

# A Man Like None Other

## Novel

### Chapter 841

Black mist rose from the palm of the man in the suit, ready to attack Qin Xiaoxian.

But at this moment, the originally calm pool suddenly had a strong wind, and soon a column of water rushed out from the pool, followed by a big black hole, bottomless, at this time the pool was around the big hole. Circling around, but not a drop of water fell into it.

Soon, the ice dragon rose from the black hole, and in the ice dragon's head, the dragon crystal began to flash, the dazzling light even compared to the sun.

Seeing this scene, everyone's eyes glowed with hot greed, and they all knew that what was in the ice dragon's head must be Long Jing.

"Dragon Crystal?"

Cheng Kun and Xuanyuan Kai couldn't help but exclaimed when they saw what looked like a night pearl in Binglong's head.

The two of them came late and didn't notice Long Jing just now, but when they saw Long Jing at this time, their eyes were full of scorching heat. To them, Long Jing was priceless.

Even the man in the suit who had just been seriously injured, after seeing Long Jing, who was constantly glowing in the ice dragon's head, could not help but stop, his eyes were full of greed.

The ice dragon soared into the air, with its bloody mouth wide open, its eyes swept across the crowd.

When it found the man in the suit not far away, the ice dragon suddenly rushed out and went straight to the man in the suit. It turned out to be looking for the man who injured it.

When the man in the suit saw the ice dragon coming straight to him, his face turned pale with fright. How could he still have the strength to fight against the ice dragon now, not to mention that there are many people around him who are eyeing him.

The ice dragon was castrated so quickly that the seriously injured man in the suit had no chance to dodge. The ice dragon spat out a mouthful of ink-colored liquid. Soon, the man in the suit was covered with ice and turned into an ice sculpture. .

When everyone saw this scene, they couldn't help shaking slightly, but in the face of the temptation of Long Jing in the ice dragon's head, no one backed away.

They came for the treasure, and now that the treasure appeared, how could they give up.

"Everyone in the Xuanyuan family obeys the order, kill this ice dragon with me, and win the treasure!"

Xuanyuan Kai looked at Long Jing in the ice dragon's head, and ordered with gritted teeth.

Soon, the people brought by Xuanyuankai rushed up with Xuanyuankai.

The ice dragon, who originally wanted to retreat to the cave, saw a group of people suddenly attacking him, and he raised his head and roared, and opened his bloody mouth to prepare to fight.

David, who was far away, frowned slightly when he saw this scene. These people brought by Xuanyuan Kai could not be the opponents of Ice Dragon at all.

ding ding dong...

In the blink of an eye, all the weapons of the Xuanyuan family were all slashed on Binglong's body. The weapons contained energy and were extremely powerful. A burst of fire splashed around, and white marks appeared on Binglong's body, and there were even subtle traces. The wound, but soon healed again.

hissing...

The ice dragon roared loudly, and its huge tail swept directly towards Xuanyuan Kai and the others.

Seeing the ice dragon attacking, everyone in the Xuanyuan family quickly retreated, but some people were still swept away and fell heavily to the ground, suffering serious injuries.

Seeing this situation, Xuanyuan Kai looked gloomy, but he did not intend to give up, because the temptation of Long Jing was too great.

"Cheng Kun, are you just watching from the side? Let me tell you, if we fight alone, we will all be killed by this ice dragon, and no one can get the dragon crystal. Why don't we join forces and get the dragon crystal? , how about the two of us evenly divided?"

Xuanyuan Kai knew that with their own strength, they would not be able to fight the ice dragon at all, so he planned to join forces with Thunder Gate.

Cheng Kun looked at Xuanyuan Kai. In fact, he had already planned to do so. Although the two did not meet each other's eyes, at this moment, they had no choice but to join forces.

"Okay, let's kill the ice dragon together and take out the dragon crystal..."

Cheng Kun nodded.

## Chapter 842

The people brought by Cheng Kun and the people brought by Xuanyuan Kai were together, and they were all ready to attack.

"Second brother, what should we do? Do we want to join in?"

Qin Xiaotian asked anxiously when he saw that the two were united.

If Long Jing is really taken away by the two families, the Qin family will get nothing.

It's better to join them now, maybe they will get some points later.

"Shut up, even if we want to join now, they won't look down on it. We won't be able to share anything at that time. Now let me wait and see what happens..."

After Qin Xiaoxian finished speaking, he also glanced at David.

If they can't get Longjing in the end, they have to find a way to kill David and avenge their eldest brother.

