Chapter 3133

The thunder tribulation was manipulated

very quickly, and the second thunder calamity was generated, roaring and roaring, and bombarded David again!

Perhaps that Thunder Calamity Cloud was also angry, so this Thunder Calamity is even more terrifying than the first one!

Seeing this, David went straight to Lei Jie.

Silver Feather Eagle looked at David in shock, and watched David being bombarded by the thunder calamity again!

Only this time, David slowly opened his hands, allowing the thunder calamity to pass through David's hands and continuously wander in the body!

Around David's body, blue electric arcs continued to permeate!

The thick red thunder, after David's body wandered away, turned into golden lightning little by little!

In David's original space, the original star of thunder and lightning emitted a dazzling light.

David's face revealed a satisfied look, and suddenly he waved his palm, and the golden lightning went straight to the silver feather eagle!

The golden lightning instantly pierced through the void, and in the blink of an eye, it arrived in front of the silver-feathered eagle. The golden lightning struck the silver-feathered eagle and exploded violently!

The Silver Feather Eagle's body fell rapidly, and finally managed to stabilize its figure!

Silver Feather Eagle looked at David in disbelief, he never expected that David could control the power of Lei Jie!

And after David succeeded in one blow, he was overjoyed. Now he can resist the thunder calamity, and even control the thunder calamity!

It seems that the origin of lightning in his body has indeed played a big role!

For this power of thunder and lightning, David's understanding and perception became more and more profound!

He can even analyze the core of every lightning calamity, every arc, every current!

Just when David was ecstatic in his heart, the Silver Feather Eagle rushed up quickly!

Now that David can control the power of Lei Jie, he wants to kill David when Lei Jie gathers again!

But when the Silver Feather Eagle rushed towards David again, another thunderstorm struck down!

David instantly controlled Lei Jie and bombarded towards the Silver Feather Eagle!

A series of golden lightning bolts blasted out from David's hands, while the thunder clouds in the mid-air were constantly condensing thunder disasters!

The silver-feathered eagle dodged and looked at David in disbelief. This was originally a thunder calamity for monks to temper their bodies, but now it has become a plaything in David's hands!

A series of thunderstorms bombarded down, David's golden body was indestructible, and currents surged around him, like a god of thunder and lightning!

The silver-feathered eagle desperately dodged, but was still bombarded by a lot of golden lightning!

Silver Feather Eagle kept cursing in his heart, he didn't know how David, a small monk in the Composite Realm, would attract so many thunder calamities?

How much is this? it's not finished yet?

Under the bombardment of Lei Jie, the Silver Feather Eagle finally couldn't bear it, and finally lost his soul in the eyes of unwillingness and humiliation!

It was left with a soul, but it disappeared completely in one fell swoop!

After the Silver Feather Eagle was eliminated, the Thunder Tribulation Cloud in that half also slowly dissipated!

At this time, David's body was suspended in midair, like a true god, which made people admire him!

Whether it was the small island or the monks on the spirit ship, they stared blankly at David, with complex expressions in their eyes!

David calmed down for a while, and then slowly fell down!

Seeing David, many monks on the small island kept retreating one by one, as if seeing a monster!

David ignored them, but jumped into the bottomless pit again!

Although he came out, Ji Yun and the others were still trapped inside, David couldn't just ignore them!

And at the bottom of the cave, many monks also began to pick up the weapons and magic weapons that had just fallen!

Immediately afterwards, I saw a black shadow falling down quickly!

"Get out of the way, something fell again..."

Ji Yun yelled, pulling Ji Lianzhan away in a hurry!

But when the black shadow fell in front of them, everyone was surprised to find that it was David!
