

And then bring people in to catch a turtle in a jar!

At this time, his most trusted men called him.

Seeing the other party's incoming point, Jack instantly got excited,

After picking up the phone, he asked off the cuff:

"How about it, found the surveillance video of that roast goose store?"

Chapter 4341

At this moment, Jack's heart is filled with two things.

One is to hurry up to catch the murderer in New York in the past two days.

The other is to help good brother Desmond Evans to find out the secrets held by Stefanie.

At the moment, the Joules Group is under full control, and it is only a matter of time before Xion is found.

Therefore, when he received this call, he was expecting his subordinate to give good news.

However, the voice on the other end of the phone said helplessly,

"Chief, we acted out a whole play as you instructed, but to our surprise,"

"There was no hard disk in the surveillance camera of that barbecue restaurant."

"No hard disk?!" Jack was poured a pot of cold water on him and he asked offhandedly,

"Why is there no hard disk? Was it taken away in advance?"

The colleague he sent out replied, "The owner said that the hard disk broke down long ago,"

"So it has not been replaced with a new one."

Jack asked offhandedly, "What about the broken hard disk? It was not in the machine?"

The subordinate said: "No, I also asked, and the hard disk position of the surveillance recorder was indeed empty."

Jack's expression froze and said with a tight frown,

"This is not right! If the hard disk was dysfunctional, and he is not prepared to repair it,"

"Then he had absolutely no need to take the hard disk out of the hard disk box,"

"It is like your computer CPU is broken, and then you are prepared to put this computer aside to idle,"

"It has been idle, you will still open it up to take its parts out?"

"This" the subordinate mused and asked offhandedly,

"Boss, you mean to say that the store owner has a problem?"

"This person definitely has a problem," Jack said in a cold voice:

"Check the owner's information for me, and send some men to quietly monitor him, so that he does not escape."

Saying that, he instructed again, "You have to remember that you must not alert the snake!"

“Yes!” The handlers immediately agreed and said, “Then I’ll arrange it.”

After hanging up the phone, the person in charge on this side of the scene ran over and said,

“inspector Lee, the people at the headquarters of the Joules Group have almost been evacuated,”

“And no trace of that Xion has been found yet, the special team will immediately go in,”

“With life detectors and search and rescue dogs.”

Jack nodded and said, “Order down a carpet search, combined with,”

“The architectural blueprint of the building, do not let go of any possible escape route!”

The other party immediately said, “Please rest assured, inspector Lee,”

“We have cut off all the pipes connecting the group’s headquarters to the outside world,”

“Unless the other party turns into a fly and flies out, it is definitely impossible to escape otherwise.”

“That’s good.” Jack ordered, “Let the special team begin its operation!”

“Before it gets dark, make sure to find her for me!”

.....

Meanwhile, Charlie had already left Long Beach and headed to the venue where Stefanie was performing.

Since she had no way to carry her cell phone while rehearsing on stage,

Stefanie created a WeChat group in advance, adding herself, Charlie, and her manager Chloe in it,”

“Leaving Chloe in charge of receiving Charlie.

All the performers related to the show were fully engaged in the rehearsal,

Except for Stefanie’s agent Chloe who had nothing to do.

For Chloe, she was most busy before the performance preparation,

Such as negotiating various cooperation, engaging in various publicity, and coordinating various media resources,

And studying how to help Stefanie to engage in a resource exchange.

However, once the show entered the countdown state,

It also means that her preliminary work has basically been completed, so this time instead of getting free.

Chapter 4342

Knowing that Charlie was coming, Chloe waited outside the venue early,

And once she saw him arrive, she said with great diligence,

“Mr. Wade, you’re here! Stefanie is rehearsing and asked me to receive you!”

He looked at Chloe and asked with surprise: “Miss Chloe,”

“We have known each other for a long time, why have you suddenly become so polite today?”

Chloe laughed: “Look at you, Mr. Wade, I am always very polite to you.”

Charlie teased, “Now is not the time for you to point at me and call me a negative-hearted man.”

Chloe said with a serious face, “No, no, no, adults must learn to return one size to another,”

“You really behaved like a negative-hearted man in handling Stefanie’s problem,”

“But in other aspects, your personality is still very strong.”

After saying that, she ignored Charlie’s depressed expression,

Pointed to the large performance venue behind her and said with a smile,

“Look, Mr. Wade, this is the best performance venue in New York,”

“We were worried that we might not even have the chance to use it,”

“After being set up by the Joules family, who would have thought that this venue has now become ours directly... ..”

Speaking of this, she said to Charlie with a face of admiration: “Mr. Wade, it is all because of you!”

Charlie was a bit teary-eyed at this point.

Chloe is quirky, sometimes speaks with a gun,

But sometimes gives people a rare feeling of frankness.

So when she stepped on it, he really did not know what to answer.

So, he could only change the subject and said,

“By the way, what is the pattern inside this venue? Is there a VIP box?”

“Yes,” Chloe replied smoothly, then asked,

“Mr. Wade, you don’t want to watch the show in a box tomorrow, right?”

Charlie nodded: “That’s right, the VIP box should be low-key.”

Chloe said, “Low profile is low profile, but the distance is also the farthest,”

“In the last row of the head, when Stefanie is on stage, it is estimated that you will not be seen.”

Charlie seriously said, “The situation is special, this time I will not show my face.”

For Charlie, what he was most worried about was that someone from Grandma’s family,

Would come over tomorrow to support Stefanie in the show, in that case,

Once they see him, there was a high probability that they would recognize him.

Chloe was also more understanding of Charlie’s request and spoke,

“Then I’ll take you in for a spin, and you can see the venue first.”

“Okay.”

Soon, Charlie was led by Chloe and went inside the venue.

At this time, Stefanie was busy rehearsing on stage.

So, Chloe became Charlie’s guide and led him, taking him around the entire performance venue.

This is a large performance venue that can accommodate tens of thousands of people,

The audience seats are distributed in a stepped pattern, the closer to the stage the lower, the farther the higher.

And in the arena at the end, the highest row of seats directly above the audience,

There is a row of very good privacy VIP boxes, these VIP boxes,

Are used especially for VIPs during major sports events.

In this way, VIPs can drink and chat with friends while overlooking the entire game from above,

While also ensuring excellent privacy.

In some European soccer stadiums, many celebrities have their own exclusive boxes,

And when there is a game, they meet with their friends to drink and watch the game in the box.

Charlie immediately spotted this position, so he asked Chloe:

“Chloe, for this concert, has the VIP room been sold?”

“No.” Chloe said, “Stefanie’s concerts are only sold to the audience in the form of different areas,

Not VIP rooms, VIP rooms are generally not activated.”

Charlie nodded, pointed to the middlemost box, and spoke, “Then leave this one for me.”

Chapter 4343

Originally, in order to avoid unnecessary trouble,

Charlie even intended that he would not come to Stefanie’s first concert in New York tomorrow.

It was also clear that if he really didn’t come, not only would Stefanie feel disappointed,

But his wife Claire would definitely be very sad too.

However, after actually seeing the venue, he was relieved in his heart.

When the time comes, he could bring his wife inside the VIP box to watch Stefanie's concert,

Which would also greatly avoid the possibility of exposure.

chloe also knew something about Charlie, so after hearing him say that he wanted a box,

She didn't say anything more and quickly agreed, saying, "No problem, I'll take you up to have a look."

Charlie nodded and followed her to the box, she pushed open the door and introduced to him:

"Mr. Wade, this venue's VIP box is very large, usually more than 50 square meters,

With a separate bathroom inside, it is possible to arrange a party inside,"

"Once you come in, anything you need will be sent over by the staff,"

"So there is no need to go out, basically will not be seen by others,"

"And the glass is also a one-way privacy glass, the outside audience can not see inside."

Charlie looked at the environment, this box is very luxuriously decorated,

At first glance, it gives the look of a gathering place for New York's top rich people.

So, he said, "Okay, let's take this one."

chloe nodded and said, "If Mr. Wade wants to be as low-key as possible,"

"I will arrange for you to go directly to the VIP channel,"

"There is a physical partition between the VIP box and the other audience seats below,"

"You can come up directly from the VIP channel, no one else will see you."

"Good!" Charlie said with a satisfied nod: "Then it's settled, before the concert tomorrow,"

"You help me arrange a docking staff, then I directly find him to come in."

chloe said: "Mr. Wade, for such a distinguished guest like you,"

"How can I arrange another staff member to dock? I must be in charge personally!"

Charlie hurriedly waved his hand and said,

"No, no, you must be very busy at that time, so I won't bother you with this kind of thing,"

"Just find someone who doesn't know me and tell him that I am your feng shui master."

chloe saw that Charlie rejected her in seconds, and immediately realized that he was worried about something so she immediately said,

"Mr. Wade, you don't have to worry so much, although I'm not a good person,"

"But I'm certainly not the kind of bad people who harm others and benefit themselves,"

"I know that you will come with your wife tomorrow, and I will certainly not say the wrong things in front of your wife."

Charlie was tempted to say I can't trust you, but then he thought,

Although chloe's temper is a bit hot, but when she does something,

She must still have a number in her heart,

Otherwise, she wouldn't have been able to work with Stefanie for so many years.

So, he did not refuse again, nodded, and said, "Then it will be hard for you then."

With that, he stepped forward to the large floor-to-ceiling glass window,

In front of the box and looked in the direction of the stage.

On the stage, Stefanie is rehearsing a very fast-paced singing and dancing song with the backing dance team,

Although the distance is a bit far, but the good thing is that the perspective can overlook the entire stage,

Plus there are large LED screens on both sides of the stage,

And the whole process is playing various angles of camera close-up images, so the view is also very good.

In this way, it can also ensure the experience of his wife when watching the show tomorrow night.

While Charlie was watching Stefanie rehearse at the venue,

The atmosphere at the Joules Group headquarters building was getting more and more awkward.

A large number of special warfare team members entered the building one after another,

And conducted a carpet search of the entire building partition, but,

Chapter 4344

After searching the entire building, they did not find Xion's shadow.

You should know that the equipment used by the members of the special warfare team is the most advanced,

They use the life detector, even if the person is behind steel and concrete it will not cause any impact,

And almost difficult to be artificially interfered with,

Even if Xion's ability to hide is strong, but she can not hide from the search of this instrument.

Plus there are dozens of well-trained police dogs at the scene,

Even if there are people hiding through several walls, the dogs will be aware of it.

So, this two-pronged approach can ignore almost any interference,

And as long as Xion is still at Joules's group headquarters, she will definitely be found.

But even with such advanced detection capabilities, it may still not be able to discover Xion's trail.

This makes Jack feel incomparably astonished at the same time,

But I also can't help thinking of a question: Has she escaped in advance?

But after thinking about it, he thought it was unlikely.

His action has been very fast, and has not given Stella,

The opportunity to inform anyone, how can Xion escape so timely?

The chief of the Police Department has also been on the edge of his seat at this time,

And none of the media reporters outside who have been identified and approved for release have left,

And are on the scene for live coverage.

The public's discontent with the Police has grown stronger as the reports continue.

Although everyone knew that the Police was making such a big effort to catch the killers of Patrick Joules and other sgum.

The vast majority of the public, however, is relying on their own sense,

To distinguish between right and wrong to judge the issue, and not from the perspective of justice.

If you look at this matter from a judicial point of view, then, like Jack,

No matter how these people are punishing evil and promoting good, they do not have the power to enforce the law,

So, without the power to enforce the law and kill people, it is undoubtedly a crime,

and since it is a crime, they must be arrested and brought to justice.

However, the vast majority of New Yorkers and the American public,

Are looking at this matter from a personal perspective of right and wrong.

In their eyes, Randal and these sgum deserve to die, and whoever killed them is a hero in the eyes of the people.

They have been able to do wrong for so long and harm so many innocent girls,

Which is itself a dereliction of duty on the part of the Police.

Since someone has done for the Police what they could not do, the Police should not come for them,

But should reflect on why they have not been able to find out what Patrick and these people have done,

Instead of focusing on catching the unsung heroes who have done good.

