

A Man Like None Other Novel

Chapter 1491

"David..."

After a while, Long Xiao roared angrily, his eyes almost bursting with fire.

His fists were clenched, and the energy in his body burst out wildly.

David was still alive, which made Long Xiao almost mad.

The energy on Long Xiao's body was like a knife, and he was going straight to David.

David was very indifferent, and with a slight wave of his palm, Long Xiao's energy was dissolved.

Long Xiao frowned, this first attempt to test, let Long Xiao know that David's strength has increased a lot during this period of time.

"Mr. Chen, has Miss Xiaoru been rescued?"

Ding Dao asked David.

David shook his head: "Xiaoru was not locked up in the Long family..."

"David, have you gone to Long's house?" Long Wu looked excited: "Then the eldest lady..."

Since David went to the Long family, he could rescue Long Ruotong together.

Hearing Long Wu mentioning his mother, David blamed himself: "The Long family dungeon is protected by a formation, I couldn't break it..."

Seeing David like that, Long Wu hurriedly consoled: "As long as you are alive, there will always be a chance to rescue the eldest lady..."

"David, this is the end of the matter. I think we should talk about it. I tell you, you will never have a chance to rescue your mother..."

"But if you kowtow to me now and shout a few words from your uncle, I can show kindness and let your mother and son meet!"

Long Jingguo said with a sneer.

Hearing this, David's face suddenly became extremely cold.

A murderous aura erupted from David's body, and the endless coercion made those masters of the Long family tremble one by one, and some even couldn't bear it and fell to the ground!

"You are also worthy of being my uncle. I want to make all the Long family disappear..."

David's voice was extremely cold, making people tremble all over.

Long Jingguo felt the breath of David's body, and he was so shocked that he couldn't open his mouth.

On the other hand, Long Xiao frowned and stared at David!

"What a strong breath, it seems that during this period of time, the growth rate of this guy's strength is not inferior to yours..."

The soul in Long Xiao said.

When Long Xiao heard this, his anger grew even stronger. Originally, he thought that he was the best in the world, but now David didn't die, he appeared again, and his strength increased a lot. Xiao compares the psychological to stimulate.

"David, you are too crazy, don't think that only your strength is growing, and more than a dozen of us are enough to kill you..."

After being shocked, Long Jingguo said.

"A dozen people?"

After David finished speaking, his eyes swept across the masters of the Dragon family: "I'll give you one more chance, get out now, I can spare your life..."

These people felt David's sharp eyes, and no one dared to look up, but this time, they didn't dare to run. After all, Long Jingguo was here. If they ran away, it would be a betrayal!

"If you don't want to go, then go to die..."

After David finished speaking, his body suddenly erupted with golden light, and then he stepped out, and the terrifying pressure suddenly increased a lot.

Those Dragon family masters all fell to the ground on the spot, blood gushing from their mouths!

Seeing this scene, whether it is Long Wu or the four evil men, they are all astonished.

You must know that these are all Wuhou masters, and they can't even resist the pressure of David's body.

What kind of strength is this David now?

"Are you pretending I don't exist?"

Long Xiao snorted coldly, his body exuded a black-gold aura, and he began to resist the pressure from David!

Long Xiao, who is already a fifth-rank Marquis, has already made a qualitative leap in the aura that erupted from his body.

For Marquis Wu, the improvement of each rank is a world of difference.

David's eyes narrowed, and then he waved his palm in mid-air, and instantly a big golden hand pressed down on Long Xiao and the others.

Chapter 1492

"Indestructible space..."

Long Xiao roared suddenly, raised his palm, and a black air instantly covered the sky above them, forming a unique space!

After the formation of this space, the experts of the Long family suddenly felt relieved and stood up from the ground one after another.

"Let's work together..."

Long Jingguo ordered the experts of the Long family.

Soon, streaks of qi energy, with a faint white glow, radiated from everyone, and more than a dozen streaks of qi energy gathered together and followed Long Xiao to resist David's coercion!

"An ant regrets an elephant, and the pearl of a grain of rice dares to compete with the sun and the moon?"

David snorted coldly, with an incomparably domineering tone in his tone.

I saw that golden palm, with incomparable wealth, instantly smashed the barrier that Long Xiao had built up, and then slapped it down fiercely.

boom!

For a while, the ground shook, the universe shook, and the dozen or so masters of the Long family were shot to death on the spot in an instant, and the death was terrible! remember url

Even Long Jingguo's face was ugly at this moment, and his blood was constantly rising!

