Chapter 3134

Together

“Mr. Chen, are you okay?”

Ji Yun quickly won, seeing that David was fine, very happy!

“I’m fine!” David smiled lightly!

And the Demon Mountain Ghost Elder at the side couldn’t help but widen his eyes when he saw Chen Pingping, and his eyes were full of disbelief!

“Mr. Chen, you...your aura...you have actually broken through? And you have broken through to the peak of the eighth-rank of the Composite Body Realm?”
The

Demon Mountain Ghost took a breath and said!

You must know that they and David have only been away for a few days. Although they don’t know where David went, but in just a few days, they have been promoted from the fifth rank of the Composite Realm to the peak of the eighth rank of the Composite Realm. This is too outrageous!

After Moshan Guilao said so, Ji Yun realized that David’s aura had undergone a qualitative change, and his realm had indeed improved a lot!

“Mr. Chen, did you encounter an adventure?”

Ji Yun’s eyes were full of envy!

After all, this was an ancient battlefield. If you encounter any adventures or inheritances, it is only natural that your realm will improve quickly!

“That’s right!” David nodded!

Not far away, Ye Fengqing, Zhou Tai and others were shocked to see how fast David's realm had improved!

Apart from shock and envy, they got almost nothing here except for picking up some broken weapons!

But he didn't expect David to have an adventure, which improved his realm so much!

"Mr. Chen, we have been wandering here for several days, but we couldn't get out. We found nothing except bones all over the floor. How did you come across Qiyu?" "And we have been looking for you, and we always feel that your It's so strange that the breath is by your side, but you can't find you at all."

The Demon Mountain Ghost boss was very curious. It is said that so many of them wandered around for several days and found nothing. How did David discover the adventure?

"It's a long story. In fact, there are many adventures in this place, but many of them are not in the same dimension as us, so we can't see them."

David explained!

"Could it be that there are people alive here, using space magic to create a parallel world?"

The devil's old ghost was full of surprise!

You know, the monks who can create the world are all the strength of immortals, so there are still immortals alive here!

David shook his head: "It's not a parallel world. We're still in the same world, but the dimensions are different. There's no one alive here. There should be only some remnants of souls.

", but I also understood what David meant!

"Mr. Chen, we are trapped here, unable to fly, and unable to get out of here."

Ji Yun said worriedly!

“Don’t worry, there will definitely be a way out here, it’s just that I didn’t find the right direction.” “The way

out of here may be in the water...”

David glanced at the light red bloody water.

“In the water?” Ji Yun and Moshan Guilao looked at the spiritual spring at the same time!

“That’s right, we searched for several days, but no one looked deep into the water. Maybe the exit is in the water.”

Ji Lianzhan slapped his forehead, as if he understood something!

At this moment, Ye Fengqing, Zhou Tai and the others also looked into the water after hearing what David said!

After all, no one wants to be trapped here!

“Fellow Daoist, we are all trapped here now, can I come with you?”

A monk approached David and asked David cautiously!

They can also see that David knows more about this place than they do, and David has had adventures, maybe he can really take them out!

“Yes!” David nodded!

Seeing that David agreed, many monks stood by David’s side one after another. Soon Ye Fengqing and Zhou Tai were left with only a few servants of the Zhou family!