The American people's view of right and wrong, and Hollywood superhero movies are almost the same,

In the eyes of the people, whether it is Spider-Man, or Batman, Iron Man, Flash,

As long as they have the ability to stand up for the community to remove violence and ensure peace,

The law enforcement powers or no law enforcement powers, the people simply do not care.

So, what the Police is doing right now has caused great public anger,

And the curses on the internet are getting louder and louder.

The mayor even personally called the police commissioner,

Asking them to immediately stop the blockade and searching in Joules group,

And at the same time publicly give an explanation,

Telling them why they blocked Joules's group to arrest and whether they had caught them.

The police chief's head is as big as a bucket. After repeatedly confirming that the special operations team had found no trace of Xion,

He immediately rushed into Jack's temporary command center, pointed at his nose, and cursed,

"Pull everyone out immediately! In five minutes,"

"You will go and explain to the media the purpose and results of today's operation!"

Jack was already manipulated by the gambler's mentality at this time and vowed to take this opportunity to take a chance.

Therefore, at this time, hearing that the director wants to let him withdraw the people, he immediately became furious.

Chapter 4345

Jack immediately angrily retorted: "If we withdraw the people now, it will be a complete loss for us!"

The director asked rhetorically: "Hasn't it been thoroughly searched? How much longer do you want to search?"

"Even if I give you a month's time to tear down this building, you will not be able to find the people!"

Jack blurted out, "Director, you let the special operations team search again,"

"I think she definitely can't escape, maybe she's hiding somewhere in the Joules Group!"

The chief said angrily: "Lee, I know you are close to retirement, encountered such a case,"

"In heart, you must not be convinced, but I tell you, now this matter has been in front of the media,"

“And in public, it has sparked a huge discontent, now the Internet is full of curses for police,”

“The mayor has made countless calls accusing us!”

Jack said: “That’s why we have to catch Xion and find a way to force her,”

“To give the cause and effect of the Dragon Hall’s involvement in this matter!”

The director scolded: “You’re out of your mind, right? Whether or not those people were killed by the Dragon Hall,”

“I’ll tell you one thing, now the people of the United States and even the world are applauding the death of these people,”

“And they all regard the killer behind the scenes as a hero,”

“Even the mayor asked us to stop the investigation, you still want to disobey the mayor’s orders?”

Jack was suddenly dumbfounded by the question.

He was silent for a moment and asked, “Director, it’s okay to close the team now,”

“But what about after that? Will this matter never be investigated?”

The director waved his hand and said, “This matter is not your concern,”

“You have less than a year to retire, tomorrow just hand over the work,”

“Take a leave period before retirement, rest at home when you retire,”

“I will give you a grand send-off ceremony, an honorable retirement.”

When Jack heard this, he suddenly became anxious and said angrily: “You want me to get out now?”

The director said word by word: "No, I just want you to take a break and leave the rest of the work to someone else."

Saying that, the director patiently advised, "Lee, you have dedicated so many years to the police department,"

"Think of it as leaving more opportunities for young people,"

"Before you retire, as for yourself, just go and take a good rest."

"No way!" Jack said in a cold voice: "There is no way I can retire early until this case is solved!"

"I can't allow my years of police career to end up with such a humiliating case to retire with!"

After saying that, he threatened, "Chief, if you want to take this case out of my hands,"

"Then I will go to the mayor to complain against you!"

"Complaining about me?" The director gave a bitter laugh, then said helplessly:

"Lee, I told you clearly, next year's mayoral election, the current mayor is seeking a re-election,"

"This case has already brought a great negative impact on his re-election,"

"If now because we provoke public anger, then the hope of re-election will be completely lost!"

"So, it's not me who wants you to retire early, it's the mayor who wants you to retire early!"

When these words came out, Jack was dumbfounded.

He really didn't expect that the mayor, who had repeatedly praised him in public, wanted him to retire early.

The director saw that he could not say anything, so he continued to add:

"Leei, there are only two options in front of you, the first is that you take the initiative to apply for early retirement,"

"This case will make you lose some face, but at least will not let you lose your reputation,"

"It is just a stain, as the people say, not a sage, who can not be faulted,"

"There is such a stain, it will not have much effect on you."

"Besides, as the Police Commissioner, this case will also leave a stain on my resume,"

"I can face it openly, what do you have to hesitate about?"

Speaking of which, the Commissioner cleared his throat and added:

"Ahem Li, if you do not want to do this, then the Police will publicly announce the suspension of your work,"

"as for the reason for suspending your work, in view of the fact that you have unshirkable responsibility,"

"In a number of aspects of this series of cases, including but not limited to the fact that,"

"For so long failed to discover the facts of Patrick and other people's crimes,"

"As well as Patrick's kidnapping case until he was torn by the murderer you failed to catch them!"

Jack's entire body was suddenly green with anger.

But the director said with a serious face: "Li, out of the big things that can not be solved,"

"Someone has to come out to take the blame, you work in the Police for so many years,"

"Why do you not understand? I do not want you to take the blame,"

"But if you are really stubborn, then I can only say sorry to you in advance!"

Jack gritted his teeth and looked at the other party,

Even though his heart was filled with hatred, he also knew that the chief was telling the truth.

In fact, most of the time, the Police system is still very protective of the calf,

Their own people caused trouble, the top for overall image considerations will certainly find a way out.

However, the Police are not always able to handle everything.

In the past few years, the Police's violent law enforcement against ethnic minorities has caused huge public outrage,

And at first, the Police tried to shield their own people, but in the end,

They had to make sacrifices because of public outrage.

Now Patrick is involved in a series of cases that is also extremely bad, but suddenly,

The police department has not found a way to deal with it,

But from the current situation, one can also guess, that the probability of this matter is difficult to investigate,

So it will not take long, in the Police department it must be someone to take the blame.

Now, it may be a wise choice to retreat.

Moreover, Jack also knows that now he has little choice.

Either go for an active retirement or passive retirement, in the end, there is no second choice but to retire.

So, after weighing the pros and cons, he spoke decisively and said, "Okay, I accept it."

The director nodded gratefully and instructed, "Later on, you go and do a short meeting with the media,"

"Say that the police got a tip-off that there were suspects operating in this building,"

"But after searching, it was confirmed that there was no trace of the suspects,"

"And this operation might be a mistake of intelligence, don't explain too much else."

Jack said helplessly, "Okay, I'll go in a moment."

The director nodded and said, "Tomorrow morning I will arrange an internal meeting,"

"You will take the initiative at the meeting that you are too stressed and want to take a break,"

"I will agree to do so, and then give this case to Bruno to continue to be in charge."

Jack asked, "Is it to let Bruno continue the investigation?"

“Investigation!” The director waved his hand and said,

“I will ask Bruno to change the direction of the investigation, on the one hand,”

“To investigate the identity of the victims to see if there are other victims who have not been found,”

“On the other hand, also thoroughly investigate Patrick and his other associates,”

“To see if there are any fish left out of the net.”

Jack asked off the cuff: “What about the murderer? No more arrests?”

“Arrest what!” The director smiled and asked him, “You tell me how to catch them?”

“If it’s not the work of the Dragon Hall, can we find the real killer?”

“If it is the work of the Dragon Hall, how do you want me to go to the Hall to catch someone?”

“Not to mention that the Dragon Hall is not easy to deal with, even if it is,”

“How am I going to explain the people’s side after I’ve arrested them?”

“When the time comes, after all the hard work, will it still be a scolding?”

Jack could not help but ask: “Director, we are law enforcement officers,”

“If we do not catch such criminals who blatantly violate the law, how can we uphold the dignity of the law?”

The director said blandly: “At times like this, we must learn to compromise,”

“Our priority is not to maintain the dignity of the law, but to satisfy the public,”

“I plan to render it into a headless unsolved case, then the public will not think we are incompetent,”

“They will only think that their heroes are more powerful than they thought,”

“And then it will not be because we did not solve the case, and then come to trouble us!”

Hearing this, Jack could not help but say:

“Since it is rendered into a headless unsolved case, there is no need for me to retire early, right?”

“I’ll obey the arrangement and stop investigating this case!”

The director shook his head: “No, the mayor knows your temper, so he has already said that you must retire early!”

Chapter 4347

The conversation with the director was only a short ten minutes, but Jack felt,

As if he had aged ten years all of a sudden at this time.

He was very clear about the mayor’s intention to let him retire early,

Even if he did not directly dump the pot on him,

But in the eyes of the public, he was still the one who took the fall.

And to let yourself retire early is to punish yourself.

At that time and then rendering his contribution to New York, subliminally release a message to the people, that is:

Although from Mr. Lee, this time, things are not very good,

But this man reserved all his dedication for the New York citizens for many years,

Not that he thinks he is wrong this time so he has requested early retirement.

For his hard work and dedication to the community all his life, don't be too hard on him.

Generally speaking, the people are eating this up.

This is like the dedicated security guard in his own community who has worked for half his life,

He has spent half his life doing his best to protect the security of the community,

And then accidentally let in a group of thieves when he was about to retire, who can blame him for anything?

Thinking of this, Jack's heart admired this mayor immensely.

This mayor has also been a police officer for 22 years, and his methods are very powerful.

This time, he is borrowing himself to come up with a four-two-shoot.

With so much public anger, it is only by throwing himself out to play the emotion card,

And take the pity route so that he can overcome the strong with softness.

For Jack himself, although this tactic will make him feel doubly humiliated, right now he has no other choice.

So, he picked up the walkie-talkie and gave his last order as a detective,

So that all the members of the special team immediately withdrew from the Joules Group headquarters building.

The withdrawal of the special team officially announced the failure of this arrest operation.

Media reporters were waiting for the police spokesman to come out and explain the situation,

And Jack, who was more than ten years older, then stepped in front of all the media reporters.

At this moment, countless reporters with long guns and short cannons,

Trying their best to loudly raise their various questions to him.

He stretched out his hands to indicate everyone to quiet down, then opened his mouth and said,

“I’m sorry to take up your time as well as the Joules Group’s, this time,”

“Our arrest operation has been declared a failure due to intelligence and decision-making errors,”

“Now the special operations team has been withdrawn, the Joules Group will be able to resume normal office order immediately.”

The media reporters still want to ask questions, while Jack directly spoke:

“I know what you want to ask, this time the failure is mainly on me,”

“I recently suffered a great negative impact on my body and spirit,”

“Coupled with the age has also been too old, really not very suitable to continue,”

“To be responsible for such a major case, so I have requested from Mayor Adams, and applied for early retirement.”

When the media reporters on the scene heard this, they were stunned and dumbfounded.

No one expected that this detective, who had always had a very good reputation, would suddenly announce his early retirement.

At this time, Jack said with a face of shame:

“About the recent cases that happened in New York, I am personally sorry,”

“I failed to anticipate the crime and terminate it in advance,”

“It is my failure as a police officer, here I want to say sorry to the people of New York and the whole United States!”

After saying that, he faced the camera and made a deep bow.

Then, without waiting for the media reporters to ask questions,

He turned around and left the scene in a car under the cover of several police officers.

Soon, the news of Jack’s announcement of early retirement was reported through the major media.

Charlie, who was quietly watching Stefanie’s rehearsal, also received the push of this news.

Seeing this message, his expression was slightly surprised, but soon returned to normal.

He and Jack have no grievances, from the heart he did not want him to retire early in this way,

But the matter of Patrick makes the two stand on the actual opposite side,

So the conflict can not be unified, of the two one has to be the party to bear the bitter fruit of failure in this matter,

Charlie naturally does not want it to be himself.

Moreover, Jack has already checked the clues to Hogan's restaurant,

Now early retirement, in Charlie's opinion, is a good thing,

Chapter 4348

At least he will not subsequently bring too much pressure on Hogan.

Jack returned to the police station on the way, his friend Desmond also called,

Came up and asked with concern: "Jack, what is the situation? Did you get shot from above?"

"Yes." Jack let out a bitter smile and said,

"This wave of public opinion attack is too vicious, and can only put me, an old man, out to gain sympathy."

