

A Man Like None Other

Novel

Chapter 711

Xiaolan stopped a taxi, and the two of them got into the car and headed towards Miao Village.

There is still a long distance from the Miao Village. Miao Village is in the southwest of the mountains. You can only go to the foot of the mountain by car. The rest of the road needs to be walked, so they arrived at the Miao Village, it is estimated that it will be midnight.

David and Xiaolan sat in the back of the car, while the driver kept watching their every move through the rearview mirror.

David hugged Xiaolan's arm the whole time and leaned on Xiaolan's shoulder.

Soon, David's head lay in Xiaolan's arms, his eyes full of greed rubbing against Xiaolan's arms.

His hands also became dishonest.

Xiaolan glared at David secretly, but David seemed to have not seen it, and still went his own way!

Suddenly, Xiao Lan's body trembled, and she only felt that David's hand would touch her sensitive place from time to time.

Xiaolan gritted her teeth, she didn't know whether David was intentional or not, but the feeling of electric shock made Xiaolan's body tense, and she clenched her teeth silently.

But soon Xiaolan's face became rosy and her breathing was a little short. She pressed David with both hands, not wanting to let David move. Xiaolan, who had never been in such close contact with a man, was afraid at the moment. I couldn't help myself a little bit.

After driving for more than two hours, Xiao Lan felt as if a year had passed. The strange feeling in her body made her almost slumped in her seat.

Soon, the car stopped at the foot of the mountain, and the taxi driver opened the door with a slight smile: "Miss Xiaolan, you are here, congratulations on your successful completion of the task, King Miao is waiting for you..."

Xiaolan looked at the taxi driver in front of her in surprise. She didn't expect that the taxi driver was from Miao Village. Fortunately, she and David didn't behave in a strange way in the taxi and didn't say anything. Not wearing help.

Xiaolan got out of the taxi, but just after landing on her feet, she almost fell when her legs were soft, but fortunately David was quick-witted and supported Xiaolan.

When the taxi driver saw this, he smiled slightly and said, "Miss Xiaolan's charm is really powerful, this kid is fascinated by you..."

After that, the taxi driver got in the car and walked away.

Seeing the taxi leaving, Xiao Lan hurriedly pushed David away: "Where are you groping me in the car, you big pervert?"

Xiaolan waited for David, the flushing on her face had not yet subsided.

David didn't care, but smiled slightly: "If I don't do that, won't it be seen by the people in your Miao Village?"

Xiaolan looked at David in surprise: "You knew from the beginning that the driver was from Miao Village?"

"Of course, otherwise you really think I'm eating your tofu!" David raised the corner of his mouth: "Let's go quickly, or we will spend the night in this forest.

"

Xiaolan wanted to leave, but her legs were still soft at this time. In the past two hours, she gritted her teeth and stood up.

Seeing Xiaolan like that, David smiled: "Do you want me to carry you away?"

"No, just stay away from me..."

Xiaolan glared at David.

"Don't forget, this is the site of Miao Village. Maybe there are people from Miao Village in this forest. If you get help, don't blame me..."

After David finished speaking, he walked directly towards the mountain.

When Xiaolan heard this, she could only reluctantly catch up with David, and then David put his arm on his back, and the two walked towards the mountain like glue.

David did not expect that this King Miao was so cautious. Xiaolan was his adopted daughter, so he couldn't believe it, and even sent someone to observe it secretly.

At this moment, it was already dark, and David and Xiaolan were still walking on the mountain road.

And in a valley that crosses this mountain, it is brightly lit, and this is Miao Village.

Chapter 712

"King Miao, Miss Xiaolan and that kid will go to Miao Village soon, that kid is fascinated by Miss Xiaolan, and follows Miss Xiaolan like a pug.

"

A Miao Village member followed Miao Wanghui to report.

"Yeah!" King Miao nodded in satisfaction.

After the member of the Miao Village left, the five people also walked into the hall of King Miao.

These five people are the five chiefs of Miao Village.

"Have you prepared all the materials for the corpse king training?"

King Miao asked the five heads.

Dali nodded his head: "King Miao, everything is ready, but I'm afraid that this kid will be immune to all poisons, and those poisons will have no effect on him..."

"Don't worry, now that boy David has been fascinated by Xiaolan, he will do whatever Xiaolan asks him to do, I have prepared powder for the powder, as long as David eats it, he will immediately become strong. Collapsed, no energy, what did he use to defend against those poisons?"