Long Xiao has a gloomy face, he can't imagine that David's strength has become so terrifying!

Long Wu and the four villains also sucked in a breath of cold air. They didn't expect David's strength to be so domineering.

"David, you have the ability to fight with me and kill some servants. Do you have a sense of accomplishment?"

Long Xiao said to David coldly.

"I gave them a chance, but unfortunately they don't know how to cherish it, so they can only die!"

David sneered: "I can also give you a chance now, let the girl you captured, and I can spare your life..."

"impossible..."

Long Xiao shouted loudly, his face became more and more gloomy, the anger on his body was rapidly rising, and then the black and golden color on his body continued to expand.

Long Xiao's figure is constantly getting bigger, and in the endless night sky, it seems that countless dark substances are constantly gathering towards Long Xiao's body.

"go to hell..."

Long Xiao shouted loudly, and then punched David!

Long Xiao's speed was extremely fast, and his whole body was not covered in black mist, and he seemed to be invisible in the darkness.

David only felt a gust of wind blowing, followed by a black mark, smashing hard on David's chest!

boom!

This punch caused the void to explode, the world shook, and the power of the fifth-rank Marquis was unimaginable.

Even with a simple punch, it is necessary to have ten thousand jins of strength to blow up a hill!

"David..."

"Mr. Chen..."

Long Wu and the four villains saw David being punched, and they couldn't help but worry.

But at this moment, a golden light flashed, followed by a palm that shone with golden light, and slapped Long Xiao's face fiercely!

Snapped!

The crisp sound even spread out for more than ten miles!

Long Xiao's body was directly thrown out, and he fell heavily to the ground, while David was motionless, with no expression on his face.

The corners of Long Xiao's mouth were full of blood, and he got up from the ground. In addition to anger, there was also a trace of fear in his eyes!

The burning pain on his face made Long Xiao dare not take the initiative to attack for a while.

"If you're afraid, then I'll do it first..."

David said lightly.

As soon as the voice fell, David's figure suddenly disappeared, only to see a golden streamer streaking across the night sky, heading straight for Long Xiao.

Seeing this, Long Xiao immediately covered his body with black mist, and layers of black mist began to solidify, like a piece of armor, wrapping Long Xiao's body tightly.

"Looks like I'm going to come forward, otherwise it's hard for you to survive today..."

The soul in Long Xiao opened his mouth.

David's strength is already above Long Xiao's. If he continues to fight, Long Xiao will die in David's hands sooner or later.

I saw Long Xiao's eyes roll over, and then the aura on his body suddenly changed!

Chapter 1493

The black fog that filled the surroundings became thick again in an instant, and the armor wrapped around Long Xiao shone with a black-gold light!

boom...

David and Long Xiao collided fiercely.

You must know that David's current body has been tempered to a certain extent, and it is extremely hard. In addition to the blessing of an indestructible golden body, few people dare to follow David head-on!

But this time, Long Xiao and David collided together, a huge gust of wind howled, and the surrounding rocks and trees were instantly blown away without a trace.

Seeing this, the four villains hurriedly protected Long Wu, trying their best to resist the aftermath!

The avenue roared, the galaxy vibrated...

David felt the change in Long Xiao's breath and knew that the spirit was now controlling Long Xiao's body, but David was not afraid at all.

The blood in the body is boiling, David regards Long Xiao as an alchemy stone, and every shot is a training for himself!

In the blink of an eye, the two passed nearly a hundred strokes!

Long Xiao's body began to show a tendency of decadence, but David had a relaxed look on his face, as if he was deliberately releasing water, letting Long Xiao accompany him to test!

"what..."

With a hysterical cry, with an eerie and terrifying aura, the black light on Long Xiao's body became brighter, and his aura instantly improved a lot.

The corner of David's mouth raised an imperceptible smile. He wanted to force out Long Xiao's greatest potential. Let's see how much of the soul in this kid!

At this moment, the place where the two were fighting was already in a mess, and the entire space began to become distorted. Long Wu and the four wicked men were suppressed to death, and they were already lying on the ground!

And that Long Jingguo wasn't much better, only to see him kneeling on one knee, clenching his teeth to resist the residual prestige emanating from him.

rumbling...

The mountain range actually began to collapse in the battle between the two, and bottomless ravines cut across the entire mountain, extending directly toward the Medicine God Valley.

One after another terrifying aura continued to spread around, like a wave, without stopping...