Desmond sighed and spoke, "In fact, this matter you should not go to check those murderers"

Jack said helplessly: "The wood is already gone, now it's too late to say this,"

"Moreover, my character also does not allow me to turn a blind eye to this kind of violence against violent crime."

Desmond gave a hint and asked him, "So what are your plans next?"

Jack said, "I am now going back to the police station to hand over my work,"

"And tomorrow I will officially start the process to retire."

He remembered something and said, "Is the old man doing better now?"

"I'd like to come to Los Angeles to see him, he's very sick this time,"

"I didn't even come there to see, it's really a bit unjustified."

Desmond said: "You should not come to Los Angeles,"

"The old lady wants to come to New York to see Miss Sun's concert,"

"The requirement is that we children must also be present,"

"The old man was convinced by her, we are coming tomorrow at noon together."

Jack exclaimed: "The old man, all these years, can not remember things?"

"But why is he willing to come to New York this time?"

Desmond said: "The old man now as long as he opens his eyes,"

"The old lady will first spend an hour or so to give him something to learn,"

"In his situation, he does not remember the nearly 20 years of things,"

"She briefly tells him something once, the same rhetoric has to be repeated seven or eight times a day,"

"He heard that Miss Sun is his grandson-in-law's fiancée, and also saved his life,"

"So he agreed to go over together."

Jack then said, "So what are your arrangements for tomorrow? See if you have time to have a meal together?"

Desmond said, "Okay, tomorrow at noon we will go to the Anbang Mansion in Manhattan."

"The Evans Family has so many properties, except for the Los Angeles estate,"

“The old man’s favorite is the Anbang Mansion, why don’t you come over tomorrow for lunch?”

Jack sighed: “Anbang Mansion, it was your sister’s strong investment back then, right?”

“Yes.” Desmond said, “Whatever is related to my sister, the old man has deep feelings for that.”

“Understandable.” Jack spoke: “Desmond, the owner of the roast goose store,”

“I always feel that he is not quite right, while I still have some contacts in the bureau,”

“In the next two days, I plan to check his bottom.”

Desmond silent for a moment, sighed:

“Forget it, Jack, whether he really has any hidden agenda, I do not intend to explore,”

“After all, Miss Sun has a favor to the Evans Family.”

“Understood.” Jack said readily, “Then let’s not bother with him.”

Desmond thanked: “It’s hard for you to worry about Jack, let’s meet tomorrow and talk more about it!”

“Okay!” Jack said, “Let me know when you arrive tomorrow, and I’ll go over.”

“Okay.”

The two brothers hung up the phone, Jack held the phone with a complicated expression.

The owner of the roast goose store, Jack always felt weird about him,

Not to mention whether he had any hidden connection with Desmond,

Just his relationship with Stefanie, left Jack's heart suspicious.

He felt that the murderer who kidnapped and brutally killed Patrick should be related to Michaela and Stefanie.

Now, Michaela's path has become a dead end, if he wants to go back to the root,

Then there is only Stefanie who has this line!

Thinking of this, he still has some reluctance in his heart.

At this time, his subordinate called, once connected,

The other party asked impatiently: "Chief, why did you retire early?"

Jack smiled and said, "I retired early, so I can give the people an explanation,"

"And also give the bureau a step, which is the optimal solution right now."

"Huh!" The other party let out a long sigh and said,

"This thing is really fcuking fcuked up!"

Chapter 4349

Jack asked him, "By the way, the thing I asked you to investigate, there are new clues?"

"Yes." The other party hurriedly said: "Working on it, although this roast goose store owner,"

"He came to the United States more than twenty years ago, but has still been an illegal immigrant,"

"And the probability of origin is from Hong Kong Island,"

"So I have asked the Hong Kong Island informants to help investigate, to see if we can feel his true identity."

“Good!” Jack suddenly came to the spirit, and said off the record:

“Although I retired early, but this matter you must continue to investigate, there may be a big harvest!”

The following day.

It happened to be a Saturday.

Because Claire had her heart set on going to New York to see a concert,

She proposed to Charlie that she wanted to take advantage of this opportunity to get to New York earlier,

Stroll around New York, go to the concert in the evening,

Then stay in the city for the night, stroll around for another day the next day, and come back on Sunday night.

Charlie felt that his wife worked too hard in class on weekdays,

So naturally, he also wanted to take this opportunity to take his wife to relax and unwind.

So, without thinking, he agreed to Claire’s proposal,

And then had someone book a suite for him at the Shangri-La Hotel in New York.

After the two of them had breakfast, they drove to New York.

According to Claire’s previous knowledge of New York,

Charlie first took her to Times Square, and then to see the famous Statue of Liberty.

Just as the two were touring around, a dozen members of the Evans Family, in two private planes, arrived in New York.

After landing safely, Charlie's grandmother made a phone call to Stefanie.

At this time, Stefanie, who had already started preparing for the evening's official performance at the arena,

Suddenly received a call from the old lady and hastily picked up the phone and said respectfully, "Grandma!"

"Eh!" The old lady answered with a smile and asked cheerfully,

"Stefanie, are you busy? Grandma didn't delay you by calling you, right?"

Stefanie lied and said, "Grandma I'm not busy, I just sat down to take a break."

"That's good!" The old lady breathed a sigh of relief and hurriedly said,

"Stefanie, I've brought your grandfather and your uncles and aunts to New York,"

"And I want to come to your concert tonight to support you.

Stefanie first froze, and the first thing that came to her mind was Charlie.

Although she hoped that Charlie would be able to identify with his grandmother's family as soon as possible,

She knew very well in her heart that as long as he had not made this decision,

She could not make the decision for him.

Therefore, if Charlie's grandmother's family also came to see the concert today,

It might increase the chances of Charlie's identity being exposed.

However, she quickly thought that he had already talked to Chloe yesterday, and wanted the middlemost VIP box.

Since he was sitting in the box, as long as he paid a little attention, he would not be exposed.

So, she said to the old lady, "Grandma, wait for me,"

"I'll coordinate with the agent to see if a seat can be vacated!"

The old lady laughed: "Stefanie, you don't need to bother with this matter,"

"I asked your uncle to consult, I know that your concert tickets have been sold out for a long time,"

"Your uncle has contacted some merchants who sell tickets at a high price, let him send someone to buy them then."

Stefanie busy said: "It does not matter grandma, I first asked to see about the situation,"

"Recently there are many people on the Internet who want to buy second-hand tickets but have been cheated,"

"I will ask the agent whether there are reserved tickets, that is the perfect solution."

The old lady didn't think much about it and said with a smile,

"That's fine, then I'll give you trouble Stefanie."

"How could it be," Stefanie said:

"You came all this way to see my performance, I can't be happier!"

Stefanie hung up the phone and immediately called Charlie.

At this moment, Charlie was visiting the Statue of Liberty with Claire,

And when he received Stefanie's call, he said very blandly, "Hello, Miss Sun, what can I do for you?"

Chapter 4350

Stefanie knew that it might not be convenient for him to speak,

So she lowered the volume a few points and spoke,

"Master Wade, the old lady of the Evans Family just called me,"

"Saying that she brought the old man and a group of children to New York,"

"And they want to see my concert at night, what do you think how should I handle this matter?"

Hearing this, Charlie couldn't help but frown slightly.

He had vaguely felt earlier that Grandma's family might come to support Stefanie,

And he never thought that he would really be right.

In order to avoid any direct contact with his grandmother's family,

Charlie himself did not want to come to this concert.

But on the one hand, he didn't want to make his wife sad,

And on the other hand, there was a VIP box, so he didn't take it too seriously.

Now when he heard that the old lady had brought the old man, he spoke up and said,

"The visitor is a guest, Miss Sun better be nice and entertaining."

Stefanie said: "Master Wade, I do think so, but now there is another situation,"

"The two people are old, and the status is rather special,"

“If really let them watch my performance in the audience,”

“I am afraid it is not appropriate, my idea is to arrange for them a VIP box,”

“So that the two old people can also be easier.”

After a pause, Stefanie said: “I will let Chloe arrange a good time,”

“Let her arrange for you and Mrs. Wade to enter the stage first,”

“And then arrange for them to enter, anyway, there is everything inside the box,”

“You and Mrs. Wade will not come out between performances, and after the performance,”

“I will let Chloe take them away first, you two should not have the opportunity to meet,”

“This arrangement is perfect. What do you think?”

Charlie slightly considered for a moment, then readily agreed and said,

“This arrangement is quite reasonable, as long as we can ensure that the two sides,”

“Do not come in and out at the same time, there should be no impact on feng shui.”

Stefanie naturally understood Charlie’s words, so she said,

“In that case, I’ll send a clear message back to the old lady,”

“And I’ll ask Chloe to arrange for them to be separated from you in a box so that it’s more secure and stable.”

“No need.” Charlie opened his mouth and said,

“Let the two sides be next to each other, it doesn’t matter.”

For Charlie, he also has some sense of selfishness.

For so many years, he did not see his grandparents again, but,

In his heart, his feelings for his grandmother are still relatively deep.

After the accident of his parents, his heart complained about grandpa,

Grumbled about grandpa, but never did complain about grandmother,

Because he knew that his grandmother was very good to his family of three,

Although not much to meet as a child, but her love for him, he still remembers very clearly.

Therefore, he also very much wants to take this opportunity to get closer to his grandmother.

Stefanie guessed what Charlie had in mind, so she said,

“Then I’ll let Chloe arrange them next door to you.”

“Okay.”

After hanging up the phone, Claire, who was curious at the side, asked, “Honey, was it Miss Sun who called?”

“Yes.” Charlie nodded, not hiding.

Claire was surprised and asked, “Miss Sun is going to start her performance in one afternoon,”

“She should be very busy at this time, why is she calling you at this time?”

Charlie then said, “Miss Sun invited some guests with special status today.”

“And wanted me to see if it would affect feng shui, so I gave her an idea to minimize the impact.”

Claire asked in surprise: “Guests also affect feng shui?”

Charlie casually laughed: “That’s natural! In terms of feng shui, every blade of grass,”

“And every leaf of the tree will affect feng shui, let alone people.”

“Strictly speaking, whether a person steps on his left foot or right foot first.”

“When he leaves home in the morning will affect his fortune for the whole day.”

Claire was surprised and asked, “Is it really that mysterious? Which foot first has a good effect?”

“Of course.” Charlie laughed: “If the first step is left foot, it may go out smoothly,”

“The whole day you will be safe and sound, but if the first step is right foot,”

“The whole day’s smooth pace will all be disrupted, maybe because the right foot to go out,”

“Halfway down the stairs when the left foot is a step in the air from the stairs,”

“One might roll down to the hospital, it may also be because the right foot went out first,”

“After going out, the left foot accidentally stepped on dog sh!t;”

“And these things, if he goes out with his left foot first,”

“He can just naturally avoid it, this is the feng shui butterfly effect.”

Claire seems to understand Charlie's feng shui theory.

Always feels as if there is a little bit of truth, but also feels it as if with a little bit of mystery.

However, she does not understand the things she does not know,

Most of the time it is with a little reverence, so did not raise any questions.

And on her side, Charlie, at this time, deep inside his heart he is a bit nervous and apprehensive.

He was not worried that he would be exposed in front of Grandpa's family at night,

But it was difficult to hold himself, with a feeling of being near them.

In his heart, although he had some complaints about what his grandfather's family had done back then,

But subconsciously, he still has blood feelings for his mother's side of the family.

Tonight, for the first time in more than 20 years, he will be so close to them,

And it is inevitable that he will be nervous.

Meanwhile, Charlie's grandparents, with several of their children,

Had arrived at the Anbang Building in Manhattan.

Taking the elevator all the way to the top floor of the Anbang Building,

Lord Evans sighed and lamented to his wife and children around him,

"It would be nice if Margaret was still around"

"She put so much effort into this building,"

"But after this building was really put into use, she hasn't come once"

The old lady hurriedly said, "You are recovering from a serious illness,"

"So don't think about those sentimental things, and don't forget what we came to New York for today."

Lord Evans asked with a bewildered face, "For what?"

The old lady said helplessly, "I just told you again in the car!"

