

Chapter 4921

Hearing the word “Norway”, the first person that came to Charlie’s mind was Helena,

Who had just been crowned the new queen.

So, he asked Wesley:

“How far is Bergen from Oslo?”

Wesley replied, “About 400 kilometers.”

Charlie heard this and felt a little relieved.

Four hundred kilometers, it seems that the target of the mysterious organization’s operation,

This time should have nothing to do with Helena.

Immediately, he said: “Since it is flying from Cyprus,

“It is highly likely that it has nothing to do with the location of May 47.”

“It may be another batch of dead soldiers.”

After speaking, Charlie asked Wesley: “Wesley,”

“How long does it take for a Boeing 777 to fly from Cyprus to Bergen?”

Wesley hurriedly said: “Mr. Wade, wait a moment, I will check the map.”

After that, he checked the computer for a while, and said,

“Mr. Wade, the distance of the flight route is about 4,000 kilometers,”

“Including take-off and landing, the whole journey is estimated to take nearly five hours.”

“Five hours.” Charlie nodded and muttered,

“What if I fly from New York to the Norway capital of Oslo?”

Wesley marked the distance on the map and said,

“Mr. Wade, it is about 6,000 kilometers, and the civil aviation flight takes seven and a half hours.”

Charlie said lightly: "6,000 kilometers if you let the Concorde fly,"

"It will be two and a half hours. If you take a helicopter from Oslo City in an hour and a half,"

"You will be able to reach Bergen in an hour and a half..."

"It seems that there is still plenty of time."

Wesley exclaimed: "Mr. Wade, you are here. Are you planning to go to Northern Europe?"

Charlie smiled and said: "Yes, I plan to meet them, but just to be cautious,"

"I plan to use the Concorde airliner to fly to Oslo,"

"And then transfer by helicopter to Bergen, but my speed is faster,"

"And I will definitely reach Bergen one step earlier than them."

Wesley hurriedly said: "Mr. Wade, their plane will take off in four hours,"

"And Cyprus and Syria are in a straight line. The distance is only more than 300 kilometers."

"If your subordinates fly over from Syria, they will not be much farther than them."

"It is better for me to rush over now and arrive in Oslo in advance to join you and help you."

Charlie thought for a while and said: "Wesley if the other party is still acting like last time in New York,"

"They will first put the dead men in a coma, and then smuggle them to Northern Europe,"

"Which means that in addition to the people on the plane."

"There must be support in Northern Europe, so you must not start off by stunning snakes."

After that, Charlie said again: "However, if you really make a move at that time,"

"You really need someone to clean up the battlefield, so let's take 20 elite soldiers."

"Immediately prepare to take off and fly directly to Oslo first."

"After you arrive in Oslo City, immediately disperse and hide on the spot and wait for my order."

“If I need you to deal with the aftermath, I will contact you at that time.”

“If I do not contact you, You two will just stay in Oslo City for two days,”

“And then you will be evacuated one after another.”

Wesley said respectfully immediately:

“Okay, Mr. Wade, I will arrange it and leave immediately!”

In Charlie’s opinion, since it happened to catch up with the other party’s Actions,

Then they must go to explore the truth.

Although it is impossible for this mysterious organization and the express company under their command to know that they have been exposed,

For the sake of prudence, Charlie still intends to use Oslo City to hide the itinerary and clues.

Chapter 4922

After all, there will be records of plane flights and personal entry.

Although it is impossible for the other party to know that they have been exposed,

Once the number of damages is too much, they will definitely notice the abnormality.

If they turn around at that time, they will carefully investigate the relevant clues,

Before and after each mission failure, and then follow the clues to find the culprit.

If there is a person as meticulous as Jack in the opponent’s camp, It is very likely that the clues will be focused on him.

Therefore, out of prudence, Charlie planned to ask Helena, Who was already firmly seated as the Queen, to do a favor.

Helena, the queen, and the royal family behind her are only the mascots of the Norway people, But the royal family is the royal family after all.

Even if the monarchy is already constitutional, the royal family still has some privileges.

Therefore, Charlie planned to fly himself and the soldiers of the Cataclysmic Front to Oslo City first, And let Helena use the royal channel to send him to Bergen quietly,

And if necessary, send Wesley and Others along too.

In this way, all the official records of everyone going from Oslo to Bergen can be hidden,

And the clues can be completely disconnected. This should not be difficult for Helena.

So, Charlie hung up the phone and called Helena again.

At this moment, Helena, just got out of a special school accompanied by the royal housekeeper and got into her own car.

Recently, she has been working hard to increase her exposure in front of people,

So she frequently organizes and participates in various charitable activities.

Today's activity is to go to a special school to visit the disabled children there.

Helena, who had just finished the activity, was sitting a little tired in the royal car.

She was thinking of taking the opportunity to close her eyes and rest for a while,

When the personal mobile phone in her handbag suddenly vibrated.

She took out her mobile phone and found that it was Charlie who called.

Her exhaustion was instantly swept away,

And her expression immediately became a little bit expectant and ashamed.

She pressed the answer button and said with some excitement: "Hello, Mr. Wade!"

"Helena." Charlie asked with a smile, "Did the call bother you at this time?"

Helena quickly said: "How could it be, Mr. Wade!"

"It's not a nuisance you can call at any time!"

"That's good." Charlie went straight to the point:

"Helena, I'm calling because I want to ask you for help."

Helena said without hesitation, "Mr. Wade, please tell me."

Charlie asked her, "If I fly directly to Oslo City tonight,"

"Can you arrange a helicopter to take me to Bergen without leaving any trace?"

Helena asked in surprise: "Mr. Wade, are you coming to Oslo City?"

Charlie snorted and said: "The main thing is to go to Bergen,"

"But I need to turn around in Oslo City, but I can't leave any traces that can be verified."

Helena immediately said without thinking: "The royal family there in Bergen has a palace,"

"And I happen to be going to Bergen to attend a charity event."

"If you fly to Bergen with me, there will never be any traces left,"

"Not even the helicopter I can erase any flight records."

Charlie didn't expect Helena to be going to Bergen, So he asked her, "When are you leaving?"

Helena replied, "I can do it any time, as long as I can reach Bergen tomorrow."

After that, she asked him, "Mr. Wade, when will you arrive in Oslo?"

Charlie looked at the time and said, "I will take off from Providence in about three hours,"

"And arrive in Oslo in two and a half hours."

Helena said: "It's almost ten o'clock in the evening of Oslo City time,"

"And I will wait for you here! If you are not in a hurry to come to Bergen immediately,"

"You can spend one night in the palace first. If we are in a hurry, we can fly over by helicopter overnight."

Charlie immediately said, "Then we are going straight over!"

Chapter 4923

Because the Concorde was fast, and the flight requested by the other party's plane took off four hours later, Charlie guessed that they were intentionally waiting until late at night.

He arrived in Bergen late, so he left immediately without any rush.

He asked Don Albert and Issac to transfer from New York to Providence with the Concorde passenger plane, while waiting at Providence Airport.

As for himself, he waited until Claire came back from school, and then told her that he was going to New York tonight on the grounds that there was an accident at the New York client's construction site and he invited her to take a look at Feng Shui temporarily.

Claire didn't want him to be so tired, but Charlie told her that the other party had used a lot of connections to save her mother from prison, so he owed the other party a big favor and had to pay it back, Claire only reluctantly agreed.

Afterward, he said goodbye to her and drove to Airport alone.

At this time, Providence Airport was already shrouded in a crimson sunset.

In the airport, the Wade family's Concorde, as well as Don Albert and Issac, have been waiting here for a long time.

After Charlie boarded the plane, Issac immediately stepped forward and said, "Master Wade, we have already talked to the tower, we can take off at any time."

Charlie nodded and said, "Let's take off directly."

Issac immediately went to inform the pilot, Don Albert asked Charlie curiously: "Master Wade, what are we going to do in Northern Europe?"

Charlie smiled casually: "Going to meet some bad people."

Don Albert smiled, took out a scalpel with a soft plastic case from his sleeve,

and said with a serious face, "You said earlier that I haven't been with you recently,"

"And there are fewer human body calligraphy works in the Western world,"

"So before coming today, I especially found a handy creative tool, I wonder if it can come in handy?"

Charlie laughed dumbly, and said, "I don't really know if it can come in handy,"

"But since you have all the tools with you, then wait until Northern Europe to see,"

“As long as there is a chance, I will let you make good use of it.”

Don Albert nodded cheerfully: “That’s good, that’s good!”

Soon, the plane took off above the runway and flew towards Oslo, 6,000 kilometers away.

When the Boeing 777 of Yuantai International Express was still flying over Europe,

Charlie’s Concorde landed smoothly at Oslo City International Airport.

At this moment, the royal motorcade of the royal family was already waiting inside the airport.

Since the royal family had already reported to the airport and customs, Charlie and others were taken directly from the airport as royal VIPs and headed for the Nordic Palace.

At this time in Oslo, it was late at night and early morning.

On the way from the airport to the palace, there were few vehicles and the speed was fast.

Empress Helena, who was dressed up, was already waiting anxiously in the palace at this time.

And her grandmother, the old queen who had just abdicated, saw Helena pacing in the same place, her expression mixed with excitement, nervousness and anxiety, she couldn’t help but say: “Helena, what are you talking about Charlie? Haven’t you changed your mind yet?”

“Change?” Helena suddenly stopped and said to the old queen with a serious face: “Grandma, my thoughts on Charlie will never change in my life.”

The queen pursed her lips, hesitated for a moment, and then said, “Helena, you must know very well in your heart that it is difficult for you and Charlie to get together,”

“Not only that he is married, but you are also now the Queen of a state,”

“Your future husband can only be a European royal family member or a clan aristocrat,”

“Otherwise, the hearts of the people will not accept it.”

Helena said firmly: “Grandma, I expressed my position on this matter a long time ago,”

“If I really am fortunate to be with Charlie,”

“Even if the people regard me as a sinner, I am willing.”

The old queen asked helplessly, "Don't you care about the image of the royal family?"

Helena shook her head and said firmly: "I have already made two plans for my future."

"If I can get together with Charlie, then I can give up the throne or even give up my royal status at any time."

"If I can't get together with Charlie, then I will be single for the rest of my life,"

"And I will do my best for my people."

"If you are really single for the rest of your life, Who will inherit the Nordic throne in the future?" Old Queen asked.

Helena smiled and said, "It's okay, when that time comes,"

"I will go to another country and borrow a prince or princess to succeed to the throne."

The old queen said seriously: "That is the last resort, because in that case,"

"The Nordic royal family will not be surnamed Iliad!"

As she spoke, she was anxious and blurted out: "By the way, Helena,"

"You didn't say before that if Charlie is willing, you are willing to give him a son. Is it?"

Helena's face instantly turned red, and she said evasively, "Grandma...you...what are you doing with this..."

Chapter 4924

The old queen said seriously: " This is a good opportunity! No matter whether he has a wife,"

"Or whether he wants to be with you or not, first find a way to conceive his child,"

"And then tell the outside world that you are sick and need to cultivate for a period of time."

"After the child, you will return to the public eye again,"

"And then tell everyone that you have a serious illness and have just recovered;"

"As for your child, we can secretly keep him in the palace until he needs to go to school."

“Give him a fake identity, arrange for him to study abroad,”

“And when you are old and need an heir, put him in front of the public,”

“And frankly say that this child is the one you raised during the period of cultivation,”

“Give the child a legal and public identity, and then establish him as the heir to the throne!”

“Grandma...” Helena said shyly, “What the hell are you talking about...”

The old queen stepped forward, took Helena’s hand, and said seriously:

“Helena, it is about the continuation of the royal family and the Iliad family.”

“In this case, don’t just think about being shy, you must get pregnant first!”

After speaking, she said very seriously: “Look, although Charlie is married,”

“He has no children. If you can conceive his child,”

“It will also be a huge boost to the relationship between the two of you.”

“Not only will there be a continuation of the bloodline,”

“But also a common crystallization with Charlie, this way,”

“The relationship between the two of you will definitely be further improved!”

Helena’s eyes were flashing with luster, but she was still ashamed.

Repeatedly said: “Grandma...you are so crazy...I’m still young,”

“Far from the stage where I have to get married or have children...”

The old queen clenched tightly. With her hand, she said solemnly,

“Helena, the sooner you plan this matter, the better!”

Helena quickly waved her hand and said, “Grandma... I’ll talk about this later... .”

The old queen wanted to say something, but the butler ran in at this time and said,

“Your Majesty, the convoy is here!”

Helena heard this and said with joy, "I'll go and see!"

The first time she ran out in person to welcome Charlie's arrival.

Although it is summer, the night in Oslo City is still a little cool,

But Helena is wearing a shoulder-length western court dress,

As beautiful as a perfect and noble tulip.

Seeing Charlie getting out of the car, the queen temperament that Helena had gradually cultivated recently disappeared,

Replaced by a girl who was just beginning to love, excited and restless when she saw her sweetheart.

She carried her skirt and ran towards Charlie,

The royal housekeeper subconsciously wanted to follow but found that he couldn't catch up with her at all.

The old queen's legs were not so neat. She walked out in a leisurely manner.

While watching the figure of Helena galloping away. She shook her head helplessly and sighed softly.

Helena flew to Charlie, her deep eyes full of joy, and said excitedly, "Mr. Wade, long time no see!"

Charlie smiled and said politely, "Long time no see."

