

# A Man Like None Other Novel

## Chapter 1731

Kazuo Kawaguchi's eyes flashed with greed!

"Boy, you have quite a few treasures on your body..."

Kazuo Kawaguchi jumped, and then the samurai sword drew a lotus flower in the air!

The lotus magnified instantly and shrouded towards David!

Kazuo Kawaguchi did not dare to follow David head-on, he was afraid that David's Dragon Slaying Sword would collapse.

To know that a sword that produces a sword spirit is priceless!

David felt something coming from behind him, and instinctively waved his hand back, and a sword beam shot out instantly!

But the sharp sword light penetrated the lotus flower, and did not cause any damage to the lotus flower!

Soon, David's whole body was shrouded in that lotus!

"Hmph, brat, you have the ability to keep running..."

When Kazuo Kawaguchi saw David under control, he snorted coldly.

David ignored him, but held the Dragon Slaying Sword in his hand, and a gray light began to shine from the Dragon Slaying Sword!

Then David slashed towards the lotus with a fierce sword, but the sword light penetrated instantly and did not cause any damage to the lotus!

David frowned, he didn't understand what the lotus flower that trapped him in it was, and why his sword glow couldn't do any damage to the lotus flower at all.

"Haha, you don't have to waste your energy, this lotus is an illusory thing, no matter how hard you try, you won't be able to break it."

Kazuo Kawaguchi laughed!

Kazuo Kawaguchi walked to David and looked at David coldly: "Hand over the beast pill, and the sword in your hand, I might consider letting you die..."

David stared at Kazuo Kawaguchi: "Is what you said true?"

"Of course, I mean what I say, as long as you hand over what I want, I will definitely let you go..."

Kazuo Kawaguchi assured.

"Okay, I'll give you something..."

As David said, he threw the Dragon Slaying Sword to Kazuo Kawaguchi!

Seeing this, Kazuo Kawaguchi, not to mention how excited he was, immediately picked up the Dragon Slaying Sword!

When Kazuo Kawaguchi was holding the Dragon Slaying Sword, he suddenly felt a strong bloody aura from the Dragon Slaying Sword, and in his mind, scenes of terrifying and bloody scenes kept flashing.

Kazuo Kawaguchi was startled, and hurriedly threw the Dragon Slaying Sword to the ground!

"What about the beast pill? Give me the beast pill too..."

Kazuo Kawaguchi said to David.

"Give the beast pill to you, will you let me go?"

David confirmed again.

"Yes, I will definitely let you go!"

Kazuo Kawaguchi nodded.

David hesitated for a while, but finally put his hand in his pocket and took out the beast pill!

"You must speak your mind..."

David said again.

"Don't worry, I'll definitely count, hurry up and give me the beast pill..."

Kazuo Kawaguchi is a little impatient!

David took the beast pill and slowly stretched out his hand!

Seeing this, Kazuo Kawaguchi hurriedly reached out to pick it up!

But just when he got the beast pill, David suddenly shrank his hand, and then swallowed the beast pill with his mouth!

"You ba5tard, thought I really gave it to you..."

David laughed!

Kazuo Kawaguchi roared angrily: "Boy, how dare you play me..."

Just when Kazuo Kawaguchi was about to attack David, the Dragon Slaying Sword that was thrown on the ground suddenly flew up by himself, and then stabbed Kazuo Kawaguchi from behind!

Kazuo Kawaguchi only felt a chill on his back, and hurriedly turned around to block the attack of the Dragon Slaying Sword!

At this time, David clenched his fist and threw a fist towards the lotus!

"Holy Light Fist..."

This time, David did not use spiritual power, but smashed it down with pure power!

boom...

Under the Holy Light Fist, the lotus flower instantly shattered and turned into nothingness!

## Chapter 1732

And David's body jumped up and disappeared instantly!

When Kazuo Kawaguchi turned around, he found that David had escaped!

"Boy, you wait for me, I must smash your corpse into ten thousand pieces..."

Kazuo Kawaguchi roared, but comforted himself in his heart, although David ran away, the sword remained!

But when Kazuo Kawaguchi turned to look for the Dragon Slaying Sword, he found that the Dragon Slaying Sword had long since disappeared!

The Dragon Slaying Sword has long been fused with David's body, and it is simply impossible for Kazuo Kawaguchi to obtain the Dragon Slaying Sword.

David did not dare to stop, and galloped all the way towards the nearest city!