"We came to New York today to see Charlie's fiancée's concert!"

"Oh" Lord Evans nodded and said, "I remember to see the concert of Charlie's fiancée!"

After saying that, he looked at the old lady and asked,

"What about Charlie? Is he coming too?"

The old lady gave him a blank look and said, "Charlie hasn't been found yet!"

Lord Evans said resentfully, "I thought maybe my brain was not remembering well,"

"Charlie has come back, but I gave it a miss"

The old lady sighed and said sadly, "It would be great if that were true."

While talking, the elevator arrived at the top floor.

A group of children and grandchildren, surrounded by the two, got out of the elevator.

As soon as the elevator came out of the top floor of the Anbang Building,

There was a lobby with floor-to-ceiling windows and at that moment,

One could even see large clouds floating by, not far from the windows.

This skyscraper, which was invested by Charlie's mother back then,

Has a total height of 370 meters, surpassing the Chrysler Building and the Bank of America Building in New York,

The Evans Family's largest, best, and most expensive property in Manhattan.

Back then, Margaret insisted on investing heavily in the construction of the Anbang Building,

Mainly because she wanted to use such a landmark building to endorse her...

Insurance and financial business to which she attached great importance.

Therefore, at that time, she was only in her twenties and took the lead in establishing the Anbang Group,

Under which, in addition to this building, there is an insurance company, a financial company, and a commercial bank.

Insurance and finance are undoubtedly industries that require great trust,

And the fact that the Evans Family built the multi-billion dollar,

The Anbang Building in Manhattan is the best guarantee of credibility.

In this world, there are many insurance and financial companies,

But there are only a few insurance and financial companies that can build a skyscraper in Manhattan,

Where every inch of land is gold. And Anbang Group is one of them.

Although the Evans Family started in Los Angeles but came out really big and strong,

From two other places, one of them is Silicon Valley, the other is New York.

Chapter 4352

When Margaret was in Silicon Valley, she invested at a very low price in a large number of future potential companies,

And in order to better help these investments to do deeper capital operations,

The Evans Family came to the financial center of the United States, New York,

Where the core of the entire Evans Family was established.

The Evans Family has many group companies and countless investments,

But the real core group of the Evans Family is the Anbang Group.

After the establishment of the Anbang Group, Margaret merged the fund,

That invested in Silicon Valley into the Anbang Group,

Making the Group the largest Internet venture capital enterprise in the United States at once,

And also the most important core enterprise of the entire Evans Family.

Charlie's grandfather, Lord Evans, had been working in Anbang Mansion before he retired.

Later, he handed over the management of the family business to Charlie's second uncle, Marcus,

So this became the office of Marcus.

On weekdays, only Charlie's great-uncle Desmond accompanies the old couple in Los Angeles,

While second uncle Marcus, third uncle Martel and aunt Tece are all working in New York.

Some time ago Lord Evans's health was getting worse and worse,

So the others temporarily put aside their work and returned to Los Angeles to be with him.

Lord Evans has been suffering from Alzheimer's since he left office,

So he has hardly been here over the years, and when he suddenly returned here,

He was a bit dazed, so he walked to the floor-to-ceiling windows,

Overlooking the view of Manhattan, and sighed softly:

"The building is still the same, but the outside seems to have changed a lot... .."

Desmond knew that Lord Evans's memory had regressed to twenty years ago,

And the Manhattan of twenty years ago was naturally very different from now.

So, he went to the front and said, "Dad, Manhattan has changed a lot over the years."

Lord Evans nodded, pointed to a building even higher in the distance, and asked him,

"Desmond, what is that building, why is it so high? I haven't seen it before."

Desmond said, "Dad, that's the World Trade Center,"

“It was built and put into use a few years ago, and now it’s the tallest building in New York.”

“Wow

Lord Evans nodded slightly and said thoughtfully, “I don’t have any impression

Desmond then said: “Dad, you haven’t been to New York much in the past few years,”

“You may not have seen much of this building.”

Lord Evans let out a bitter laugh: “The brain is not good, even if I have seen it, I can not remember.”

After saying that, he turned his head to look at Marcus and instructed,

“Marcus, if you can get Charlie back in the future,”

“This building should be given to him, after all, it is his mother’s hard work.”

Marcus said without thinking, “Okay dad, I’ll write it down,”

“After I find Charlie in the future, I’ll give him the ownership of this building.”

Lord Evans nodded, his mouth softly chattered,

“I wonder if Charlie looks like his father or his mother now,”

“I remember that he looked more like Margaret when he was a child?”

The old lady said, “Actually, he looks more like Bruce,”

“Both parents’ shadows are there, but I feel more like Bruce’s charm after he grows up,”

“He will definitely look more like Bruce, definitely like his father, he is a handsome boy.”

Lord Evans paused slightly and lamented, “Hey

Bruce ah Bruce

“This boy, everywhere he was good, just did not know how to lift up!”

Lord Evans suddenly became a bit emotional and said,

“Tell me, if he had listened to me, he would have been happy to join the Evans Family,”

“With my character, with spoiling my daughter! Would I have let him suffer in the Evans Family?”

Lord Evans suddenly snapped, causing a group of people to look at each other.

Everyone knew that this was the hurdle that Lord Evans had been unable to get over in his heart.

He had never understood, with the strength and sincerity of the Evans Family back then,

Why did Bruce insist on returning to Eastcliff?

Chapter 4353

But others knew in their hearts that Lord Evans’s thoughts were too egotistical.

When he faced Bruce, there was always that superior thinking at work.

It was like a big boss who wanted to poach someone,

The other party could only earn one million by going to another company,

But he was willing to offer 10 million or even tens of millions.

All, in his opinion, the other party does not have any reason to refuse him.

But how could he have imagined that Bruce was just not willing to accept his olive branch?

This kept Lord Evans frustrated and even a bit annoyed.

Originally, he admired Bruce, even though his family's strength was far less than the Evans Family,

He could see that Bruce was definitely a person, even better than his three sons.

It was because he recognized this thing deep down,

That's why he was determined to let this boy join the Evans Family.

Because he knew very well that among his own children,

Only his eldest daughter Margaret was the most outstanding,

And Bruce was not only equal to his daughter but also highly complementary.

If the two of them stayed together in the Evans Family,

Then the Evans Family would have been certainly able to rise, in time,

May be able to surpass the Saudi royal family and the Routhschild family, standing at the top of the world.

However, Bruce did not agree. He had pride in his heart and his own ambition.

He did not want to stay in the Evans Family to pick up the ready-made,

More determined to return to his own family, though small and insignificant in comparison to Evans but he wanted that.

Hard to stay, hard to go, which once made Lord Evans very mad.

What he couldn't accept was that his daughter was determined to go with Bruce, which made him even more furious.

Originally, he wanted to keep Bruce to be with Margaret,

But things were going to go in the direction of a chicken-and-egg war, so how could he stand it?

It is because of this that Lord Evans has not been kind to Bruce,

And their relationship is like that of enemies.

After Margaret and Bruce got married in Eastcliff,

Lord Evans became furious whenever he heard his name, which has been the case until now.

The old lady on the side saw that Lord Evans was fighting with himself again,

So she hurriedly relieved him and said,

“Come on Lord Evans, Bruce has been gone for so many years,

You should not say such words in the future.”

Lord Evans’s eyebrows knitted in anger and he asked back in exasperation,

“He was the one who didn’t know how to behave! In the end, Margaret was also implicated!”

“My daughter has been killed by him, and I can’t even scold him!”

The old lady said, “Margaret chose her own path,”

“And it’s her own decision to live and die, not anyone else’s.”

Lord Evans said indignantly, “You’re completely lost in self-deceiving logic!”

“Although Margaret chose her own path, Bruce, as her husband,”

“Should have protected her! He should have always cared for her and thought about her!”

“How can he not be responsible for what happened to Margaret as a husband?”

The old lady said anxiously with red eyes, “But Bruce is not here anymore!”

“How do you know he didn’t protect Margaret at that time?”

“It’s just that things were beyond his ability,”

“He even gave his life, what else can you ask him to do?”

Lord Evans said emotionally, “Couldn’t I hate him after he died?”

After saying that, Lord Evans looked around at his children and questioned,

“Do you think that even if Bruce died, I could still hate him?”

His children were looking at each other, not knowing how to answer.

Chapter 4354

The old lady sighed helplessly and seriously reminded, “Lord Evans, I have to tell you clearly,”

“Whether you hate Bruce in your heart or not, I can’t care less,”

“But the attitude you show towards him must be changed in the future!”

Lord Evans’s stubbornness came up and he said in a stern voice:

“I won’t change! In the future, when I die, even if the King of Hell calls the Jade Emperor,”

“And the Buddha for a three-chamber trial, I will never change my attitude toward Bruce!”

The old lady said angrily, "Okay! You can do it! You don't change! When Charlie comes back,"

"And the family mentions Margaret and Bruce, if you dare to say this in front of him,"

"Charlie will definitely break off the relationship with you!"

"If you force my grandson away, who I've managed to get back,"

"I'll cut off too! If you don't believe me, just wait and see!"

Lord Evans was furious just now, but when he heard these words, he was like a deflated ball.

He knew that the old lady would not be able to break off her relationship with him,

But if her grandson Charlie really came back, if he still had this attitude,

His grandson would definitely not forgive him.

After all, no one will accept other people to humiliate their deceased parents.

Thinking of this, Lord Evans sighed deeply, and declined to speak:

"You're right I'll change I'll definitely change" "

And continued with some low emotion: "I do not know before I die, can still see Charlie again"

The old lady saw his attitude change, the tone of voice also loosened, spoke comfortingly:

"Do not worry, I believe it will not take long, Charlie will come back."

Lord Evans was busy asking, "Why are you so sure?"

The old lady said seriously, "Stefanie has come, Charlie will not be far away,"

"God will definitely let Charlie come back for the sake of Stefanie's infatuation."

"God" Lord Evans hears this, and can't help but mutter a sentence, the heart half believes and the other half doubts.

At this time, Desmond, who was on the side, spoke up,

"Dad, you were able to have a good comeback this time, all thanks to Charlie's fiance,"

"I think this is the will of God, if God is so favorable to you, he will definitely let you see Charlie alive."

When Lord Evans heard this, he nodded thoughtfully.

At that moment, a staff member came quickly and said respectfully,

"Master and Madam, Inspector Lee from the NYPD is downstairs and says he wants to come up for a visit."

Lord Evans said in surprise, "Jack lee? Quickly, let this boy come up!"

The old lady reminded on the side,

"Jack is not a few years away from Desmond, and he is already over fifty this year."

"Oh" Lord Evans suddenly came back to his senses,

When he remembered Jack just now, he thought it was twenty years ago.

Soon, Jack, accompanied by the staff, took the elevator to the top floor of the Anbang Building.

As soon as he saw Lord Evans, he hurriedly went forward and said respectfully,

“Uncle Evans, are you feeling well? Originally I wanted to come to Los Angeles with Desmond to see you,”

“But things were really a bit too much these days, so I wasn’t able to visit you, please forgive me!”

Lord Evans looked at him and asked in surprise, “You are Jack?”

Jack was stunned, looked at the others, and then looked at Lord Evans and nodded:

“It’s me, Uncle Evans, I’m Jack, Jack lee.”

Lord Evans could not help but say, “You how you are now with your father almost gone those two years,”

“Your aunt told me that you are more than fifty this year,”

“I see you at least must be more than sixty, what is the matter? How did you create this for yourself”

Jack said awkwardly: “Why these years I have been busy with work, transitional work,”

“And did not pay attention to maintenance, but not older than the average person of the same age

Saying that Jack added: “Oh yes Uncle , you do not look at me as only fifty years old, I have retired early.”

Lord Evans was even more puzzled, frowned, and asked, “Why did you retire so early?”

Jack smiled bitterly: “I originally intended to retire next year, these years I have neglected my wife and children,”

“They are angry with me, they moved to Houston two years ago,”

“If I do not retire early to accompany them, I am afraid they will cut off relations with me in the future.”

