

THE CONTRACT MARRIAGE

Chapter 3 A Domineering Man

“Sarah, are you alright?” Julian did not expect things to turn out this way. He quickly ran to Sarah’s side and reached out to grab her arm to pull her up.

“Let her go!”

Suddenly, a man’s cold voice came from the door.

Julian’s body shook when he heard this familiar voice. Vivian was also shocked by this angry roar. She stared with her eyes wide open in disbelief.

Christian!

Her fiancé actually came back early!

Sarah also looked towards the source of the roar. She discovered that there was a wheelchair parked at the

office door! There was a man sitting on. He had short hair and a pair of sharp eyes under his thick eyebrows shone with a sharp light. He was looking everything in front of him angrily.

“Why are you here?” Julian’s mouth twitched. He stood there awkwardly. He did not know what to do. He had always been a little afraid of Christian. Now that he had done something wrong, he felt even more ashamed of himself.

Christian looked coldly at his brother and at Vivian, who was wearing a man’s shirt. He then looked at the soy milk and steamed buns scattered all over the floor. Then he looked at Sarah, who was lying on the floor.

“You go and help her up! Then you take her to the hospital!” Christian coldly ordered Jayson behind him.

“Yes, sir!” Jayson quickly walked to Sarah and reached out to help her up. He wanted to take her away.

Sarah stood up and looked at Julian in front of her. Her heart was broken. She had a terrible headache. Blood was still flowing out, but she felt that she had never been clear-headed before.

The man she deeply loved ... For another woman, he mercilessly pushed her out!

What else could she say?

“I can walk on my own, thank you!” Sarah sadly pushed Jayson’s hand away. Without even looking at Julian, she silently walked out of Office of President.

Jayson immediately pushed Christian’s wheelchair and left together with him.

In the office, only Julian and Vivian were left.

After walking out of Office of President, Sarah helplessly carried her leisure bag and walked towards the elevator. When she heard what Julian said to her personally, her spiritual world completely collapsed!

Her nine years of perseverance, in exchange for this kind of result today!

Blood flowed down her hair and onto her dark suit. She was clearly in great pain, but she could not feel it at all!

No matter how painful her wound was, it couldn't match up to one ten-thousandth of the pain in her heart!

The elevator in front of her opened with a ding. Sarah

walked in numbly. Her body powerlessly leaned against the wall of the elevator and looked in front of her in despair!

Jayson pushed Christian's wheelchair into the elevator and the door of the elevator slowly closed. Christian's face was cold. He silently looked at Sarah and then looked away.

His sharp eyes were slightly moving ...

The elevator reached the first floor very quickly. The elevator door slowly opened. Sarah looked at the elevator door blankly and walked out in despair.

Jayson immediately pushed Christian's wheelchair out of the elevator and walked towards the off-road vehicle at the entrance of the lobby.

Sarah walked to the entrance of the lobby. When she

wanted to cross the Land Rover and leave, she was stopped by Jayson. “Miss, you are injured. We will take you to the hospital first!”

Sarah looked at Jayson and wanted to squeeze out a smile, but in the end, her smile was uglier than crying. “Thank you! I’m fine! I won’t die!” She lifted her foot and wanted to leave, but she felt a strong hand grab her arm. She turned her head and saw that it was Christian!

“I’m fine ...” although she was not familiar with this man, she had seen him once or twice in the Cooper family. She knew that he was Julian’s Big Brother!

“Get in the car!” Christian ordered her with a cold face.