At this time, Xu Changsheng and Zhao Ligu in Yaoshen Valley felt this terrifying aura.

"What's going on? How can there be such a terrifying aura?"

Xu Changsheng's face condensed.

Xu Changsheng was treating Zhao Chuang, but the sudden vibration and the terrifying aura forced him to stop.

"I'll take someone to see..."

After Zhao Ligu finished speaking, he turned and ran out.

In Yaoshen Valley, many people have already gone outside the house, and are standing and watching.

I saw a place dozens of miles away from Yaoshen Valley, the golden light was brilliant, and the sound of the explosion was deafening, as if the end of the world was coming!

Zhao Liguo hurriedly took some people and rushed towards that place, and Gu Linger also flew out and followed Zhao Liguo.

At this time, David and Long Xiao were still fighting, and both of them seemed to have reached their limit!

“go to hell...”

Long Xiao became more and more impatient, and wanted to solve the battle as soon as possible!

So with a roar, he found the right time and punched David!

David's body flew out instantly, but instead of falling to the ground, he stopped steadily in the air!

Long Xiao gasped for breath, his forehead was covered in cold sweat!

On the other hand, David's face is still calm, as if the change has not changed much!

“Even if you are possessed by a soul, you are still not my opponent. It seems that your title of the most talented person in Kyoto is also self-proclaimed, right?”

David looked at Long Xiao with mockery in his eyes!

“Ah... kill him, kill him for me...”

Long Xiao roared, he was talking loudly to the soul!

"Boy, you are the most talented person I have ever seen. It's a pity that you are arrogant. Today, the old man will kill you and turn your body into a corpse..."

Long Xiao's throat made a deep, hoarse voice, which was so terrifying that it made goosebumps all over his body.

Chapter 1494

This was the first time the soul made a sound with the help of Long Xiao's body.

"You are just a soul, you don't even have a body, and you dare to say such a big thing. Today I will let you taste what it means to be invisible..."

After David finished speaking, the breath on his body began to rise again. It turned out that after fighting for a long time, David did not use all his strength.

I saw David reciting the Qingxin mantra, and the golden light on his body became even more dazzling!

David was like a little sun at this time, illuminating the whole dark night.

The golden light shines out for miles, and the entire mountain is clearly visible in the dark night!

"what..."

Under the golden light, Long Xiao let out a scream!

On the other hand, David's breath is constantly rising, as if it will never end!

Long Xiao's face became extremely ugly, and the fear in his heart began to spread!

Under the irradiation of this golden light, the soul instantly broke away from the control of Long Xiao's body, and at this moment Long Xiao regained control of his body.

However, feeling David's terrifying aura, Long Xiao was afraid, this time he was really afraid, a panic appeared in his heart!

At this time, Long Xiao's confidence has been shattered by David!

He suddenly found that the gap between himself and David seemed insurmountable, and David was like an unknown world. Everyone wanted to know about David, but no one could see through David.

David was declared dead again and again, and came back to life again and again.

And no one knows the realm of David's strength. Every time David appears, it will bring new knowledge to others...

"Run away, what are you still hesitating about, do you want to die here?"

The soul within Long Xiao urged loudly to Long Xiao.

Long Xiao was stunned for a moment, then glanced at Long Jingguo not far away, and when he finally gritted his teeth, he suddenly jumped back!

Now he doesn't care about Long Jingguo anymore, if he can escape, one is one!

"Are you trying to escape?"

David said coldly.

The voice fell, and David's figure instantly disappeared in place!

Long Xiao only felt a strong wind blowing behind him, and then turned around to see that David was already in front of him.

Because David's speed was so fast that Long Xiao didn't even see how David caught up, as if he appeared out of thin air!

boom!

The big golden hand that has been clapping towards Long Xiao, Long Xiao wanted to dodge, but it was too late!

This palm slapped directly on Long Xiao's back, smashing the condensed armor on Long Xiao's body instantly!

Long Xiao came straight to the dog and fell to the ground. He looked so embarrassed, how could he still look like the son of the Long family!

"Xiaoer..."

Seeing this, Long Jingguo jumped up and went straight to David.

Even if Long Xiao wanted to run for his life alone, but now there is danger, Long Jingguo couldn't just watch his son get killed.

As a veteran Wuhou, Long Jingguo exploded his breath to the extreme!

But just when Long Jingguo arrived in front of David, David didn't even look back, didn't even look at Long Jingguo, he stretched out his hand, and his five fingers stuck firmly on Long Jingguo's neck!