Lord Evans couldn't help but ask, “Intended to retire next year, how come you're retiring early now?”

Jack shrugged his shoulders awkwardly:

“Uncle, this matter is like a child without a mother, it's a long story

Chapter 4355

Hearing that there seemed to be quite a few stories in Jack 's words,

Elder Evans spoke up and said, “It's okay, it doesn't matter if it's long, let's talk slowly at the dinner table later.”

Master Evans had just walked away from the ghost gate, plus he had serious memory problems,

So he knew absolutely nothing about the most lively things in America now.

However, he had a deep understanding of Jack and knew that this kid was stubborn,

And could not give in at any time, so he was even more curious about what he had actually gone through.

Jack knew that it was impossible to explain clearly to Lord Evans in a few words,

So he said vaguely, “Okay, uncle, I won't bother you with my little troubles, I'll have a drink with you later!”

The old lady said, “Jack , you can’t let your uncle drink, if he drinks again, he might not even recognize me.”

“Yes, yes, yes

 Jack came back to his senses and said busily,

“Blame me, blame me, blame me for not thinking carefully.”

Lord Evans laughed and said, “When I saw this disheveled look on your kid,”

“I knew that you must have wanted to drink it yourself.”

With that, he said to Desmond and Marcus, “Desmond, Marcus, I will not drink.”

“But later on you two will drink some with Jack ,”

The two brothers nodded, “Okay dad.”

Lord Evans looked at Jack ’s unconcealed dishevelment and said in a serious manner,

“Jack ! Cheer up! Look at you now, you don’t have any of your old man’s heroic posture!”

Jack quickly stood up straight and said respectfully: “uncle your criticism is

Desmond looked at the time and said, “Dad, why don’t we eat first and talk at the dinner table later.”

“Good.” Lord Evans nodded, “Let’s eat first.”

The top floor of the Anbang Building, with a floor area of over four thousand square meters,

It could normally accommodate at least a few hundred people,

But this whole floor was used by Lord Evans alone in the first place.

On this floor, there are not only offices, meeting rooms, and other conventional office building configurations,

But also swimming pools, gymnasiums, physical therapy rooms, restaurants, and other living facilities.

In fact, Lord Evans did not intend to use such a large area as his own office,

But his eldest daughter Margaret in the planning of the building set aside this floor for him,

And personally did the interior according to his preferences, so for this place, Lord Evans has very deep feelings.

Afterward, the crowd moved to the dining room located in the southern part of the top floor,

Although for Jack the relationship with the Evans Family is very good,

But he has not been to this place for many years, everything here seems to be brand new,

In his heart, he can not help but be surprised.

He couldn't help but ask Desmond in a low voice: "Desmond,"

"This building of your family has been open for at least 20 to 30 years, right? How come it's still so new?"

Desmond whispered: "The building as a whole is very well maintained,"

"Basically every two to three years, they redecorate it once, this floor gets a daily maintenance,"

"Since the death of my sister, the old man gave an order, for anything here,"

"It is not allowed to change the pattern, so you can see everything on this floor,"

“There are at least several sets of brand new Spare, some of the things that have been discontinued,”

“But they specifically spend a lot of money to hire artisans to replicate.”

Saying that Desmond pointed to the carpet on the corridor and said:

“This carpet under your feet, hand-woven by Iranian craftsmen,”

“It is similar to the kind used in the Grand Mosque of Abu Dhabi later,”

“The cost of a square meter is nearly 10,000 dollars,”

“The old master had people invite more than 100 craftsmen from Iran,”

“To make one according to the carpet left by my sister, now there are a dozen sets woven which are changed every year.”

Jack listened to the staggering, and could not help but say:

“Your family really does not treat money as money..... 10,000 U.S. dollars for a square meter of carpet,”

“That too to be replaced after a year this money is thrown out, without a heartache
... ..”

Desmond said seriously: “Jack , when it is about money, only look at the amount, not the proportion, that is a rogue.”

Jack was surprised and asked, “What do you mean?”

Chapter 4356

Desmond casually said, “The cost of replacing such a carpet in the Evans Family,”

“The proportion of the Evans Family’s assets, basically equal to your changing a garbage bag in your home garbage can....”

“Replaced by a new bag, so when you change the garbage bag's heartache?”

“Damn” Jack smacked his lips and cursed: “Let you fcuking pretend again.”

Desmond bristled: “Just telling the truth.”

While talking, everyone came to the dining room one after another,

Lord Evans greeted Jack to the front and let him sit down next to him.

Since Marcus had greeted him in advance, so as soon as everyone was seated,

The service staff immediately brought the prepared meals one after another.

Marcus took the initiative to have someone bring another bottle of white wine,

Intending to join his elder brother and accompany Jack to have a few drinks.

Lord Evans seemed to be very concerned about Jack 's current predicament,

And kept asking him what had happened recently.

Jack is not good to start talking more, but only vaguely said that he has not dealt with a few big cases recently,

Lord Evans saw that he did not want to talk more, so he did not ask again.

Jack because of his character, usually does not has many friends,

Plus his mother left early, his father pulled him alone,

And did not renew, so it led to Jack also having little siblings.

In recent years, his wife took the children to Houston, he was alone in New York, more isolated,

Although the family from his father's generation, the relationship with the Evans Family is very good,

But must hang a big gap, so Jack is not too good when it comes to chatter.

If it wasn't for the blow Desmond received when he tried to buy the Rejuvenation Pill in China some time ago,

And it so happened that Jack was stuck with the case of Patrick's kidnapping,

The two actually didn't have much chance to meet often.

Therefore, now sitting among the Evans Family, the lonely Jack ,

Also found a feeling of home here, and the depression in his heart also softened a few points.

When he was exchanging glasses with Desmond, Marcus, and Martel, Jack received a text message.

The message was sent by his subordinate, in which the other party said that,

He had found out the identity of the owner of the roast goose store through an informant on Hong Kong Island.

Jack suddenly flinched and hurriedly excused himself to go to the restroom,

And came out to give the other party a callback.

As soon as the phone call came through, he asked, "What's the new discovery?"

The other side on the phone said: "Chief, the roast goose store owner, his real name is Hogan Chen,"

“About twenty years ago he moved from Hong Kong Island to the United States illegally,”

“Now we see him running a small restaurant, in earlier years he had a name in the financial field,”

“He had returned from the United States after studying in Hong Kong,”

“But more than twenty years ago in Hong Kong, he offended a local tycoon,”

The other side added: “You know this Hogan, in those years in Hong Kong he could be said to be well known,”

“He did a big thing that makes the whole of Hong Kong talk about him even to this day,”

“He got the rich man’s girlfriend abducted, the two snuggled together to the United States.”

“Fcuk” Jack smacked his lips and sighed: “This guy is still a fcuking love child!”

“Yes.” The other side said: “Oh yes chief, I also found out one thing,”

“This man and the big star called Stefanie Sun are indeed acquainted,”

“From the informant’s feedback information, mentioned Orian Sun, that is,”

“Stefanie’s father, for his matter, had gone to Hong Kong to meet with the tycoon.”

Jack heard this, could not help but frown, and spoke:

“This, this seems to round on ah, so, Stefanie this big star,”

“She will go to a small roast goose store in Chinatown, it is also logical”

“Yes.” The other party said, “I also think it is quite logical,”

“Think this line should have nothing to do with the kidnapping of Patrick, so I hurried to report to you.”

Jack said self-deprecatingly, “I have already retired early,”

“How can we talk about what to report, if you have any latest developments in this case in the future,”

“In the case of not violating the rules, appropriately reveal a little to me.”

Chapter 4357

The confirmation of Hogan’s identity, on the contrary, made Jack a little disappointed.

He wanted to hear some extraordinary information, the kind of information,

That makes people sound and feel that there must be something in it.

However, the information returned by his subordinate immediately dispelled his doubts about Hogan.

As a veteran detective, he knows very well that a person can disguise the present,

But it is difficult to bury the past with all its traces.

This is why many criminals, even if they have cleansed themselves,

And become successful people that everyone admires, will still end up in jail because of their past crimes.

Hogan’s affairs from 20 to 30 years ago were unearthed, enough to corroborate his relationship with Stefanie.

Therefore, it is only normal for Stefanie to go to his roast goose store for dinner.

And Stefanie in the roast goose store when eating happened to hear Desmond talk about Lord Evans’s critically illness,

And then she rushed from thousands of miles to give medicine, this is reasonable.

As for why this Hogan deliberately destroyed the surveillance,

Jack 's heart also has a very reasonable explanation, after all, Stefanie is a big star,

Hogan's past proves that he is not an ordinary person, that he perceived something wrong,

In order to protect Stefanie's privacy he dared to destroy the security camera, this also makes sense.

Since it is reasonable, it means that this line is no longer necessary to pursue.

Therefore, Jack can only hope that the police can continue to dig deeper along the clues of the Dragon Hall.

Right now, only this one clue is a relatively clear direction of the investigation.

However, the other party at this time, with the tone of some helplessness said:

"Chief, your successor Bruno, today has had a meeting with us,"

"The case, the direction of the investigation changed to the victim's identity,"

"As well as the investigation of the specific details of the victim who got kidnapped,"

"The Joules's group, the above also passed the gas, meaning not to bother,"

"So the Dragon Hall line, basically it will not Check again"

Jack couldn't help but question:

"Dragon Hall killed so many people in New York, and they will not investigate it?"

“Yes.” The other party said, “The more you investigate this matter, the more tricky it becomes,”

“From the mayor to the director, it is not recommended to investigate again.”

Jack asked again, “Those who were killed are all direct members of well-known families, can they swallow this anger?”

The other party said: “You do not know, the deceased families have come over to meet privately,”

“They also made it clear that they do not want to continue the investigation,”

“The more investigation on the family’s reputation, the greater the impact,”

“So they now want to be like the Joules family, hurry to come up with a sum of money to compensate the victims,”

“As soon as possible to let the matter turn over and to save their reputation.”

Jack was stunned for a moment and said offhandedly,

“In that case, the case of Patrick and these people being killed is basically like closing internally!”

“Yes, that’s the nature of it, it just won’t be announced to the public like that.”

Jack was immediately disappointed to the extreme, he spoke:

“Xion Bank ran away, the Dragon Hall is no longer investigated,”

“That Hogan also does not have any problems, then it is basically impossible for this case to come to light.”

The other side helplessly said, “Chief, this is indeed the case now

Jack could not help but let out a long sigh, the whole person disappointed to the core.

What he didn't know at this time was that because he had someone investigate Hogan,

Almost at the same time, on the other side of the world,

A file of information about Hogan appeared in front of a top tycoon in Hong Kong.

This top tycoon was the same Gerard Liu who once admired Hogan immensely and later hated him immensely.

His real name is Gerard Liu, one of the most powerful real estate developers,

Shipping companies and investors on Hong Kong Island.

He has a very good popular base in Hong Kong, in the eyes of the people of Hong Kong,

He is flirtatious and wealthy, and kind, very gentlemanly.

Gerard has had many affairs in Hong Kong over the years,

And every woman who has had a relationship with him, even if they finally part ways with him,

They will still praise him as a rare good gentleman.

There are many wealthy people who are sexually promiscuous, but those who can do what he did can hardly be picked.

Chapter 4358

It was late at night, and Gerard, wearing a robe made of silk,

Was in his study when he saw the message handed to him by his butler.

He flipped it open and read a few times, his expression became more and more fierce,

And said in a cold voice: "I have searched for so many years without finding any clues about him,"

"But I never thought that this son of a b!tch would hide in Chinatown and open a restaurant!"

"And the way he looks now, he looks really fcuking bad!"

"Even if I saw him face to face, I'm afraid I wouldn't have recognized him!"

The butler was busy saying, "Master, this man, is really well hidden,"

"It is said that he has hardly shaved for more than twenty years,"

"His hair has also grown a bit longer, and his temperament has also been a lot more restrained,"

"If it wasn't for the police investigating his profile over in the United States this time,"

"It would be really hard for us to find his trail."

Gerard frowned and asked, "Why did the U.S. police investigate him?"

"Did he commit a crime in the United States?"

