

THE CONTRACT MARRIAGE

Chapter 17 Stop Them from Getting Married

Julian had always felt sorry for Sarah and Christian. He knelt on the ground and did not move, allowing his father to kick him. “Dad, I also know that I had let Sarah down. I had let Big Brother down! But I can’t just control it. You kick me! If you kick me a few more times, I will feel better in my heart.”

Benjamin looked at the scene in front of him and slammed his hand heavily on the armrest of the sofa. “Sigh! What a sin! When did such a thing happen in our Cooper family? Julian, you really disappointed me!”

“Grandpa, I am sorry...” Julian lowered his head in shame. Right now he really did not know what to say other than sorry.

Benjamin sighed again and looked at Ethan.

“Ethan, sit down first! Christian’s wedding is the day after tomorrow. We need to do what to do first. Sarah and Christian’s marriage registration is already a fact. But the two of them have no relationship and the Wilson family help us very much. If we really let Sarah marry Christian, it will hurt her for rest of the life. We can’t let that happen!”

When Julian heard these words, which exactly what he meant, his eyes lit up and he straightened his back. “Grandpa, you are right. They have no feelings at all. If we really let them marry, we will harm Sarah!”

When Ethan heard his son’s words, his anger rose again. He glared at his unfilial son. “Now you know that you will harm Sarah. Where did you go back then?”

When Julian heard his father’s question, he

immediately lowered his head, not knowing what to say.

Benjamin frowned again and looked at Ethan with some displeasure. “Calm down first! You are already a few decades old, why are you so hot-tempered?”

Ethan heard his father’s words and also sighed. He sat on the sofa. He stared at the floor and said in same. “Dad, I also want to calm down. But Patrick and I are the best friends. Before he died, he held my hand and said Sarah can marry into our family. Then he could rest in peace. But now... Even if I die in the future, I won’t have the face to see him. What can I say when I see him? I don’t have the face...”

Ethan’s words made everyone fall silent. The atmosphere became somewhat oppressive.

Benjamin listened to his son’s words and understood

his current mood. He nodded with some emotion. “I understand your feelings. But what we should do now is to stop Sarah and Christian’s wedding! Christian’s temper is too stubborn. Very few people can change the things he has decided on! I just thought of a way, can you guys take a look?”

As soon as Benjamin finished speaking, the other three all looked at him. Ethan quickly asked, “Dad, quickly tell us! What method is it?”

“What happened today was too sudden. Sarah was a sensible and kind child. With her personality, it is impossible for her to tell her mother now. I think before the matter is blown up, let’s first persuade Christian to divorce Sarah, then Julian will apologize Sarah. Be more sincere. Sarah is a kind child, she should forgive Julian.”

When Ethan heard that his father’s words made

sense, he patted the armrest of the sofa. “Do as you say! Julian, quickly call Sarah. Go and bring her and Christian to the villa!”

Julian did not think that Benjamin’s method would still be to let Sarah marry him. He instantly vented his anger and knew that there were some things that he could not hide anymore. He looked up helplessly at his father and said, “Dad, I can’t do that...”

“Why?” Ethan started at his son and asked him loudly.

Julian lowered his head. “Vivian is pregnant...”
