slaying sword in his hand, and he was covered with indestructible golden armor!

Chapter 3187

At

this time, David had such an aura that one man could stand in front of ten thousand others, but aura was still aura after all!

How could David alone resist the attack of tens of thousands of troops!

“Hurry up and pick up Mr. Chen...”

Seeing this, Yihe could only yell at Isa loudly!

Isa nodded, immediately ordered the army that had been prepared, slowly opened the city gate, and rushed out!

Gao Qilan and the others also wanted to go out of the city, but were stopped by Yihe!

If something happens to people like Gao Qilan, David will never spare him!

After all, these are David's women, who are the wives of the master of Tianlong Palace. How could Yihe let them take risks!

Isha personally led the army to rush out and quickly rushed to David!

“David, what are you doing? Why don't you go back quickly?”

Isa's eyes were full of anger!

Although she didn't understand why David was standing here, it was very dangerous. If he didn't know how to go, all the demon imperial city troops he brought out would probably be buried here!

“Why do you want to go back? Don't you want to kill the enemy happily?”

David looked at Isa and said with a smile!

“Of course I want to kill the enemy quickly, but we have few people and low strength. How can we fight with the opponent?” “

Now we can only save our strength and delay time, hoping to wait for reinforcements!”

Isa said to David said!

“Who said we can’t fight with a small number of people?” David looked at Isa with a playful look on his face: “Tell the soldiers that we are ready for the massacre, and let the people in Mingli King City know later that our soldiers in Demon Emperor City It’s not someone to be trifled with either.”

“You...” Seeing that David was determined not to go back, Yisha had no choice but to turn her head and order: “All soldiers listen to the order, draw their weapons, and prepare to fight...”

The more than a thousand soldiers brought by Isa all drew their weapons, their faces were stern, their eyes were full of murderous intent, and they showed no fear at all!

They know that at this point, there is no point in being afraid!

The only thing you can do is try your best!

“Charge...”

When the tens of thousands of vanguard troops in Mingli King’s City saw only a few thousand people challenging them, they immediately roared excitedly and charged forward!

David stared at the tens of thousands of enemy troops, seeming to be thinking something in his mouth!

When the tens of thousands of enemy troops were only a hundred meters away from them, David suddenly formed seals with his hands, and the power of the dragon burst out from his chest!

Behind David, a golden light kept flashing, illuminating David like a fairy!

As the golden light flickered, an invisible wave began to sweep across, covering the world in front of David!

Rumble.....

In an instant, everyone was shocked to see that countless rays of light suddenly burst out from the ground. These rays of light began to connect at lightning speed, and finally formed faintly. Mysterious light curtains!

The light curtain spread at an unexpected speed, and soon surrounded the tens of thousands of enemy troops. These tens of thousands of enemy troops were completely enveloped!

“It’s a formation. There is indeed a formation in front of Demon Imperial City...”

Elder Qi frowned and said!

“Tell the soldiers not to mess up and continue to charge forward. These are just defensive formations and do no harm.”

King Li ordered loudly!

He thought that there were defensive formations outside Demon Emperor City and they had no lethality!

After all, it would be too difficult to set up a killing array with a magic circle of this size.

You must know that in the world of gods and humans, there are very few formation masters. To set up such a killing formation, it is estimated that a lot of resources and spiritual coins will be needed. Not to mention the Demon Imperial City, even their Mingli Imperial City cannot afford it!

That’s why King Li was so sure that the exposed formation must be a defensive formation!

Before King Li’s order could be conveyed, David’s deep voice rang out!

At this moment, the light curtains began to change continuously, as if the entire world was divided by this light curtain.

Chapter 3188

For a moment, the sky and the earth began to spin in the huge light curtain. Tens of thousands of troops in the formation seemed to have lost the concepts of time and space. They were swaying one by one, constantly Start falling!

Ah...

Screams and collisions were heard one after another!

Tens of thousands of people collided and trampled on them, causing many people to be trampled to death before they had time to react!

When King Li saw this, he roared loudly, but it was of no use.

Some generals also wanted to control the situation, but in the spinning formation that day, no one was obeying orders, and they couldn't stop at all!

"Prince Li, what is going on? The formation looks so powerful, it doesn't look like a defensive formation at all."

Elder Qi looked at the soldiers in the formation, and they all seemed drunk, and couldn't help but sighed!

"Damn it, what kind of formation is this? It can actually trap so many people. There is no way there is such a person in Demon Imperial City. Could it be that Yihe invited a senior formation master?"

King Li frowned!