Butler said, "My informant told me that those things happened in New York two days ago,"

"The police seem to have suspected him, plus he is illegal in the United States,"

"The U.S. police found a way to check his identity, and then looked for his previous information from this side of Hong Kong."

Liu gritted his teeth and said, "This dead pouncer, I always thought that with his intelligence,"

"He would definitely go to buy a new identity, continue to do what he is best in finance or stocks,"

"Find a way to rise again, but I did not expect him to run such a raggedy roast goose store, really fcuking sgum!"

Gerard is actually not as he seems, or as he looks in the eyes of outsiders so gentle and elegant.

At heart, he is actually an extremely small-minded and vindictive person.

For Hogan, he has never given up his desire to kill for so many years.

It's just that Hogan hides very well and for so many years,

He has not been able to find him.

And his beloved woman came back from the United States that year,

The years of his life in the United States are also silent, Gerard several times wanted to ask,

The other party did not speak, and even put out the word,

As long as he no longer pursues Hogan, she will peacefully guard him for life,

So he could only stifle the desire to pursue.

The woman was really in love with him, and eventually, he could only give up the pursuit.

However, he never gave up trying to finish off Hogan.

So, he also talked to his woman about letting Hogan live as long as he kept his promise,
And never returned to Hong Kong.

But.

Right now, there was a perfect opportunity for him to not break his promise and get what he wanted at the same time.

So, after reading that information, he sneered and spoke,

“Since the American police know that he is an illegal immigrant,”

“Then according to the American law, the police should deport him, right?”

“Yes.” The housekeeper said, “Under normal circumstances, he should be repatriated to wherever he came from,”

“He left from Hong Kong, so if he is repatriated, he must be repatriated to Hong Kong.”

Gerard nodded and smiled playfully, “Joshua, I don’t care what method you use, make sure the American police repatriate him back to Hong Kong!”

“Then you send out word to all the gang leaders in advance that Hogan Chen will be back soon,”

“And that my \$30 million offer is still valid! Whoever kills him, the 30 million will be his!”

Saying that Gerard added: “By the way, turn the 30 million from Hong Kong currency into US dollars!”

Butler busy said, “Master, you promised Mr. Wade at that time, and later promised Philip,”

“Mrs. Side you also promised, if you really kill the surname Chen, the follow-up will not be more tricky

“Afraid of what?” Gerard sneered, “I promised Mr. Wade, promised Orian Sun,”

“Also promised the wife to let him go, but I let him go on the premise that he can not return to Hong Kong in this life!”

“If he came back, even if he did not come back voluntarily and was repatriated by the Americans, then he came back!”

“Then, since he has come back, no one can blame me for being ruthless!”

The housekeeper instantly dawned on him and said offhandedly, “Master, this move of yours is really high!”

Chapter 4359

Meanwhile, New York’s Chinatown.

Because it was lunchtime, Hogan’s restaurant was doing good business.

Just the two of them, he and his mate, were already busy.

However, Hogan had been quietly surveying outside the door while he was waiting for his customers.

Because, he found that since this morning, there was always a car parked across the road in front of his store.

Although the other side changed four cars, also changed a different location,

But Hogan can still see that these four cars choose the location, although different,

But all can see his roast goose store’s front door.

This made his heart vaguely apprehensive.

He knew that the New York police must be on to him.

Being watched by the police made Hogan's heart inevitably nervous.

The mate could see that something was wrong with him and hurriedly went up to him and asked,

"Uncle Chen, what's wrong with you?"

"Nothing" Hogan smiled sarcastically and said, "You go ahead and get busy, don't worry about me."

The partner nodded gently and said, "If you're tired, go down and rest for a while, I can do it alone."

Hogan nodded gratefully but did not intend to leave.

At this time, the car across the road suddenly started and drove away.

Hogan had thought that the other side would soon change to another car to come to the rotation,

But he did not expect that after this car had gone, there were no other suspicious vehicles.

This makes him a little relieved.

But soon, his brow was furrowed again.

He immediately took off his sleeves and apron and said to the mate,

"Jordan, put up the suspension of business, close the door directly after the customers leave, and then come find me downstairs."

The mate didn't know why he was suddenly so anxious, he nodded and said, "Okay Uncle Chen I got it!"

After Hogan finished speaking, he went to the basement alone,

There were two rooms downstairs, which were his and his mate Jordan's bedrooms respectively.

Hogan returned to his room, the first thing he did was to start packing his luggage,

He only selected the most important things for himself and put them into the suitcase,

Other than that, he didn't even pack a change of clothes.

Half an hour later, he packed a modest suitcase.

The mate, Jordan, walked down the stairs quickly and said at the door,

"Uncle Chen, the guests have all left, I've closed the door."

"Good." Hogan said, "Jordan, come in."

"Okay." Jordan pushed open the door and just walked into the bedroom,

He found Hogan packing his things, so he was surprised and asked, "Uncle Chen, where are you going?"

Hogan looked at him and said, "Jordan, I may have to return to Hong Kong in the near future,"

"After I leave, this store will be handed over to you,"

"My little craft, you have almost learned over the years,"

"From now on you should run this store well, life should not be too difficult."

Jordan asked in surprise, "Uncle Chen you"

“How can you go back to Hong Kong? That Liu surname will kill you.”

Hogan smiled slightly: “I am illegally staying in the United States, considered an illegal immigrant,”

“Since the police have found me, it is estimated that it can not be too long before I am deported,”

“Even if I do not want to go, but I can't help it.”

Jordan said, “Uncle Chen, you can't just wait to be deported back!”

“Why don't you leave New York and hide for a while?”

“No.” Hogan waved his hand and said indifferently,

“I'm tired of hiding for more than twenty years,”

“If I continue to hide like this, I'll despise myself.”

Chapter 4360

After that, Hogan looked at Jordan and said seriously, “I've always wanted to go back,”

“But I can't muster up the courage, so I'd better take this opportunity to go back and help me make a decision.”

Jordan said nervously, “Uncle Chen! You can live if you hide!”

“In case Liu doesn't want to let you go, you'll be dead if you go back!”

Hogan laughed, “Even if he wants me dead, he has to wait for the right time,”

“He can't just kill me at customs when I've just been repatriated back, right?”

“Besides, I am repatriated to Hong Kong, the customs officers must take me there to go through a process,”

“I believe that even if Liu is capable, he would not dare to make a move on me at customs,”

“So that I can notify my family in advance, and they can come to customs to see me,”

“As long as I can meet with my family, even if he kills me right out of the gate, I will accept it.”

Speaking of this, he smiled faintly, and said, “Jordan, in this matter you do not need to persuade me,”

“I have my own decision, you just run this roast goose store, the rest, do not worry about me.”

Jordan choked with red eyes and said, “Uncle Chen I don’t want to run the roast goose store,”

“I just want to follow your side and be an honest little runner

Jordan has a very strong bond with Hogan.

He was originally a Chinese from Southeast Asia, his parents went down to the South Seas to work earlier,”

“But met with some local unrest, so they smuggled him to the United States with a young one,”

“Intending to put down roots in the United States.

However, the boat used by the snakeheads to transport them hit a reef and sank when it was close to the U.S. coastline,”

“And a boat with dozens of illegal immigrants drowned a large number of people.

Both of Jordan's parents were buried at sea in that disaster,

While the young one was relying on a small piece of plank, floating at sea for several hours,

And was finally saved by the man who sailed the boat.

In that accident, those who survived were such young half-grown children as Jordan,

And it was the parents who gave the child the floating object that could save his life so that the child could survive.

The person who sailed the boat, like Hogan, are stowaways or illegally stay in the United States,

These people are usually considered to help each other and have a small circle of their own.

When several children were rescued back to New York, these illegal people got together to have a meeting.

They felt that the children's situation was so miserable that if they were not taken in,

They would either starve to death on the streets or be repatriated by the government,

Or sent to an orphanage, so after discussion, those who could afford it adopted an orphan.

Jordan was adopted by Hogan.

He was just ten years old when he was brought back to this roast goose store, but now, he is twenty-two years old.

Since he had no legal status, Hogan opened the store and taught Jordan to study at the same time,

And then Jordan started to help him do what he could in the back kitchen.

After he became an adult, he simply worked directly in the roast goose store as a fellow.

Jordan was very grateful for Hogan's kindness, and always treated him as his father,

And even made up his mind long ago that he would follow Hogan's side and help him in his life,

And when he was old, he would die for him.

But how could he have imagined that Hogan would now decide to return to Hong Kong to die?

Hogan saw that his eyes were red and tears were flowing, so he smiled and said:

"Jordan, I have no children, since you came here,"

"I have been making roast goose in the back kitchen all these years,"

"Never hiding my skills in front of you, I believe you have also learned my skills,"

"As long as the police are not looking for you, you should run this store well,"

"Save more money, and if you have the opportunity, go back, if you have a chance,"

"You can go back to Southeast Asia to get your original identity back,"

"Then marry and have children and settle down."

After that, he looked at Jordan and smiled slightly:

"Of course, if I'm lucky enough not to die this time,"

"You can also come to Hong Kong to find me in the future!"

It was afternoon.

In order to be able to stagger the entrance time with grandpa's family,

Charlie deliberately took Claire and arrived at the concert venue early.

At this time, there are already many fans waiting anxiously inside and outside the arena,

And the arena has not yet reached the time to start entering, so these fans will be surrounding the arena.

The good thing is that the venue originally has a VIP channel,

There are special security personnel outside the channel to maintain order, so there is no fan interference here.

Before arriving at the venue, Charlie gave a greeting to Stefanie's agent Chloe in advance,

When his car just arrived at the entrance of the VIP channel, the security guard saw the license plate,

Without any inquiry then directly opened the car blocker to let it in.

This VIP channel is like a sunken tunnel, after the car drove in,

Basically, it is equal to driving into the stadium's underground location,

And this channel is completely straight, from the entrance down,

You can see the opposite distant light through the exit,

And the VIP reception is in the middle of this channel.

The advantage of the VIP channel is so designed that it is to ensure the maximum possible security of VIPs,

The entire channel can be seen very clearly at a glance that it is surrounded by smooth concrete walls,

No one can hide in this channel at any point.

The VIP reception in the middle of the channel, in fact, is a recessed piece of parking,

Under normal circumstances, VIP vehicles parked directly here to enter the venue interior,

And are very convenient for walking as well.

Chloe was standing at the edge of the parking lot waiting, saw Charlie drive in, and hurriedly waved to his car.

Charlie responded by flashing his headlights, and then parked his car in the parking lot,

Under the guidance of Chloe's hand gestures.

There were already several business cars parked in the parking lot,

And Charlie recognized at a glance that it was Stefanie's convoy.

Claire was a little surprised at this time and asked, "Honey, where are we?"

Charlie laughed: "VIP channel, let's watch the show in the VIP box tonight."

Claire was surprised and asked, "Why are you watching in a box? It must have cost a lot of money, right?"

Charlie laughed: "Miss Sun's concert did not sell boxes to the public this time,

"So the boxes above are basically all empty and free for us to use,"

"And we can go to the boxes to watch the show this can save the organizers two tickets inside,"

“After all, she has so many fans, two more tickets will be able to allow two more people.”

Claire nodded gently, and then followed him out of the car.

As soon as Chloe saw Charlie, she very politely went forward and said, “Master Wade, you are here.”

After saying that, she looked at Claire and smiled, “Hello Mrs. Wade, we meet again.”

Back when Charlie had just reunited with Stefanie and brought Claire to have dinner with her,

Chloe had met Claire at the dinner table before.

Claire also had an impression of her and hurriedly said,

“Hello, Miss chloe! I’ve given you trouble this time.”

“No, no, not at all” Chloe said in a serious manner,

“Master Wade has helped us so much, it is us who have caused trouble for Master Wade.”

Chloe said, “Mrs. Wade, during this period of time, we have been giving Master Wade a hard time,”

“To run to New York because of feng shui matters, so we have delayed his time with you, you must not mind.”

Claire didn’t know she was saying that on purpose, so she said,

“Miss Chloe is very kind, this is also my husband’s job, it’s all right.”