The breath on Long Jingguo disappeared instantly, and the intense suffocation made Long Jingguo's mouth open and his face flushed red!

Holding his uncle in his hand, David didn't have a trace of pity in his heart, only endless anger.

Thinking of his mother who had been imprisoned for more than 20 years, David wished he could slap Long Jingguo to death now!

But David can't kill him now, and he wants Long Jingguo to release his mother.

"David, you... if you dare to kill me, you will never want to see your mother..."

Long Jingguo said with a big mouth.

Hearing Long Jingguo's words, David was furious in his heart, and slapped Long Jingguo in the face fiercely.

Chapter 1495

The dignified head of the Long family of Longjing, the veteran Wuhou, is now in David's hands but has no power to fight back.

"If I kill you, I can save my mother..."

David stared at Long Jingguo, the strength in his hand increased a bit!

Long Jingguo only felt that his neck was about to be crushed by David.

At this time, Long Xiao didn't know what was in his mouth, but Long Xiao's body was slowly wrapped in black mist and slowly disappeared!

However, David's attention has always been attracted by Long Jingguo, but he did not notice the disappearing Long Xiao!

"David, let my father go, or I will let your little girl die with your mother..."

At this moment, Long Xiao's voice came from all directions, as if it came from the void!

David looked abruptly, only to realize that Long Xiao had disappeared without knowing when.

"If you dare to hurt Xiaoru and my mother, I will definitely make your father's life worse than death..."

After David finished speaking, he slammed Long Jingguo's face with a ruthless punch, and Long Jingguo's mouth full of teeth were knocked out. remember url

"If that's the case, then you'll never want to see your mother and that little girl again..."

Long Xiao's voice is getting farther and farther, as if it came from the sky!

When David saw that Long Xiao was going to leave, he immediately shouted, "Wait a minute..."

It is impossible for David to watch Xiaoru and his mother in danger.

"What? Are you afraid? Since you are afraid, let my father go..."

Long Xiao said with a cold snort.

"We can exchange, as long as you let Xiaoru and my mother go, I will let your father go..."

David couldn't trust Long Xiao at all, so it was impossible to let Long Jingguo go first.

"What are you kidding, you want to exchange one person for two people, it's impossible."

Long Xiao snorted coldly, "You let my father go, I let that little girl go, you only have one choice, otherwise don't let anyone go."

Long Xiao's tone did not seem to be worried about Long Jingguo's safety, nor did he care about Long Jingguo's life or death!

This time, David fell into a passive state!

Whether it was Xiao Ru or his mother, he couldn't care about their lives and deaths.

But this Long Xiao doesn't seem to care about his father's life or death. As for whether to exchange or not, Long Xiao doesn't seem to care!

"I only give you three seconds to think about it. If you don't agree, then I'll go back and kill them all..."

Seeing that David was hesitating, Long Xiao urged.

"Okay, I promise you!"

David nodded.

First, use Long Jingguo to exchange Xiaoru. As for his mother, there should be no danger. After all, he has been imprisoned for more than 20 years. If Long Jingguo wanted to do it, he would have done it long ago. He must have some scruples!

"That's good, tomorrow will be replaced in the martial arts field, and no one wants to play tricks..."

Long Xiao said.

"Okay!" David agreed without hesitation.

The martial arts field is the place where the martial arts alliance competes. Long Xiao must have some intentions in choosing this place, but David is not afraid!

Long Xiao left, in fact, Long Xiao left long ago, what just happened was just a wisp of Long Xiao's consciousness.

The space magic technique Long Xiao cast disappeared in the void.

This is David's carelessness. If David is not careless, Long Xiao will not have the chance to use space magic at all!

Long Wu and the four wicked men surrounded him.

Looking at Long Jingguo who was beaten like a pig's head, Long Wu had mixed feelings in his heart!

The former dragon family is also very beautiful in the martial arts world of Kyoto.

But now, after the power of the Long family was taken away by Long Jingguo, it has become more and more decayed, and now the head of the dignified Long family has become a prisoner and a pig's head...

"David, let's go back quickly, if Ling'er knew you were still alive, she would be happy to die..."

Long Wu said to David.

David nodded, and then let the four wicked men hold Long Jingguo and rush towards Yaoshen Valley.

Chapter 1496

David and the others had just walked some distance when they met Zhao Ligu and Gu Linger who were approaching!

When Gu Linger saw that David was still alive, the whole person actually cried with excitement.

"David..."

