

## Chapter 4337

Now that Charlie thinks about it, at that time he heard the news of his grandfather's critical illness,

As he was sitting on the second floor of the restaurant,

And then immediately asked Stefanie to take the blood dispersal heart-saving pill to Los Angeles,

A move that he made and did not have time to do any cover-up at all.

Therefore, as long as the great uncle's side starts backtracking from Stefanie's trajectory after arriving in Los Angeles,

It will definitely focus its attention on Uncle Hogan's roast goose store.

Hogan could see Charlie's helplessness and knew what he was thinking,

So he spoke up and said comfortingly, "Young Master Wade, people's lives were at stake,"

"You had no other good choice at that time,"

"And it's good that your great uncle should not have noticed your presence yet."

Charlie sighed: "I came to your store with Stefanie if he found the CCTV footage,"

"He would probably recognize me, I guess Jack sent someone to look for your CCTV footage here,"

"It is also to find out who Stefanie was with and what was special about her."

Hogan smiled slightly and said, "You can rest assured that there are not many security cameras outside of Chinatown,"

"There used to be some, but they were smashed, and then simply not installed,"

“There is no security camera outside the front door of my store,”

“And even if there is, because of the angle problem, it is impossible to shoot the side here.”

Saying that Hogan continued: “We opened the store, and dare not hang the camera outside the store,”

“So generally the most outside camera is also installed on the inside of the door at the top,”

“And then diagonally to the entire storefront range,”

“But because the camera angle is diagonally down forty-five degrees position,”

“So at most only to their side of the sidewalk, can not shoot the motorway,”

“More Can not shoot the opposite, so you do not have to worry.”

Charlie heard this, and nodded gently: “That’s the best.”

Hogan said with somewhat melancholy: “Young Master Wade since you do not want to expose yourself,”

“Then to this place, you should try not to come in the future .....

“This place has got your great uncle and Jack Lee’s attention,”

“In the future, they will certainly focus on me here.”

“Yes.” Charlie nodded and said seriously, “After Stefanie’s concert tomorrow,”

“I may not come back to New York for a short period of time,”

“Here I met so many experiences and I don’t have a good feeling in my heart about it, So in future, I will avoid this city.”

Hogan smiled, nodded with a little melancholy, and said,

“Rarely can you find the second city in this world that has so much to offer,”

“Whether it’s the glamorous Wall Street or the slums,”

“Everywhere there is something that characterizes the group and their negative aspects;”

“The evil of the slums is straightforward, violence, shooting, drug bays, human trade,”

“But the evil of Wall Street is much more terrible than the slums, those sitting in the skyscrapers of Wall Street,”

“Just sitting together, with the burning of a cigar, can decide the life and death of a third world country,”

“And its tens of thousands, hundreds of thousands or even millions of people,”

“In the face of profit, treating human life as if it is nothing.”

Charlie saw that Hogan was also quite emotional, so he could not help but ask:

“Uncle Hogan, you have come to the United States for so many years, have you ever thought of going back?”

Hogan was slightly stunned, then looked up at Charlie, and said seriously:

“Young Master Wade, to be honest, I want to go back, although my old father is no longer alive,”

“But my mother is still alive, and now has entered the old age,”

“I also want to do my filial piety around her .....

Speaking of this, Hogan lightly sighed: “Only, Mr. Sun went to make peace with Liu Sheng for me back then, I promised the surname Liu in front of the two of them, never to return to Hong Kong Island in this life.”

Charlie said indifferently: “Uncle Hogan, just Liu Sheng of Hong Kong Island,”

“I really don’t care about him, as long as you want to go back, I will solve all this for you.”

Chapter 4338

Hogan stood up, clasped his hands, arched his hands, and said,

“Young Master Wade, your strength is heavenly,”

“Not to mention one Liu, even if ten Liu, no one will ever be your opponent .....

Speaking of this, Hogan ashamedly said: “But, young master Wade, a gentleman’s word,”

“When a team of horses is hard to follow! I’m not afraid of death,”

“But I’m afraid that others will poke my backbone and call me a villain who goes back on his word .....

“So ..... please don’t put pressure on Liu for my sake, since he kept his promise and didn’t come after me anymore,”

“I should also keep my promise and never return to Hong Kong Island in this life!”

Charlie was slightly stunned, and felt in his heart that Hogan was open and honest,

But also felt that he was too decent and set the moral bar too high, torturing only himself.

However, Charlie could see the determination in his eyes at this time,

And knew that this matter could not be done in accordance with his own ideas,

So to let Hogan put down the things that happened back then to move forward,

It is still necessary to follow what the old ancestor said, to untie the bell must first tie the bell.

Otherwise, even if he lets the Front escort him back to Hong Kong,

Using strength to force Liu to grovel, but Hogan's heart will still feel the burden.

