

THE CONTRACT MARRIAGE

Chapter 50 You Found an Outstanding Man

“Commander Cooper made the right choice. This pink suit suits you very well. You look like a little princess when you wear this dress. How did Julian react when he saw you these two days? He must be in a bad mood.” Thinking about this, Kendall felt somewhat relieved.

“I came to find you today to talk about this matter...” Sarah sighed lightly as she spoke.

Kendall immediately stopped in her tracks and looked at her nervously, “What is going on? Could it be that he is harassing you?”

Sarah shook her head and did not want to describe him too embarrassingly. “He is trying to persuade me to leave Christian...”

“He is really crazy! He betrayed you, and now he still wants to interfere with your life! Who are you marrying, does this have anything to do with him?” Kendall could not help but get angry when she heard that.

“He might be also be worried that I am not happy...” Sarah said as she looked down. That man was after all the person she once loved.

When Kendall heard her words, she immediately became angry. “There are really too many things that he needs to worry about. Does he know how to write the word ‘happiness’?”

“He didn’t run into me. If he did run into me, I would dig out his eyeballs first. I would make him blind for the rest of his life. Then that bitch definitely won’t continue to like him.”

Hearing Kendall's words, Sarah could not help but laugh. She looked at her somewhat reproachfully, "He does not have a deep grudge with you. There is no need for you to curse him."

Kendall realized that she was defending him now and she could not help but raise her hand to poke her forehead. "You are just too soft-hearted. He made you so sad and you actually speak up for him! I really can't stand you!"

Sarah smiled a little emotionally. "The matter between me and him has already passed, and now I realized that I don't feel that bad anymore."

Kendall looked at her curiously, "You guys have nine years of relationship and the other people would probably not be able to recover in a year or two. It has only been half a month and you don't love him anymore?"

“I did not completely let him go. After all, I’ve liked him for so long, but during this period of time, I’ve been with Christian almost every day. He always asked me to do all kinds of things for him. When I first started with him, he always made trouble for me, and I didn’t have time to be sad! Later on, I seemed to have forgotten all the sad things. Sometimes I think, have I ever loved Julian or not?”

“Wait a minute! What you just said was, after you were with Christian, you forgot about your breakup?” Kendall stopped in disbelief and asked her friend in surprise.

Sarah nodded. “It seems like that’s the case. Christian is just a petty person. After he sat in the wheelchair, he kept feeling that I am looking down on him. When he went to the supermarket to buy things, his wheelchair was obviously automatic, but he still

insisted on me pushing him. Don't you think he went too far?" Sarah remembered that Christian had been looking for trouble with her everything and was still a little angry.

"I did not think that Regimental Commander would be a little interesting..." Kendall could not help but laugh when she heard what she said.

"What do you mean?" Sarah looked at her in confusion and did not understand why she said that.

"Do you know of a move called using poison to fight poison?" Kendall asked with a smile.

"I don't understand..." Sarah shook her head.

"If I am not wrong, Regimental Commander Cooper is probably using another method to help you out of the pain of losing love. Think about it, when you are with

him, do you not have the chance to think about sad things?”

“How can I have time? When he was angry, he looked very scary. To be honest, I was a little scared when I saw him. As long as I went to his apartment, he would let me do anything, even let me wash his underwear. I’ve never seen someone as petty as him!”

“He’s still treating you like this?”

“He seems to have changed a little now. I went to the hospital with him that day. An old specialist said that if he was in a good mood, his leg injury might recover very quickly. So, I’m still a little afraid of him now.”

“Can his leg injury recover?”

“I think so. I’m not sure about this yet!”

“If he can stand up, you might find a very outstanding man this time. I think that although he looks a bit cold, as long as he can stand up, he will definitely be very handsome!”

“You said he is good-looking?” Sarah could not help but laugh.

“Of course! Didn’t you realize that compared to Julian, he was actually more manly? If he can stand up, you should live a good life with him. I heard that soldiers are especially good to their wives.”

Sarah immediately looked at her unhappily. “I only agreed to marry him for three months. He lacks a bride. I want to satisfy one of my parents’ wishes. This matter is that simple. Three months later... We will have nothing to do with it. Furthermore, he is Julian’s Big Brother. If I am really with him... In the future, I won’t be able to avoid getting entangled with Julian. I

don't want to see him for a day now!"

When Kendall heard Sarah's words, she also felt that her words made some sense. "You are right. He is related to Julian by blood. If you really become his sister-in-law, you will definitely be in contact with him in the future."

"Kendall, I actually have an appointment with you today to tell you something..."

"What is it?"

"I have to go to the army with Christian tomorrow." Kendall said.

"Why are you going to the army with him? Do you want to have a honeymoon?" Kendall stared at Sarah with her eyes wide open. She felt that this matter was somewhat inconceivable.

“He will return to the army tomorrow and stay for three months. Now, Julian keeps harassing me. But I can’t go back to my mother’s house for three months. So the best way for me is to follow him and go to the army.” Sarah replied somewhat helplessly.

“Then you can live in the Cooper family. Why do you insist on going to the army with him?”

“I’m afraid Julian will do something extreme. He was drunk last night. He said to his family, Christian and I will never have a happy marriage. He asked us to divorce. He was slapped by his father. That’s why I don’t want to stay in Cooper Family! Although Christian has a bad temper, he is not a threat to me, and he is also a soldier. When I am with him, I will feel safer.”

“Julian is too much!” Kendall couldn’t help but curse

when she heard Sarah's words.

Sarah laughed. "Don't be angry. If I am not angry, why are you still angry?"

"Alright! If you want to go with him to the army, then go! Sarah, I want to ask you something..." Kendall looked at Sarah and her eyes flickered a few times.