The old queen also walked forward at this time, and said to Charlie very respectfully, "Hello, Mr. Wade!"

Charlie looked at the old queen, nodded lightly, and asked with a smile,

"Ms. Iliad, you are still in good health recently. right?"

Seeing that Charlie cared so much about herself, the old queen said flattered,

"Thanks to the rejuvenation pill you gave me, I'm in very good health now!"

Charlie smiled: "That's good."

Helena on the side quickly said: “Mr. Wade, the helicopter is ready.”

“Didn’t you say on the phone that you want to fly directly to Bergen, should we leave now?”

“Okay!” Charlie nodded without hesitation, and then said to Helena:

“Later Dragon Hall’s Wesley Drake will bring a group of soldiers to Oslo City,”

“Please help me prepare an additional heavy helicopter,”

“If necessary, when the time comes. Also, send them to Bergen.”

“No problem!” Helena agreed without hesitation, and said,

“Mr. Wade, time is urgent, or we should leave first,”

“And let the housekeeper help to implement this matter.”

Charlie nodded. He turned his head, looked at the old queen beside him, and said seriously:

“Ms. Iliad, I will come back to see you when I finish my work.”

The old queen said quickly: “Okay, Mr. Wade, I will wait for you!”

Soon, Charlie took Don Albert , Issac, and Helena into a large helicopter.

The pilot skillfully operated the helicopter to take off, and then flew towards Bergen.

On the helicopter, Charlie looked at the night view of Oslo City outside the window,

And asked Helena beside him: “By the way, Helena, you said that you have a charity event in Bergen tomorrow,”

“What time is it, and do you need me to support you?”

Helena said embarrassedly: “This...this...To tell you the truth, Mr. Wade, in fact,”

“I...Actually, I don’t have any charity activities in Bergen, that’s why I say that.”

“I mainly wanted to accompany you to visit Bergen, I am the Queen after all,”

“If you have anything I can help you with, I can also help you deal with it in time...”

Charlie was slightly taken aback, Helena saw this, and quickly explained:

“I didn’t mean to lie to you, I originally wanted to really arrange a charity event, but...”

“But I’m worried that you will need me tomorrow. The place to help, if I really do charity activities,”

“I may not be able to respond to your needs at any time, so...so please don’t be angry...”

Charlie came back to his senses, smiled, and: “I’m not angry, I just didn’t expect it, thank you, Helena.”

Chapter 4925

Finally, after nearly two hours of flight,

The helicopter slowly landed at the palace of the royal family in Bergen.

The palace of the royal family is located in the suburbs and occupies a large area.

However, due to the decline of the royal family in recent years,

And Congress has been cutting the royal family’s budget,

The palace also appears to be a bit of a failure due to the lack of repairs.

The royal family’s own financial situation is not optimistic.

Although the assets have more than one billion euros, most of them are discounts on real estate,

And these real estates, the royal family cannot sell for a lifetime.

For example, they are in the capital city of Oslo.

That palace and the palace in Bergen are valuable, but once they sell their ancestral property,

They will definitely be spurned by the people.

It’s as if the English royal family turned their heads and sold their Buckingham Palace, which is bound to cause an uproar.

After the helicopter landed, Charlie could feel the shortage here.

There are only a few staff on duty in the huge palace and in the square in the center of the palace,

The stone paved floor has many damaged parts that have not been repaired.

What is even more outrageous is that even the street lamps that illuminate the surrounding area,

Are not more than three. One part is not bright.

Helena did not expect that this palace is now so dilapidated.

Since she lost her support in the royal family, she has not been to this palace for many years.

Seeing such a dilapidated scene, she was a little embarrassed for a while,

So she could only say to Charlie a little ashamed: "I'm sorry, Mr. Wade,"

"It's been a long time here. It's in disrepair and the state of maintenance is not very good, please don't mind."

After Helena just finished her enthronement ceremony,

The butler mentioned the situation of this palace to her,

Hoping that the family would allocate 10 million euros to this palace to make repairs.

But Helena rejected the other party's proposal in order to reduce the expenses of the royal family.

At that time, she even hoped to take out the funds and do more activities,

And publicity to enhance the influence of the royal family.

But she never thought that one day this palace would have an intersection with Charlie.

If she knew there would be today, even if she broke a penny in half,

She would have to squeeze some budget to repair the palace, at least not make it look so shabby.

Charlie also saw that Helena was a little embarrassed, so he smiled and said:

"I think this place is very good, it has Nordic local characteristics,

And it looks like a real historical building, unlike those tourist attractions,

Which are all modern Although the antique buildings are magnificent, they feel a little nondescript.”

Helena nodded lightly and introduced: “This place has a history of more than 300 years.”

“Although it has undergone many repairs, the overall framework,”

“And most of the structures have not changed, and the last large-scale repairs should date back to 1980.”

After speaking, she said with some emotion:

“But I haven’t been here for many years. I haven’t been here since my father died.”

Charlie nodded, seeing that there were still two or three hours before the other party landed,”

“He smiled and said to her, “It’s still early, why don’t you show me around?”

“Alright!” Helena agreed without hesitation and smiled:

“Although I haven’t been here for many years, I still have a very deep memory of this place.”

Just as Charlie accompanied Helena, he visited this place.

At the time of the Boeing 777 of Yuantai International Express was crossing the sky over Finland,

And it was almost 1,300 kilometers away from Bergen.

Wesley and the twenty soldiers he had carefully selected had already landed in Oslo at this time,

And the first thing he did after landing was to send the trajectory of the plane Yuantai Express to Charlie.

Charlie also kept his composure until the other party had only an hour’s flight left,

And temporarily said goodbye to Helena, dressed in black, and drove to Bergen Airport alone.

According to Jack’s analysis, the last time they went to New York to carry out the mission of this mysterious organization,

They were first transported to Mexico by YuanTai International Express in the form of freight,

And then smuggled into the United States from Mexico by land.

Therefore, Charlie and Jack both felt that the other party's real destination this time should not be Bergen,

And most likely it was just a springboard for their mission this time.

It is very likely that they will also transport the dead to Bergen by freight,

And then switch to other channels to transport the dead men to other cities, or directly out of Northern Europe.

Therefore, Charlie's plan was to sneak into Bergen International Airport before the plane landed,

Keep an eye on the plane, the people and goods unloaded by the plane,

And see where their destination is and what their goals are. And who is it?

Although Bergen is the second largest city in Norway, after all, the population is only a few hundred thousand,

So the scale of Bergen International Airport is not large.

The airport is built near the sea, the runway is in the north-south direction,

The terminal building is located in the center of the airport,

And the maintenance and logistics areas are on one side of the terminal building.

Since it is one of the EU countries, and Bergen's international flights are almost all within the EU,

The customs management is relatively loose, and international flights landing here,

Whether passenger or cargo planes have almost no strict entry screening.

The airport has only three normal access paths, one is the terminal building for normal passengers,

The other is the staff channel for internal employees, and the other is the professional entrance and exit for goods.

The security situation of the airport is also very streamlined.

Most of the entire airport is surrounded by iron fences.

The steel blade barbed wire and security monitoring equipment are the main security measures here.

Chapter 4926

As for the security personnel, the overall scale is not large, and the patrols are not very active.

In most cases, security is in the monitoring room staring at the monitoring and security equipment,

And if there is a situation, they will immediately rush to deal with it.

However, because security equipment is becoming more and more advanced,

Even if there are no personnel patrolling, basically no one can pass the monitoring of this equipment silently,

So the airport has almost never had an illegal intrusion.

Even if there are occasional people who try to enter the airport through the peripheral security measures,

They are accurately identified by the security equipment.

Often, the security personnel are alerted as soon as they approach, and when they arrive,

The people are often still on the iron fence, finding a way to break through the sharp-bladed barbed wire.

Therefore, even if there are ordinary people who want to sneak into the airport,

There is no possibility of success at all. Of course, this was before meeting Charlie.

For Charlie, this kind of iron fence more than three meters high is useless at all.

He only needs to climb up gently to jump over the iron fence and avoid the security monitoring equipment on both sides.

So, 20 minutes before the plane landed, Charlie easily blended into the airport,

Waiting for the arrival of the Boeing 777 on the side of the dark runway.

Since it was already more than two o'clock in the morning, the entire airport had fallen into silence.

Charlie was wearing wireless headphones at this time,

And via headphones, he was communicating in real-time with Wesley and Jack.

At this time, Wesley told Charlie: "Mr. Wade, according to the entry and exit information of the airport,"

"The entry and exit of passenger flights have ended tonight, and the rest are all cargo flights,"

"And they will enter the port within the next three hours."

"There are only seven cargo planes, and the time interval is very long."

"The next flight to land is the Boeing 777 of Yuantai International Express."

Charlie replied in a low voice: "Before the plane lands, let's check the information again."

"Okay, Mr. Wade." Five minutes later, Charlie could already see a slow-moving spot of light in the southern sky.

He cross-compared with Wesley, and according to the flight trajectory, it was undoubtedly the plane.

Then, the spot of light got closer and lower.

However, the plane adjusted its direction before landing,

Flew from the south side of the airport to the north side of the airport,

And landed against the wind from the north side of the runway after fifteen minutes.

Charlie's eyes kept staring at the plane. After it landed,

He turned on the reverse thruster, and then quickly reduced the speed to the taxiing speed.

Then, under the guidance of the guide car, it got off the track and taxied all the way to the cargo yard on the south side of the airport.

At the same time, Charlie followed the plane all the way, traversing quickly in the darkness.

A few minutes later, the plane came to a standstill on the open tarmac outside the cargo yard.

Several stevedores have been driving, loading and unloading trucks and transport vehicles, waiting here in advance.

After the door of the cargo plane is opened, these stevedores lift to the side of the cabin through the lifting and unloading truck,

And after opening the door, they begin to unload a group of goods that have been boarded with pallets one by one from the cabin.

Since the transportation of the freighter adopts a modular method,

All the goods are packed according to the board. Generally speaking, it is a special aluminum plate of three meters one by two meters four.

The whole board is transported to the interior of the engine room for fixing,

And the whole board is unloaded to improve the loading and unloading efficiency when unloading.

The plane quickly unloaded four pallets, and each pallet was nearly full, with no apparent abnormality.

Charlie said in a low voice, "At the moment, the cargo unloaded from the plane is all normal, and I don't see anything extraordinary."

Wesley couldn't help but ask, "Mr. Wade, could the dead man be hidden in the cargo?"

After Charlie released some spiritual energy to investigate, he said with certainty,

"There is no one in these cargoes, at least none of them have been unloaded yet."

As he spoke, Charlie frowned suddenly. Wrinkled up, he couldn't help muttering: "It's a little strange."

What made Charlie feel strange was that in order to unload these pallets,

The following stevedores actually took turns,

Whenever a pallet is unloaded Down, they have to change someone to go up.

Generally speaking, skilled work should be a reasonable division of labor,

Special control equipment responsible for operating equipment,

Special handling responsible for handling, and special transportation responsible for transportation.

This kind of behavior of everyone taking turns and going to the cabin to transport the pallets one by one is very strange.

Charlie immediately relied on the pervasive perception ability of aura and found the clue.

It turned out that there were eight people hidden in the cargo compartment of the plane at this time!

It's just that these eight people have been hiding at the end of the cabin of dozens of meters,

And it is impossible for the outside world to see them.

Moreover, every staff member who goes up to carry the pallet will exchange with a person in the cabin

After entering the cabin. He hides in the cabin himself,

And the person who replaces him comes out and pushes out a new board of goods.

Charlie also immediately understood their routine, as they replaced these staff with their own people.

The staff who were replaced were hidden in the plane,

And those who were replaced could use their identities to leave the airport in a grand manner without leaving any record of entry.

What's even weirder is that after careful observation,

Charlie found that although people did exchange inside,

The people who went in and the people who came out were dressed and even looked exactly the same.

After more careful investigation, he discovered that the people who were swapped out,

Had very realistic silicone masks stuck to their faces!

It is also through this realistic silicone mask that they have almost the same facial features as those of the staff,

And the naked eye can hardly see any difference.

Seeing this, Charlie thought to himself:

“Could it be that the staff at these airports are also members of that mysterious organization?”

Soon, the last mysterious person who was replaced gave Charlie an answer with practical actions.

Immediately after completing the swap with the last staff member, he pulled a dagger from his cuff.

Immediately afterward, his right hand waved suddenly,

And the eight staff members who were replaced were instantly blocked by him!

Chapter 4927

In a matter of seconds, the eight people were neutralized.

As the eight stevedores were killed, the killer who turned into a stevedore walked out of the cabin calmly.

After coming out, he skillfully locked the huge hatch and took the elevator down to the ground.

After rendezvous with his seven companions who had come down ahead of schedule,

The eight of them turned into stevedores and drove away the transport truck,

That had just filled with pallets in an orderly manner.

At this time, the pilot in the Boeing 777 had already started to apply to the tower for takeoff,

Requesting to take off immediately and return to Cyprus.

Since the original flight plan of the plane was to return immediately after unloading,

The tower did not have any doubts and let it go directly, so the plane restarted the engine,

Carried eight corpses, and taxied toward the end of the runway,

And soon rose into the air and disappeared. in the darkness.

At the same time, the eight fake stevedores skillfully drove the transport vehicle to the designated entry point,

After completing the stealing, and then struttingly walked towards the exit.

At this time, Charlie, who was hiding in the dark, was very puzzled.