King Miao smiled lightly.

"King Miao, if David ate the powder and died within seven days, what should we do?"

Dali asked in surprise.

If there is no skill, who can stay in a room full of poison for seven days?

“No, that David’s body is already extremely powerful. The reason why I used him to practice Corpse King is because of his domineering body...”

King Miao had the idea of turning David into a corpse king after watching the video of David following Qin Xiaolin’s fight.

Seeing King Miao say this, no one of the five chiefs said anything.

...

In the dense forest, with a little moonlight, David and Xiaolan walked quickly on the mountain path.

At this moment, the two were very close, and Xiao Lan smelled the man’s breath on David’s body. For some reason, her heart beat faster.

“Isn’t it here yet?”

David looked at the dark path and frowned slightly.

He did not expect this Miao Village to be so far away, hidden deep in the mountains.

“Come on, there’s a valley ahead, that’s it...”

Xiaolan pointed to the front and said.

David was helpless and could only follow Xiaolan and continue to move forward.

It wasn’t until midnight that the two of them arrived at Miao Village. At the entrance of Miao Village, many people were guarding. After the guard saw Xiao Lan, he immediately opened the door: “Miss Xiao Lan, you can count on it, King Miao is still waiting. And you...”

Xiaolan was stunned for a moment. She didn't expect that King Miao was still waiting for her so late. Could it be that she wanted to lock David into the room to practice the corpse king overnight?

"Well, I see!" Xiaolan nodded, and then walked into Miao Village with David.

The guards of the Miao Village looked at David holding Xiaolan's arm with a greedy look, and they were all envious. Xiaolan's appearance, but they had been greedy for a long time, but no one dared to attack Xiaolan, let's not talk about it. What is Xiaolan's strength? As far as Xiaolan is the righteous daughter of King Miao, who would dare to move!

David followed Xiaolan into the Miao Village, and found that most of the entire Miao Village were wooden buildings. There was a two-story building in the middle of the Miao Village, which looked more majestic and domineering. It should be where the Miao King was.

Sure enough, Xiao Lan took David into the second-floor building. In the hall on the first floor, a man was sitting on the main seat. Although the man's temples were already gray, he could still see the outline of his handsome face.

Under the main seat, five people lined up at a time. It was the five chiefs of Miao Village, and David had seen them all.

But after entering inside, David's eyes did not look everywhere, but looked straight at Xiaolan, holding Xiaolan's arms tightly with both hands, his eyes were full of fiery.

"Father, I have brought this David back..."

Xiaolan followed King Miao expressionlessly.

Chapter 713

King Miao looked at David beside Xiaolan, looked at David's greedy face and hot eyes, and snorted coldly: "It's hard to imagine that this guy can kill Qin Xiaolin's name Wuzong, you must know how to break through Wuzong. The realm is as difficult as going to the sky, then Qin Xiaolin has been in seclusion for several years, and he was killed by this kid just after breaking through Wuzong..."

While talking, King Miao walked in front of David. At this time, King Miao was very close to David and Xiaolan.

Seeing King Miao constantly looking at David, Xiaolan's heart was raised in her throat, for fear that King Miao would see the flaw.

"Xiao Lan, let him take off his shirt..."

Suddenly, King Miao said to Xiao Lan.

Xiaolan was taken aback: "Foster father, this... what is this going to do?"

Xiaolan didn't know, why did King Miao ask David to take off his clothes?

At this time, although David still looked at Xiaolan with a wicked smile, his heart was stunned.

Could it be that this King Miao is a pervert?

What if I like men?

David didn't like this bite!

At this moment, David was pounding in his heart, thinking secretly in his heart, if this King Miao really had such a perverted hobby, David would take action directly and kill King Miao first. on a man.

King Miao frowned slightly: "Do whatever you want to do? Do you still need me to explain?"

Seeing that King Miao was angry, Xiao Lan was too scared to speak, but looked at David with a bit of helplessness in her eyes: "David, you took off your shirt..."

David looked at Xiaolan hotly, and smiled wickedly: "Why do you want me to take off my clothes? I won't do a vigorous exercise in front of so many people, right? But in such an environment, thinking about it is exciting... .."

David took off his shirt while talking, revealing his strong muscles.

King Miao looked at David's body, his eyes lit up, his eyes were full of envy, and he even reached out and squeezed David's arm...

This made David instantly get goosebumps, and immediately threw his hand and said, "What are you doing? I don't like men..."

