An understated Dominance – Dahlia and Dustin Chapter 1457

### Chapter 1457

“Two adults, stop arguing now and calm down.”

Seeing that the situation was not going well, Dustin quickly started to smooth things over.

Otherwise, if the quarrel continues like this, the two pillars of the court will probably start fighting on the spot.

“Dustin, you have to make a choice. Should you choose the Bryant family or the Duncan Family?” Thomas Bryant asked the question.

“Little guy, think carefully, be careful if you make a mistake, you will regret it forever.” Duke stroked his beard.

For a moment, everyone’s eyes were focused on Dustin.

It is really rare to be scrambled by two giants like this.

Although it is a supreme honor, it is also a difficult problem.

The Bryant family is a martial arts family, and Dustin is a martial arts master. Considering his future, it is definitely more appropriate to join the Bryant family.

However, the Duncan Family is also a royal family, and its power is no worse than that of the Bryant family. Coupled with the influence of Natasha, it is easier to convince people.

The most important thing is that no matter what Dustin chooses, he will offend the other party.

Opportunities and risks coexist.

“I appreciate the kindness of the two adults, but I still say that, I don’t plan to join any forces for the time being, so I can only say sorry here.” Dustin declined again.

“What?!”

Hearing this, everyone couldn’t help but look at each other.

The eyes they all looked at Dustin were full of disbelief.

You know, whether you join the Bryant family or the Duncan Family, it is equivalent to the carp jumping over the dragon’s gate.

It turned out that Dustin was lucky, he didn’t choose any of them, and rejected them all.

This kind of behavior is simply stupid.

“Dustin, today is a once-in-a-lifetime opportunity, are you sure you want to give up?”

Thomas Bryant said in shock.

“OK.” Dustin nodded.

“Little guy, do you know that many people are not qualified to join the royal family even if their heads are squeezed. Now there are two wide roads in front of you. You really don’t plan to take them?” Duke was a little strange.

“I have my own way to go.” Dustin replied.

“Yes, I am ambitious.”

Duke smiled and nodded: “Okay, if you don’t want to, I won’t force you. If you encounter trouble in the future, just come to me.”

He had looked down upon him before, but Dustin’s rejection made him look up to him.

Men should make their own way. Relying on others to grow can easily squander their ambitions.

“Thank you, Your Majesty.” Dustin bowed his hand.

“Dustin, I support your choice. Of course, if you change your mind, you can come to me at any time. The door of my Bryant family will always be open to you.” Thomas Bryant smiled slightly.

“Thank you Master Bryant for your kindness.” Dustin saluted again.

“Your Excellency, I have something else to do, so I’ll take a step forward and take my leave.”

Thomas Bryant hugged Duke and turned around to leave.

Although he failed to win over, thankfully, Dustin did not join the Duncan Family.

In this way, the Bryant family still has hope. As long as they show more goodwill in the future, there may be a chance to recruit Dustin.

To take a step back, there are hundreds of benefits and no harm in making good friends with such potential stocks.

“Girl, I’m not here to be a lightbulb anymore. You two can talk slowly.”

After Duke said hello, he left with a smile.

As the saying goes, those who are near the water and the towers get the moon first. With my granddaughter here, no one like Dustin can take it away.

“Husband, let’s go and eat.”

Natasha smiled sweetly, then took Dustin in her arms and walked out of the Balermo Martial Arts Hall.

In today’s battle, Dustin has made his mark in Stonia.

Not only did he defeat many geniuses from the Bryant family, but he also impressed his own grandfather, which can be said to be killing two birds with one stone.