He didn't understand why each of the eight people sent by the mysterious organization to perform the mission was in a state of sobriety and freedom.

If according to what May 47 said, in order to prevent the dead from remembering the location of the station when entering and leaving the station,

The organization will use drugs to make them completely unconscious before letting them go out to perform the task.

However, this rule obviously does not apply to these eight people.

Could it be that these eight people are not dead men?

From the basic logic, since the mysterious organization is not worried about these people remembering the location,

It proves that the status and importance of these people in this organization is higher than that of the dead men.

And since this mysterious organization did not guard against these eight people on these issues,

Then they did not need to borrow Bergen as a springboard,

Which also meant that Bergen was the destination of their trip.

As for the eight stevedores who were just killed, they definitely did not die innocently,

Because they themselves were cooperating with these eight people to hide their identities.

In Charlie's view, these eight people should have only temporarily helped the eight killers enter the country.

After they return from their missions, they will be exchanged out,

And then they will be able to complete all this without knowing it. And leave no clues.

So, he immediately instructed Wesley to find a way to investigate the eight stevedores,

Who were on duty at the airport tonight, check their details, and see where they came from.

After instructing Wesley, he immediately followed the eight people and left the cargo yard of the airport.

Along the way, he found that apart from these eight fake stevedores,

No other workers could be seen at the airport, and no one checked or stopped these eight people from leaving.

The eight people successfully walked out of the freight yard.

At this moment, a pure electric-driven van was parked outside the freight yard.

One of them walked to the left front of the truck, reached out, and touched the top of the tires.

He took the car keys, and then he gave the other seven people a wink, and the other seven immediately understood.

The man who got the key directly opened the door of the cab and sat in,

While the other sat in the co-pilot. As for the remaining six,

He directly opened the rear cargo door and they jumped in one by one.

Immediately afterward, the man in the cab hung up the forward gear,

Stepped on the accelerator, and the truck body shook slightly as the wheels turned.

But none of these eight people knew that at the moment when the body shook slightly,

Charlie, dressed in black, landed on the roof of the van like a fallen leaf.

No one noticed anything abnormal. The driver stepped on the accelerator,

And the motor-driven truck only made a slight motor rotation sound and quickly drove out.

After the car left the airport, it did not drive in the direction of the city,

But went all the way to the southwest and entered the suburbs south of Bergen.

Due to the long and narrow terrain, most of the land is within the Arctic Circle,

So the agricultural strength is relatively weak.

However, Bergen is located in the southern part,

The weather is relatively mild and the terrain is relatively flat,

So most of the suburbs here are farms of a certain size.

The degree of agricultural modernization in the West is relatively high,

So there are few relatively concentrated communities on the outskirts of Bergen,

And because the farms cover a relatively large area, the households here are also relatively scattered,

It is like one household is only tens of kilometers away from the next.

Charlie, who was lying on the roof of the car, looked at the surrounding environment and became more and more puzzled.

This mysterious organization sent eight killers from thousands of miles away,

And even killed eight airport stevedores, but they drove their cars to such a large and sparsely populated countryside.

What would their goal be?

At this time, the speed of the truck suddenly slowed down a lot, and the lights of the vehicle suddenly turned off.

Since the pure electric car does not have the roar of the engine,

The biggest noise when it is driving is the tire noise generated by the tires and the road surface,

As well as the low-volume whistle when the motor rotates at high speed.

Once the speed of the vehicle is reduced, the tire noise and the whistle of the motor will also decrease rapidly,

So the pure electric truck with the lights turned off at this time is almost as silent as a ghost on this quiet night road.

Chapter 4928

Charlie suddenly became more energetic, these people were suddenly so cautious,

There was only one possibility, and that was getting closer and closer to the goal.

At this time, he heard the man sitting on the co-pilot in the cab say,

“There are still two kilometers to go, stop first and let the brothers start getting the equipment!”

The truck stopped immediately on the side of the road,

And then the two got out of the cab at the same time and ran quickly to the rear of the truck.

The driver tapped the tailgate lightly with his fingertips, and the tailgate immediately opened from the inside.

The six people in the cargo box had already changed into a full set of combat equipment at this time.

Body armor, helmets, and firearms were almost the same as the equipment they carried when May 47 attacked Charlie's grandfather and grandmother's family.

After the two jumped into the cargo box, the others immediately handed the prepared equipment to them and quickly helped them put it on.

After the two were armed to the teeth, the man who was sitting in the co-pilot said in a very serious tone:

“Everyone, two by two, check each other's equipment, there must be no negligence!”

“Following!”

The others responded immediately, and then there was a sound of clips being inserted and guns being loaded from the cargo box.

After the inspection of everyone's equipment was completed, the person in the lead said,

“I will finally re-iterate the mission requirements to everyone.

The British Lord's requirement is that except for the target, Which must be captured and taken away alive, everyone else will be killed, And none of them will be left behind! You understand?"

The other seven said without hesitation: "Understood!"

The man said seriously: "Today is our great luck! This time we have to catch the survivors."

"It is said that the British Lord has been searching for the goal for decades!"

"The Lord didn't get the exact news of the other party until today,"

"And he assigned this important task to our cavalry guards."

"We must go all out and never let him down!"

"This is our cavalry guard's revival in front of the lord. This is a great opportunity!"

The other seven looked stunned, and each of them said with excitement:

"Don't worry, Commander, we will do our best and never let the Lord down!"

"Okay!" The man smiled boldly and said, "Brothers, make your achievements tonight!"

After speaking, he looked at the driver and said, "Si, according to the plan, the car will be parked here temporarily."

"You can sneak over with us. If The mission is progressing smoothly, you can come back and drive in the middle."

The driver said without hesitation: "Okay commander! I understand!"

The commander nodded and said loudly: "Okay! Get off!"

Following his order, the tailgate of the cargo box opened, and eight killers in black clothes, Armed with black guns and wearing black masks, they were silent.

Jumped out of the car, and then quickly disappeared into the farmland by the roadside,

Moving towards the target fast but with silent movement.

Charlie was lying on the top of the truck, staring at the figures of the eight people,

Ready to come with a mantis to catch cicadas, with an oriole behind.

At this time, Wesley's voice came from the earphone: "Mr. Wade, my subordinates have investigated the identity information of the eight stevedores on duty,"

"And the information shows that these eight people are all genuine Nordic native citizens."

"And the historical files are very clean, not like someone with a mysterious identity and unknown origin."

"Also, their bank accounts, this afternoon, suddenly received one million euros in cash from an American company."

"The time to make money is only an hour earlier than the time when this plane applied for the Bergen route."

"I suspect that they were temporarily bought for huge sums of money, so they cooperated with these people."

After speaking, Wesley added: "By the way, Mr. Wade, the American company that pays them is a company controlled by your younger aunt's family."

Charlie was slightly taken aback when he heard this, and couldn't help sighing: "It seems that my younger aunt's line, they are not afraid of being exposed at all,"

"And if they dare to remit such a blatant remittance, there is a high probability that all risks have been isolated,"

"And I am afraid that this line will not be able to find any valuable information in the future."

Wesley said: "The same is what I think Mr. Wade."

Charlie said: "According to the timeline, this mysterious organization should have temporarily bought these eight stevedores earlier today,"

"And then within four hours before takeoff, based on the facial features of these eight people,"

"Made an inverted mask made of silicone material, and then let the eight killers enter quietly in this way."

"And these eight stevedores originally wanted to play a game with them,"

"And then easily earned huge sums of money, Unexpectedly, although this organization is willing to spend money,"

“It will not leave any survivors at all, and the huge sum of one million euros in each person’s account is only earned and not spent.”

Having said this, Charlie couldn’t help but sigh: “This organization is really meticulous in its work.”

“The plane when they came has just taken off again, and the information it left at Bergen Airport is after the eight people unloaded the cargo.”

“It took off and returned normally, and it took off before the eight people disappeared,”

“So on the surface, there would be no suspicion. Even if the eight people are finally found missing,”

“No one would suspect the plane.”

At this time, Jack’s voice came, and he said:

“Master Wade, the cargo plane of Yuantai International Express in Nigeria,”

“Has just applied for a flight route that will take off in 20 minutes from Lagos, Nigeria. Fly to Gothenburg, Sweden.”

Charlie frowned and asked: “Sweden should be next to Norway, right?”

“Yes!” Jack said, “Gothenburg is about 600 kilometers away from your current location.”

Charlie asked again: “How long does it take for the plane to fly from Nigeria to Sweden?”

Jack said: “It looks like more than seven hours.”

Charlie nodded: “It seems that after these eight people have finished their mission,

They will go all the way to Gothenburg, Sweden, with another plane.”

After that, Charlie smiled slightly and said jokingly:

“It seems that this plane is going to fly for nothing!”

Chapter 4929

In the earphone, Wesley said to Charlie:

“Mr. Wade, can you be sure that the plane flying to Sweden is to pick up people,”

“Not to send another group of people to Sweden to perform other tasks?”

“I’m afraid there may still be some other missions for them in Sweden.”

Charlie said: “I heard their conversation just now, they are not here to kill people this time,”

“But to take back some target people who are important to the organization,”

“So they must be safe enough. Moreover, in order to avoid exposure,”

“The plane in which they came has already returned,”

“So I speculate that the plane that flew to Sweden is here to pick them up.”

After speaking, Charlie added: “Also, Land traffic between EU countries has no border controls,”

“And the convenience of driving is as simple as driving between two provinces in the country.”

“However, although in every country, law enforcement agencies serve their own countries.”

“So once they arrive in Sweden, it will bring a lot of difficulties to the investigation of the Nordic police, And leaving the country from Sweden is a very perfect choice.”

From the call of the other party just now, as well as the sequence of the two planes, Charlie probably clarified this. Eight people on this mission.

They flew all the way to Norway to capture someone who was extremely important to the organization.

The route they arranged was to enter Norway and leave via Sweden.

After they complete the stealing from Bergen and capture the target,

They will drive more than 600 kilometers to Sweden and take a flight from there.

Just another Boeing 777 took off from Nigeria, and when the plane landed in Sweden,

These people should be able to make it to Sweden.

Wesley said at this time: “Mr. Wade, your subordinate feels that we still have a window of seven or eight hours to make the rapid deployment.”

“If we send people to Sweden now, we will keep an eye on the one from Nigeria to Sweden. The planes should be able to figure out their specific context, Maybe they can follow the clues and find the specific location of one of their bases!”

Charlie smiled slightly, stared at the eight killers sneaking in the dark, and said, “It’s not necessary to go to their bases for now, and now the clues of these six planes are a huge advantage for us, As long as we don’t fight this idea of six planes, don’t follow these six planes to their base, They won’t realize that it’s the six planes that have a problem.”

Charlie knew very well that even if he took these eight killers in Bergen and kill them, Wesley can continue to make a fuss on that plane.

After all, as long as it flies out, even if it can’t receive anyone, It will definitely go back.

Maybe it can really find some information.

However, Charlie did not plan to do anything about the six Boeing 777s of Yuantai International Express for the time being.

He said to Wesley: “In my opinion, these six Boeing 777s are equivalent to six telephone lines that the enemy has already exposed but still doesn’t know about.”

“It’s like the communication code was deciphered by the enemy during the war.”

“Realizing that the communication password has been deciphered, we will continue to use this password,”

“So that we can find out the specific actions of the other party without any contact with them,”

“As long as we can ensure accurate strikes every time, they won’t realize which link went wrong.”

Chapter 4930

Jack also agreed at this time: “I agree with Young Master Wade, There is really no need to take the initiative to attack now.”

“The previous time in New York, Young Master Wade had already given this organization a big loss, And it just so happened that Young Master Wade did not get any news in advance through any channels, so they will also seek truth from facts.”

“The reason for the last failure was not because of the early exposure, but because of the opponent being too strong;”

“If Young Master Wade can repeat his old tricks this time, it will only make the managers of this organization suspect that their strength has not kept up with the development of the outside world,”

“But they will never make them think that their transportation channels have been exposed.”

“We can still use the clues of these six planes to continue to snipe them accurately in the future!”

“Come a few more times, I am afraid they will make them doubt their lives!”

Charlie smiled: “Detective Li and I have thought of it together,”

“Now I just want to follow this clue and seize the opportunity to teach them a few more lessons.”

“Once they frequently encounter the failure of the group destruction,”

“They will not only doubt their life but will also lack self-confidence and be constrained for a long time in the future.”

Said Here, Charlie’s expression froze, and said coldly: “Although I have never seen their so-called boss,”

“But from the description of May 47, it is not difficult to analyze this person’s character,”

“This person must be extremely confident and conceited.”

“And because his strength is indeed strong enough, he should rarely suffer defeats,”

“So before meeting him, I want this extremely conceited person to be forced to realize an eternal truth,”

“That is, there are people outside, and there are heavens outside heavens!”

Psychological warfare has always been a point that Charlie attached great importance to.

In the earliest days, in front of Mars and his wife,

He completely flattened the entire Xyla Building Materials Group, in order to completely destroy their hearts.

Asking Don Albert to engrave on the foreheads of Mr. Lloyd and Marcus and his son is also a means of mentally killing people.

And his arrogant aunt Cynthia, whose eyes were higher than the top, Was also smoothed out by him in the urban village.

Right now, although he still lacks an understanding of this mysterious organization,

He has made up his mind to play with this organization slowly, First, let the controllers behind this organization collapse, and then completely flatten this organization!