"Hahaha, it really is a strong body, my Miao Village dominates the southwest, just around the corner..."

King Miao laughed, and after laughing, he waved at Xiaolan: "Xiaolan, come here..."

Xiaolan followed King Miao two steps, and then King Miao turned her back to David, took out a packet of medicinal powder and handed it to Xiaolan, and whispered to Xiaolan: "You give this powder to David, When you live together at night, don't let him touch you, if you lose your innocence, you know the consequences..."

Xiaolan took the powder and nodded, but said nothing.

She really wanted to ask about her parents, but she knew that she couldn't ask Miao Wang so bluntly. If her parents were really killed by Miao villagers, if she asked so rashly, not only would she not be able to ask anything, she might even be in danger. .

"Okay, let's go to rest, it's getting late..."

King Miao waved his hand, turned and walked into his room!

The five directors looked at the shirtless David with a sneer on their faces. This is the so-called hero's sadness for the beauty. No matter how talented David is, it is not in the hands of a woman.

When everyone left, Xiao Lan could only take David back to her room.

As soon as I entered Xiaolan's room, there was a fragrant smell. The room was clean and tidy. There were several pieces of Xiaolan's underwear hanging out by the window.

Seeing that David's eyes fell on her clothes, Xiaolan blushed, and hurriedly packed up her close-fitting clothes.

"I didn't expect you to love red underwear so much..."

David looked at Xiaolan with a playful look on his face and said.

Xiaolan glared at David and didn't say anything, but took a quilt and threw it on the ground: "You sleep on the ground tonight, don't think of anything else for me, if you dare to touch me, I can't spare you... .."

Chapter 714

"Don't worry, I'm a decent gentleman, and I won't take advantage of others' dangers. Even if I want to sleep with you, I'll make you willing..."

David smiled and straightened up the bedding to lie down and sleep.

"Bah, who is willing to let you sleep..."

Xiao Lan glanced at David, and then she lay down on the bed and slept with her clothes on.

She didn't follow David to talk about the powder, and she couldn't give David the powder. After eating the powder, the power would be completely lost in a short time, and it would only be recovered after 12 hours. David has become a waste, let others slaughter...

Xiao Lan, who was lying on the bed, couldn't sleep for a long time. Listening to David's snoring, she could only sit up and said, "My heart is really big, and I will soon be transformed into a corpse king, so I can still sleep..."

Xiaolan put on tights and walked out of the room. Since she couldn't ask King Miao blatantly, she would secretly search to see if she could find any clues about her parents.

Just as Xiaolan walked out of the room, David, who had been snoring all the time, suddenly opened his eyes, and an imperceptible smile appeared on the corner of his mouth, and then got up and followed out.

As soon as Xiaolan went out, she went straight to the second-floor building where King Miao was. Because she had lived here for 20 years, Xiaolan was very familiar with this place. Even the people who patrolled Miao Village were easily avoided by Xiaolan. past.

Soon, Xiaolan entered the second-floor building and walked around the hall, but found nothing. She knew that King Miao's secret must be in the bedroom, because Miao Village had strict orders, and without King Miao's permission, no one could You cannot enter King Miao's room without permission.

Xiaolan has been in Miao Village for 20 years, and she has never entered King Miao's room once, and Xiaolan never thought of going in to have a look, but now she can only sneak in in order to find clues about her parents.

Xiaolan hid out of the window of King Miao's room and secretly looked inside. It didn't matter what she saw, which surprised Xiaolan. She found that King Miao's room was actually full of red bedding, and there were also some lanterns hanging. It's like a new house for marriage.

After staying in Miao Village for 20 years, Xiaolan has never heard that King Miao married a wife. How could the room be dressed like this?

And it looks like a new dress. Could it be that King Miao is going to marry a daughter-in-law recently?

Xiao Lan was very surprised, but she didn't think much about it. After seeing that King Miao was fast asleep, she turned directly into the room.

On tiptoe, Xiao Lan checked in King Miao's room.

The furnishings in the room were very simple, with only a wardrobe and a table, but beside the wardrobe, there was a huge safe. Obviously, if King Miao had any secrets, he would definitely put it in the box.

Looking at the huge safe, Xiaolan looked embarrassed. Although she has a kung fu, she does not have the ability to open the safe. She can use her skill to forcefully break the safe, but then King Miao will find that someone has broken into it into his room.