"Zhao Chuang, do you want to be counted in Wuying Villa, and bring your people to deal with this ice dragon with us..."

Xuanyuan Kai looked at Zhao Chuang and asked.

Although the strength of the people brought by Zhao Chuang is relatively weak, there is no Wu Zong, but one more person has more strength, Xuanyuankai wants to do a little insurance, not to mention that there are people from David and Qin family around, if they get it Long Jing was seriously injured, so someone would definitely attack them from behind.

"Brother Kai, I don't want any dragon crystal, I won't mix with you with my strength..."

Zhao Chuang shook his head.

He was just here to play. As for the dragon crystal, it didn't matter to Zhao Chuang, his life was the most important thing.

"Brother Chen..."

Seeing that Cheng Kun and Xuanyuankai were going to join forces to take Longjing, Xiaoru shouted at David worriedly.

David was also frowning at this time. He couldn't watch Long Jing being taken away by others, but at this time, Cheng Kun and Xuanyuan Kai were united. Next to him was Qin Xiaoxian and a group of people staring at him.

If they were injured in a conflict, the Qin family would take action without hesitation.

Just when David was in a dilemma, Cheng Kun and Xuanyuan Kai had already led people to attack the ice dragon.

"stop..."

David jumped and stood in front of Cheng Kun and Xuanyuan Kai.

"What do you want to do boy?"

Cheng Kun stared at David when he saw that David was actually blocking them.

"Can you give me Longjing to pick it up, I can exchange it with you for other medicinal herbs..."

David knew that unless it was a last resort, he couldn't follow them into a conflict. Otherwise, he would lose both sides, and no one would be able to get Longjing, and in the end he would have to take advantage of the Qin family.

"Go away, don't get in our way, you don't exchange anything for anything..."

Cheng Kun's fiery temper slashed at David with a knife.

David sideways dodged Cheng Kun's attack, but Xiaoru on the side saw that Cheng Kun was actually attacking David, and swung his sword straight up!

Now Xiaoru doesn't care about her young age, but at the peak level of a great grandmaster, with the same realm as Xuanyuan Kai, this Cheng Kun is not Xiaoru's opponent at all.

Ding...

With a crisp sound, Cheng Kun only felt his arm go numb, and his body could not help but take a few steps back, while Xiao Ru glared at Cheng Kun and stood beside David.

Gu Linger and Sonya also ran over to see it.

"Roar..." Xuelang also ran over and grinned at Cheng Kun and Xuanyuan Kai.

"Paralyzed, surround them with me..."

Cheng Kun scolded, and soon the people from Perak Gate surrounded David and the others. Seeing this, Xuanyuan Kai also let his subordinates look at David eagerly.

"Brother Kun, Brother Kai, don't be angry, don't be angry..."

Seeing this, Zhao Chuang hurried over to try to persuade him to fight.

"Zhao Chuang, get out of the way for me, whoever stops us today will die..."

Cheng Kun said fiercely.

"Today, apart from Brother Chen, this Long Jing must not be taken away by anyone else..."

Xiaoru's face was firm.

## Chapter 843

In order to let David take Longjing, the Old Ervin has paid too much, even his own life, how can others be the first to take Longjing away.

"Brother Kun..." Zhao Chuang wanted to say something, but Cheng Kun didn't listen at all.

"Zhao Chuang, I told you to get out, did you hear..."

Cheng Kun glared at Zhao Chuang.

Zhao Chuang looked at Xiao Ru who had a firm face, and finally gritted his teeth and said, "Brother Kun, Brother Kai, don't blame brothers for not being loyal, none of you can touch Xiao Ru, otherwise, step on me, Zhao Chuang... .."

After Zhao Chuang finished speaking, his subordinates came over to protect Zhao Chuang.

This time, Cheng Kun and Xuanyuankai led people to confront David and Zhao Chuang.

Qin Xiaoxian, who was not far away, saw this scene, and was so happy that he almost didn't laugh out loud. He hoped that the two sides would fight soon, and it would be better if they both lost, and they would be able to reap the benefits of the fisherman. His strength may not be able to get Longjing, but David will definitely not be able to escape.

David and Sonya glanced at Zhao Chuang gratefully, but they didn't expect this condescending son-in-law to be so devoted to Xiao Ru in the end.

Xiaoru was also moved, and looked at Zhao Chuang with tenderness in her eyes.

"Now that we are fighting, you may not have the possibility of winning. I still say that, give me Long Jing, and I can make up for your medicine pill..."