At this time, the eight killers with guns and live ammunition were still sneaking on foot in the dark.

The speed of these people's attacks was fast enough, and they hardly made any sound.

It can be seen that the strength of these people is quite impressive.

If the weapons aside, their personal strength is obviously much stronger than that of May 47 and the others.

Although they are not practicing martial arts, their strength is not inferior to that of six-star warriors.

Charlie followed them several hundred meters away and followed them up a relatively gentle hill.

After climbing to the top of the hill,

A set of two-story country villas with lights appeared on the side of the road about a kilometer ahead.

With his superior vision and extraordinary ability, Charlie could already see a few American pickup trucks parked in the yard in front of the country villa, And several figures were constantly moving various kinds of luggage items from the villa. It all seems a little rushed.

At the same time, the eight killers also gradually slowed down.

After they communicated with gestures, the eight people split into two groups, Three of them stayed in place, and the other five quickly circled around to the other side of the villa.

Side, planning to attack from left to right.

The people outside the villa who were busy moving things, Didn't know anything about the enemy who was already close at hand.

An old man with an Asian face was standing outside the door at this time, instructing everyone to load different items into different vehicles,

Chapter 4931

And at the same time urging with a serious expression: "Everyone faster, we must start before dawn!"

At this time, there was still more than an hour left before dawn.

The old man looked at the time, anxiously returned to the villa, knocked lightly on the door of the study on the first floor, and said respectfully, "Miss."

A very young, even a little immature girl's voice came from inside: "Come in."

The old man said respectfully, "Miss!"

After speaking, he gently opened the door.

Although this villa looks like a western detached house as a whole, the interior decoration is very Chinese antique.

In the study room, a young girl with a very beautiful appearance, and shatterable skin is sitting in front of a set of top desks, holding a yellowed ancient book and reading it.

The little girl is extremely delicate, not to mention her facial features can't be faulted, even her slender and curved eyelashes are perfect.

And she is wearing a Chinese-style crepe embroidered skirt, with a set of exquisite cloud shoulders embroidered with auspicious clouds in all directions, which has a full classical charm. It can be seen that she should be a fan of Hanfu culture.

As the old man entered the door, the girl put down the book in her hand, looked at the old man and asked, "Have you packed everything?"

"Miss, not yet. But it should be fine to set off before dawn."

The girl looked a little depressed and sighed, "Why don't you bring that blue and white porcelain, I'm ashamed to say, if it wasn't for my obsession with these things, we wouldn't be in danger of leaking... .."

The old man smiled slightly and said, "Miss, they are all your favorites, and it won't take long to pack them up, so it won't delay the time you set."

“Okay...” The girl nodded lightly, With a bit of melancholy, she said, “I really don’t want to be here. I’m afraid I won’t have a chance to come back.”

The old man quickly comforted: “Miss, when you settle down in a new place, The old will definitely help you. You can build a new farm, and if you like it, It’s fine to reproduce the look of this place one by one.”

“Okay.” The girl smiled slightly and said, “Then next time I will try raising a few Jersey cows.”

“I feel that the cows are small, naive, and very cute.”

The old man nodded and smiled: “Okay! Wait! When we arrive in the Russian Far East, Then we will definitely raise some of the best Jersey cows for you!”

The girl smiled: “I just don’t know if the climate is suitable there.”

The old man smiled and said: “It should be no problem, wait for winter to come.”

“Just keep the cattle indoors, as long as you have the fodder ready.”

“Okay.” The girl nodded and said, “I’ve been restless for the past two days,”

“I’ll make another divination.”

So she opened the drawer of the desk and took out nine different copper coins from it.

Afterward, she divided the nine copper coins into three rows on the table, And then grabbed the first one in the first row, the second one in the second row, And the third one in the third row with her slender hand.

Then, she closed her eyes again, muttering something in her mouth, And threw the three copper coins on the table.

The girl opened her eyes, saw the three coins, and exclaimed, “The doom I calculated the day before has already come...”

The old man exclaimed, “So soon?!”

The girl nodded, without speaking, her brows dignified looking at the six copper coins left before.

At this time, the previous nine coins had just been taken away by the girl on the diagonal line, From the upper left to the lower right, and the remaining six coins showed two triangles at the lower left and upper right.

Chapter 4932

She grabbed the three copper coins at the bottom left, And hurriedly threw them on the table. She said with an even more horrified expression, “The blood in the hexagram is extremely bloody, and there must be a killing today...”

Speaking of this, she couldn't help muttering: “That's not right...”

“I started a hexagram last night. Although the hexagram indicated that I would be doomed, it was a near miss...”

After that, she quickly grabbed the remaining three copper coins and threw them on the table.

However, due to nervousness, one of the three copper coins slipped from the table to the ground due to excessive force.

After the girl saw the two coins on the table, she was about to get up to see clearly what was on the ground.

Suddenly, someone outside screamed and shouted: “Quick! There is a killer!”

Immediately afterward, they heard the sound of bullets venting,

And the sound of being shot in all directions.

The old man's expression suddenly froze, and he blurted out: “Miss...they're here...”

The girl's expression couldn't help but be extremely horrified.

She was about to see the last copper coin, but the old man had already pulled out a pistol from his waist.

He stepped back to stand in front of her, and said with a stern expression, “Miss, don't worry, as long as this old servant is still alive, I will do my best to protect you!”

As soon as he finished speaking, he heard footsteps approaching, and many bullets even hit the wall of the study.

Immediately afterward, the door of the study was suddenly kicked open, And several men in black with carbines rushed in quickly.

Without hesitation, the old man immediately shot at the man in charge, But the man in charge easily dodged the bullet fired by the opponent's muzzle, Then rushed forward, grabbed the wrist of the old man holding the gun, and made the old man unable to move.

Immediately afterward, a cruel smile appeared on the face of the man in the lead, And the other hand suddenly took out a dagger from nowhere, Raising his hand and preparing to cut off the old man's arm at the root.

The girl hurriedly said loudly: "You can take whatever you want, just don't touch my grandfather!"

The man at the head looked at the girl with a sneer and said, "Sorry little girl, we are not here to rob, we are here to take the two of you away."

The girl's expression flashed a trace of panic, but she pretended to be calm and said:

"We are just ordinary people, we don't have much money or wealth,"

"Kidnapping us will not bring you any benefits..."

The head man smiled and said, "Little girl, when I came in just now,"

"I found out that the bowls you feed the cats are Yuan blue and white from the official kiln."

"The blue and white porcelain in this house alone is worth at least a few hundred million dollars."

"Do you really think that I don't know anything and will be played around by you, a hairy girl?"

The girl said without hesitation, "Since you know the goods, Then take all the blue and white porcelain, just let me and My grandfather survive!"

The leader said coldly, "Don't worry, I won't kill you, Because the order I received is to take you two back alive!"

The old man hurriedly said after hearing this: "Okay! Then I'll go with you, My granddaughter is still young, so you should raise your hand and let her go!"

The headed man smiled disdainfully: "Old man, everyone outside is dead, What qualifications do you have? Negotiate terms with me?"

After that, his expression instantly changed to a look of respect, and he said reverently, "The British Lord has his destiny, and you two are asked to live to see him!"

"Remember, this is an honor for both of you. Even me, I have no chance to see the true face of the lord!"

Speaking of which, he suddenly couldn't hide his excited smile and said, "But this time, thanks to the two of you, maybe I will stand up."

"After the miracle, I also have the opportunity to meet the lord!"

At this moment, a stern voice suddenly came from outside the door, "I'm sorry, you don't have this chance!"

Chapter 4933

Charlie's words shocked the ten people in the study.

The lead man turned around and saw Charlie alone at the door of the study, He frowned and asked, "Who are you?"

"Me?" Charlie snorted and said, "I am someone who can't be offended. If all eight of you combined."

The man was stunned for a moment, then smiled contemptuously, "What a joke! Don't be afraid to back down before you talk big, Just because you are only one person, you want to fight against the eight of us, You know where I come from?"

Charlie smiled and nodded: "I know, aren't you the commander of some cavalry guards?"

"Don't say eight of you, what if there are eighty?"

That person didn't expect Charlie to know him In addition to being surprised, His expression became extremely gloomy, and he said in a cold voice full of murderous intent,

"Boy, you are really courting death!"

After that, he immediately picked up the gun and was about to pull the trigger at Charlie.

Charlie didn't hide at all, and suddenly a cold light flashed in his hand, And then he heard the crisp sound of the other party pulling the trigger, But strangely, no one heard the gunshot except for the click.

The man in the lead was also stunned.

He subconsciously looked down at the assault rifle in his hand, And found that the gun in his hand was not dysfunctional, but for some reason, it just couldn't shoot the bullet.

So, he subconsciously wanted to pull the bolt again, But what he didn't expect was that he just pulled it, And the top cover of the entire assault rifle was suddenly pulled down!

He was horrified, thinking that something was wrong with the gun.

At this moment, one of his subordinates seemed to have seen the devil, Pointed the gun in his hand, and stammered: "Comm... commander... your gun... .."

The lead man took a closer look, and he was so frightened that he was instantly blown away!

He suddenly found that his gun was not as simple as tearing off the cover.

Starting from the center of the muzzle, it was cut open!

Not only was the barrel cut in half, but even the bullet that was loaded in the chamber was cut into a plane, Just like a textbook, revealing the 5.56mm caliber cross-section, Which could clearly show all the structures, warheads, eggshells, gunpowder, and primers.

He was completely frightened, looked up at Charlie subconsciously, And asked with a trembling voice, "You... how did you do it..."

Charlie shot the soul-piercing blade. He was calm and said with a smile: "Well, that's what it is."

The man frowned and blurted out, "How can a mere shell cut off an assault Rifle made of steel!"

"Don't believe it?" Charlie raised his eyebrows, smiled playfully, and said, "It seems that the old saying is right, this man really can't cry without seeing the coffin!"

Suddenly cold, he said sharply, "Since you don't believe me, I'll let you try it!"

As soon as the words fell, a cold light flashed in Charlie's hand again.

This time, before the man in the lead, could react,

He saw the other half of the assault rifle in his hand fall from the air.

Just when he was wondering how Charlie did it, He suddenly felt a sharp pain in his right shoulder.

He instinctively looked at the sore spot, only to realize that there was only a bowl-sized wound left there!

The wound was neat and completely on a plane, And the flesh and bones were clearly visible, and a lot of blood spurted out!

His whole brain was dizzy, and he quickly looked at the ground, Only to realize that it was not just half an assault rifle that fell just now, But a half-assault rifle, along with his entire right arm!

“Ah!!” The severe pain made him almost collapse, and he looked at Charlie as if he saw a ghost.

After experiencing extreme fear for about three seconds, he suddenly shouted:

“Quick! Quickly kill him! Quickly kill him!!”

Chapter 4934

The other seven people also came back to their senses in an instant,

And they instinctively wanted to shoot with their guns.

Charlie looked around for a while with sharp eyes,

And the chilling air suddenly erupted, and the whole person shouted: “Who dares!”

This shout made the seven people suddenly scared,

And the assault rifles in their hands seemed to be heavier than thousands of pounds, it is impossible to lift it up at all!

The man at the head was already desperate, and broke down and scolded:

“You ba5tards who are greedy for life and fear of death! Do you think he can let you go?!”

Everyone was so scared that they dared not speak.

Because they all know that if Charlie can cut off the commander’s assault rifle,

Cut off his arm, he can cut off their heads.

Therefore, in order to avoid the tragic situation where the head is in a different place,

No one dared to take the risk of pointing the gun at Charlie at this time.

Charlie glanced at the seven people, and scolded coldly: "Put down the guns for me!"

When the seven people heard this,

They hurriedly threw the guns out and threw them on the ground.

The lead man was completely desperate at this time.

He knew that once these seven people handed over their guns, he would have no chance to come back.

So, he looked at the seven people with despair and said,

"You people who are greedy for life and afraid of death,"

"Don't forget, even if you can survive today, once the seven days are up,"

"You won't have the medicine to last your life. You will still burst and die!"

Charlie sneered: "Do you cavalry guards, like the dead, have to take antidote on a regular basis?"

The man in the lead looked at Charlie and said with a miserable smile:

"Since you know dead Soldiers, so it seems that the group of dead soldiers in New York were also killed in your hands?"

Charlie smiled: "It seems that you are not stupid."

After speaking, Charlie asked him: "How much do you know about this organization?"

The lead man said coldly, "I don't know much, but even so, I won't tell you anything!"

Charlie smiled and asked him, "You really don't plan to tell me?"

"That's natural!" The lead man snorted coldly: "I am loyal to the Lord, and I will never betray him..."

Before Charlie could finish his words,

He suddenly rushed forward and grabbed him His upper and lower jaws slammed with force,

Only to hear a click, something seemed to shatter in his mouth, and then, his whole body twitched violently.

Charlie guessed right. Although this person is not a dead man,

He still has dentures full of venom in his mouth.

At a critical moment, as long as the dentures are crushed,

The venom will flow into the abdomen along the mouth, causing them to die silently.

However, the difference this time is that Charlie actually helped him bite the denture directly.

Seeing that he was already showing signs of poisoning,

Charlie sneered disdainfully: "Be loyal to your lord, don't rush to reincarnate when you get there,"

"Maybe it won't be long before I will send him down to see you,"

"Then you will be there. You can continue to saddle for him."

After speaking, Charlie suddenly realized something and sighed:

"Oh, sorry, I forgot that you haven't seen the lord, even if I send him off, you may not be able to. Recognize him."