Chloe smiled faintly and nodded gently.

In fact, she still had a lot of double entendre or meaningful words to say to Claire,

But she also knew in her heart that she could not be too reckless in front of Charlie,

So she stopped at the point and said with a smile,

“Master Wade, Mrs. Wade, let me take you two to the VIP box first.”

Charlie saw that Chloe also knew to take it as it came,

So he didn't bother with her much in his heart and said blandly, “It's hard for Miss chloe.”

“I should, I should.” Chloe smilingly took Charlie and Claire from the VIP channel,

And directly took the elevator to the top floor.

Because of the large scale of the venue, the location of the VIP box was,

Basically already about as high as seven or eight floors,

And this entire upper area was the VIP area of the venue.

Here, the entrances and exits, as well as various facilities and passages,

Are completely isolated from the audience in the arena below, greatly ensuring the privacy of the VIPs.

As for tonight's concert, it is only Charlie, Claire, and the members of Evans Family in the two VIP boxes only,

Other boxes are not open to the public, so the staff on this floor is also very small,

Only at the entrance and exit with security guards, after coming in, are all empty, and can not see any staff.

This is done by Stefanie deliberately, after all, Charlie himself likes being low-profile,

And the Evans Family is also a very high-profile public figure,

Privacy must be sufficient, the less staff, the more it can reduce exposure.

Chloe brought Charlie and Claire to the middle position of the box,

The door opened, and inside is almost a hotel luxury suite.

Chapter 4362

Once inside, there was a luxurious meeting room with a mini-bar.

The table of the mini-bar was already full of fresh fruits, desserts, and snacks,

While the wine rack at the back was also full of a wide range of high-end drinks.

Through the minibar, there are two sets of sofas sitting opposite each other in the central position,

And further ahead after the parlor, there are two rows of sofas facing the floor-to-ceiling windows,

Which are the areas for watching the show?

Chloe introduced to Charlie and Claire: "Master Wade, Mrs. Wade, the boxes here have special soundproofing measures,

"So the people next door will not cause any interference to you,"

"And the floor-to-ceiling windows in front are one-way glass,"

"So there is no need to worry about the outside seeing the inside."

Claire said with some concern, "Miss chloe, the sound insulation here is so good,"

“And there is such a large piece of glass, then listening to the concert from inside will not be affected right?”

Claire is Stefanie’s faithful iron fan, for her, to see Stefanie’s concert,

The most important thing is the audio-visual effect, in case the audio-visual effect is greatly reduced,

Even in the luxury VIP room, it will definitely be very regrettable.

Chloe saw Claire’s concern, pointing to the upper left and right corners of the floor-to-ceiling windows,

As well as the sides and top of the sofa, and said to her:

“Mrs. Wade need not worry about the audio-visual effect like you just said,”

“The box has soundproofing measures, and the front glass is also thicker,”

“So from here to see the performance, the sound of the outside audio will indeed weaken a lot,”

“Therefore, the box is installed with a 7.4.4 embedded panoramic sound system,”

“The audio of the live performance will be played directly through the audio system,”

“Which can effectively filter the noise of the audience,”

“The effect of immersive experience is better, and the volume is also adjustable,”

“The overall audio-visual effect will be better than the infield.”

Claire breathed a sigh of relief and said, “Then I’m relieved

Chloe nodded and said to the two people: “Master Wade, Mrs. Wade, our staff prepared the drinks and desserts in advance,”

“There are also bathrooms inside the box, so after the show starts, for your viewing experience,”

“The waiters will not take the initiative to come to the door if you have any needs,”

“You can directly press the call bell, our staff will come to you,”

“In addition also please try not to go out during the performance,”

“There is no staff stationed outside, the performance began and it will be too noisy,”

“In case there is any unexpected situation, it may be difficult to respond in time.”

Charlie knew that Chloe was implicitly reminding Claire not to go out as much as possible,

As for Charlie himself, non-essential circumstances will certainly not go out,

So as to avoid the possibility of meeting with Grandma’s family as much as possible.

Claire, who knew Chloe’s intention, said almost without thinking,

“Miss Chloe, don't worry, we are not going anywhere.”

Chloe smiled faintly, then looked at the time and said,

“There are some VIPs sitting in the next box tonight, they will arrive in ten minutes,”

“I have to go and receive them, so I won’t bother you two anymore.”

Claire nodded and said, “If Miss Chloe has something to do, go and get busy, don’t mind us.”

“Okay.” Chloe nodded and said to Charlie again, “Mr. Wade, then I will go out first.”

After she left, Charlie sat down on the sofa in the meeting area,

Thinking that his grandparents would arrive in ten minutes,

His heart was once again filled with nervousness and apprehension.

Claire saw that Charlie's state was not right, so she sat beside him and asked with concern:

"What's wrong with you, husband? Are you not feeling well?"

Charlie smiled faintly and said,

"These days I'm always running back and forth between two places, maybe I am a little tired."

Claire said somewhat self-critical: "If I had known we would not have driven here,"

"You must have been quite tired driving all the way, and accompanied me everywhere

After saying that, she hurriedly said: "We will not go anywhere tomorrow,"

"Just take a good rest in the hotel, I'll drive back tomorrow."

Charlie laughed: "No, I'll rest for a while, don't you worry."

Claire thought Charlie was trying to be strong, so she took his hand and said softly,

"Honey, if you feel tired in the future, tell me in advance,"

"We can change any plan, but the body must be put first."

Charlie nodded gently and smiled, "Don't worry wife, I know."

Claire slightly leaned on Charlie's shoulder and whispered,

"Let's turn down the sound a little later, if you are tired, you can sleep here for a while."

Charlie saw Claire so concerned about him, and also can't help but be a little touched,

Slightly swept her up in his arms, the heart also felt a lot more solid.

About ten minutes later, Charlie's keen sense of hearing then caught noisy footsteps.

As the footsteps got closer, he heard Chloe's voice:

"Grandpa, Grandma, this is the box arranged for you all tonight!"

At this time, he heard a familiar and unfamiliar voice,

His grandmother said with a very gentle smile,

"Thank you little Chen, also help us thank Stefanie, this time certainly it is no less trouble for you!"

Although he hadn't heard his grandmother's voice again for many years, Charlie still recognized it at once.

His body also involuntarily shook because of Grandma's voice,

And Claire on the side hurriedly raised her head and asked, "What's wrong with you, husband?"

Charlie was slightly stunned, then calmed down a bit and said in a hurry,

"Nothing, I almost fell asleep just now

Chapter 4363

At this moment, Charlie's attention was almost entirely on his grandparents who were a wall away from him.

He heard Chloe say in a respectful tone to his grandmother,

“Grandma you must not be so polite, you are Stefanie’s grandmother,”

“You and Grandpa could come to see Stefanie’s concert, you do not know how honored we feel!”

The old lady said with a smile, “Stefanie is now one of the most well-known stars in the world,”

“It’s us who are honored to come to her concert.”

The old man on the side also couldn’t help but sigh:

“To be able to bring a concert to America and still have such a strong appeal,”

“Miss Sun is indeed considered the light of the Chinese.”

The old lady said, “What Miss Sun, that is your future grandson-in-law’s wife,”

“Don’t call her so rudimentary, her maiden name is Stefanie.”

The old man said with a smile, “Yes, yes, the wife is right.”

Chloe could not help but sigh: “You two have a good relationship,”

“Unlike my grandparents, who fight every day and let no one get away.”

The old man laughed, “Then that’s your grandfather’s problem, a man,”

“To live an easy life as he wishes must give in to his wife’s mouth.”

“Yes!” Chloe laughed, “When I go back, I will tell him your trick, so he can learn it well!”

While laughing, Chloe brought the Evans Family into the box,”

“And after introducing the general situation of the box to them, she said to the crowd,

“The show won’t start for another forty minutes, so you can take a break,”

“Now the audience is going to start entering, I will go over to see if there is anything I can help with,”

“If you need anything, just press the call bell to call the service staff or give me a call.”

Charlie’s grandmother said smilingly, “It’s hard for you dear,”

“If you have other things to do, go ahead and get busy, don’t mind us.”

Saying that the old lady remembered something, and hurriedly asked,

“Right, Chloe, after the performance, is it convenient for Stefanie to have time?”

“If it’s convenient, we’ll wait to meet with her, if she’s not convenient, then we won’t bother much.”

Chloe was busy saying, “Convenient, Stefanie instructed me to tell you all that after the show,”

“You can wait for her in the box for a while if you are not in a hurry to leave,”

“She will come over after she finishes her business.”

“Okay!” The old lady said with a smile, “Then we’ll wait for her here after the show.”

All these conversations were heard word for word by Charlie.

He knew that Stefanie comes over to see his grandparents after the performance,

Partly it is out of respect, and partly for her own consideration.

The reason is that she is worried that after the performance,

He and Claire might meet up with Grandma's family when they leave, so she deliberately arranged this.

After the show, grandmother's family will naturally wait for Stefanie in the box,

And he can take advantage of this time to directly take Claire and leave.

In this way, although the two sides are only a wall apart from the beginning to the end,

But will not have any opportunity to face each other.

Moreover, because each box has a very strict acoustic treatment in order to achieve the best acoustics,

So the two boxes are like double sound insulation, in this case,

Even if Charlie and Claire speak loudly in the room, it is impossible to be heard next door.

Even if a martial arts expert of the above 7 star, such as Joseph, came over,

It would be impossible to hear the conversation next door.

Unless one is like Charlie, who has aura protection, one can use the pervasive aura to sense every move next door.

After Chloe left, Charlie could feel that there were a total of fourteen people in the next compartment,

And outside the door of the compartment, there were four people standing.

However, the aura is not omnipotent, although Charlie can perceive the number of people,

But can not rely on it to identify each person on the other side.

However, he could perceive that the four people outside the door were all martial arts experts,

One of the strongest had reached the level of an eight-star martial artist,

Comparable to the strength of Joseph, the other three, the weakest had the level of a six-star martial artist,

And the other two, both seven-star martial artists.

It seems that the Evans Family's strength is indeed extraordinary,

This configuration of bodyguards is the strongest Charlie has seen so far.

At this time, Charlie suddenly received a message from Chloe,

The message is just five words: Jack Lee is also in.

Charlie was slightly stunned, did not expect Jack actually would come here too.

Originally, his grandmother's family had not seen him in the past twenty years,

But Jack had just met with him a few days ago.

This also makes Charlie a little more cautious, as long as the show is not over,

Then in the case, something is absolutely necessary, he must not go out of this door.

Next door in the box.

The old man and the old lady were sitting on the sofa, Desmond and his wife were next to the old couple,

And opposite them sat Marcus, Martel and his wife, and Tece, in that order.

As for Jack, he ran straight to the bar and poured a glass of whiskey,

Sitting on a long footstool at the bar and drinking himself.

Chapter 4364

In addition to the four Evans Siblings and Charlie's three aunts and uncles,

The two sons of Marcus, Martel's eldest daughter

And Tece's twelve-year-old only daughter also came together tonight.

These offspring, all of whom are Charlie's cousins,

Are also considered fans of Stefanie, so they came along from Los Angeles.

Desmond's two daughters also like Stefanie, but the eldest daughter who is at Stanford studying for a doctorate,

The second daughter is studying in the United Kingdom, academically busy,

As the old man was seriously ill, they took time off to come back to accompany him,

Delayed a lot of school time, so early this morning they rushed back to school.

However, Desmond's two daughters in the Evans Family's own internal family chat software,

But also specially instructed several other siblings, to try to take more concert videos for the two of them.

Although Charlie could not perceive their identities,

After listening to their small talk for a few minutes, he was able to almost identify each of them.

Among them, the eldest son of the second uncle Marcus's family, whom he had met when he was small,

But at that time this cousin was still in infancy.

As for the eldest daughter of Martel's family and the only daughter of his maternal aunt Tece, Charlie hadn't met them all yet.

At this time, Desmond saw that Jack was a bit bored drinking alone,

So he walked to the bar and sat down beside him, asking, "What, your mood hasn't eased up a bit?"