Gu Linger didn't care that there were so many people around, she jumped up and threw herself into David's arms.

"I thought you were dead, I thought you were really dead, why there is no news for so long, you are going to scare me to death..."

Gu Linger beat David's chest while crying.

David flicked Gu Linger's hair: "Okay, didn't I come back well? Don't worry, no one can kill me..."

Seeing this, Long Wu winked at everyone, and then everyone left, leaving some private space for David and Gu Linger!

After all, the two have not seen each other for nearly two months, there will be a lot to say...

Just when David was following Gu Linger, Long Xiao also rushed back to Kyoto and went to the Martial Arts Alliance as soon as possible!

He wants to tell Zhu Zhishan that David is still alive!

"Who's looking for me this fcuking night?"

Zhu Zhishan yawned and was called out of the room.

When Zhu Zhishan saw that Long Xiao was looking for him at night, he couldn't help but be a little puzzled.

"Long Xiao, what are you doing with me at night?"

Zhu Zhishan asked Long Xiao with some dissatisfaction.

"I wish the leader, that David is still alive, and captured my father..."

Long Xiao said with an ugly face.

"what?"

Zhu Zhishan woke up instantly, his eyes widened, and his face was incredible!

"You're not kidding me, are you?"

Zhu Zhishan was a little unconvinced, how could David still be alive, and how could it be possible to capture Long Jingguo!

"I wish the leader, do you think I will come to you for a joke at night?"

Long Xiao said solemnly.

After Zhu Zhishan heard this, he sat down on the chair, his face extremely ugly!

"how so..."

Zhu Zhishan gritted his teeth, his eyes full of disbelief.

"I wish the alliance leader, I will ask David to exchange my father in the martial arts field in three days. This is probably the best chance for us to kill that David..."

The reason why Long Xiao asked David to meet at the martial arts field was to kill David.

"The martial arts field?" Zhu Zhishan frowned: "In that place, we openly shot and killed David, and the impact was too bad."

"You have to know that that place is a place of competition. It solves conflicts and disputes one-on-one. If we bully the less with more, we will not be ridiculed by everyone in the martial arts world!"

"If you fight alone, you can kill that David, it's not impossible, Mr. Long, your strength is advancing by leaps and bounds, it should be no problem to deal with that David, right?"

Zhu Zhishan is also a wily man. After all, the place in the martial arts field represents the rules of the Martial Arts Alliance, and it cannot be ruled by the Martial Arts Alliance. In the end, the Martial Arts Alliance broke the rules!

If so, the competition in the martial arts field will become meaningless, and there will be no rules from now on.

Long Xiao set the place at the Martial Arts Arena, obviously because he wanted the Martial Arts Alliance to take action, and the Long family could just stand by!

I wish Zhishan would not be so stupid, and listened to Long Xiao's advice!

Zhu Zhishan's words made Long Xiao instantly embarrassed. He had just been defeated by David and fled back in embarrassment, and then let him follow David to fight alone, he didn't have the courage.

"I wish the alliance leader, I don't have to do it in the martial arts field. When David releases my father, we can intercept him halfway."

"Now I can only wish the leader of the alliance to have the strength to kill David. If we don't get rid of him now, this kid will be a big problem in the future..."

Long Xiao said solemnly.

Zhu Zhishan did not speak, but hesitated for a moment, and then said to a member of the Martial Arts Alliance: "Go and find Deputy Alliance Leader Ning for a meeting..."

Chapter 1497

Zhu Zhishan knows that he is not David's opponent at all, so he needs to ask the high-level to take a shot at a meeting to study.

But those high-level executives didn't look down on him at all, and Zhu Zhishan himself knew his status as the leader of the martial arts alliance.

Don't look at Ning Zhi as the deputy leader, but he was appointed by the great power, and Ning Zhi is still in black copper robe. Zhu Zhishan now wants to understand that he is a puppet, and Ning Zhi's talent is indeed blessing him. above the mountain.

At the beginning, Ning Zhi said that the man in black robe was David, but Zhu Zhishan didn't believe it at all. Now that the facts are in front of him, Zhu Zhishan can only admire that Ning Zhi.

Now Ning Zhi, the deputy leader of the alliance, is the real person in power. If you want to invite the top management, Ning Zhi must come forward.

Soon, in the conference room of the Martial Arts Alliance, there were several people wearing black robes, but the patterns in front of each of them were bronze, and these were all black copper robes!

Don't look at these black copper robes, which are the lowest among the high-level people, but they are not people that Zhu Zhishan can afford.