David took a look at the situation at the scene and knew that with Zhao Chuang and Xuelang on his side, Cheng Kun and Xuanyuankai were not necessarily opponents, so he said.

"Stop talking sh!t, Long Jing can't let..."

Cheng Kun's anger did not give in at all, the scene was full of gunpowder, and he was about to fight together.

The temptation of Long Jing is too great, so neither Cheng Kun nor Xuanyuan Kai can easily give it to David. Being able to find the Ice Dragon is a once-in-a-lifetime opportunity, how could they let it go.

David frowned and was in a dilemma, but just when David didn't know what to do, the ice dragon let out a roar, and then returned to the cave.

At the dark entrance of the cave, after the ice dragon entered, the pool water poured down instantly.

Seeing this, David plunged in without hesitation!

Not long after David plunged into the hole, the dark hole was filled with water, and the entire pool returned to its original calm!

This time, everyone was dumbfounded, and no one thought that David would dare to jump into the pool.

"David..."

"Brother Chen..."

Sonya and the others shouted, but there was no movement in the pool!

Sonya and the other girls cried because of their anxiety.

But at this time, David, who was under the water, was also faced with a choice of life and death.

With his current strength, it might not be easy to get Longjing alone, but when he thinks of his suffering mother, David is also heartbroken!

After David jumped into the hole, his body dropped rapidly, but the pool of water did not flow into the hole, but just sealed the hole, as if there was something in the dark hole that was blocking the flow of water!

Soon, David's body fell on a soft mass, like an inflated balloon, David's body fell on it, and was bounced off a distance.

David couldn't see anything in the dark cave, so he could only carefully probe the surroundings with his spiritual sense, but he didn't detect the existence of the ice dragon at all, which made David very puzzled.

A flame rose up in David's palm, illuminating the cave a lot. Stepping on the soft thing under his feet, David walked forward for a distance and found that Long Jing was firmly placed on a stone.

# Chapter 844

"Isn't this dragon crystal in the dragon head?"

David frowned, wondering why this dragon crystal appeared here.

Around the stone of the dragon crystal, a clear and transparent spring water is flowing slowly, and it has been flowing around the dragon crystal!

Looking around, he found that there was no ice dragon figure. Looking at the flowing water, David seemed to understand.

The ice dragon's whole body is made of transparent ice blocks, and it is very likely that those ice blocks are the spring water in front of him.

David did not dare to be careless, he took out the Dragon Slaying Sword, and took two steps forward gently, intending to use the Dragon Slaying Sword to pick up the dragon crystal.

But when the Dragon Slaying Sword in David's hand just approached Longjing, the spring water boiled instantly, and the spring water tightly wrapped the Longjing, and then it began to freeze!

When David saw this, he immediately understood that the ice dragon was about to show up.

If the ice dragon appeared, it would be difficult for David to take Longjing. Looking at the rapidly freezing spring water, David quickly shot out a few flames in his palm, but there was none at all.

In the end, David's heart swayed, the whole person rushed up, and one hand quickly grabbed the dragon crystal!

But at this time, the spring water also wrapped David, and then directly froze David in it.

The ice dragon appeared, but David's figure was clearly visible in the body of the ice dragon at this time.

David's hand was still holding Long Jing, but his body couldn't move!

David only felt that he had fallen into an ice cave, and the icy and biting chill made David's consciousness blurred.

He wanted to run the Heart Concentration Art to refine the cold air that invaded the body, but it was of no use at all!

With a dragon roar, the ice dragon rushed towards the hole again!

Whoa, whoa...

After a rush of water, the pool of water separated again, and the ice dragon's body rushed directly into the air.

Sonya and the others, who were so anxious and crying constantly, hurriedly looked over when they saw the ice dragon coming out of the water again.

When they saw that David's body was actually inside the ice dragon, they were all dumbfounded.

Even you Cheng Kun, Xuanyuan Kai, and even Qin Xiaoxian looked at the scene in front of you in disbelief.

"This... is this being swallowed by the ice dragon?"

Zhao Chuang looked at this strange scene and said stutteringly.

"David..."

Sonya shouted vigorously, and then charged directly towards the ice dragon.

However, Gu Linger held her back. With such strength as Sonya, she was afraid that she would be slapped to death by Binglong if she couldn't reach her.

Although David was confused at the moment, he struggled to keep himself from passing out. Seeing that Sonya wanted to rush up to save him, David was also anxious!