The beast core in the body is constantly exuding the power of monsters!

David needs to find a place as soon as possible to refine this beast pill!

Otherwise, the power in the beast pill will always rampage in David's body!

At this time, in a small town closest to David, Hu Mazi and Ge Yuhan were anxiously waiting for David!

"Master Hu, do you think Mr. Chen will be fine?"

Ge Yuhan looked guilty, but David did this because he saved her.

"Don't worry, this kid has a big life, I have calculated his life for him, he can't die..."

Although Hu Mazi spoke calmly, his face was full of anxiety!

Soon, David's breath was sensed by two people, so the two of them had a happy face, and hurriedly rushed towards the breath place!

When they saw David, they were a little dumbfounded. They saw that David was in tatters and his face was flushed.

The skin on my body started to turn green!

"David, what's wrong with you?"

Hu Mazi stepped forward and asked.

“Master Hu, I swallowed the beast pill of the spider beast, but it hasn’t been refined yet. I need to find a safe place to refine the beast pill...”

David explained with Hu Mazi.

“follow me...”

Hu Mazi took David very quickly towards a hotel!

After checking in, David explained that Hu Mazi tried to inform Kyoto that Ge Yuhan was rescued, so as not to be called!

Another point is to let Hu Mazi and Ge Yuhan protect him here and refine this high-level beast pill. David knew that the refining could not be completed in a short period of time.

Soon, David entered the training room in the room, constantly refining the beast pills in his body!

Hu Mazi followed Ge Yuhan to take turns guarding outside!

A little bit of time has passed...

In the blink of an eye, half a month passed, and David suddenly opened his eyes in the room!

He let out a long breath!

“It seems that the spiritual energy is not recovering. The speed of cultivating in this mundane world is too slow...”

After David refined a beast pill, his realm has not yet broken through the third-rank Great Marquis!

Although the law of heaven and earth did not suppress David, David’s cultivation speed still felt very slow!

In fact, David didn't know that his current cultivation speed was already considered a perverted level. No one could hit the realm of the Great Marquis in such a short period of time!

David opened the door and walked out, only to find that Ge Yuhan was guarding the door!

Seeing that David was awake, Ge Yuhan asked quickly, "Mr. Chen, how is it?"

"The beast pill has been refined, but it's not as good as imagined, and the realm has not improved..."

David is a little frustrated!

"In the journey of cultivating immortals, we always pay attention to gradual progress. We must know that many immortal cultivators finally abandon immortals and become demons in order to speed up the progress of cultivation. Battle!"

"The whole world collapsed, gods and demons fell, and martial arts began to run rampant..."

Ge Yuhan comforted David.

"What about Master Hu?"

David asked Ge Yuhan.

"He...he's in the room..."

Ge Yuhan blushed and whispered.

## Chapter 1733

"This guy, won't bully you, just let you protect the law alone?"

David said, and walked towards Hu Mazi's room.

As soon as I walked to the door, I heard a woman's voice coming from inside!

David instantly understood why Ge Yuhan blushed just now!

"This old guy, won't he be possessed by a lecher?"

David stepped forward and kicked the door open!

"what..."

A woman screamed, followed by a girl who ran out disheveled!

Seeing that it was David, Hu Mazi said with displeased expression, "You ba5tard, I have been protecting the Dharma for you for so many days, and now I want to relax, but you bother me?"

"Master Hu, I am here for your own good, don't let your body collapse in the end, you will never become a true immortal..."

David said to Hu Mazi.

"What is a real immortal and not a real immortal, let's live a day counts as a day..."

Hu Mazi put on his clothes randomly: "Since you are awake, then I have to go back to Baihai City, the ancient ruins of Tianfuzong are not guarded..."

Hu Mazi intends to return to Baihai City, but David knows that he is not guarding the ancient ruins of Tianfuzong, but thinking about the two girls of the Shen family!

"You accompany me to Penglai Island, and you are going to Baihai City after finishing the work..."

David said to Hu Mazi.

“What are you going to do on Penglai Island? The formation there is broken, and there is not much spiritual energy. What are you going to do there?”

Hu Mazi asked.

“Did you forget the sculpture? It contains a lot of spiritual power. You accompany me on a trip, and there is a companion on the way...”

David said in a slightly pleading tone.

“Forget it, I don’t want to run away, it’s not that the little girl is with you, just what the two of you want to do, I’m not an eyesore as an old man...”

Hu Mazi waved his hand!