At this moment, he said helplessly:

"Well, then I will let someone engrave the word lord on his forehead so that you can recognize him!"

The boss of the men's eyes widened, staring at Charlie closely,

Even in his dreams, he couldn't understand why Charlie was so confident that he could kill their boss!

Feeling that the venom had reached his internal organs,

He said in a very disintegrating tone: "You...you...you just...why..."

"Why not... ..don't... don't ask me again...you...you ask me again...again... I just...I'll tell you..."

Charlie said disdainfully: "I'm too lazy to talk nonsense with you,"

"You haven't even seen the face of the lord, and you have to carry dentures full of poison in your mouth,"

"When you come out to perform tasks, you can see from these two points."

"Come on out, you are just trash in this organization,"

"I don't think the seven people next to you know less than you, and after you die, I can still ask them!"

Chapter 4935

Charlie's remarks full of jokes and ridicule made the commander fill with resentment.

He held on to the last bit of strength, gritted his teeth, and said, "Lord... Lord will definitely avenge me!"

Charlie snorted and said disdainfully, "I can see that for you and the dead men alike, There is also a deadly drug in the body that periodically attacks, And if there is no antidote within a week, there is no doubt that you will die, right?"

The commander heard this, his eyes were full of horror.

He didn't know how Charlie could see the toxins hidden in his body.

Charlie ignored his horror, but continued to sneer: "There is no essential difference between you and the dead men, They are all donkeys for the Lord, and the only thing you are better than the dead men, Is that you don't need to be blindfolded by a black cloth like the dead man."

Speaking of which, Charlie suddenly remembered something, and said with a smile, "If I guessed correctly, you or your parents should have climbed up from the dead men's class. Yes, right?"

"Because of your more dedicated performance, the Lord gave you a ladder, Gave you a so-called cavalry guard title, so that you can take off the black cloth, That covers your eyes, you or your fathers were deeply moved and encouraged by this, Thinking that they had completed the leap of class, but in fact, You are still tightly controlled by this organization, You have no other freedom except to perform the tasks they gave you, You can only continue to work hard, Try to achieve the next class leap, right? Let me guess, you may become a so-called guide if you move up the ranks, And then you may have a chance to get a real society."

After being in contact with Jack for a period of time, Charlie's logical analysis ability has also improved a lot.

Before tonight, he only knew how the May 47 dead men worked.

But at that time, May 47 said that there are only two ways for those dead men who are in darkness to get rid of their fate, either die or work hard to climb up.

No shrewd manager will choose a flat management method.

He will definitely plan a long ascending ladder for the people who work hard for his subordinates, And then let them climb up by gritting their teeth.

Just like those big Internet companies, some are from P1 to P14, some are from T1 to T17, and some are from M1 to M9.

Therefore, even the deadliest at the bottom will definitely have an ascending channel.

Tonight, from the conversations of these people, he learned about the new title of the cavalry guards.

Combined with their main mission, they also have deadly toxins in their bodies, And deadly fangs in their mouths. He can infer that they are actually no better than the dead men.

How much stronger? As for the word "guide", Charlie also heard it from May 47.

Although he was not sure whether his aunt who had committed suicide by taking poison was a guide, It could be logically inferred that the guide should live in real society.

For example, the guide of this mysterious organization in New York must live somewhere in New York, And have a reasonable and legal identity, as well as relatively strong local resources.

Only in this way can they have the qualifications of a qualified guide.

It's like going out on a trip and finding a local who is familiar with the local area to arrange reception.

At this time, the commander heard Charlie's series of analyses.

Chapter 4936

Although the whole person was speechless, his eyes were full of shock and fear when he looked at Charlie.

He didn't expect that this man had figured out their organization's external structure!

He really wanted to know who he was and how he mastered such deep secrets.

However, he ultimately failed to do so.

Because of his life, after a painful struggle with his expression, it came to an end.

Charlie threw his body aside without the slightest pity, Then looked at the remaining seven people, and said coldly, "I believe, you guys are shouting that you are willing to give everything for the Lord, But in your heart, You should be full of hatred for him that you have never seen before, Like the group of dead men, right?"

When Charlie said this, the expressions of the seven people were very complicated.

Hatred is natural.

Moreover, it is a deep-seated hatred, a deep hatred in the sea of blood!

Their ancestors, for over a hundred years, could only be reduced to the killers supported by this organization, And lived a life without seeing the light of day every day.

Although they later took a step up through hard work, The unforgettable hatred was not enough.

How could it be forgotten?

Charlie continued at this time: "I'm giving you a chance now, Not a chance to live, but a chance to take revenge! As long as you can find your way back and tell me everything you know, I'm here."

"I promise you that I will definitely avenge your companions and your ancestors!"

The seven people suddenly froze when they heard this.

And Charlie's super strength made them understand that today's seven people are bound to die.

If they can help him fulfill the promise of destroying the organization before they die, It will be considered as a sacrifice for all the dead, As well as the current dead and themselves.

The descendants have done a great deed for the future!

Thinking of this, one of them knelt on the ground with a thud, and choked out, "Just ask what you want to know, sir, and you will know everything and I will say everything!"

Seeing this, the other six immediately knelt down with him and shouted loudly and said:
"I'm sure I know everything and I have everything to say!"

Charlie nodded and asked, "The first question, where exactly is your base?"

The person who knelt down first said, "Our base, it is near the Cyprus port city of Limassol, in a copper mine called Candice."

"Copper mine?" Charlie frowned and continued to ask, "Is this copper mine operated by your organization? Tell me about the specific situation inside!"

The man quickly said, "The copper mine is operated by cavalry. Yes, there are more than 200 cavalry guards."

"The copper mine is closed and managed. These 200 people live and train inside."

"In addition, the bottom of the copper mine is only a few hundred meters deep."

"There are more than 800 dead people and their families living there."

Charlie asked again, "Then your main task is to guard these dead people?"

"Yes." The man said without hesitation: "Guarding and managing the dead is our main job, But we are usually ordered to go out to perform tasks."

"In today's situation, it is a sudden incident. We are required to organize the eight best personnel to come over immediately,"

"Before, we also made a mold for ourselves to make us look like stevedores when we arrived."

Chapter 4937

Charlie continued to ask, "What is the goal of your mission this time?"

The man turned around and pointed not far away.

The nervous look of one old and one young person hurriedly said, "Our mission goal is to take the two of them alive to Sweden, where there will be a plane waiting for us."

Charlie asked: "After arriving in Sweden? Where is the destination?"

"The next destination?"

The man was slightly startled, and quickly waved his hand and said:

“We don’t know this at all, even before our departure, We didn’t know where we were flying. Where is the destination? They didn’t tell us the specific requirements of our mission until after we got on the plane and the plane took off. Then, he added: “As for the arrangements after arriving in Sweden, We will not even know what to do. I don’t even know if we can get on that plane after we arrive in Sweden.”

“After all, these two are meant to meet the lord and he is unpredictable.”

“It is impossible for us to know his location.”

“It is very likely that the plane takes the two of them away, And we will find a way to return to Cyprus by ourselves.”

Charlie frowned slightly when he heard this, and asked, “Isn’t the plane that sent you usually not under your control?”

“My intelligence shows that This plane is stationed in Cyprus most of the time.”

The man nodded and said truthfully: “That plane is indeed stationed in Cyprus, But that plane is not managed by our cavalry guards, And all planes are owned by the ‘postman’ Jurisdiction.”

“Postman?” Charlie asked curiously: “Is it another type of work like the ‘guide’?”

“Yes!” The man hurriedly said, “We and the dead men we manage, all personnel transfers are determined by the above, After the above decision, the task details will be handed over to the postman.”

“The postman will then notify us. For example, the dead man goes out to perform the mission.”

“After the mission is over, the postman will send the survivors back to us.”

Charlie probably understood the operation mode of the other party, and he said with a solemn expression, “You said that you cavalry guards, most of your responsibilities are equivalent to prison guards.”

“Yes.” The man said in agreement: “Most of our jobs are similar to prison guards, And we are also prison guards in reform-through-labor prisons, And usually supervise the dead men’s mining operations there.”

Charlie asked in surprise: “Is the copper mine still producing?”

“Yes.” The man explained: “The copper mine was purchased from the Cypriot government through legal procedures and with legal funds;”

“Because this is a copper mine that has been in production for many years, The organization cannot allow it to go out of business, Because it would definitely arouse suspicion from the outside world, So after the organization bought the copper mine, It announced that it had invested 500 million US dollars to upgrade and expand the copper mine ,At the bottom of the copper mine, there is an area for us and the dead to live and train, At the same time, the copper mine also retains several working surfaces, And the dead and their families take turns to work on weekdays to ensure the normal production of the copper mine.”

Chapter 4938

“In the outside world. It seems that there are more than 200 employees in our copper mine,”

“But in fact, more than 200 of us do not work,”

“And the people who are really responsible for the mining work are the dead men living below and their families;”

“We need to ensure that more than 100 people are responsible for the mining work every day,”

“So that our production capacity can reach normal standards, and the outside world will not be suspicious.”

Charlie frowned: “But you are still detaining more than 1,000 dead men and their Family members, There are at least a few thousand people on this scale, And so many people have to rely on imports for their food and drink expenses.”

“If you import a large amount of food materials that exceed the needs of your more than 200 people for a long time,”

“Won’t the outside world be suspicious?”

“No. Yes.” The man further explained:

“The copper mine we are in is located on the coast and has its own wharf.”

“All material dispatches are transported by sea,”

“And the copper ore dug out is also normally sent out by sea;”

“And our copper ore is packaged and sold to our copper smelter in Turkey,”

“And that copper smelter is also an organized enterprise,”

“So every time they send a ship to transport copper ore,”

“They will bring a large amount of food supplies in;”

“What’s more, a small country like Cyprus with a poor economy has a lot of chaotic internal management,”

“And a lot of corruption, so we bribed the customs of Cyprus and will not conduct any inspections,”

“On incoming and outgoing ships. , so that ensures we have plenty of supplies to bring in quietly.”

Charlie didn’t expect that this organization could even form a closed loop for the sale of copper ore.

While amazed, he asked him, “Do you know the name of the copper smelter in Turkey?”

“Yes!” The man said without hesitation: ” The name of the copper smelter is Isdmir.”

“Okay.” Charlie nodded lightly, thinking to himself:

“I have mastered the copper mine in Cyprus and the copper smelter in Turkey,”

“And the clues about this mysterious organization. It’s a bit more improved.”

Immediately, he asked again: “Besides these, what other information do you know about this organization?”

The man thought for a moment and said, “To tell you the truth,”

“Our information channels are also not very good.”

“On the surface, we are much freer than the dead,”

“But we are actually more like prisoners held on the ground.”

“The organization has strict rules, and we are not allowed to go out without authorization.”

“Usually, there are supervisors stationed in the copper mine.”

“So we spend most of the time in the copper mine, and occasionally go out to perform tasks.”

Charlie nodded slightly, and then looked behind the seven people, The old and the young who were especially nervous.

He saw that the girl was only seventeen or eighteen years old, So he put his eyes on the old man and said,“Gentleman, may I ask, what is your relationship with this organization?”

“Why do they want to take you away?”

Chapter 4939

“Ah...I...”

Suddenly being questioned by Charlie, the old man seemed very nervous for a while.

He hesitated, not knowing what to do or what to say,So he could only subconsciously look up at the beautiful girl beside him.

Seeing this, the girl hurriedly said, “Grandpa...It’s all over now, you should tell the truth to this gentleman!”

“I...” The old man didn’t expect the girl to be saying that, he didn’t know what to do for a while.

After all, he was just a servant beside the young lady,And the young lady called him a grandfather in public,But he could understand that, he could hear the meaning of the young lady’s words,That he wanted to pretend to be a grandfather and granddaughter.

However, the young lady suddenly wants to tell him the truth, which makes him confused.

Because I don’t know how to tell the truth.

Before the old man showed his timidity, the girl hurriedly took the lead and said to Charlie,“Gentleman, my grandfather is still a little undecided, so let me explain it to you.”

Charlie did not see the girl and the strangeness between the old men.Seeing that the girl was willing to tell the reason,He nodded and said: “Little girl, please tell me.”

The girl couldn’t help but pursed her lips and smiled, and then said,“Actually, the reason why these people want to arrest My grandfather and me is because the person behind them wants a treasure left by my father.”

“Treasure?” Charlie couldn’t help frowning when he heard this, and asked in surprise, “What treasure is worth so much that it arouses the interest of this so-called lord?”

Although Charlie didn't know who the Lord was, or how strong the Lord was, He could still get a glimpse of him with his little understanding of the organization.

In his opinion, the comprehensive strength of this mysterious organization must be higher than himself,

And even the Evans family will be played by them.

Therefore, Charlie speculated that the strength of this mysterious organization would not be, inferior to that of the Routhschild family, which currently ranks first in the world.

It is even possible, much stronger than the Routhschilds.

It was because he knew that the other party was very powerful, So he couldn't understand how such a high-ranking person would grab something from these two.

Seeing that Charlie had some doubts, The girl took out a sachet the size of a palm from her close-fitting clothes for a moment.

Then, with her slender, white, and tender hands, She took out an inconspicuous bronze ring from the sachet.

And the moment the ring was taken out of the sachet, Charlie felt a very rare, yet very familiar feeling.