Just when Xiaolan was embarrassed, a photo on the table suddenly caught her attention. Xiaolan picked up the photo, followed by the moonlight from the window, and looked at it carefully.

When Xiaolan looked at the person in the photo, she was stunned. She could tell at a glance that the man in the photo was when King Miao was young, but the girl next to King Miao looked very familiar to Xiaolan. Looks like himself.

Although the photo is very old and somewhat yellowed, Xiaolan can be sure that the girl in the photo must have something to do with her, because she looks so much alike.

Just when Xiaolan was fascinated by the photo, she didn't want King Miao sitting up on the bed directly: "Who?"

King Miao shouted angrily, startling Xiaolan, and hurriedly put the photo in her pocket, Xiaolan suddenly jumped downstairs.

Chapter 715

King Miao chased to the window, looked at Xiao Lan, who was no longer there, and looked at the photos that were lost on the table, with a smile on the corner of his mouth.

"Don't worry, tomorrow night, you will know everything..."

Miao Wang's eyes showed a vicious look.

Just when King Miao turned around and went back to bed, a figure flashed in a corner, and this person was David.

David looked at the window of King Miao's bedroom and said with a cold face: "This old thing, it seems that Xiaolan's parents are really related to him..."

When David rushed back to Xiaolan's bedroom, Xiaolan had already returned. Seeing David coming back from outside, Xiaolan immediately asked cautiously, "What have you been doing?"

"Go to the toilet, why don't you let yourself go to the toilet?" David yawned, and then asked Xiaolan, "It's you, what are you doing in your night clothes in the middle of the night?"

"Don't worry about it..."

Xiaolan took off her night clothes and lay back on her bed, holding the photo tightly in her hands. She plans to take the photo tomorrow to question King Miao and ask who the girl in the photo is.

...

Early the next morning, Xiao Lan took David to the place where King Miao lived. At this moment, many people were standing in the hall.

"You will pretend that you have lost all your skills for a while, but don't let people notice that you still have skills..."

Xiaolan warned David.

"Why?" David asked.

"Don't worry about it so much, just listen to what I say..."

Xiaolan glared at David and said.

David could only nod his head and followed Xiao Lan into the hall.

Because of the incident of sneaking into King Miao's room last night, Xiaolan didn't dare to look directly at King Miao, but King Miao was as usual, as if nothing happened last night.

Miao Dynasty waved at Xiaolan, and Xiaolan walked quickly to King Miao, but kept her head down and didn't dare to look up.

"Did you give that powder to David?"

King Miao asked Xiaolan.

"Hui Yifu, he has already given it to him, and now he has lost all his skills, he is just an ordinary person..."

Xiaolan nodded.

"Well, that's good. When you become a corpse king, your adoptive father won't treat you badly..."

King Miao waved his hand in satisfaction and let Xiao Lan retreat.

But at this moment, a member of Miao Village hurriedly walked into the hall and reported to King Miao: "King Miao, Young Master Xia asks to see you..."

When King Miao heard this, he suddenly stood up from the seat, and the five directors who were sitting on both sides also stood up nervously.

Xiaolan, who was about to leave, also stopped.

Seeing everyone's nervous appearance, David guessed that this Young Master Xia must be a very powerful character, otherwise, King Miao wouldn't be so panicked.

"How many people did Xia Chao bring?"

King Miao asked his subordinates.

"When I returned to King Miao, I only brought two attendants. Young Master Xia said that he was talking with King Miao, not seeking revenge..."

Then the members of Miao Village said.

King Miao frowned slightly: "To talk about things? What can we talk about? Is there any fraud?"

"King Miao, that day Wumen was poisoned by us to kill hundreds of disciples at once. How could we not seek revenge? I think there must be some fraud here. We should call everyone in the village now to prevent the attack of Tianwumen..."

Dali headed forward and said.

"King Miao, since Xia Chao came in person and brought only two attendants, I don't think we need to be afraid of him, so what if we let him in, if Xia Chao is cheating, we can still capture him. Stay, so I can threaten Tianwumen..."

Erlitou also said.

"Yes, the second brother is right, they are three people here, afraid of what he will do!"

"Let them in, what kind of storm can the three of them make..."

Several other Dali heads also supported letting Na Xia Chao in.

Chapter 716

Seeing this, King Miao said to the member of the Miao Village who reported: "Let Young Master Xia come in and treat each other with courtesy..."

The member of the Miao Village left, and King Miao gathered with several Dalitou and seemed to be discussing something.