The strength of each of these people does not need to be low!

In this society where strength is respected, strength represents status and everything...

Zhu Zhishan briefly introduced the situation, and then said: "Ning Deputy Alliance Leader, now that David has become the biggest threat to our Martial Arts Alliance, so we must get rid of him."

“What’s more, Deputy Alliance Leader Ning and David have an undeniable feud. If you take a few black copper robe masters to kill David, then David will definitely not be able to escape...”

Zhu Zhishan wanted Ning Zhi to lead someone to kill David. Now that Zhu Zhishan is facing David, he is a little apprehensive!

“I wish the alliance leader, you should do it, the four black copper robes will follow you, are you still afraid that David will fail?” Ning Zhi asked lightly.

“How could I be afraid of David, I just want to give Vice Leader Ning a chance to take revenge!”

Zhu Zhishan did not admit that he was afraid of David at all!

“Whether I killed that David or not, as long as David is dead, my revenge will be avenged. What I need now is to retreat to improve my strength...”

At this moment, what Ning Zhi wanted was not only to kill David for revenge, but also to have more lofty ideals.

Since seeing the high-level people of the Martial Arts Alliance, especially the unpredictable power, Ning Zhi is determined to be a person who overlooks the entire Martial Arts world.

As for killing David for revenge, it became less important.

“Then we have to plan carefully, where is the right place to kill David...”

Zhu Zhishan said, and took out a map, which marked the various roads to the martial arts field!

“There is no need to plan, the martial arts field is a suitable place...”

Ning Zhi waved his hand and said.

"If we attack David in the martial arts field to bully the less, isn't that breaking the rules?"

Zhu Zhishan looked at Ning Zhi with a puzzled face.

"Rules?" Ning Zhi sneered: "Rules are made by people. As long as you have strength, every word is a rule. Who dares to disobey?"

Ning Zhi's words left Zhu Zhishan speechless.

I don't know since when, Zhu Zhishan found that the hostility in Ning Zhi was getting heavier and heavier, and even he was a little shocked when he saw Ning Zhi!

"Okay, I'll take them to the Martial Arts Arena tomorrow to prevent David from escaping..."

After a while, Zhu Zhishan nodded and said.

The leader of the dignified Martial Arts Alliance, there is no one else to do what he is now, but there is no way, Zhu Zhishan only hopes that after killing David, he can retire in peace.

next day!

There was silence around the Martial Arts Arena, because few people came here without Bie Lei!

In order to avoid hurting innocent people, the martial arts field was built in a very remote place, surrounded by high mountains, just to prevent the aftermath of the fight from spreading out.

Chapter 1498

As soon as the sky was bright, Zhu Zhishan brought four black copper robes to the martial arts field, and sealed the entire martial arts field with a weapon.

One after another array of magic circles surrounded the martial arts field. As long as the magic array was activated, David would have a hard time escaping!

Zhu Zhishan looked at the silent martial arts field, and seemed a little nervous, his body was trembling slightly!

He didn't know if he could kill that David this time.

"You must kill that David as soon as possible, and destroy the dantian and Nascent Soul in his body. The reason why this guy can't die every time is because of his status as a cultivator..."

Zhu Zhishan told several black copper robes!

"Don't worry, we know how to do it, but in this era of lack of spiritual energy, it is a miracle that this David was able to cultivate to Nascent Soul Realm..."

A black copper robe spoke slowly.

Each of these black copper-robed people has souls in them, and these souls were once immortal cultivators!

It's just that they are all evil cultivators. Martial arts practitioners have evil cultivators, and so do immortal cultivators!

Thousands of years ago, spiritual energy was full, immortal cultivators were popular, while martial arts cultivators were unknown! remember url

It's just that with the passage of time, the spiritual energy is gradually depleted. Immortal cultivators either leave or run out of life and disappear.

Slowly immortal cultivators become lonely, while martial arts cultivators prosper.

As time goes on, immortal cultivators are almost extinct, and martial arts cultivators have become the top class in this world!

There used to be some evil cultivators who, at the end of their lives, used the exercises to keep a trace of their soul, ready to be reborn when the spiritual energy recovered!

It's just that time has passed, but there is still no sign of aura recovering, and these souls must find a host, otherwise they will disappear.

So this has resulted in the existence of many soul possessions, but as long as the host's strength has risen to a certain stage, the soul can also be reborn.

In order to improve the strength as soon as possible, the soul is instructing the host, unscrupulously improving the strength, and even absorbing the strength of others to strengthen itself!