"I don't understand..." Sarah shook her head.

"If I am not wrong, Ragimantal Commandar Coopar is probably using another method to help you out of the pain of losing Iova. Think about it, when you are with him, do you not have the chance to think about sad things?"

"How can I have time? When he was angry, he looked very scary. To be honest, I was a little scared when I saw him. As long as I want to his apartment, he would

lat ma do anything, avan lat ma wash his undarwaar.
I'va navar saan somaona as patty as him!”

“Ha’s still traating you lika this?”

“Ha saams to hava changad a littla now. I want to tha hospital with him that day. An old spacialist said that if ha was in a good mood, his lag injury might racovar vary quickly. So, I’m still a littla afraid of him now.”

“Can his lag injury racovar?”

“I think so. I’m not sura about this yat!”

“If ha can stand up, you might find a vary outstanding man this tima. I think that although ha looks a bit cold, as long as ha can stand up, ha will dafinitely ba vary handsoma!”

“You said ha is good-looking?” Sarah could not halp

but laugh.

“Of course! Didn’t you realize that compared to Julian, he was actually more manly? If he can stand up, you should live a good life with him. I heard that soldiers are especially good to their wives.”

Sarah immediately looked at her unhappily. “I only agreed to marry him for three months. He lacks a bride. I want to satisfy one of my parents’ wishes. This matter is that simple. When Kendall heard Sarah’s words, she also felt that her words made some sense. “You are right. He is related to Julian by blood. If you really become his sister-in-law, you will definitely be in contact with him

in tha futura.”

“Kandall, I actually hava an appointmant with you today to tall you somathing...”

“What is it?”

“I hava to go to tha army with Christian tomorrow.”
Kandall said.

“Why ara you going to tha army with him? Do you want to hava a honaymoon?” Kandall starad at Sarah with har ayas wida opan. Sha falt that this mattar was somawhat inconcaivabla.

“Ha will raturt to tha army tomorrow and stay for thraa months. Now, Julian kaaps harassing ma. But I can’t go back to my mothar’s housa for thraa months. So tha bast way for ma is to follow him and go to tha army.” Sarah rapliad somawhat halplassly.

“Than you can liva in tha Coopar family. Why do you insist on going to tha army with him?”

“I’m afraid Julian will do somathing axtrama. Ha was drunk last night. Ha said to his family, Christian and I will navar hava a happy marriaga. Ha askad us to divorca. Ha was slappad by his fathar. That’s why I don’t want to stay in Coopar Family! Although Christian has a bad tampar, ha is not a thraat to ma, and ha is also a soldiar. Whan I am with him, I will faal safar.”

“Julian is too much!” Kandall couldn’t halp but cursa whan sha haard Sarah’s words.

Sarah laughad. “Don’t ba angry. If I am not angry, why ara you still angry?”

“Alright! If you want to go with him to tha army, than

go! Sarah, I want to ask you something..." Kendall looked at Sarah and his eyes flickered a few times.

"What is it?"

"What is the relationship between Mr. David and you?"

"He is my neighbor. When I was in school, he always protected me. What's wrong?"

"It's that simple?" Kendall did not quite believe it.

"Of course it's that simple! What else do you think we have?" Sarah could not help but laugh.

Kendall slightly pursed her lower lips and asked in embarrassment. "Then I am relieved. Does he have a girlfriend?"

Hearing the meaning of her words, Sarah's heart skipped a beat but she still maintained the smile on her face, "He doesn't have a girlfriend!"

"Then can you introduce us?"

"You like him?"

"I like men like him. He looks cheerful, handsome and enthusiastic. I feel that he completely fits the image that I yearned for in my heart. It just so happens that you have a good relationship with him, so help me..."

Kendall's character was straightforward. She generously revealed her opinion.

"How should I help you?"

Kendall thought for a while, "Since you are about to leave for three months, help me arrange a meal with him today!"

“Okay, then I will give him a call.” Sarah took out her phone as she spoke and found David’s number. She was about to call him when Kendall suddenly stopped her.

“I have only met him once. You said you are going to army, so you wanted to treat him a meal. Is that okay?”

“Yes!” Sarah smiled and called David.

“Sarah!” David answered very quickly.

Hearing David’s voice, Sarah mood became better.

“Mr. David, I want to treat you a lunch today. Is that okay?”

“I am a restaurant owner. You still want to treat me a lunch?” David laughed when he heard Sarah’s words.

“That’s why I want to treat you a meal.”

“Why do you want to treat me a meal? Did Regimental Commander Cooper caused you trouble?” David asked.

“I’m going to army with him tomorrow. So I want to treat you a meal today.”

The other end of the phone was silent for a few seconds. Then David’s voice sounded again. “Then come to my restaurant. I will wait for you here.”

Hearing his persistence, Sarah nodded her head.

“Alright! I will go over now.”

Seeing Sarah hang up the phone, Kendall asked with excitement. “He agreed?”

Sarah nodded and looked at the time. "Let's go his restaurant now!"

"Will he welcome me?" Kendall was somewhat nervous.

"You also have times when you are nervous?" Sarah deliberately teased her.

"Why can't I have times when I am nervous?"

"Then let's go."

Because Jayson was with him, the both of them sat in the car and soon arrived at David's restaurant. Sarah called David and in less than ten seconds David arrived at the first floor.

When he looked at Kendall, who was beside Sarah, there was a hint of disappointment in his eyes.

However, his disappointment soon disappeared. He quickly brought the two of them to the private room on the second floor.

When they walked into the room, Sarah looked at David and introduced to him, “Mr. David, she is my best friend. You have met once on the day of the wedding. I met her on the way, so I brought her along. You don’t mind, do you?”