David took the opportunity and asked Xiaolan with a puzzled look: "What is this Tianwumen? It seems that your Miao Village is very afraid of this Tianwumen?"

Xiaolan glanced at King Miao and the others, but didn't notice it, so she explained to David: "Tianwumen is a sect, just on the mountain to the south of our Miao Village, only a few dozen miles apart. Zhai and Tianwumen are a feud. I heard that they started fighting with each other a hundred years ago, and many people died. I don't know when, Tianwumen suddenly has many powerful disciples, and there are more than a dozen grand masters alone. , their sect master also broke through to Wuzong, so Miao Village has been suppressed all these years..."

After saying that, Xiao Lan looked at King Miao and the others again, and then continued: "This is why King Miao wants to train a Corpse King. As long as you train a Corpse King, you don't need to be angry with Tianwumen. Some time ago, because of Tianwu A group of disciples from Miao Village passed through the Miao Village site, and as a result, hundreds of people were killed by poison, so Miao Village has been worried about Tianwumen's revenge..."

"Isn't your Miao Village good at using poison? Even if the martial arts were strong that day, you could use poison to kill them all..."

David said very puzzled.

Seeing David's lightness, Xiaolan smiled helplessly: "What you said is light, that day Wumen fought with Miao Village for hundreds of years, how could she not know that Miao Village used poison, that day Wumen had a way of detoxification. Fa, even the most venomous bee in Miao Village would have nothing to do with the people of Wumen that day..."

"Since it can detoxify, why are you poisoning hundreds of people?" David didn't understand, since he could detoxify, how could so many people die.

"It is only the disciples of Tianwumen who were poisoned, not the real disciples of Tianwumen, so Tianwumen will not detoxify these disciples with precious antidote, and Tianwumen can just use this excuse to attack our Miao Village. ..."

Xiaolan explained to David.

After hearing this, David couldn't help but feel numb in his scalp, so it seems that Tianwumen is not a good thing, isn't the life of a disciple not a life?

You must know that these are all disciples who believe in Tianwumen. Even if this is the case, Tianwumen will not be saved, let alone others.

At this moment, a young man in his early twenties, dressed in a long coat and with long hair, walked in. This person was Xia Chao.

When David saw this Xia Chao, he couldn't help but sigh, because the young man in front of him was really handsome, just like the hero who came out of an idol drama.

There are two attendants behind Xia Chao, all of them are of the strength of the great master, and this Xia Chao is just in his early twenties, and he is also

the strength of the great master, which shows that this talent is not generally strong.

"Young Master Xia, you are here, you will welcome you from afar, and welcome you from afar..."

After seeing the young man, King Miao walked over quickly.

"King Miao, take the liberty to interrupt, please don't take offense..."

Xia Chao smiled slightly and cupped his hands.

"Where is it, when Young Master Xia can come, it is to give me the glory of Miao Village, please take a seat..."

King Miao warmly greeted Xia Chao to sit down and ordered someone to make tea as well.

After sitting down, Xia Chao involuntarily turned his eyes to Xiaolan, and glanced at Xiaolan.

King Miao looked at Xia Chao's eyes and looked at Xiao Lan, and his face became slightly cold: "Xia Gongzi, I didn't know you came to visit suddenly, what's the matter?"

Xiaolan is his own, and King Miao will not allow other men to touch Xiaolan.

Xia Chao retracted his gaze and smiled slightly: "King Miao, our Tianwu Sect has been fighting with the Miao Village for many years, and we have damaged each other. I wonder if King Miao would like the two to reconcile and form an alliance?"

Chapter 717

"Of course, if Tianwumen is willing to reconcile with my Miao Village, my Miao Village will agree with both hands..."

When King Miao heard this, he was overjoyed!

You must know that there are many sects in the whole southwest, but they are not only Miao Village and Tianwumen, but there are so many cultivation resources in the southwest, and everyone wants to occupy a larger territory, otherwise King Miao will not secretly instruct his adopted son Qian Feng, reached out to Jiangbei.

However, because Miao Village has been fighting with Tianwumen for years, both sides are almost lost, and it is difficult to develop. This makes the strength of other sects continue to rise, while the strength of Miao Village is stagnant.

Now many sect managers have stepped into the realm of Wuzong, but King Miao has been trapped at the peak of the great master, and there is no sign of breakthrough, which makes him very anxious.

This is also the reason why he is anxious to train the corpse king. If Miao Village can really train the corpse king, he will not be afraid of other sects.