After the ice dragon took David to roll in mid-air for a few laps, it landed directly on the edge of the water pool, and its thick tail swept across, causing the mountain to shake for a while.

But soon, the ice dragon slowed down, and then lay still on the ground!

Cheng Kun and Xuanyuan Kai looked at each other, then charged towards the ice dragon with their weapons.

The subordinates they brought followed closely, and a dozen people attacked the ice dragon for a while!

You must know that these people have the lowest strength of the fifth-rank Grandmaster, but after a meal against the ice dragon, they found that they could not cause any damage to the ice dragon. There were only some shallow marks on the head of the ice dragon. It is almost impossible to get the dragon crystal inside.

Until everyone was out of breath, they couldn't break the ice dragon's head to get the dragon crystal, but at this moment Sonya threw himself on the ice dragon. Through that transparent body, David could be clearly seen.

Now David can't move or speak, but his eyes can still blink. Seeing David still blinking, Sonya is very excited.

"Linger, Xiaoru, hurry up and think of a way, David is still alive..."

Sonya hurriedly shouted to Gu Linger and Xiaoru.

# Chapter 845

Gu Linger smashed the ice dragon hard, but it was useless.

"Sister Sonya, Sister Ling'er, I have a way..."

Xiaoru said slowly after looking at David who was frozen in the ice dragon's body.

"Xiaoru, you have a way, hurry up and do it..."

Sonya said anxiously to Xiaoru.

Xiaoru nodded, then looked back at Zhao Chuang, and then walked in front of Binglong with a dignified face.

Seeing Xiaoru's expression, Sonya suddenly thought of something, rushed over and grabbed Xiaoru.

"Xiaoru, you...you..."

Sonya looked at Xiao Ru with unbearable eyes, but she didn't know what to say.

"Sister Sonya, my life was given by Brother Chen. I would do anything for him. Master also explained to me like this..."

Xiaoru smiled slightly at Sonya.

Sonya looked at Xiaoru and slowly let go of her hand. Maybe soon, she would also embark on Xiaoru's path.

Xiaoru looked back at Zhao Chuang again, maybe in Xiaoru's heart, Zhao Chuang was already a playboy.

Zhao Chuang didn't know why, and when he saw Xiaoru looking at him, he was still grinning.

Xiaoru slowly put her hands on the ice dragon's body, and an extremely cold air was directly sucked into Xiaoru's body.

Xiaoru is a body of ice crystals, and the extreme cold energy will quickly penetrate into Xiaoru's body after encountering Xiaoru.

Soon, a lot of cold air entered Xiaoru's body, and at this moment Xiaoru's hair and body began to have frost!

As a lot of cold air was sucked away by Xiaoru, the ice dragon started to melt slowly.

At this moment, David watched Xiaoru's body slowly freezing, as if he understood something, and roared desperately, but couldn't make a sound.

"Xiaoru?"

Zhao Chuang also seemed to realize that something was wrong and ran over to pull Xiao Ru away.

But the moment Zhao Chuang touched Xiaoru, his arm also began to freeze quickly. Fortunately, the subordinates he brought were quick-witted and hurriedly pulled Zhao Chuang back.

Sonya looked at Xiaoru, who was covered in frost, and cried bitterly while leaning on Gu Linger's shoulder.

Ten minutes later!

The ice dragon turned into a puddle of water again, and David slowly stood up holding the dragon crystal. Looking at Xiao Ru, who had already become an ice sculpture, David felt a little stupid.

"Silly girl, what are you doing? What are you doing?"

A raging flame rose from David's palm, and he kept roasting beside Xiao Ru, trying to make Xiao Ru recover, but it was useless at all.

"what..."

David roared angrily.

His life was exchanged for Xiaoru's life, which made him suffer incessantly!

"David, calm down, this is all voluntary by Xiaoru, we have other things to do next, you can't let Xiaoru sacrifice for you in vain..."

Gu Linger yelled at David who was almost crazy.

David calmed down slowly, looking at Gu Linger and Sonya with his eyes, the words that Old Ervin said the night before flashed in his mind.

"You knew before you came here that there would be such a result, right? Before you came, you knew that you would use your own life to help me get the dragon crystal, right?"

David questioned Sonya and Gu Linger loudly.

Neither Sonya nor Gu Linger spoke, but even if they didn't speak, David understood it instantly.

Xiaoru is an ice crystal, melted the ice dragon, and helped herself get the dragon crystal, Sonya is a fire spirit body, then to take the flame dragon dragon crystal, wouldn't it cost Sonya?