The fact is that Charlie has not thought of changing his words with Hogan,

Although he has an agreement with Liu not to return to Hong Kong Island,

But he did not agree with Liu to not return to the mainland, so Hong Kong Island he can not return,

But can also go back to the mainland with him, to work for the Wade Group,

Then with the Wade Group's backing, even if Liu knows it,

It is not possible for him to come to the Wade family to ask for punishment.

However, with the words coming to his mouth, Charlie finally did not say.

He knew that with Hogan's character, he would not refuse his request,

On account of his father's kindness to him and saving his life.

But he also knew that the incident and the people in that incident, for Hogan, is a knot in his heart.

He should not let him devote himself to the business of Wade's Group before his heart knot is opened.

Therefore, he decided that after his wife's master class in the United States is over,

He would take the time to go to Hong Kong Island and have a good chat with that Liu,

Preferably so that he could personally withdraw his order to Hogan,

And allow him to return to Hong Kong Island freely.

After he returns to Hong Kong Island and settles his mind,

He will then throw an olive branch at him.

“If I have the ability to do so, I will make Liu’s heart and soul to invite you back from New York,”

“If I do not have the ability, I will not use my strength to force Liu to give in.”

Hogan heard this, and wanted to say something, but hesitated for a moment, and then held back.

Immediately, he looked at Charlie, nodded gratefully, and seriously said,

“Thank you, Young Master Wade, for understanding!”

Charlie looked at the time and said, “Uncle Hogan, I still have some things to take care of,”

“So I won’t bother you anymore, Stefanie should have invited you to see her concert tomorrow, right?”

“If you have time, we’ll see you there and then.”

Hogan shook his head and said, “Young Master Wade, I won’t be going to Miss Sun’s concert,”

“Your great uncle should still be in Los Angeles today,”

“And Jack’s attention is on the Joules Group for the time being,”

“So when they each finish their business at hand, they will probably come to me to ask about Miss Sun.”

“As long as Jack did not recognize that I was beside Miss Sun when Patrick Joules disappeared,”

“Then I can still say that Miss Sun came to the store, just by chance to come over for a meal,”

“And I only care about making a living all day long, and I do not know any big stars, so I did not notice,”

“If they don’t have a clue that I know Miss Sun, I guess this time I can stall it smoothly,”

“But if they find out that I went to Miss Sun’s concert tomorrow,”

“This matter will be hard to explain, and maybe Jack will also remember me.”

Charlie nodded understandingly and said, “Uncle Hogan, in that case,”

“Then I’ll come back to see you when I have the next chance to come to New York!”

Chapter 4339

Hearing that Charlie was leaving, Hogan had an extraordinarily complicated expression.

To Charlie, although he had only just met him, but because Charlie’s father had a kindness to him,

Plus Charlie himself also made him very appreciated, so he also developed a very kind feeling towards him.

Especially when he saw that he was now strong and accomplished, he was sincerely happy for his old benefactor

At a certain moment, he also moved the idea of serving for Charlie to repay Changying’s kindness.

However, on second thought, he felt that he was just an illegal immigrant,

Who had been selling roast goose in Chinatown for more than ten years,

While Charlie had long been a top tycoon worth hundreds of billions of dollars,

And the difference between himself and him was really a difference between clouds and mud in a deep well.

After all, the difference in strength is too great, even if he has a passion for repaying kindness,

But in the eyes of outsiders, he may be, under the guise of repaying kindness, trying to climb up the ladder.

What's more, Charlie may not really need his help, maybe he opened his mouth, but just give him trouble.

Therefore, Hogan thought about it but gave up the idea of offering himself.

And what he didn't know was that although Charlie was eager for virtuous people,

He didn't want him to serve him with a heavy past.

Therefore, his intention was to first help Hogan achieve nirvana and rebirth.

Moreover, with Charlie's character, he did not like to hang on to his mouth before things were done,

So he did not reveal half a word to this old man.

As he parted, Hogan's eyes were red and he said to Charlie,

"Young Master Wade, please take care of yourself!"

Charlie also said respectfully, "Don't worry, Uncle Hogan, I will."

Saying that Charlie took out a blood dispersing heart-saving pill from his pocket and put it in Hogan's hand,

Saying seriously, "Uncle Hogan, this pill can cure a hundred diseases and help heal a thousand wounds,"

"You just keep it by your side, just in case."

Hogan hurriedly wanted to stuff the pill back into Charlie's hand and said with trepidation,

"Young Master Wade, how can I ..... accept this great gift ..... please take it back!"

Charlie shook his head, pushed him away slightly, and said seriously:

"Uncle Hogan, if my father were alive, he would consider you as his brother,"

"And I believe you would also consider me as your own son,"

"So it is only natural for me, as a junior, to pay respect to you."

After saying that, he took two steps back, slightly arched his hand, and said,

"See you later," before turning around to leave.