"Since King Miao agrees, then our previous grievances between Tianwumen and Miao Village will be written off. In order to express my sincerity in Tianwumen, I specially brought something good to King Miao this time..."

After Xia Chao finished speaking, a servant behind him hurriedly took out a glass bottle from his arms, and the glass bottle contained very clear water.

King Miao looked at the water in the glass bottle, and said with some doubts: "Master Xia, isn't this just ordinary mountain spring water? Is it still a treasure?"

"King Miao doesn't know, since the two of us have reconciled and formed an alliance, the secrets of my Tianwumen will not be kept secret from you. Do you

know why the strength of my Tianwumen has increased dramatically in recent years, and there are more than a dozen grand masters alone. , did my father step into the realm of Wuzong one step further, breaking through the pinnacle of the great master that had plagued him for ten years?"

Xia Chao asked with a mysterious smile on his face.

King Miao shook his head: "I don't know, I hope Young Master Xia will clearly say..."

King Miao wanted to know why Tianwumen suddenly increased in strength. Even the rest of the Miao Village wanted to know, so they all perked up their ears and listened.

At this moment, only David stared at the bottle of water that Xia Chao took out, because he felt the presence of spiritual energy from the water bottle.

Obviously, the glass bottle cannot have aura, and it must be the water inside that emits aura.

Can there be spiritual energy in the water?

Is this the spiritual spring water?

Just as David was thinking, Xia Chao continued to speak: "Don't hide King Miao, where my Tianwumen is located, a mountain spring suddenly appeared three years ago. At first, the mountain spring was nothing special, but the spring water was sweet. Our Tianwumen disciples like to drink water from mountain springs, but later we slowly discovered that this mountain spring water actually has the effect of strengthening the body. Drinking this mountain spring water for a long time can not only improve strength, but also heal injuries. My father broke through to the realm of Wuzong just because he drank this mountain spring water..."

Xia Chao's words made King Miao stunned for a moment, and the five heads of management were also full of disbelief.

Speaking of the spring water on the mountain, there are also many mountain springs on the site of Miao Village, and the water flowing out of the mountain springs together to form a stream, which flows through the site of Miao Village. Can mountain spring water also enhance physical fitness?

“Young Master Xia didn’t lie to me, did you? Mountain spring water can strengthen your body and make people break through the realm?”

King Miao didn’t believe it. This was too outrageous. It was a bit unbelievable that a realm that had not been broken through for ten years could be broken after drinking the mountain spring water.

“King Miao, what’s the use of me lying to you? If you don’t believe me, I’ll bring some mountain spring water, and you can taste it yourself.

”

Xia Chao handed the mountain spring water in his hand to King Miao.

Chapter 718

When King Miao opened the bottle cap, there was indeed a mellow smell coming out of his nostrils. Just smelling the smell made him feel refreshed.

But just when King Miao was about to take a sip, he was stopped by the head of Dali: “King Miao, don’t drink it easily...”

After all, Miao Village is a feud with Tianwumen, how can it be resolved in a sentence or two, if this Xia Chao is cheating and the water is poisonous, then Miao Wang is not in danger.

“Haha, Dalitou is so cautious. In the entire southwest, whoever can use poison better than your Miao village, and who dares to poison in front of your Miao village, must be a fool...”

As Xia Chao said, he actually took the mountain spring water back and drank it directly to prove that there was no problem with the mountain spring water.

"Retreat for me..." King Miao scolded Dali head angrily.

Xia Chao's words just now made King Miao very proud. Whoever dares to eat in front of the Miao people would be really impatient.

"Young Master Xia, my subordinates are ignorant, I hope you don't take offense..."

King Miao said, took the glass bottle directly into his hand, and drank the whole bottle of water all the way down.

When the water from the mountain spring fell into his stomach, King Miao only felt refreshed, and a warm current was constantly flowing in his dantian.

"King Miao, how do you feel?"

Xia Chao smiled slightly.

"Okay, it really is a good thing..." At this moment, King Miao had no doubts about Xia Chao.

"Since King Miao feels that it is a good thing, I will bring some more to King Miao when I have time. I believe that with this spring water, King Miao will break through the realm of Wuzong, and it is just around the corner..."

Xia Chao laughed.

"Young Master Xia, you gave me such a big gift for my Miao Village, and our Miao Village didn't return the gift, wouldn't it seem too stingy, what do you want from my Miao Village, just say it..."