David's mind was sluggish, he didn't need any Longjing, and he would never sacrifice the people around him.

"Ervin, why, why is this..."

David yelled, he wanted to hate the Ervin, but he couldn't hate it at all...

## Chapter 846

Also like David, Zhao Chuang was the one who was going crazy. Looking at Xiao Ru, who was frozen into an ice sculpture with a smile on his face and motionless, Zhao Chuang ran over and hugged Xiao Ru tightly. He wanted to use his body to melt the frost on Xiao Ru's body.

It can be seen that this guy has real feelings for Xiaoru.

"Quick, I order you, hurry up and make a fire, hurry up and make a fire for me..."

Zhao Chuang ordered loudly to the men he brought.

But in this cold and freezing place, what do you use to make a fire?

"Can't I command you to hear? Can't you hear?"

Zhao Chuang punched and kicked his subordinates, but even if he killed those subordinates, there was no way to start a fire in such a place.

At this moment, Qin Xiaoxian, who had been holding his arm, looked at the Long family in David's hands, his eyes were green, and after seeing David's absent-minded appearance at this time, he finally gave Qin Xiaoang a wink, and his feet suddenly kicked. , the whole person went towards David.

But at this time, David didn't move, as if he hadn't noticed Qin Xiaoxian's sneak attack at all.

David didn't move, but Xuanyuankai couldn't sit back and let that Qin Xiaoxian take Longjing away.

"Do it..."

Xuanyuankai gave an order, and the people he brought also moved towards David, and one of the Wu Zongs greeted Qin Xiaoxian and did not let him get close to David.

"I rely on..."

Seeing this, Cheng Kun uttered a foul language and yelled at his subordinates: "What the hell are you looking at, don't hurry up, Long Jing will become someone else's in a while!"

Cheng Kun also rushed towards David. This time, the three parties were caught in a melee. They all wanted to get close to David and capture Longjing in David's hands, but the other two parties would block it!

For a time, more than a dozen people scuffled around David, but no one wanted to approach David easily.

At this moment, David, holding Long Jing in his hand, muttered to himself: "Why, why is it like this..."

Sonya and Gu Linger closely guarded David, their faces were very ugly, because they knew that with their two strengths, they could not protect David at all.

"David, cheer up, this is fate, we have no regrets for what we do for you, you ate the dragon crystal, let's get out of here now, go to Yanlong, take Yanlong's dragon crystal, Otherwise it's too late..."

Sonya yelled at David.

"No, I will never take any more dragon crystals, I will not use your life for any dragon crystals, no..."

David looked at Sonya and suddenly hugged Sonya into his arms.

Sonya felt the temperature on David's body, and tears could not help flowing out.

Although she and David have been with David for so long, it is almost impossible for them to hug each other so intimately.

"David, do you know? When I first met you, I thought that by virtue of my identity as the eldest lady of the Su family, I could protect you and support you for a lifetime, but slowly I discovered that the person who was protected was me. , but I can't help you at all, I once blamed myself and felt inferior, as the enemies or friends around you become stronger and stronger, I feel that I am getting smaller and smaller, and I am not worthy of you..."

"It wasn't until Grandpa Long told me about you, your identity, and the need for me to help you on the island that I realized that I was useful to you and that I could do something for you. , this is what I am willing to do, now we will go to Yanlong, don't waste time..."

Sonya whispered in David's arms.

"No, I won't sacrifice any of you for myself, never..."

David let go of Sonya and said firmly with his eyes.

## **Chapter 847**

"You kid, bring Long Jing..."

At this time, Cheng Kun broke through the block and came towards David with a knife, his eyes fixed on Long Jing in David's hand.

Seeing Cheng Kun rushing over with a knife, Sonya's face changed instantly.

David frowned, and then slapped it out with a palm!

With a bang, a sound like a steel crash sounded, David's palm actually slapped off Cheng Kun's knife, and Cheng Kun's body flew out.

Cheng Kun is only the strength of the great master, not David's opponent at all. David's body has eaten the body quenching pill and is as hard as iron. With the strength of his great master, David cannot be hurt.

Cheng Kun fell to the ground, only feeling that his entire arm seemed to be shattered. He looked at David in horror, how could the power of David's palm just now be possessed by a great master.

Is this guy hiding his strength?

Cheng Kun looked at David in front of him. Although he coveted Longjing in David's hands, he didn't dare to blindly grab it.

"Linger, you look after Sonya..."

David handed Sonya over to Gu Ling'er to take care of her.