By the time Hogan chased him out, Charlie had already gone far away.

At this time, Charlie was walking like a fly, not even looking back,

Hogan looked at the medicine box in his hand, only felt like a lump in his throat,

Unconsciously, his eyes are already full of tears.

After saying goodbye to Hogan, Charlie took a car and went to Long Beach.

Xion had already evacuated in time, but Wesley,

And the other members of the Dragon Hall were still here.

Therefore, Charlie went directly to the villa that the Dragon Hall had rented.

After Wesley was ordered to solve all the sgum in New York who were involved,

With Patrick in the early morning, he was here waiting for Charlie's next instruction.

After Charlie arrived, he personally ran out of the villa to greet him and said respectfully,

"Mr. Wade, the tasks you gave me have all been successfully completed."

Charlie nodded and spoke, "Wesley, you have done a good job this time,"

"Not only did you kill all the sgum that should be killed, but the matter was also done very beautifully,"

"It is almost time for you and the other brothers to withdraw,"

"The ten billion dollars that the Joules family gave to the Dragon Hall arrive,"

"After you go back, you should build up the base of the Dragon Hall."

Chapter 4340

Wesley said gratefully, "Mr. Wade don't worry, I will do my best to not let you down!"

Charlie nodded slightly and instructed, "Have the brothers evacuate in an orderly manner,"

"Don't leave any clues for the New York police."

Wesley said, "Don't worry, Mr. Wade, I have already arranged for my men,"

“To handle the place comprehensively, so no clues will be left behind.”

Charlie looked at the villa and said, “This villa you rented,”

“Why don’t you just spend the money to buy it and keep it as the stronghold of Wesley in New York.”

“Okay!” Wesley immediately agreed and said,

“Then I will have my men go to the broker today to talk about it and buy it as soon as possible.”

After saying that, Wesley added: “Mr. Wade, I see that New York is not peaceful recently,”

“Do you need me to leave some men here to help Miss Joules?”

“No need.” Charlie waved his hand and said, “Stella has just sat as the head of the Joules family,”

“If I keep people by her side at this time, it will make others look at it,”

“And have a big implication of developing her into a puppet,”

“It is better not to trigger such a misunderstanding.”

Saying that, Charlie added: “By the way, after this villa is bought,”

“You can pick a few of the core members of the Dragon Hall with the cleanest identities,”

“And let them stay here temporarily, just in case.”

“No problem!” Wesley said, “Then your subordinate will make the arrangements later.”

“Good.” Charlie nodded and added: “There is one more thing that you need to do.”

Wesley said respectfully, “Mr. Wade, if there is anything you want, just give me an order.”

Charlie sighed and sighed: “The videos I exposed, in order to respect those innocent girls who died tragically,”

“Their facial features were blurred, which will definitely affect the subsequent confirmation of the true identity of the victims,”

“So you go back and send the original files of these videos to the New York police in an anonymous way,”

“So that they can work with the Joules family to determine the identity of all the victims.”

“So that the Joules family can also complete the compensation as soon as possible.”

“Okay.” Wesley spoke up, “I will arrange for the technical staff to send an email,”

“To the New York police directly from the overseas server later, and send all the video files to them.”

At this moment, Joules’s group headquarters.

A large number of police officers and SWAT officers had already surrounded Joules’s headquarters building.

The police blocked every entrance and exit of the whole building,

Only one exit was reserved for inspection. All the people in the building,

Whether they were employees or journalists, or members of the Joules family,

They all had to pass through the exits one by one in an orderly manner,

And undergo a full inspection according to the police's requirements.

The police have to check the identity of each person in detail through the face and fingerprint verification.

Xion's identity was actually quite obvious, a young, tall Asian woman.

But the police still will not let go of any other skin color, or other age group of women,

Even if they know they are looking for a woman, but still will be a full verification of the identity of each male,

Just in case there is any negligence, Xion takes advantage of the opportunity to escape.

The extremely strict screening made everyone grumble,

Especially those media reporters who hadn't had the chance to leave yet.

So everyone simply did not rush to leave, one by one, carrying the camera,

Picking up the microphone, directly began to report live.

For a while, people all over the United States are concerned about the police action,

They do not understand why the New York police went to the Joules Group,

After all, the Joules Group has just done an impeccable crisis public relations,

The public concern about the Joules Group and Stella is unprecedentedly high.

Jack is staying at this time inside the temporary command center set up at the scene,

He firmly believes that he came today suddenly, Xion certainly can not have a chance to escape.

Now, what he is waiting for is to purge everyone from Joules's group,

And then bring people in to catch a turtle in a jar!

At this time, his most trusted men called him.

Seeing the other party's incoming point, Jack instantly got excited,

After picking up the phone, he asked off the cuff:

"How about it, found the surveillance video of that roast goose store?"
