Chapter 2438

“Assistant Wiens, do you hear my voice?” Hayes raised his voice when he saw that she did not speak. “Don’t be afraid! Since I called you, it must be because I didn’t want to hurt you.”

After Hayes’s voice returned to normal, Gloria recovered. She frowned and said coldly: “Assistant Klein, don’t make a fool of yourself. It’s boring.”

“Am I making a fool of yourself, don’t you know when we meet tonight? It’s the place where I had dinner last night. How’s it going?” Hayes took the initiative, “Don’t worry, I don’t dare to mess around in public. If you want to leave, you can leave at any time.”

“Let’s see if I’m busy tonight!” Gloria didn’t want to tell him more, so she hung up the phone.

After she hung up, Hayes sent another message: [I’ll be waiting for you at 7:00 p.m.]

Gloria put down the phone and lost her appetite completely.

What exactly did Hayes mean?

Was someone looking for her?

Who was looking for her?

Had she been exposed? When was it exposed?

When Elliot sent someone to look for it before, didn't he hide it?

If Elliot found out something, it would be impossible to have no follow-up action at all.

When she had dinner with Elliot last night, Elliot didn't look at her at all, so Elliot never doubted her.

Avery was even more impossible.

After Avery recruited her, she assigned her a job and didn't care much about her.

Avery didn't come to the company today and didn't say anything to her.

If Avery doubts her, she will definitely find her directly.

So the person Hayes said was looking for her was neither Elliot nor Avery.

Who was the one?

After packing the lunch box and throwing it in the trash can outside, Gloria took her mobile phone and walked towards the place where no one was there.

She found mother-in-law's number and dialed it.

"Mother-in-law, how are you and Siena these days?

Has anyone come to see you? Is there anything unusual about Siena at

school?” Gloria asked in a low voice.

“We’re fine! No one came to look for us where we lived, and Siena was also very good at school. After what happened a few days ago, other children in their class started to play with her.” The mother-in-law returned, “Miss, why do you ask this all of a sudden? Is there something wrong?”

Gloria: “Elliot’s new assistant said something very strange to me today. He said someone was looking for me. I heard his tone and felt like he knew something.”

The mother-in-law: “Who is Elliot’s new assistant? How does he know the inside story? Does Elliot know?”

“Elliot probably doesn’t know. This person has just joined the job, and the person he said should be someone else.” Gloria said,

“I will go and see him tonight and see what’s going on.”

The mother-in-law was frightened: “Miss, don’t go. What if there is any danger? Let’s go! No matter if you are being watched, It’s still not safe for me and Siena to be targeted.”

“It’s me who was found, as long as I don’t look for you, then you should be safe.” Gloria said calmly, “Don’t let Siena go to school tomorrow. Wait for my notice tonight.” The

Mother-in-law agreed: “Miss, you have to be careful. If the situation is not right, retreat immediately. Don’t fight against those

people. This is not the Yonroeville, if something happens to you I can’t find anyone to help you, even I’m just an old woman.”

“Don’t worry, mother-in-law. He shouldn’t want to let me have an accident. If he wants to hurt me, he won’t inform me.” After

Gloria calmed down, she was less panicked.

Mother-in-law: “Miss, you still have to be careful.”

Gloria: “Well.”

Hotel.

Avery took Robert to watch the wedding rehearsal of Gwen and Ben.