After all, Gu Linger's strength is much stronger than Sonya's. Although Sonya also has some strength, it's okay to deal with some local gangsters. In front of these great masters, this strength is not worth mentioning.

Gu Ling'er nodded and stood in front of Sonya.

David took Long Jing and swallowed it without hesitation.

Long Jing entered David's body, and the aura that shattered the sky and covered the earth instantly filled David's body.

David has never felt such a strong spiritual energy. With this dragon crystal, David can absorb the spiritual energy all the time. This is of great help to David's cultivation. It is no wonder that the Ervin sacrificed his life. Find a way to get David to fetch Longjing.

The aura that suddenly erupted from David's body stopped everyone who had been fighting around.

I saw that David's eyes were a little hot, and his temperament had become a little fresh and refined, as if a fairy had descended to earth.

David's muscles exuded a fresh air. The hundreds of meters of snow around him began to melt, and there were green grasses on the exposed ground.

Immediately after the snow melted, the area became larger and larger, and finally the melted snow water converged into a river and flowed to the sea, and the snow melted, and the exposed ground became full of life!

In the future, half of the icy cold of Suolong Island will no longer exist...

"Grass, this guy ate Longjing..."

Seeing that David actually swallowed Long Jing, Cheng Kun roared anxiously.

"David, this dragon crystal is a priceless treasure. It is not an exaggeration to exchange dragon crystal for a city, but you actually ate it..."

Qin Xiaoxian roared angrily when he saw that David had eaten Long Jing.

"While Longjing has not been digested, open his stomach and take out Longjing..."

Xuanyuankai's eyes were fierce, and the sword in his hand was about to stab at David.

But Xuanyuankai hadn't moved yet, but Qin Xiaoxian slapped David with his palm. If he could get Longjing and return to the Qin family land, he would definitely be reused, and maybe he could even enter the family land cabinet!

Seeing Qin Xiaoxian attacking him, David was not careless, but was shocked, and the terrifying breath shook.

At this time, David was full of spiritual energy, and he had inexhaustible power all over his body!

"Blood hand..."

Qin Xiaoxian let out a loud roar, his hands instantly turned palms into claws, and there was even more energy on his hands, which was so powerful that even steel could be torn apart in an instant.

This is to use his hands to directly tear David's body into two pieces, and take out the Longjing swallowed by David!

## Chapter 848

"Do it..."

Seeing this, Xuanyuankai immediately ordered his subordinate Wuzong to take action, otherwise they would be passive when Qin Xiaoxian got Longjing.

"Do it..."

Cheng Kun also gave an order, ordering his subordinate Wuzong to attack!

Seeing that Qin Xiaoxian was about to reach David, the terrifying energy was about to tear David to shreds, but soon, two equally domineering energy attacked and slammed together with Qin Xiaoxian.

Qin Xiaoxian's body flew out, his throat was sweet, and a mouthful of blood spurted out!

His current strength is not enough to follow the masters of the two martial arts realms.

After the Xuanyuan family and the two Wuzongs of the Perak Gate, after repelling Qin Xiaoxian, they immediately shot at David, but before they could catch David, the two started fighting.

Now that David has become a Xiang Momo, everyone wants to catch David, and they all do their best.

It's just that whether it is Qin Xiaoxian or the two martial sects of Xuanyuan's family and Perak Gate, their strengths are evenly matched, so it is difficult to tell the winner in a short period of time.

"Young Master Cheng, Young Master Xuanyuan, you want to get Long Jing, and I want to kill David's life. Why don't the three of us cooperate, and after killing David, I will never take that Long Jing with the two of you?"

Qin Xiaoxian understands that if this fight goes on, only David will be proud in the end.

Cheng Kun and Xuanyuan Kai waved their hands to withdraw all their subordinates when they heard it. They were thinking about Qin Xiaoxian's proposal.

"Cheng Kun, I don't think it's a bad idea. If we fight like this, in the end, I'm afraid that no one will be able to get Longjing. Why not work together? Even if the kid absorbs Longjing, we can directly split him in half. , half of our family, sucking his blood and eating his flesh may also help us in our cultivation..."

Xuanyuan Kai said to Cheng Kun.

Cheng Kun thought for a while, then nodded: "Okay, just do as you say!"

This time, the three alliances all stared at David.

Facing the greedy and vicious eyes of the three families, David's back was covered in cold sweat!

If there is only one fourth-rank Wuzong, David is not afraid at all, but now the three Wuzongs are eyeing, even if David swallows the dragon crystal and has the Dragon Slaying Sword in hand, it is impossible to deal with the three Wuzongs at the same time.