This made him immediately realize that this little ring was actually a magic weapon, Just like his own Thunderbolt Order and Soul Piercing Blade!

This is also the first time that he has seen a real magic weapon in the hands of others!

He thought that this girl also had the same spiritual energy as himself, So he subconsciously divided some spiritual energy and quietly checked the girl.

However, after some investigation, he did not find any trace of spiritual energy from this girl.

That is to say, this girl has absolutely no spiritual energy, And it is impossible for him to be the same person as her in terms of energy.

So, he couldn't help but ask her: "Little girl, what is the origin of this ring?"

The girl said faintly, "My father left this ring to me."

Charlie asked again, "Then did your father tell you what's so special about this ring?"

“No.” The girl said seriously, “My father just said that this ring is extraordinary,”

“So I must take good care of it and not let it fall into the hands of rogue people.”

Chapter 4940

After that, the girl lowered her head and pondered for a moment,

Then suddenly raised her head to look at Charlie, and said in a firm tone,

“Sir, if you can let my grandpa and me live today, I would like to give you this ring,”

“Anyway, with this thing in my hands I can’t do anything, and it always brings disaster.”

“After giving it to you, my grandfather and I will find a safe place to live in seclusion,”

“And we won’t have to be bothered by this kind of harassment again.”

Then, the old man stared at the girl with wide eyes and told her not to be so impulsive with his eyes.

But the girl gave a wry smile and said to him: “Grandpa, this thing,”

“We can’t protect it, not only will we not be able to protect it,”

“But it will likely be taken away by the bad guys.”

After speaking, she said firmly: “It’s not in this way,”

“It’s better to give it to this gentleman! I think this gentleman has a good face,”

“And he will not let it go astray, and this gentleman is very powerful,”

“And he will definitely be able to protect this ring well! “

Charlie asked her curiously:

“Little girl, since your father told you that you must not let it fall into the hands of wicked people,”

“Aren’t you afraid that I am a wicked person?”

“Not afraid.” The girl shook her head and said seriously,

“I believe you are definitely not here for this.”

“The ring came, and you appeared at the juncture, although I dare not say that you are all for saving me and grandpa,”

“But I believe that at least part of the reason,”

“So I can be sure that you are definitely not a bad person.”

Charlie smiled noncommittally, and then looked at the ring in her hand.

To tell the truth, he really had some yearning for this ring.

After all, this was the first time he had seen a magic weapon in the hands of others,

So he wanted to know what special effects this magic weapon had.

So, he said to the girl: “Okay! I promise you!”

After that, he changed his words and said,

“But before I promise you, I have one more thing to explain to you.”

The girl hurriedly said: “Sir, please speak!”

Charlie said lightly: “That is after tonight, you may forget what happened just now,”

“If you find out that the ring your father left you and let you keep it properly is lost,”

“Maybe you will live amidst the guilt and self-blame, do you think you’re okay with this?”

The girl was startled slightly, then nodded and said,

“I’m fine! If this ring is still on me,”

“Then my grandpa and I may not be like this next time. Having bad luck.”

“Okay.” Seeing that she agreed, Charlie said very cheerfully, “Then we have a deal.”

The girl nodded, and immediately tossed her jade hand,

And the ring swirled in a circle from the air.

It crossed a graceful curve and landed in front of Charlie.

Charlie reached out and grabbed the ring in the palm of his hand,
And then a little bit of spiritual energy entered, wanting to see what the mystery of the ring was.
However, after the spiritual energy entered the body of the ring,
It was like a stone sinking into the sea, and it all disappeared in an instant.
Charlie's brows couldn't help frowning, and he thought to himself:
"What kind of formation is there? Why does the aura enter, but the ring doesn't respond?"
Thinking of this, he didn't show any sound,
And allowed a bit more spiritual energy to enter into it.
And this time, the small ring suddenly made a humming sound that was as crisp and sweet as
the sound of a sword.
Aside from this buzzing reputation, though, the ring itself hasn't changed.

Chapter 4941

Charlie frowned, feeling that there must be some mystery hidden in this thing,
But he might not have time to study it now, so he put the ring in his pocket.
And that girl, at the moment when she heard the buzzing sound,
Those eyes that were still a little distressed were instantly replaced,
By a kind of excitement that was difficult to suppress...
Charlie didn't notice the change in the girl's eyes.
After he took the ring, he looked at the seven cavalry guards again and asked,
"Does your lord just want you to snatch this ring?"
The man who kept answering Charlie's questions said respectfully:
"To tell you the truth, we don't know this either."

“The order we received was to take them both to Sweden,”

“And we didn’t reveal any details of the rest to us. .”

Charlie nodded, looked at the girl again, and when his eyes met,

He put a trace of spiritual energy into her mind, gave her a psychological suggestion to answer his question truthfully,

And then asked her: “Little girl, how much do you know about their organization?”

Charlie didn’t fully believe in this girl,

So in order to make sure he didn’t miss any clues,

He planned to use psychological hints to cover everything the girl knew to come out.

Although it’s a little immoral to use psychological hints directly,

But the stakes are very important, and Charlie can’t care so much at this time.

Moreover, Charlie had given the girl a vaccination just now,

And planned to erase the memory of tonight from the girl’s mind after all this was over.

Therefore, she will definitely not remember what happened by his own psychological suggestion.

After the girl was psychologically hinted by him,

She shook her head slightly, and said seriously:

“I don’t know much about this organization, these are the disasters my father caused at the beginning,”

“Neither my grandfather nor I are very clear,”

“I only know that they have been trying to find out where my grandfather and I are, and grab this ring from our hands...”

Charlie couldn’t help but feel disappointed when he heard this.

These cavalry guards didn’t know any valuable deep clues, and this girl didn’t know either.

It seems that if he wants to get more clues about this organization,

He will have to slowly peel off the cocoon in the future.

Thinking of this, he looked at the girl and asked, "What does your father do?"

The girl replied, "My father used to be a martial artist,"

"But he got this ring from nowhere, so he started to be hunted down by that organization,"

"And in the end, he was not spared and died under the hands of that organization."

Charlie pointed and nodded, then looked at the seven cavalry guards, and said,

"If I can give you a chance to survive,"

"And at the same time give you a chance to take revenge, would you all be loyal to me?!"

The leader of the seven men from the sect said with a wry smile:

"Sir...you are a person with great supernatural powers."

"If we can really survive, we are naturally willing to be loyal to you,"

"And we are willing to shed blood for you."

"However, all seven of us have bodies that are highly poisonous."

"If we don't go back to take the antidote,"

"We will all die from the poison within a week."

"Even if we want to be loyal to you, there is no chance at all..."

Charlie said lightly: "As long as you are willing to be loyal to me,"

"I will naturally have a way to solve the poison in your body,"

"So that you will no longer be threatened and troubled by toxins from now on."

The leading man said without hesitation:

"Sir! If you can really solve the poison in our body,"

“We are willing to be loyal to you for the rest of our lives,”

“If there is any disobedience, we will surely die without a place to be buried!”

The other six also expressed their opinions with great excitement at this time.

Chapter 4942

Charlie can feel the excitement and sincerity of these people.

It seems that although they have gotten rid of their identities as dead men,

Their hatred for the organization is no less than that of the dead men who are still struggling at the bottom.

So, he said lightly: “In the next few hours,”

“Your organization will probably not send people to Norway.”

“You can use this time to go to Oslo City, the capital of Norway, as soon as possible,”

“And arrive at the highest peak in Oslo.”

“At the top of the mountain, I will let someone pick you up there.”

Charlie was not familiar with Oslo, and he didn’t want these people to gather in the city,”

So he came up with the idea of the highest peak there,

Regardless of whether these seven men of the Cavalry Guard go.

For Wesley, it should not be difficult to find the highest peak in Oslo.

At that time, he can directly ask Wesley to go to the highest peak in Oslo,

To pick up these seven people and bring them directly back to Syria.

When the seven people heard this, there was almost no hesitation.

The person in the lead said, “Sir, when do you want us to leave?”

Charlie said lightly, “Let’s start now, and remember to deal with all the clues on the way.”

The man in the lead said excitedly:

“Don’t worry, sir, we will definitely not leave any traces!”

“Yes.” Charlie nodded, and instructed: “In that case, hurry up and set off.”

“Okay!” The man accompanied by other six stood up,

And after the seven bowed deeply to Charlie, he said,

“Sir, then we will set off first and go to the highest peak in Oslo to wait for your next instructions!”

Soon, The seven people who were pardoned by Charlie quickly left the country house and drove the truck they arrived in Oslo.

Charlie looked at the old man and the girl in front of him, and said lightly:

“You two, I want to make some adjustments to your memory,”

“You will wake up in ten minutes, and then you will forget everything that happened tonight,”

“I hope you don’t think much about it so much,”

“Hurry up and leave Norway and find the safest place to stay.”

The girl and the old agreed without hesitation,

The girl looked at Charlie with a different look in her eyes and said,

“My name is Maria Lin, what is your name?”

Charlie said casually: “Little girl,”

“What is my name, you don’t need to ask, after all, you won’t remember me soon.”

She looked at Charlie and said firmly and seriously

“I don’t remember, I don’t remember, but at least I can remember it for a certain period of time.”

After speaking, she looked at Charlie and asked,

“Since I will forget it soon, what worries do you have, sir?”

Charlie hesitated for a moment, then didn't think much, and said frankly: "My name is Charlie Wade."

"Charlie Wade..." The girl repeated, nodded lightly, and asked curiously:

The girl smiled slightly and said to Charlie ,

"Mr. Wade, I will try my best to remember your kindness."

"If there is a chance in the future, I will definitely repay it."

Charlie waved his hand gently and said indifferently:

"No need, I saved you and your grandfather, you gave me a ring,"

"And we have settled between us. I hope you two will be safe in the future."

After that, he waved his hand, a little spiritual energy entered into the body of the two.

The old man lost consciousness almost instantly, and Maria closed her eyes immediately.

Seeing that the two had lost consciousness, Charlie wiped their memories with aura,

Then walked out of the country house alone, left the place quickly, and returned to Helena's palace in Bergen.

Ten minutes after he left, the old man woke up first.

Seeing the mess in front of him and an unfamiliar corpse, he turned pale in shock.

When he saw the young lady lying unconscious on the desk,

He rushed forward and shouted nervously, "Miss!"

Maria suddenly opened her eyes. Opening her eyes, she looked at the old man,

Smiled slightly, and said, "You are awake."

The old man said in a panic, "Miss, I... I seem to have a problem with my mind,"

"I remember that you asked me to arrange someone. Pack up and leave Norway quickly,"

"But I don't know why I fell into a coma, and... and I feel like I'm missing a part of my memory..."

Maria nodded and said lightly, "I feel that the memory is missing."

"It's missing because someone erased your memory."

The old man was dumbfounded and blurted out, "Can someone really erase someone else's memory?"

Maria sighed and sighed, "Yeah, he also wanted to take mine too."

Speaking of this, she suddenly smiled and said, "Tsk tsk...but it's a pity, he failed!"

Chapter 4943

When the old man heard Maria's words and quickly asked, "Miss, does that person know that he failed?"

Maria shook her head: "Of course, he doesn't know, otherwise, How could he let us go so easily?"

The old man heard this and couldn't help but sigh, "It seems that no matter how superb the methods are, they are of no use to you, miss."

Maria sighed in a lonely sigh, and said sadly,

"Father left it to me. I don't have many skills, but this is one of them."

After that, she said to the old man, "Go and pack your things."

"Except for the necessary things, you don't need anything else."

The old man nodded respectfully, turned, and left the study.

After the old man left, Maria took out a small wooden spiritual tablet from the drawer of the desk,

With eight characters written on it: the spiritual seat of my late father, Warren.

Maria scrutinized this spiritual seat carefully and whispered:

"Father, your daughter is unfilial, the ring you gave me with your desperate efforts is given to someone else by your daughter,"

"It's not because your daughter doesn't want to protect it, it's really limited,"

“If it weren’t for today. That Charlie suddenly appeared, and your daughter was afraid that it had already fallen into the hands of the thief.”

“I don’t think that Charlie looks like a bad person, and he has great supernatural powers.”

“The ring in his hand should be able to play a real effect.”

Saying that, Maria said again: “By the way, father, Charlie and we have the same enemy,”

“And it seems that he is still in the dark. Maybe in the future,”

“He will be able to kill our common enemy and fulfill your last wish for you!”

Immediately, Maria fell into silence.

She couldn’t help recalling that the ring once made a sword cry in Charlie’s hand,

And the sword cry was clear and melodious, which was fascinating.

After thinking about this, she secretly made a decision,

And then put the spiritual position and the nine copper coins on the table into her backpack, and walked out of the study.

Outside the villa, the old man was packing his things.

He dragged some unnecessary things out of one of the cars, and finally sorted out two large boxes.

After Maria came out, the old man hurriedly stepped forward and asked,

“Miss, do you still have your blue and white porcelain?”

Maria hesitated for a moment, then sighed softly, “Let’s take it, after all, if it stays here, maybe it will be ruined by people who don’t understand.”

After speaking, she added: “Take all the blue and white porcelain that has been packaged,”

“And donate to the museum after returning to China.”

The old man asked in surprise: “Miss, Aren’t you going to the Russian Far East?”

“We have a stable and safe industry there, and going there, it’s easier to find than going back to China.”

Maria shook her head and said lightly, "I won't go to Russia,"

"I'll go to China to find this Charlie Wade, he must be very interesting."