"By the way, there is one more thing to remind you, this David can also absorb the strength of others to improve yourself. You must pay attention, but don't think about absorbing the strength of this David, so as not to suffer backlash."

Zhu Zhishan reminded the four black copper robes.

Back in Elysium City, Long Xiao just wanted to absorb David's strength, and finally lost an arm.

"We don't need to absorb his strength, just get his Nascent Soul..."

A black copper robe smiled coldly.

Since David is an immortal cultivator, it is much stronger to directly take out David's Nascent Soul Refinement than to directly absorb strength!

"That's good, now I will slowly wait for that David to die..."

Zhu Zhishan glanced at his broken arm, and then his eyes narrowed slightly.

...

Medicine God Valley!

The atmosphere of the entire Yaoshen Valley is very cheerful and lively!

The atmosphere during Chinese New Year has never been so lively, because David didn't die, he came back alive!

In a room in Yaoshenggu, David lit a cigarette and sat quietly, and opposite him was Long Jingguo!

At this time, Long Jingguo's face was still red and swollen, and his expression was very embarrassed!

Uncle and nephew, it seems a little strange to meet in such a scene!

It's just that David has never regarded Long Jingguo as his relative, and he can't wait to kill Long Jingguo now.

"You locked my mother for more than 20 years, what do you want from her?"

David exhaled a cigarette and asked lightly.

Long Jingguo glared at David, but said nothing.

David wasn't angry either. He had known such a result for a long time, and Long Jingguo would definitely not say it.

"It doesn't matter if you don't say it, but I tell you, sooner or later I will kill the Long family, kill both your father and son, and then rescue my mother..."

David said firmly.

Long Jingguo just showed a sneer, but still didn't speak!

Chapter 1499

David looked at Long Jingguo like that, then suddenly took a few puffs of cigarettes and turned around to leave!

But just as he walked to the door, Long Jingguo suddenly said: "David, I advise you to let me go early, if I don't go back, no one can open the dungeon, your mother will have to starve, if she starves to death. , but don't care about me!"

David was stunned, his body trembled slightly, and then he turned around abruptly and slapped Long Jingguo in the face with a slap in the face!

"why why?"

"She's your sister, why do you treat her like this?"

"Are you human? Are you a beast?"

"I think you're not even as good as a beast..."

David went crazy, his eyes became scarlet, and he slapped Long Jingguo in the face!

Long Jingguo's nose was bruised and his face was swollen, and he vomited blood, but he still had a sneer on his face!

"David, let me tell you, you are a wild breed. Your mother almost killed the entire Long family back then!"

"He actually ran away with someone before the big wedding and was pregnant with a wild breed like you."

"Do you know how much of a joke this made our Long family suffer?"

"If it wasn't for me, your mother would have died by now, and she would have been a bone!"

Long Jingguo said to David with a sneer on his face.

"You fart, how could you be kind enough to save my mother, you're just a fart..."

David smashed Long Jingguo's face with his fist so fiercely that Long Jingguo was unable to speak at the end, so he stopped.

David stood up blankly, and then walked out of the room!

He was going to go to Long Wu and ask what happened to his mother?

Seeing David's expression, Long Wu couldn't help but worry: "David, what's wrong with you?"

"Uncle Long, what happened to my mother? Who is my father? Did my mother run away with someone during the wedding?"

David looked at Long Wu eagerly and asked.

He wants to know, he wants to know the truth, he wants to know everything about himself!

Long Wu looked at David, sighed after a moment and said, "Your mother really ran away with someone before the big wedding, but your mother was forced to marry, she doesn't want to get married at all!"

"At that time, the master was also forced to be helpless. If he didn't agree, the entire Long family would suffer!"

"How is that possible?" David was a little unconvinced: "Isn't the Long family one of the best in the martial arts world in Kyoto at that time? Who can threaten the Long family?"

"Hey, not to mention the whole world, in this entire summer, there are more than tens of thousands of sect families, and many of them have left sects in the world for thousands of years."

"These sects have survived in other ways, slowly adapting to the new society. Most of these sect families are hidden from the world, so they can survive for so many years!"

"And now if you don't investigate deeply, you can't find out that those sect families have a background of thousands of years!"

"?? And that Zixiao Mansion is the sect that has been left behind for thousands of years. When they proposed marriage to the Long family, the master dared not refuse!"