“I don’t have the skills of you. If you don’t go with me, don’t look for me in the future about the Fuzong thing that day, and I won’t take risks and pass on those spells to you...”

After David finished speaking, he turned around and walked out!

Seeing this, Hu Mazi hurriedly stepped forward and pulled David: “Look, I’m just joking, you’re serious, clean up, we’ll go now, just to relax...”

David looked at Hu Mazi and smiled slightly.

The three simply packed up and then headed towards Penglai Island!

After two days and two nights of travel, we arrived at Penglai Island.

Just as the three of them landed on the island, Ge Yuhan suddenly stopped!

“What’s wrong?”

David asked.

"How come there is a breath of blood demon here?"

Ge Yuhan's face became very ugly!

"The Gorefiend is on this island, but now it's a stone statue!"

David explained.

"Stone statue?" Ge Yuhan looked puzzled.

"Let's go, you'll know when you go to see me!"

David took Ge Yuhan towards the palace on Penglai Island!

Knowing that David was back, Du Nan hurriedly brought someone to greet him with high standards!

"You kid is the boss here, it looks very nourishing..."

After seeing Du Nan, Hu Mazi stepped forward and patted Du Nan on the shoulder.

"Master Hu is here too, please come in quickly..."

Du Nan said with an embarrassed smile.

"I ask you, do you have any..."

As Hu Mazi said, he leaned into Du Nan's ear and asked.

After listening to Du Nan, he nodded again and again: "Yes, I will definitely arrange for Master Hu..."

"Hahaha, not bad..."

Hu Mazi walked into the palace with a smile!

And David looked at Hu Mazi like that, without asking him, he knew that Hu Mazi followed Du Nan's request.

"Did the forbidden area change during the time I was gone?"

David asked Du Nan.

"Back to Mr. Chen, after you left, I sent someone to seal the forbidden area, no one has ever entered..."

Dunan replied.

"Okay, let's go directly to the forbidden land..."

David went to see how the statue was.

## Chapter 1734

When David brought people into the forbidden area, the whole person was stunned, only to see that the huge stone statue had already fallen apart, and among the stone statues, a corpse was lying lifelike inside the stone statue!

Looking at the integrity of the corpse, it looks like it just died, and even the skin is still elastic!

This time, David was a little dumbfounded. He couldn't understand why a corpse suddenly appeared here!

David looked at Du Nan, and Du Nan was so frightened that he sweated profusely and said, "Mr. Chen, I... I don't know what's going on, no one has ever come in..."

"This...I don't even know who this corpse is!"

David frowned, wondering why a fresh corpse suddenly appeared here?

But at this time, Ge Yuhan, who was beside David, looked at the corpse, his face became more and more ugly...

"This...this is the Gorefiend..."

Ge Yuhan said with a trembling voice.

"Blood Demon?"

David was startled, and hurriedly looked at the corpse again, and found that the man's corpse was very young, only about 30, with clear eyes, not like that kind of devil.

And looking at the corpse, it seems that it has just died, how can it be a blood demon that has been dead for thousands of years?

"Girl, what Gorefiend? Do you know this person?"

Hu Mazi still didn't know what Gorefiend was, so he asked Ge Yuhan.

Ge Yuhan nodded: "I have seen Gorefiends, and our Guanghan Palace was slaughtered by the Gorefiends..."

"I didn't expect this Gorefiend to be so young, and for thousands of years, the corpse didn't rot at all, just like he just died..."

David was very surprised!

"No, he is not dead. As soon as I landed on the island, I felt his breath. Dead people don't have breath."

Ge Yuhan said.

When David heard it, he was taken aback. If this Gorefiend didn't die, then one of them wouldn't even want to live.

This kind of big devil who has lived for thousands of years must be very strong!

Seeing David's nervous appearance, Ge Yuhan continued: "Don't worry, although he is not dead, he cannot come back to life. Now he is afraid that he will only have a breath of infuriating energy to keep his body from rot..."

When Ge Yuhan said this, David's heart was relieved!

"It's fine since he can't survive, now I'll burn this guy's body to the ground, it's scary..."

David said, a light blue flame danced in his palm, followed by a burst of spiritual power injected into the flame, and a huge fire burned!

David pushed it, and the fire wrapped the Gorefiend's body, and it began to burn continuously!

But the fire burned for a long time, and the Gorefiend's body did not change in the slightest!

David was stunned at once, to know that he is a real fire, almost invincible!

But don't want to burn even a fleshy body?