"David, you are obediently committing suicide now, and you will be able to suffer less from flesh and blood for a while. If you kill my elder brother, today is the day I will avenge my elder brother..."

Qin Xiaoxian looked at David coldly and said.

"As Wu Zong, it's too shameless for you to come to deal with me together? I really don't know how you cultivated in the realm of Wu Zong..."

David sneered.

He wants to use aggressive tactics. It is best to let these guys deal with him one by one. Even if it is a wheel battle, he is not afraid. With Long Jing around, David can be replenished continuously.

"Are you provoking me? It's a pity it's useless to me. If you can kill you, you can use any method..."

Qin Xiaoxian didn't care, there was nothing to be ashamed of.

Seeing this, David's face slowly turned cold, and he said softly to Gu Linger: "Linger, take Sonya to find a chance to leave, don't shut me down..."

David knew that this time he was more fortunate than fortune, and he couldn't let Gu Linger and Sonya follow him.

This Xuanyuankai and Cheng Kun are not good things either. If he really encounters an accident, David can't imagine what happens to Sonya and Gu Linger in the hands of these two people!

"No, I'm not leaving, I want to stay with you, you die, I die with you..."

Sonya shook her head vigorously, then looked at Gu Linger and said, "Linger, run away by yourself, I want to die with David..."

## Chapter 849

Gu Linger bit her lip, and looked at David with tears in her eyes, and finally turned her heart: "I won't leave, David is dead, and I won't live, now I can't live without him. ..."

At this last moment, Gu Linger expressed her inner thoughts.

In fact, in her heart, David has long occupied an important position, but because of Sonya, Gu Linger never dared to follow David to reveal her heart.

Gu Ling'er blushed because she had said what was in her heart!

David was a little surprised, but Sonya seemed very calm, smiled at Gu Linger, took her hand and said: "Linger, in fact, I have long seen your thoughts on David, we are good sisters, I happened to accompany him to Huangquan together, and I also have a companion on the way..."

"Yeah!" Gu Ling'er nodded, but there was no trace of panic and fear.

Death, for the two of them at this moment, there is no fear at all, as long as they can die with David!

David looked at Gu Linger and Sonya, he knew that no matter what he said, neither of them would escape by themselves.

"I will do my best to keep us all alive..."

David's eyes began to fill with fighting spirit!

He can't watch Sonya and Gu Linger die with him, and he will never give up until the last moment...

"David, give it a shot. If you are really killed, Linger and I will commit suicide too, and we will never let them insult..."

Sonya knew what David was worried about, so she said.

David nodded heavily, and when he stretched out his hand, the Dragon Slaying Sword appeared, taking the first step forward, and the terrifying aura oscillated toward the surroundings.

"I didn't expect you to have a lot of love affairs, and there are two beauties willing to die for you. Since this is the case, then I will fulfill you..."

Qin Xiaoxian was shocked, his body exuded aura, but at the same time, there was blood dripping from the corner of Qin Xiaoxian's mouth!

Qin Xiaoxian frowned slightly. He had just been injured by the Xuanyuan family and the two martial sects of Perak Gate. Now, with luck, Qin Xiaoxian's internal organs are still rolling.

Qin Xiaoxian glanced at Cheng Kun and Xuanyuan Kai, and he wanted them to follow him to attack David.

"Come with him..."

Cheng Kun ordered to his subordinates without hesitation.

Xuanyuan Kai also nodded at the Wuzong powerhouse he brought with him and winked.

Qin Xiaoxian didn't have any concerns when he saw that the two families agreed to shoot together, and saw Qin Xiaoxian punch David away. On Qin Xiaoxian's fist, a layer of visible air waves was like a ripple.

This punch almost condensed all of Qin Xiaoxian's energy. He didn't want to delay it any longer. Now that he was injured, it would be better to get David out early, so as not to have too many dreams at night.

When David saw Qin Xiaoxian's punch, he suddenly burst into a golden aura, like a piece of armor on David's body.

"What's this?"

Qin Xiaoxian frowned slightly, but the speed in his hand was still undiminished, and he slammed into David's body.

"boom..."

With a punch, Qin Xiaoxian slammed into David fiercely. David, who should have been flung away by a punch, was standing intact at the moment, but Qin Xiaoxian felt a huge anti-shock force, and his body suddenly froze. Taking a few steps back, my arm was numb from the shock!