The old man couldn't help but said: "Miss, huge China has a population of 1.4 billion,"

"Where are we going to find Mr. Wade you mentioned?!"

Maria said: "Mr. Wade's Mandarin is very good, his words are round, and his pronunciation is accurate."

"There is almost no trace of an accent. So I guess that he is most likely from the north,"

"And most likely he is from Eastcliff or several provinces and cities around Eastcliff."

"Then let's fly to Eastcliff first, and look for clues there."

"Okay!" The old man nodded: "Then going to Eastcliff!"

...

Charlie returned to Bergen Airport and retrieved the car and returned to Helena's palace according to the original road.

All the way, his mind has been on that strange ring.

Therefore, he held the steering wheel in his left hand,

And held the ring in his right hand, constantly rubbing it in his hand,

And constantly releasing a little spiritual energy into it,

Trying to figure out the real purpose of this thing.

Chapter 4944

There is a strong mutual attraction between this ring and spiritual energy,

But the strange thing is that the spiritual energy did not get any actual transformation after entering it,

Which made Charlie very surprised.

According to the law of conservation of energy,

Energy is a kind of existence that can neither appear out of thin air nor disappear out of thin air.

It is like putting a pot of hot water outdoors, even if it finally cools down,

The heat does not disappear out of thin air but is released into nature through the air and other objects.

It's just that the heat of a basin of water is a little insignificant to the whole of nature.

But no matter how small it is, it is real.

However, the spiritual energy that Charlie entered into the ring one after another disappeared,

Like a stone sinking into the sea, he received no response.

He finds it more and more strange. In his opinion, the principle of a magic weapon is equivalent to an electrical appliance,

Except that the magic weapon needs to be driven by aura,

And the electrical appliance needs to be driven by electricity.

When electricity is delivered to a water heater, it will be converted into heat energy;

When electricity is delivered to a motor, it will be converted into kinetic energy;

When electricity is delivered to a light bulb, it will be converted into light energy;

When electricity is delivered to an electrolysis device, it will be converted into chemical energy.

It's like sending an aura to the Thunder Command, which can be transformed into thunder and lightning that falls from the sky,

And transporting the aura to the soul-piercing blade, which can be transformed into an indestructible blade,

But this ring swallowed so much of its own aura, but only transformed a humming.

A ring, making a sound similar to the sound of swords, is also very strange in itself.

This kind of phenomenon is strange as if the electric fan is powered on,

The blades of the electric fan do not rotate, and no wind is generated,

But it makes a blowing sound out of thin air, which cannot be explained.

While Charlie wondered, like a red-eyed gambler who kept throwing chips at the gaming table,

He kept sending spiritual energy into the ring.

Until half of the spiritual energy in the body was drained,

He still couldn't get any feedback other than Om's reputation.

He was a little annoyed.

Before reaching the destination, he simply took out a Cultivation Pill,

Pinched it together with the ring on his fingertips, and then gritted his teeth,

Forcibly transporting almost 90% of the spiritual energy in his body into the ring.

He felt that he had input most of the spiritual energy into it,

And this ghost had to give him a little bit of different feedback.

But what he didn't expect was that the ring was still like a black hole of spiritual energy.

After swallowing so much of his spiritual energy, there was still no change.

Charlie was helpless. In order to make up for the lack of spiritual energy in his body,

He could only throw a Cultivation Pill into his mouth.

When the surging spiritual energy spread rapidly, he crossed the half-spiritual energy into the ring again,

But the result was still extremely disappointing to him.

At a certain moment, he couldn't wait to quickly take out another Cultivation Pill and fight to the end with this pit ring.

But reason finally triumphed over his impulses.

Cultivation Pill is very precious, and there is no need to put them one after another for such a pitiful ring.

In this situation, it is the most sensible choice to stop loss in time.

So, he could only put the ring back in his pocket angrily.

Although he couldn't figure out the magic of this ring,

It subconsciously told him that it was definitely not simple.

You know, this is something that even the mysterious lord can't wait to get,

And even that kinds of high-level people are thinking about getting this thing,

This proves that this thing must have some kind of value that he doesn't know yet!

Chapter 4945

Therefore, this ring must be kept well, and it may be of great use in the future.

What's more, this thing has swallowed more than one Cultivation Pill's spiritual energy.

With such a large investment, he must find an opportunity to let it spit out even the profit!

Putting away the ring, Charlie continued to drive.

And he also silently reviewed what happened today in his heart.

There was nothing special about the eight cavalry guards,

But the girl named Maria Lin always gave him a vague sense of mystery.

Although he used psychological hints about her,

And there were no loopholes in what she said, Charlie still felt that something was not right.

However, after thinking about it, he couldn't figure out what was wrong.

At this time, a picture suddenly flashed in his mind.

That was the desk in front of Maria at that time.

On the desk, there were nine copper coins.

And the nine copper coins seemed to be a complicated divination image.

Thinking of this, Charlie suddenly thought of the contents of the Book of Changes, gossip and divination in the

“Apocalyptic book cs”.

Among them, in the Six Yao Bagua, there is a method of using three copper coins for divination.

Therefore, Charlie could understand three copper coins, but he couldn't figure out nine coins.

After all, this was not even recorded in the Nine Profound Heaven Scriptures.

Thinking of this, he couldn't help but took out his mobile phone and called Lai Qinghua,

A geomantic physicist far away in the United States.

Lai Qinghua is the one the strongest in the Book of Changes among Charlie's acquaintances,

So Charlie intends to ask him about the number of ways to understand nine copper coins.

Soon, the phone was connected.

Due to the jet lag, Lai Qinghua, who was in Los Angeles, had just finished dinner.

After receiving Charlie's call, he said very excitedly and respectfully, “Master Wade!”

Charlie said politely: “Mr. Lai, I take the liberty to interrupt, there is something I want to ask you.”

Lai Qinghua hurriedly said: “Young Master Wade, it is absolutely not inappropriate to ask for advice.”

“If you have any questions, you can ask at any time!”

Charlie was no longer polite, and went straight to the topic:

“Mr. Lai, you have been divination and fortune-telling for many years,”

“Have you ever seen someone use nine copper coins for fortune telling?”

“Nine copper coins?” Lai Qinghua exclaimed: “If it is six lines of gossip Even if it is three copper coins,”

“It contains a lot of information. If you want to see the hexagrams quickly and accurately,”

“You need a strong memory and mental arithmetic talent. If you use nine copper coins,”

“Then every three copper coins are one. Groups, these are three groups of hexagrams,”

“And each of the three groups of hexagrams is a whole, and can form a deeper and more detailed hexagram...”

“So, if you use nine copper coins, it will be divided into four Combining hexagrams to calculate hexagrams,”

“This amount of computation is equivalent to raising the difficulty of guessing a 2-digit password to 12 digits.”

“This technique is at the top of the I Ching gossip, and it has a nickname called “Jianshen Gua”.”

“That is to say, those who can calculate this kind of hexagram have an excellent understanding of the I Ching gossip.”

Speaking of which, Lai Qinghua sighed again: “However, the Jinshen hexagram has been lost,”

“And I heard about it from my grandfather when I was young, but I have never seen anyone who can really do it.”

Charlie wondered, “But I have seen people make a hexagram with nine copper coins,”

“And the hexagram looks different. It’s not like throwing it away at will, does that person really have such ability?”

“This...” Lai Qinghua said, “I haven’t seen the hexagram you mentioned,”

“So I can’t confirm whether that person really has the ability,”

“But Judging from the experience below, it is indeed unlikely, and the probability of coincidence is higher.”

Charlie felt even more strange when he heard this.

That Maria, the ring that she gave, and the hexagram that she posed all seemed a little out of place.

But if according to Lai Qinghua’s words, as a girl,

It should be impossible for her to grasp the content of the “Apocalyptic book ”,

Which is not even recorded in the “Apocalyptic book ”.

Thinking of this, he couldn't help thinking to himself:

“I don't know where Maria and her parents and grandfather came from?”

“If there is a chance to see her again in the future, I must find a way to find out!”

He said to Lai Qinghua, “Thank you, Mr. Lai, I 'll think about it myself.”

Chapter 4946

When Charlie arrived at the palace, the sky was getting brighter.

Bergen Airport also started its own busy day.

Whether it is passenger or cargo, all work is going on in an orderly manner,”

“And no one realizes that eight of their colleagues died here at this airport.

The eight stevedores were originally on night shifts, and they worked one day off and one day of work.

They worked from yesterday until the early hours of this morning,

And they would rest until tomorrow afternoon to come back to work,

So they won't see these eight people here, and no one will show suspicion.

As for the family members of these eight people,

These eight people had already greeted them when they were alive,

Claiming that they had some goods to pick up and would go home later, so the family members did not notice any abnormality.

At this moment, on a farm on the southern outskirts of Bergen, many corpses lay in the house and have long since died.

A sign was hung outside the farm gate with a line of words written in English on it: This is a real estate transaction.

There will not be many people passing by this kind of place.

Once someone passes by and sees this sign, they will no longer have any interest in this farm.

If the mysterious organization no longer sends people to find out,

Then it will be possible to wait for exposure here,

At least until the corpses are severely decomposed and the smell extends for hundreds of meters.

But this will take at least five to seven days.

So, this will buy Maria enough time to escape from northern Europe.

The seven cavalry guards, after the starry night, also rushed to the highest mountain in Oslo after sunrise.

The highest peak in Oslo is not even 500 meters above sea level.

Joseph successfully collected these people and temporarily hid them in Oslo, waiting for Charlie's next instructions.

As for Charlie.

After returning to the palace, he was extremely depressed.

After all, he put in a Cultivation Pill for that ring,

And he couldn't say that he didn't even hear a single sound, he could only say that he really only heard a few sounds.

Although he is not a stingy person, but Cultivation Pill is really precious,

So it is so wasted, the more he thinks about it, the more it hurts.

In order to wait for Charlie to come back, Helena stayed up all night.

She couldn't help thinking of the conversation with her grandma in her mind, and her mind was very confused.

She knew that in her current situation, the best outcome was to get pregnant with Charlie's child as soon as possible.

However, she also knew that Charlie was not only married,

But also had countless suitors around him, so he had no feelings for her at all.

Under such circumstances, how can he be willing to do something with her?

Therefore, every time she thinks of this, Helena wants to give up this unrealistic idea several times.

However, when she thought about the current situation of herself and the entire royal family,

She really couldn't think of a better solution.

Moreover, Helena knew very well that her grandmother had not been open and honest with her before.

Grandma kept saying that if she had no children, she might go to another European royal family to borrow a king or queen in the future.

But Helena knew in her heart that once she really had no children,

After she died, the Nordic government and the Nordic people would definitely invite her cousin Olivia back to inherit the lineage.

If Olivia has children, her children will most likely become Nordic kings or queens in the future.

That way, the throne is back in the hands of Olivia and her descendants.

This is definitely something Helena would rather die than see.

With the help of Charlie, she finally got the queen's seat from Olivia.

If the throne is to be taken back by Olivia's descendants after her death, She would rather let the entire Nordic royal family completely withdraw from the history stage.

The chaotic thoughts and the tangled reality made Helena exhausted physically and mentally.

She even had some regrets, regretted coming back from China, and regretted taking the throne of the queen.

If she had chosen to stay in China, she might have been closer to Charlie, And she would not have to worry about the royal family.

When she is not the queen, she actually has an inextricable relationship with Charlie.

She has long realized that it is not the queen's seat that she is attached to.

What she is really attached to is Charlie standing in front of her. That feeling of the sword making way for itself.

Just then, she heard the sound of an engine from far.

She quickly got up and went to the window, and when she saw the car driven by Charlie is back to the palace, She rushed out the door and walked downstairs quickly.

When she arrived downstairs, Charlie just stopped the car.

Seeing Charlie getting out of the car, Helena hurriedly stepped forward and said respectfully, "Mr. Wade, why have you been out for so long... I've been very worried..."

Charlie said with a slight smile: "It's a little more complicated than I thought, but fortunately it was resolved smoothly."

Helena breathed a sigh of relief and quickly asked, "Mr. Wade, you haven't eaten for so long, must you be hungry? I'll let the chef Prepare breakfast for you!"

Charlie shook his head tiredly, and said casually, "I don't have the appetite to eat, so please arrange a room for me and let me sleep first!"

Chapter 4947

In fact, for Charlie, sleep has long been optional.

Even if he doesn't sleep all the time, his body doesn't feel tired.

However, just now he poured a lot of spiritual energy into the ring, And even if he ate a Cultivation Pill, he could not fully replenish it.

Such a rapid consumption of spiritual energy really made his body feel a little tired.

Seeing Charlie's tired face, Helena quickly said, "Mr. Wade, please come with me."

Because the palace was in disrepair, there were only a few rooms available for occupancy at any time.

She took him to her bedroom in this palace.

When Charlie first arrived here, he didn't know the internal structure and distribution of this palace,

And because of his rare physical fatigue, he followed Helena to the bedroom.

This is the largest bedroom in the palace. More precisely, it should be a large suite.

Pushing the door in, it is a meeting room with a Nordic style and antique flavor.

Every piece of furniture, ornament, even floors, and chandeliers here has a history of at least more than a hundred years.

Although the classical beauty of northern Europe is very artistic, But after all, it is old and poorly maintained, and the room has a musty smell that is difficult to remove.

Helena stayed in this suite for half a night, and was used to the smell, But after going out and coming back, the smell became very obvious again.