Jack laughed bitterly and said, "What relief, we've known each other for so many years,"

"You know me, and I'm really stuffed up in my heart because,"

"I haven't had a chance to get back for such a big dumb loss!"

Desmond poured himself a glass of wine, clinked glasses with him, and said,

"Jack, look ahead, your days as a police officer are long, but they are over."

Jack nodded gently and sighed: "You're right, have to look forward"

Desmond asked him, "You said earlier that you wanted to go to Houston,"

"To be with your wife and children, have you told them?"

"Not yet." Jack laughed bitterly: "This is still not a total upset"

"I always feel that this case may still have a chance to come to light"

Desmond said seriously: "Jack, listen to my advice, go back at night and pack your bags,"

"Set the earliest plane to Houston early tomorrow morning."

After saying that, Desmond said: "Forget it, I will arrange a plane to send you!"

Jack's expression was somewhat hesitant and he said: "This is too fast"

Desmond seriously said, "Yeah, good for you!"

Jack couldn't decide for a while.

He did want to leave, but he was also really reluctant.

Just at this time, his phone suddenly received a message, he opened it,

His expression quickly became excited, and quickly said to Desmond:

"You just said you will arrange a plane to send me to Houston?"

Desmond nodded and said, "That's right, just one word from you!"

Without thinking, Jack said, "Tonight then! I'll go to the airport after the show!"

Desmond was surprised and asked,

"You've been on the ground for a long time, why are you suddenly in such a hurry again?"

Jack grinned and said, "My daughter just sent me a message saying that she is pregnant!"

When Desmond heard the news, he also instantly became happy and said with a smile,

"No wonder your fcuking mouth is grinning to the roots of your ears,"

"So you're going to be a grandfather!"

"Yes!" Jack said excitedly, "The old generation said that the next generation is really the same thing!"

"Once my daughter said she is pregnant, I really don't want to stay in New York for a fcuking minute,"

“I want to fly over tonight and give them a surprise!”

Desmond laughed, “Oh, you know how to surprise your wife and kids? Can’t you, there is progress!”

After saying that, Desmond said, “Come on, you don’t have to rub it in here,”

“I’ll have the crew get ready, you go to the airport now!”

Desmond waved his hand and said, “It doesn’t matter! If you tell them, they will surely understand.”

“Don’t.” Jack whispered, “I haven’t seen the old man for such a long time,”

“So it’s hard to spend time with him, I don’t care about two more hours,”

“You say hello to the crew and I’ll go there after the show.”

Seeing his insistence, Desmond nodded and said, “Okay then,”

“I’ll talk to the crew now and let them get ready in advance.”

“Got it!” Jack smiled heatedly and said, “Thanks, brother!”

Desmond laughed: “We are brothers, why are you so polite with me?”

After that, he immediately took out his cell phone and arranged the plane for Jack,

Then he held a glass of wine and walked up to everyone and said with a smile,

“Mom and Dad, let me interject, Jack is going to be a grandfather soon,”

“Let’s celebrate this with tea instead of wine!”

Hearing this, the old man said with a joyful smile,

“Yes, yes! A new baby is a great thing, you’re blessed, Jack!”

After saying that, he picked up the teacup in front of him and said with a smile,

“Come on, I’ll drink to you, congratulations on your upcoming promotion!”

All the people also picked up the tea and drinks and said words of congratulations under their breath.

The Evans Family has been in the United States for a long time,

From the top to the bottom, the thinking is more or less westernized,

The more obvious characteristic is that emotional management is more open,

Chapter 4365

Encounter happy things from the heart, there are no formalities if one is very happy.

Seeing that the Evans Family is so enthusiastic about him, Jack’s old face got red, not quite natural, said:

“Thank you all, thank you all! When the baby is born,”

“I will definitely bring it to the Evans Family to ask for New Year’s money!”

The old man said smilingly, “Come! Be sure to come! Bring your daughter with you!”

“If the baby is a boy, I’ll have to give your daughter a big red envelope alone!”

Jack was confused by the old man and asked,

“Uncle, how can you give a red packet to your daughter when you have a new baby in the family? Where is this saying?”

The old man said seriously: "You kid all day long, only thinking about solving the case,"

"I have to do more for your dead old man!"

After that, the old man said: "Your family has only one girl, but your Lee family's legacy can not be broken!"

"If your daughter is willing to give birth to a son with your family's Surname Lee,"

"To help to continue the family line, I will definitely give them a big red envelope,"

"That will allow them to live a lifetime without worries!"

Jack Listened to the all the people for a while, then his eyes got red,

Deliberately touched the nose to cover up, said with a smile:

"Uncle, what era is this, we can not be so old feudal"

The old man said seriously: "Jack, this is not feudalism, this is heritage!"

"Since ancient times, you have only heard of worshipping your own ancestors,"

"Have you heard of anyone worshipping their foreign ancestors?"

"Do you know what your grandfather's grandfather's surname is,"

"Do you know what it means to break off the incense?"

Jack said: "Uncle, broken incense, that does not mean that the bloodline is broken"

"Then as long as this child later raises offspring, I will not pass on this bloodline?"

The old man waved his hand and said with a solemn expression,

“Jack, the argument of breaking the incense is not that complicated, to put it bluntly,”

“It is simply that no one is lighting incense for the ancestors of this lineage,”

“To put it more bluntly, there is no one to worship!”

Jack heard here, the tears in his eyes can no longer be taut,

Two lines of hot tears down the somewhat dark cheeks and rolled down.

He understood the meaning of the old man’s words,

And deep inside he also agreed with the old man’s philosophy.

The older generation of Chinese people who went abroad to work,

All of them wanted to have a prosperous family and children, which naturally included Jack’s father.

But although Jack has five sisters, he is the only male in the family.

His wife was also willing to give birth to more children for him,

But God forbid, she encountered a very serious hemorrhage during the birth of his daughter,

The doctors removed her uterus to save her life. So, Jack only has that one daughter.

At this time, the old lady on the side saw Jack quite a big man actually shed tears,

And quickly said to the old man: “Oh, you old feudal! What era is it now, still engaged in the patriarchal set!”

After saying that, she hurriedly said to Jack:

“Jack, don’t listen to your Uncle’s nonsense,”

“This old feudal consciousness should have been removed long ago!”

The old man always obeyed the old lady in words, but this time he said in a stern voice without any doubt:

“If it were anyone else, I would have advised you to do the same, but for Jack, I can’t!”

“He can think for himself no problem, but my old buddy will think,”

“I know better than anyone, he left early, I am a brother, I have to make up for him with this regret!

Saying that he looked at the silent tears of Jack, full of dignity waved his hand, and said:

“Jack, this matter you do not have to care about anything, whether the child is born a boy or a girl,”

“You bring your daughter over! If it’s a boy, I’ll be able to convince her to let the child be named Li,”

“If it’s a girl, I’ll try to convince her to have another one!”

“Don’t interfere, don’t say a word, just pretend not to know,”

“If anyone has any old feudal, old bastard name, feel free to greet uncle’s head, uncle won’t care!”

Jack at this moment with tears heavily nodded his head,

Said with gratitude, “Uncle thank you thank you!”

Jack knows that his son-in-law is very good and high-minded, this kind of thing, perhaps really only Lord Evans can do.

Moved beyond measure, his legs bent forward uncontrollably, and he was about to kneel and kowtow to Lord Evans.

Desmond’s quick eyes and hands sprang into action, and hand dragged him, said: “Jack, what are you doing!”

Lord Evans scolded: “Brat, they say there is gold under the knees of a man,”

“You are running here to me to cash in! Hurry up and stand still, you will not kneel for me until the day I die!”

Jack was really moved from the bottom of his heart, but seeing Lord Evans’s anger,

He hurriedly said, “Okay, Uncle I know

The old man nodded in satisfaction and urged, “Why are you still standing here, hurry up and go to the airport!”

Desmond said: “Dad, I told him to hurry up, he said he wanted to accompany you for a while.”

At this time, the music suddenly sounded, the very explosive music,

The venue lights dimmed at least 70%, and on the stage left and right two large LED screens instantly point,

Began to play the opening material of Stefanie’s world tour.

The opening video, 20 minutes long, was created by a Hollywood team with heavy money,

The sound and visual effects are shocking beyond comparison.

Chapter 4346

The content of the video is a cosmic war that takes place in the future,

So the audio-visual effect at the beginning seems to be shocking.

The plot of this video is an alien race invaded the Earth,

Wiping out almost all of the Earth fleet, the entire Earth fleet only a warship piloted by a female warrior survived.

In order to save the Earth, this female warrior has to sail the warship through the wormhole,

All the way from the future back to the modern society on Earth.

When her ship crossed the Earth's atmosphere, the Earth's air forces sent top fighters to intercept it,

And she ejected at the moment when the missile was about to destroy the ship and took a parachute all the way down.

But because the parachute malfunctioned and could not be opened,

The warrior woman swooped toward the ground at a very high speed.

According to the original setting, at the moment when the warrior woman is about to fall to the ground,

The LED screen and all the lights on the scene will instantly go out,

And all the sound will also come to an abrupt halt.

After ten seconds of absolute darkness, all the stage lights will instantly come on.

And dozens of light beams will be aimed at the top of the stage,

When Stefanie, wearing sci-fi armor, will descend from the sky with the weave technology,

And use her song called "From the Future" to make an absolutely shocking and perfect opening for the whole concert.

However, at this moment, the video has just begun to play,

When people saw the video presenting a Star Wars scene, everyone's a little confused.

When the old man saw that the show was about to start, he hurriedly said to Jack:

“Jack, don’t waste time with me here, hurry back to your wife and children!”

After that, he looked at Desmond and instructed,

“Desmond, tell the crew to get ready at the airport and have the driver take Jack to the airport!”

Desmond nodded and said to Jack, “Jack, hurry up,”

“It is time to stay with your family, don’t go anywhere until the baby is born.”

“Okay!” Jack knew that the old man was thinking of himself,”

“So he nodded heavily and said, “Uncle, aunt, then I’ll go first.”

The old master waved his hand, “Go now, let Desmond see you off.”

Jack busily said, “No, no, let him accompany you guys, I’ll go down by myself.”

After saying that, he said to Desmond, “You send a message to the driver, don’t come with me.”

Desmond saw that he was in a much better state, so he nodded and said,

“Okay, go and send a message when you arrive.”

Jack nodded, said hello again to the people, and then hurriedly left the room.

After Jack went out, the video, the flagship of the human space fleet was hit by a fatal blow from the enemy,

And Claire excitedly took Charlie's hand and shouted,

"Honey! Is this a movie? The effect is too realistic, right?"

Charlie heard Claire so shocked, then subconsciously withdrew the release of a little aura,

No longer pay attention to grandparents over what they are talking about,

But focused on the screen, said seriously: "I think this should be a specially made opening video,"

"The former king Michael Jackson also gave such majestic opening special effects."

Charlie just finished talking, on the screen, the human flagship exploded!

Incredibly huge flagship, a series of violent explosions from the inside, the whole falling apart!

The sound effects of the explosion throughout the scene created countless powerful sounds,

The scene set off a wave of sound, impacting everyone's senses.

While everyone's attention was focused on the video,

Jack crossed the corridor of the VIP area and arrived at the door of the elevator hall.

The sound wave made him feel the bass vibrating his entire chest even when he was here.

At this moment, the four elevator lights not far in front of him suddenly lit up at the same time,

And just when he was a bit stunned in his heart, the elevator doors suddenly opened.

In the four elevators, at least 20 black-clothed fighters with loaded guns and armed to the teeth appeared!

These black-clad fighters wore bulletproof vests and bulletproof masks,

And all held dark automatic rifles in their hands,

And the muzzle of each automatic rifle was fitted with a thick and long silencer.

When Jack saw this scene, his pupils suddenly shrank, and just wanted to shout,

Bullets were instantly released from the muzzles of multiple guns.

In an instant, he was hit by dozens of bullets, boom!

Immediately after, the beige wool carpet underneath Jack was soaked with his blood!

A striking blood-red