"Later, the eldest lady escaped, and Zixiao Mansion angered the Long family, and wanted to arrest the eldest lady to sacrifice to the sky, so the master couldn't afford to get sick!"

"Then Long Jingguo took the opportunity to poison the master and locked the eldest young lady. Instead of handing it over to Zixiao Mansion, he compensated Zixiao Mansion for a large amount of resources, and this matter was settled!"

Long Wu followed David to tell about the situation of the year!

David frowned slightly. It seemed that Long Jingguo was right. If he hadn't locked up his mother, he might have been captured by the Zixiao Mansion.

"Uncle Long, I'm going to Kyoto now. Tomorrow you tell the four villains to escort Long Jingguo to Kyoto to exchange..."

David said to Long Wu.

“Isn’t it exchanged in three days? Why go tomorrow?”

Long Wuyi looked surprised.

Chapter 1500

“Only Long Jingguo can open the dungeon that holds my mother. Now that Long Jingguo can’t go back, my mother will starve.”

David explained with Long Wu.

“Then be careful. Whether it’s the Martial Arts Alliance or the Long Family, they are all eyeing you. If you go to change people this time, they will definitely not miss this opportunity...”

Long Wu warned David.

“I see!” David nodded.

After saying goodbye to the others, David went to Kyoto alone!

...

Kyoto, in front of Dong’s house!

Ge Jiayi held a sword and faced Dong Jiahao angrily!

Although Ge Fuhai tried his best to stop it, he still failed to stop Ge Jiayi from coming to seek revenge from the Dong family!

“Miss Ge, you shot me over and over again, what happened to me?”

Dong Jiahao's face was full of sadness, he really didn't know where he had offended Ge Jiayi!

"You ba5tard, stop pretending, I will kill you today, and then I will commit suicide. I will never live in this world like this."

With anger in Ge Jiayi's eyes, she stabbed Dong Jiahao with one sword!

How could Dong Jiahao be Ge Jiayi's opponent? This sword stabbed out with endless brilliance and enveloped Dong Jiahao!

This time, Dong Jiahao couldn't escape even if he wanted to!

clang...

Suddenly there was a crisp sound, and Dong Liqun was standing in front of Dong Jiahao, blocking Ge Jiayi's sword.

"Ms. Ge, what did Jiahao do to make you kill him? Say it, if he does something bad, I will never forgive him, and I will apologize to Miss Ge on his behalf..."

Dong Liqun followed Ge Jiayi very politely.

Dong Liqun didn't want to fall out with the Ge family. After all, the entire martial arts family in Kyoto had already become a member of the martial arts alliance, and they all isolated the Dong family.

If the Dong family fell out with the Ge family, there would be no place in the capital.

"Ask yourself what your precious son did, and he dares to do it, why dare not say it!"

Ge Jiayi, a girl, how dare she say such a thing.

Dong Liqun turned to look at Dong Jiahao: "Jiahao, what did you do to Miss Ge?"

"Dad, how many times have I told you that I didn't do anything, I didn't do anything, and I don't know why she always troubles me..."

Dong Jiahao was about to cry in a hurry.

Dong Liqun looked at Dong Jiahao like that, obviously Dong Jiahao didn't want to lie.

"Miss Ge, is there any misunderstanding here? I don't think my son will lie..."

Dong Liqun said softly.

"So that means I'm making trouble out of nowhere, and I lied?"

Ge Jiayi frowned.

"No, no, that's not what I meant, I just feel that there might be a misunderstanding here..."

Dong Liqun quickly waved his hand and said.

"There's no misunderstanding, you beast son has poisoned me by drugging me, I have to kill him today..."

After Ge Jiayi finished speaking, the breath on her body skyrocketed, and the sword in her hand also radiated light!

Then a sword was cut out, and a sharp and domineering sword energy instantly moved towards Dong Liqun and Dong Jiahao and his son.

This sword came in an instant, and left a deep ravine on the ground!

Dong Liqun's feet trembled slightly, and earth walls suddenly rose up on the ground, blocking the sword energy in an instant!

After blocking this sword energy, Dong Liqun didn't do anything to Ge Jiayi because he didn't want to fall out with the Ge family!

Ge Jiayi's face became very ugly, the sword in her hand was swung again, and a dozen sword qi burst out in an instant!

Dong Liqun frowned, the breath on his body began to skyrocket, and a barrier visible to the naked eye instantly wrapped Dong Liqun and Dong Jiahao!

Seeing that more than a dozen sword qi came to the front, they were suddenly cut off by a golden light.