She couldn't help frowning slightly, and said apologetically, "Sorry, Mr. Wade, there is a musty smell in the room."

"Besides the age, it may also be related to the rainy weather here in Bergen."

Charlie smiled casually: "It's okay, it's already good."

Helena bowed slightly, pointed to the bedroom inside, and said to him, "Mr. Wade, the bedroom is inside, you can rest for a while!"

"Okay." Charlie nodded and said, "You don't have to worry about me."

"I'll take a moment and think about something. If I don't get up before noon, please ask someone to wake me up."

"Okay!" Helena nodded respectfully and agreed, then pursed her lips slightly, And said to him, "Mr. Wade, I will help you tidy up the bed."

"The bed in this bedroom has not been tidied up, and it is a little messy."

Charlie was a little surprised, and he didn't have time.

Asked, Helena hurriedly stepped into the bedroom first.

Charlie followed her to the bedroom, only to find that on the large bed,

The quilt had been lifted halfway, and the mattress was slightly wrinkled,

Clearly showing that someone had slept in it.

Moreover, there is a faint fragrance in this room, exactly the same as the perfume on Helena.

This made him unable to ask her, "Is this your bedroom?"

Helena blushed with shame, and said hesitantly, "I'm sorry, Mr. Wade, most of the rooms here have been dusty for too long.

It's not suitable for entertaining guests, only this room is reasonable," "So you have to rest here. Please don't mind..."

Charlie shook his head and said, "I don't mind, it's just that I sleep here."

"Doesn't it mean that the dove occupies the magpie's nest, and it will also affect your rest."

"No, no." Helena waved her hand without hesitation and said,

"I've woken up, you can rest, I'll sit on the sofa outside for a while."

When Charlie heard that, he didn't insist anymore.

No one could have imagined that someone like Helena, Who attracted the attention of the whole world and was sought after by all the nobles, Was like a personal maid, willing to clean up her bed for Charlie.

She never thought about what to do or not to do as a queen.

She only knew that in the face of Charlie, She could put down all the pride and restraint of an empress and be willing to do anything for him.

Chapter 4948

Moreover, at this moment, when Helena thought that Charlie was about to sleep in the bed she had just slept in, Her restless heart was both happy and ashamed.

After Helena helped Charlie clean up the bed, she said respectfully, "Mr. Wade, please rest first. If you have any needs, please let me know at any time."

"Okay, thank you." Charlie smiled After nodding and thanking her, he watched her exit the room.

Afterward, he took a shower in the bathroom in the room, Took off his clothes tiredly, and placed them neatly on the bench at the end of the bed.

Except for his underwear, he only held the ring in the palm of his hand.

Immediately afterward, he lay on the bed that was still warm and smelled of fragrance.

Thinking that this body temperature and fragrance all came from the graceful and moving Helena, Charlie couldn't help but feel weird at a certain moment.

However, when he thought of the pitiful ring in his hand again, He couldn't help but feel a little pain in his heart.

He put the ring on his fingertips and kept turning it around, Hesitating again and again, but still couldn't help pouring a bit of spiritual energy into it.

As a result, it was still the same as usual, except that the ring made a buzzing sound, As if to tell him that his heart had been received, and there was no other indication.

Charlie was a little annoyed again.

Did you deceive yourself with a ring?

How can this ghastly thing be as shameless as those deceptive slaughtering plates on the Internet, And deceptive online gambling? How can there be such a person who keeps asking, But is it so stingy that it doesn't give anything in return?

Even those slaughtering pigs who lie next to an electric baton in northern Myanmar while trembling and pretending to be a beauty, Or a rich second-generation deceiver on the Internet with their fingers, At least when they cheat for money, they will be extremely concerned about their targets and ask for help.

In contrast, the professional ethics of this ring is not as good as that of fraudsters.

However, Charlie couldn't help but feel a little overwhelmed.

He thought to himself, "Could it be the wrong way for me to open the ring?"

Thinking of this, he immediately put the ring on his left middle finger, And then poured a little spiritual energy into it, Wanting to see if this thing had to be worn on the finger to trigger it.

However, even though he had put the ring on his finger, the ring was still as shameless as ever.

Seeing that a lot of spiritual energy was taken away again, Charlie was really annoyed.

But when he thinks that he has put so much spiritual energy into it, it is really a shame to just give up.

After all, what he is facing is a ring, not the kind of insatiable online scammer.

Thinking of this, he gritted his teeth and continued to comfort himself: "Maybe it's the wrong finger I am wearing? Let's try again with another finger!"

Since the ring couldn't fit into his thumb, Charlie put it on the other eight fingers.

Tried it all over again.

After the test, the whole person's mentality of anger completely collapsed.

This ghost is really just like those pig-killers, eating without spitting bones.

The purpose of the pig killer is to drain every penny of the victim's money, And the purpose of this ring may be to drain every penny of his spiritual energy...

At this point, Charlie's heart was stunned.

At this time, the spiritual energy in his body has been consumed by more than 90% again,

The whole person is very tired, and his heart is especially decadent.

He is like a gambler who has come to his senses.

After waking up, he realizes that he has lost too much in this scam.

At this moment, Charlie wanted to take another Cultivation Pill, But then he thought about it if he took another Cultivation Pill, How would it be different from those victims who fell into the scam?

What you need to do now is to stop your losses in time, and don't have any illusions about this ring!

Thinking of this, the exhausted Charlie took off the ring, held it in his hand, And no longer poured any spiritual energy into it.

At the same time, he couldn't help thinking of Maria Lin.

He felt that this girl seemed extremely difficult.

Not to mention whether there are any unknown secrets in this ring, Just the fact that she can decide to give this ring to him in an instant.

That is enough to see that her courage in doing things is very ordinary.

Chapter 4949

Moreover, if the nine copper coins that he saw were indeed hexagrams, Then the girl's accomplishments in the Ching gossip would have even beat Lai Qinghua by a large margin.

Lai Qinghua is at the top of the to in I Ching gossip and Feng Shui secrets.

It is no exaggeration to say that he is an Einstein in the field of divination and Feng Shui.

If such a great figure at the top level is really left behind by a little girl like Maria,

Then Maria will be so strong that she is simply not a human being.

It seemed that she could only solve this series of riddles herself.

After the great consumption of spiritual energy and the constant thinking in his mind,

Charlie felt that his body was getting more and more tired,

Just like an ordinary person who had stayed up for three days and three nights,

And the whole person was already at the critical point of falling asleep.

So, he slowly closed his eyes unknowingly and fell asleep completely.

...

About half an hour later.

When he was fast asleep, Helena, who had been fidgeting in the living room,

Suddenly stood up from the sofa after a long and fierce psychological struggle.

She took out her mobile phone in a panic,

Found the date record of her last period, and then searched the Internet for an ovulation calculator.

When she entered the start and end times of her last period, As well as her average time between periods, the small software popped up a pink love sign for her with a line of words on it:

“Congratulations on your current period.”

“During the ovulation period, this is the best time to start giving birth to a new life!”

Seeing this line of words, Helena’s expression first became a little surprised, “And then she became extremely determined as if she had made a major decision.

Afterward, she took a deep breath, and with an uneasy heart, She walked to the bedroom door and gently pushed it open the door.

At this time, Charlie was lying on the bed, sleeping like a baby.

Helena looked at him who was sleeping and after a moment of silence, She simply turned her heart away, slowly stretched out her snow-white hands,

Wrapped them behind her, and opened the long zipper on the back of her dress.

As the zipper opened, her stunning back was almost completely exposed to the air.

Then, the whole long skirt slid down from her tender shoulders, And instantly fell on her slender and s3xy ankles...

Charlie, who has not experienced such a deep sleep as today.

He was completely unaware of Helena’s arrival and her series of actions.

At this time, Helena was extremely nervous, and even the rhythm of her breathing was completely chaotic.

The courage of the backbone just now has been exhausted when taking this step until now.

At the moment when the long dress fell on her feet,

Helena seemed to have been immobilized, and stood motionless and looked at Charlie for five minutes.

She needs to keep encouraging herself so that she can take a brave step forward.

The weather in Bergen is cloudy and rainy,

And even the midday temperature in midsummer will not make people feel hot,

Not to mention that it is only early summer, and the temperature in the early morning is even a little cool.

She stood on the spot and soon felt that her body was a little stiff from the cold.

She felt that her skin exposed to the air had dense goosebumps, and her body shivered uncontrollably.

At this moment, she gritted her teeth, put her hands behind her again, and untied the hooks behind her upper body underwear.

Immediately afterward, the last strand of soft cloth was also removed from her body.

At this time, her body only felt even more chilled, so she no longer hesitated, and shiveringly lifted the quilt on the other side of Charlie's body and crawled in decisively.

At this time, Charlie's body was scorching hot in the bed.

That body full of masculinity is emitting a steady stream of heat.

After Helena got into the quilt, she felt a warm feeling, and the coldness of her body was instantly relieved a lot.

At this time, she could no longer be shy, and her first thought was to hug Charlie tightly,

and try to make the body and skin of the two people have more and closer contact,

so as to quickly warm her own body and skin. Already a little cold body.

At this time, Charlie still showed no sign of waking up.

The moment Helena hugged him, she was ready for him to wake up suddenly.

After all, his strength is unbelievable, and it is impossible for him not to notice her bold behavior.

Chapter 4950

Moreover, Helena was even ready to confess to him the moment he woke up.

But what she didn't expect was that Charlie next to her didn't move.

She hugged him subconsciously, but he still didn't respond.

She was a little stunned for a while.

She didn't know whether Charlie really hadn't woken up, Or whether he had woken up but was still pretending to be asleep on purpose.

She carefully looked at his profile, looked at his eyelashes that trembled with his breathing,

And listening to his breathing and heartbeat, she realized that he was really sleeping!

For a moment, Helena couldn't help but burst into laughter.

She really did not expect that, a man who was almost indistinguishable from a god in her own eyes, Actually had a side like a baby, sleeping so sweetly, and being so well-behaved.

At this moment, for the first time, she also found some kind of intimacy with him.

So, she still hugged him tightly, stared at his profile at the same time,

And said softly, "Charlie... Do you know how much I love you in my heart?"

"If I have that I am lucky to be with you, let alone giving up the title of queen,"

"Even if I die immediately, I don't think I will have any hesitation..."

Speaking of this, she suddenly smiled at herself: "If you hear these words,"

"You will definitely think that this woman must be lying?"

"After all, in the eyes of others, I am obviously addicted to power,"

"The biggest dream is to one day be able to wait for the Queen's throne and let the world look up..."

Helena said, her eyes suddenly became red, and sighed: "You know, in fact,"

"I never thought that I would do it in my life. What is the queen, the reason why I crossed the ocean,"

"To marry the Wade family is not because I am greedy for glory and wealth,"

"I just wanted to sell my happiness in exchange for my mother's safety."

"If I refuse to marry in the Wade Family, my mother would definitely have evaporated."

"At that time, I could only save her life by obeying the arrangement of the family..."

“However, in the eyes of many people, including your cousin brother,”

“I was just a person for the sake of prosperity and wealth.”

“Crossing the ocean and trying to cling to his poor royal family,”

“I believe you must have thought so when we met for the first time, right?”

Speaking of which, her voice had become a little choked:

“As for ascending the throne and becoming a new Queen, this is not what I thought...”

“You helped me to stand out and solve Olivia’s threat. My biggest dream at the time was to be able to rescue my mother,”

“And then I wanted to go to China to settle together, even if you don’t have me in your heart,”

“I’d like to live around you, but I didn’t expect that you would let grandma give me the throne...”

With a sigh, she looked at him With a bitter expression and said,

“Do you know that I may be forced by you to be the most famous single woman in the world?”

“If I don’t have the chance to be with you in my life, I’m destined to be alone forever.”

“If I’m just an ordinary woman living in a corner of the world,”

“It doesn’t matter if I die alone, but you pushed me to the highly anticipated position of the Queen...”

“Do you want me to end up being a single old woman who lives alone in the limelight?”

“The whole world will laugh at me, and these unscrupulous media will definitely create a lot of fake news about me;”

“They will say that I am indifferent, they will say that I am gay,”

“And they will even frame me as having an affair with others.”

“At that time, all kinds of negative fake news will fly all over the sky,”

“And as the Queen, in order not to fall into a more and more dark situation,”

“I can only choose to be silent, it’s so long for a lifetime, you say, how do you compensate me?”

Speaking of this, she suddenly stood up and lay beside him,

Her clear eyes staring at Charlie all the time. , with a serious expression,

And even whispered with a bit of pleading: “Charlie, I don’t expect anything to be possible with you in this life,”

“I just want you to give me a child, a child that belongs to both of us,”

“My family, who has no successor, will need someone who has the same blood to inherit the lineage in the future,”

“And my life is too long, I also want to have someone to accompany...”

At this time, Charlie was still in a deep sleep,

He didn’t realize Helena’s arrival at all, let alone what she said in his ear.

At the same time, Helena was already deeply in love.

She took the initiative to lean towards Charlie, and her lips gently kissed him.

She was instantly immersed in this kiss, unable to extricate herself,

And the impulse was like an invisible big hand, desperately pushing her to continue to step forward.

But at this moment, she looked at Charlie’s handsome and decent face,

But he was always sleeping, and suddenly felt a little depressed.

She looked at him and asked him softly,

“If you wake up now and see me like this, you will be very disappointed...”