King Miao knew that Tianwumen would not be so kind, and he must have plans for Miao Village.

Xia Chao looked at Xiaolan on the side, and the corner of his mouth raised:
"King Miao, in fact, I admired Miss Xiaolan many years ago when I saw her, but now that we are both adults, I hope King Miao can marry Miss Xiaolan. Give it to me, then the two of us will become in-laws, which will be beneficial to the alliance between the two of us..."

King Miao frowned slightly, looked up at Xiaolan, he had long regarded Xiaolan as his own woman, and he had worked hard to raise her for 20 years.

Now that Xia Chao actually wanted to marry Xiao Lan, King Miao was of course very reluctant to part with it.

But when he thought that with the mountain spring water, he would be able to break through to Wuzong, King Miao finally gritted his teeth and said:
"Okay, I promise Xia Gongzi, I don't know when Xia Gongzi plans to marry?"

"Three days later..." Xia Chao stretched out three fingers proudly.

"Foster father, Xiao Lan feels that she is still young. I want to stay by my foster father's side. I don't want to get married..."

When Xiaolan saw that King Miao had agreed to that Xia Chao, Xiaolan immediately knelt down in front of King Miao.

Although Xia Chao was considered a talent, Xiao Lan didn't like him.

"This matter is up to me, are you trying to disobey me?"

King Miao glared at Xiaolan fiercely.

"Xiao Lan dare not..."

Xiaolan bit her lip and finally got up and stepped back.

At this moment, David looked at Xia Chao and found that this guy actually had a yin qi on his body, as if he had practiced some evil cultivation secret techniques. It seems that this guy married Xiaolan, maybe he had other plans...

"Xiaolan is mine, who would dare to marry her?" David suddenly hugged Xiaolan, his eyes full of anger.

This sudden change shocked Xiaolan, and even Xia Chao was stunned.

At first, he only regarded David as an ordinary member of the Miao Village, but he didn't want David to hug Xiaolan in full view, and called Xiaolan his.

Chapter 719

"King Miao, who is this person?" Xia Chao asked coldly.

"Oh, this is a fool..." King Miao explained quickly, and then said loudly: "Drag this guy away for me and lock it up..."

King Miao ordered loudly, while the first few people in Dali directly stepped forward to hold David, and then dragged David out.

David struggled desperately, but he couldn't break free at all. At this moment, he pretended to have no energy.

"Let go of me, let me go, Xiaolan is mine..."

David shouted, but no one listened to him, so he dragged him away.

Seeing that David was just an ordinary person, Xia Chao's complexion improved a little, and he smiled slightly at King Miao: "It seems that there are quite a few people who admire Miss Xiaolan..."

"They are all ordinary people, how can they compare with Master Xia? After three days, I will dress up Xiaolan beautifully and welcome Young Master Xia..."

King Miao also smiled. Xiaolan was born to be charming. Except for some people in Miao Village, outsiders didn't know it at all, so King Miao would not follow Xia Chao.

"Hahaha, then I have to hurry back to prepare, farewell..."

Xia Chao got up and clenched his fists towards King Miao.

"Young Master Xia, walk slowly, I'm not far away..."

King Miao also bowed his hands.

After Xia Chao walked out of the Miao Village, a triumphant smile appeared on his face: "Haha, the naturally charming body is really a good thing, that kid is actually controlled by charm, and when I absorb the essence of that Xiaolan, I can also break through Wuzong..."

...

In the Miao Village Hall, Xiao Lan's nervous hands kept clasping together, because she didn't know if David could withstand the attack of those poisons.

Although David hadn't been dissipated by the powder, but the room was full of poisonous things, and Xiao Lan was afraid that David would not be able to carry it.

Soon, Dalitou and the others came back, and then reported: "King Miao, the boy David has been thrown in, and he is screaming inside now. I just don't know if he can resist for seven days..."

"It doesn't matter whether I can resist or not. If I can break through Wuzong, it doesn't matter if I can become a corpse king..."

King Miao smiled lightly.

“King Miao, do you think that Xia Chao is credible? You know that the Tianwu Sect has always had the upper hand these years, and they still have divine spring water, why did they take the initiative to find us to cooperate with the alliance? Is it just to marry Miss Xiaolan? ”

Dalitou always felt that something was wrong.