David did not attack Qin Xiaoxian, but held the Dragon Slaying Sword and slashed at the attacking Pilimen Wuzong strongman. The terrifying sword qi instantly soared several feet, and he slashed across the sky, as if he would split the entire sky. generally!

After such a sword qi, the face of the strong Wuzong of Thunder Gate changed, his body quickly retreated, and he retreated without fighting with David at all!

Qin Xiaoxian's punch just now did not cause any damage to David, which made the strongman of the Perak Gate Wuzong a little uncertain about David's strength, so in the face of David's terrifying sword, he immediately retreated!

## Chapter 850

Just as David was forcing Qin Xiaoxian and the strongman from the Martial Sect of the Perak Gate to retreat, he was always on guard against the strong man from the Xuanyuan family to prevent a sneak attack from behind.

However, David swept his eyes and didn't find the Xuanyuan family's strong man, but at that time he clearly saw that the three of them were attacking him together.

"Where did you go?" David cheered up, not daring to be careless.

"what..."

Suddenly, not far behind David, Sonya's exclamation shocked David's heart!

Holding the Dragon Slaying Sword, David turned his head suddenly and slashed out with one sword!

But it was too late. I saw that the Xuanyuan family's Wuzong strongman, carrying Sonya in one hand and Gu Linger in the other, jumped up to Xuanyuankai's side like he was carrying a chicken.

Sonya and Gu Linger were caught and struggled desperately, but facing the strong Wuzong, the two of them didn't even have a chance to commit suicide, let alone escape.

"Let go of the two of them..."

David glared at Xuanyuan Kai, his murderous aura instantly enveloped everyone in the Xuanyuan family!

He didn't expect this Xuanyuan Kai to be so despicable. On the surface, he sent someone to attack him, but behind his back he captured Sonya and Gu Linger.

"Let go of the two of them, you can just hold your hands, I guarantee the safety of the two of them..."

Xuanyuan Kai raised the corner of his mouth and said very proudly.

And the Xuanyuan family's Wuzong powerhouse controls Sonya and Gu Linger. Now as long as he exerts a little force, both Gu Linger and Sonya will go to see Lord Yan.

"Xuanyuankai, what do you mean? Are you fcuking trying to swallow it all?"

Cheng Kun saw that Xuanyuankai had captured Sonya and the others to blackmail David, and immediately said with a displeased expression.

It was agreed that the three families would go together, but this Xuanyuankai actually sent his own people to sneak around and arrested Sonya and the others. It was not obvious that they were playing tricks on them.

Qin Xiaoxian looked at Xuanyuankai with a dignified expression at this moment. He had lived for most of his life. At this time, he could guess what Xuanyuankai was thinking, but he didn't expect that he would be played by a little boy.

But now that he is injured, the Qin family has no advantage in terms of numbers or strength, so he didn't dare to say anything when he knew he was tricked by Xuanyuankai.

"Cheng Kun, I can get the dragon crystal by myself, so why should I part with you?"

Xuanyuan Kai had a successful expression on his face.

"Xuanyuan Kai, you are paralyzed, I will kill you..."

Cheng Kun's fiery temper, the two originally did not meet each other's eyes, but for the sake of Long Jing's temporary alliance, and now he has been tricked by Xuanyuankai, how can Cheng Kun not get angry, if he is not angry, he is not worthy of it He has the name of Cheng Kun from the Torch.

Cheng Kun took the people from Thunder Gate and walked towards Xuanyuankai. Xuanyuankai was not in a hurry and said to his subordinate: "Give these two women to me, you stop them..."

The Wuzong strongman nodded, and handed Sonya and Gu Linger to Xuanyuan Kai, and he took the Xuanyuan family and rushed to Cheng Kun, and soon the two were fighting together!

Qin Xiaoxian led someone to stand aside with an ugly face. At this moment, he felt that their Qin family was not even air in the eyes of these people.

"Second brother, what should we do?"

Qin Xiaotian asked Qin Xiaoxian at a loss.

Originally he counted on Qin Xiaoxian, but now Qin Xiaoxian is injured, Qin Xiaotian is a little overwhelmed.

"Wait, I won't speak, and no one is allowed to act rashly..." Qin Xiaoxian could only wait and watch the change at the moment.

At this moment, Xuanyuankai was looking at David with a victorious attitude. No matter how angry David was, the corner of Xuanyuankai's mouth still rose.

"David, obediently throw away the weapon and capture it without your hands, or else your two little girlfriends will die..."

Xuanyuan Kai said proudly.