He knew that there was no one in Demon Imperial City who could lay out such a formation, unless Yihe invited a formation master!

But the Demon Imperial City has always been surrounded, and it is impossible for Yihe to invite the formation master!

Now not only King Li and the others were full of doubts, but even Isa was looking at everything in front of her in stunned silence!

The soldiers of Demon Imperial City even had their mouths wide open, with incredible expressions on their faces!

“What...what is going on?”

Isa asked David in disbelief!

“I’ve told you before, just prepare to kill the enemy.”

David said with a faint smile!

Isa looked at David, and her heart was filled with shock. How much effort would it take to form a formation that could trap tens of thousands of troops?

Yihe, who was on the Demon Emperor City, was a little shocked when he looked at the scene below the city. Although he knew David’s strength, this was the first time he had seen such a formation that trapped ten thousand people and an army!

You must know that arranging this kind of formation is extremely complicated and difficult. Even advanced formation masters may not be able to do it!

At this moment, David was quietly watching the scene in front of him. The tens of thousands of enemy troops were rolling, struggling, trampling and cursing each other!

But no matter how hard they try, they can’t escape from that formation.

In the eyes of outsiders, the tens of thousands of troops in Mingli King’s City looked as if they were drunk and could not stand at all!

Seeing that the time was ripe, David said slowly: “Princess Isa, the opportunity to kill the enemy quickly has come. Do you have any worries in the face of these soft-footed shrimps?” Isa glanced gratefully

. David then raised the weapon in his hand and shouted: “Soldiers, follow me and charge...”

Isa raised her arms and shouted, and all the soldiers in Demon Imperial City shouted and charged forward to kill!

Although there are only a thousand people, their fighting spirit is high, but the opponent is already spinning, and they can’t distinguish between east, west and north. How can they resist?

The one-sided massacre began. King Li watched his soldiers being slaughtered, and his eyes were red with anger!

Ten minutes later, the massacre slowly came to an end!

The tens of thousands of soldiers in Mingli King City have all become corpses at this moment!

The corpses of tens of thousands of people were piled up into a small hill!

The ground under his feet was dyed red with blood, and David stood on the ground dyed red with blood, looking at King Li with contempt!

Facing David's contemptuous expression, King Li became even more angry!

"Prince Li, I think we should retreat first and then discuss countermeasures..."

Elder Qi whispered to Prince Li!

"It's nothing to discuss. Today I'm going to kill this kid and destroy this Demon Imperial City..."

After King Li finished speaking, he suddenly roared, stepped out, directly across a distance of several hundred meters, and punched Just hit David on the head!

Full Read Online **Chapter 3189** of the novel **A Man Like None Other**

Chapter 3189

King Li is very fast, and there is no sign at all!

This time, Yihe and Gao Qilan on the tower were frightened!

"Mr. Chen..."

"David..."

Yi He and Gao Qilan all jumped up and jumped down from the tower, ready to help David!

You must know that King Li's strength has reached the fourth level of the Tribulation Realm, which is higher than Yihe!

David is only at the eighth level of the Fusion Realm now. Even if he can fight beyond the level, it will still be difficult to fight against the fourth level monks of the Tribulation Realm!

“None of you should take action...”

Chen Pingping faced King Li’s attack without any panic on his face and said directly to Yihe and the others!

Without the God King Bow, it would have been difficult for David to fight alone as a fourth-level monk in the Tribulation Realm. But now that he has the God King Bow, he is full of confidence!

Yi He and others were stunned, but David refused to do anything, so they could only stand aside and watch!

“Boy, you are too crazy...”

King Li saw that David was only at the eighth level of the Fusion Realm and refused to let others help. This was obviously looking down on him!

I saw King Li’s body expanding continuously in mid-air, and finally turned into a giant more than three meters tall, and his fists became extremely huge!

This punch came from the sky, the heaven and earth stirred, and the power like a tsunami burst out. The power of the beasts in King Li’s body also boiled with his punch!

David put away the dragon-slaying sword in his hand, and then with a cold shout, he jumped up and punched King Li.

David’s body looked very thin in front of the giant King Li, but David didn’t have the slightest fear!

The God King’s Bow is his confidence!

David had known for a long time that the reason why King Li exchanged the God-King Bow was because he couldn’t pull the God-King Bow at all, and he also guessed that he couldn’t pull it!

David wanted to take advantage of this. At the last moment, he unexpectedly killed King Li with the God King Bow!

As long as King Li dies, the army of King Mingli will be defeated without attack!

Boom.....

With a bang, David's fist finally collided with King Li's fist!