“Hahaha, do you think I really believe what Xia Chao said? No matter what their intentions are, after Xia Chao and Xiao Lan get married, I will let Xiao Lan control Xia Chao with charm, and then let Xia Chao and Xiao Lan get married. Xia Chao and his father killed each other, and the Tianwumen will be headless, and the entire Tianwumen will not be ours...”

King Miao’s eyes were hot, as if he saw that he was already standing above the Tianwu Gate.

“Miao Wang Shengming...”

After hearing it, Wu Li hurriedly started flattering!

“Xiao Lan, you are not allowed to take a step out of the Miao Village these few days, stay at home, and when the Tianwu Sect is destroyed, I will make your strength further...”

King Miao looked at Xiaolan who had a bad face and said.

“Yes!” Xiaolan didn’t dare to refute, and even more did not dare to obey!

“You guys watch her carefully, don’t let her run around...”

King Miao was still worried, so he asked Wuli to look at Xiaolan.

Originally, Xiaolan wanted to see David’s situation, but now that she is being watched directly, Xiaolan has no chance to see David.

At this time, in a sealed room in Miao Village, dozens of poisons were running around in the room.

The room was very dark, and the pervasive poisonous gas had already filled the whole room.

Chapter 720

In the center of the room, a person is sitting there slowly, cross-legged.

Countless poisons were biting at the man, but the man remained motionless. This man was David.

The poison in the room was being sucked into David's body at a speed visible to the naked eye, and the poison that bit David was breaking his teeth.

David's current body is no different from copper-headed and iron-armed. Whether it is poisonous snakes, poisonous bees, or even some centipedes, poisonous rats and the like, none of them can break David's skin.

David's Condensing Heart Art is rapidly turning far away. The poisons that were originally fierce and constantly attacked, all of them fled around David, hiding in corners one by one. Some wanted to escape from the window, but it was a pity that the window was closed. Gotta die.

"None of you can escape..."

These poisons are rare cultivation resources in David's eyes, how could he let these poisons escape...

David constantly absorbs the toxins from the poison, and then converts it into spiritual power and stores it in his dantian. Many poisons have been drained by David and turned into dry corpses...

Gradually, it got dark, and there were fewer and fewer poisons alive in the room. If people from other Miao villages saw this scene, they would be scared to death.

In David's opinion, the poison they are proud of has become a Chinese meal. How ironic this is!

At this time, Xiaolan was walking back and forth anxiously in her room. She didn't know what happened to David, but there was someone guarding outside, so she couldn't check it out!

Just when Xiaolan was restless, Dali head suddenly broke into Xiaolan's room: "Miss Xiaolan, King Miao invites you to come..."

"Father invites me?" Xiaolan frowned, feeling a little uneasy in her heart.

"Yes, King Miao asked you to go now..."

After Dalitou finished speaking, he walked out directly.

Xiaolan could only follow out, and then walked towards King Miao's house.

Dali took Xiaolan to the second floor, pointed to King Miao's bedroom door and said, "King Miao is waiting for you inside, you can go in by yourself..."

After finishing speaking, Dali left without turning his head, leaving Xiao Lan to stand on the spot, but she knew that King Miao never let her into the room, how could he suddenly let her into the room today?

Could it be that what happened last night, King Miao had already discovered it?

Xiaolan walked to the door uneasily and knocked gently on the door.

"Is it Xiaolan? Come in..."

King Miao's voice came out.

Xiao Lan opened the door gently and found that King Miao was having dinner, with several dishes and a bottle of wine on the table.

After Xiaolan entered, the door was gently closed.

"Father, what are you looking for from me?"

Xiaolan walked to King Miao and asked in a low voice.

"Sit down and have a meal with foster father..."

King Miao pointed to the stool beside him.

Xiaolan didn't say anything, just sat down, while King Miao poured Xiaolan a glass of wine.

"Drink with me..."

King Miao held up the wine glass for Xiaolan and handed it to Xiaolan.

Xiaolan wanted to refuse, but she didn't know how to refuse, so she could only take the glass and drink it...

After drinking, King Miao showed a somewhat excited smile on his face, and then said to Xiao Lan, "You took the photos on the table last night, right?"

Seeing Wang Miao asking about what happened last night, Xiao Lan's body trembled slightly, but since the other party asked this, she must already know, and Xiao Lan has absolutely no need to lie.

Xiaolan nodded, took out the photo, and put it on the table: "Father, who is the woman in this photo? Why does she look so much like me?"

"That's your mother, so of course it looks like..." King Miao said without any concealment.