The huge explosion made everyone's expressions change, and in an instant, an invisible aura began to spread rapidly!

"Retreat, retreat quickly..."

Yihe saw this and shouted loudly!

Many people began to retreat desperately!

But there were still some soldiers who retreated too slowly, vomiting blood and being knocked away!

Buzz buzz...

David's fist was pressed against King Li's fist. The difference in stature between the two men made David look too weak!

But David, who looked so weak, directly blocked King Li's punch!

I saw the bodies of the two people suspended in mid-air, and two terrifying forces radiated out from their fists, causing the space around them to begin to distort!

"Boy, no wonder you were able to defeat Elder Qi. It seems you have some strength!"

Wang Li saw that his punch was blocked by David. There was a slight look of surprise on his face, but his eyes were full of it's arrogance!

Even if David could leapfrog and fight, after all he was just a monk at the eighth level of the Fusion Realm. King Li simply did not believe that David could defeat him at the eighth level of the Fusion Realm!

And there is another thing that King Li has incomparable confidence in his heart, and that is his strong physique!

You must know that their orcs are born with power that is unmatched by the human race, and it is also the purest physical power!

King Li had no idea that the power he was confident in was what David lacked the most!

If it were purely about physical strength, David could beat him to the point where he was called grandpa!

David is from the dragon clan, and he is also from the golden dragon clan. Is there anyone who can compare to him in terms of pure physical strength?

Full Read Online **Chapter 3190** of the novel **A Man Like None Other**

Chapter 3190

. It's a pity that King Li didn't even open his eyes to look at David. Just when David used the power of the dragon, King Li only focused on the formation!

The current King Li still doesn't know David's true identity. I wonder what his expression will be when he finds out!

“Not only can I defeat that Elder Qi, but I can also easily defeat you, the leader of the monster!”

David snorted coldly!

“Be bold, I will let you see the true power of the beast tribe!”

King Li suddenly sank, and with a cold shout, King Li's muscles lifted up, and his whole body swelled again.

I saw David and King Li's bodies falling, and they both fell to the ground!

The huge force caused the ground to begin to collapse and fall apart!

In an instant, a large pit hundreds of meters long appeared, and it was still spreading to all directions!

“This King Li's beast clan is indeed much stronger than me...”

Yihe looked at the scene in front of him and couldn't help but sigh!

“Dad, if David wants to fight with King Li with his physical strength, he will probably lose miserably, right?” Isa

doesn't understand. David obviously knows all kinds of magic and combat skills, so why should he fight with King Li with his physical strength?

Yihe shook his head: “If King Li really only competes with Mr. Chen for physical strength, that would be the best.” “

Mr. Chen's physical body is unmatched by anyone...”

King Li didn't know that David's identity, but Yihe knew that the real golden dragon's true body was more powerful than this physical body?

Rumble.....

King Li's power continues to explode, and the earth roars!

David, on the other hand, was facing King Li, punching in front of him, with no expression on his face. No matter how powerful King Li was, he couldn't make David move at all!

David, who looked thin in front of King Li, now stood like an immovable mountain!

“Is this your true orc power? Is this the physical power you are proud of?”

David asked sarcastically.

King Li frowned slightly. Although he did not unleash all his power, with this power, even if Yihe followed him to fight, he would probably have to take a few steps back, but David did not move at all!

But just when King Li was puzzled, David suddenly moved!

David's body jumped up, and the purest physical power in his body exploded, without any spiritual power or skills, let alone using the power of the dragon and his original power!

David's body spun in mid-air, and his power burst out at this moment, and then he kicked out fiercely towards King Li!

When King Li saw this, he crossed his fists and blocked it directly in front of him!

King Li had absolute confidence in his physical strength, so he did not dodge!

boom!

David kicked King Li hard on both arms!

King Li's huge body shot out like a meteor, and then the body hit the ground heavily, instantly stirring up smoke and dust in the sky. Only a straight ravine appeared, which was forcefully knocked out by King Li's body. of!

"How...how could this happen?"

Elder Qi was shocked. He didn't understand that King Li was actually knocked out by a boy at the eighth level of the Fusion Realm!

Although he has experienced David's strength, David is also opportunistic and careless!

But this time, David didn't use any opportunism and used real power. This was so shocking!

King Li's body flew far away before stopping!

When he stood up slowly, his anger had turned him ferocious!

In front of many soldiers, he was kicked away by a boy in the Fusion Realm. How could King Li not be angry?

This made him lose face, and also made him lose his prestige in front of the soldiers!