"How is this going?"

David said in surprise.

"This Gorefiend is powerful, even if it is a physical body, it cannot be easily destroyed by others."

Ge Yuhan said.

When David heard this, his brows were slightly wrinkled, and he looked carefully at the fleshly body of the Gorefiend!

"This guy's body is so strong, if he can make a puppet corpse, wouldn't he be invincible in the world..."

At this time, Hu Mazi said something aside.

As soon as David heard it, his eyes instantly lit up. As Hu Mazi said, if he could make this Gorefiend's corpse into a puppet corpse and obey his orders, then he would be invincible in the world.

What martial arts alliance, go directly to overthrow and rescue Sonya!

But David doesn't know how to refine corpses, nor does he know how to refine puppet corpses!

"Master Hu, do you have a way to make this Gorefiend's corpse into a puppet corpse?"

David asked Hu Mazi.

"How could I do that kind of sorcery, I am a serious immortal cultivator, not an evil cultivator..."

Hu Mazi waved his hands again and again.

## Chapter 1735

"What do you think of Gorefiend? You still want to make his corpse into a puppet? It's a joke."

Ge Yuhan gave David and Hu Mazi a blank look and said.

This Gorefiend was a generation of Venerable Lord thousands of years ago, and even if he only has a breath of infuriating energy, his body is not something that can be easily turned into a puppet corpse by others.

When David heard this, he sighed: "Hey, it's a pity that this powerful body can't be destroyed, it can't be used..."

But Ge Yuhan's words changed at this time: "Although you can't make a puppet corpse, you can possess a soul to control the body of the Gorefiend, but the soul must be strong, and it is impossible to control the body for too long, otherwise the soul will be destroyed. devoured by the flesh."

"Soul possessed?" David was stunned, but then shook his head: "If I possessed my soul, wouldn't my own body become a walking corpse."

"You stupid, why do you have to send a soul, you can find a soul, and then bind it with your spiritual sense, and let him possess the blood demon flesh, so that you can control the blood demon flesh! "

Ge Yuhan smiled at David!

When David heard the epiphany, he slapped his forehead and said, "Yeah, why didn't I think of this method..."

"The method is good, where are you going to find that soul? And the strength can't be too bad, otherwise there is no way to control the blood demon body..."

Hu Mazi asked David.

David was stunned, but he soon realized that Fan Jiang's soul was still in his storage ring!

This guy is at the peak of Marquis Wu's strength. To control this blood demon body, there is definitely no problem!

Thinking of this, David hurriedly opened the storage ring and released Fan Jiang's soul!

As soon as Fan Jiang's soul appeared, it was directly controlled by David with his divine sense!

At this time, Fan Jiang's soul was very weak, and facing David, he could only bow his head.

"Fan Jiang, I left your soul and spared your life. Now I have found a body for you, and you can see the sun again."

David said to Fan Jiang's soul.

Fan Jiang was stunned. He didn't expect that David would really find a body for him?

Aren't you afraid of revenge after you find your physical body?

Looking at Fan Jiang like that, David knew what he was thinking, so he continued: "I will leave a piece of spiritual consciousness on you. If you dare to betray me, then I can immediately wipe you out..."

Hearing this, Fan Jiang hurriedly knelt to the ground: "I will never dare to betray Mr. Chen..."

David nodded, and then a golden light flew from his eyebrows and entered Fan Jiang's body instantly!

"This is the body I found for you, you can possess it!"

David pointed at the body of the Gorefiend and said to Fan Jiang.

Fan Jiang glanced at the Gorefiend's body, still very satisfied, and rushed towards the Gorefiend's fleshly body!

But just as Fan Jiang rushed up, he saw a ray of light emanating from the Gorefiend's body, instantly knocking Fan Jiang's soul into the air!

This time, everyone was stunned, and Fan Jiang took a deep breath: "What a powerful body, I... I can't get on it at all..."

David also looked at Ge Yuhan in surprise!

"The strength of this soul is too weak, so it can't break through the barrier of the blood demon body..."

Ge Yuhan explained.

"Wuhou Peak's strength is still weak?"

David was speechless for a while, this Fan Jiang is the strength of the peak Wuhou, and he can't possess the body of the blood demon, what kind of strength is needed?

Dawuhou?

Where did David go to find the soul of Dawuhou?

This time, David was like a deflated ball.

Since Fan Jiang's soul cannot be possessed, David can only put Fan Jiang's soul back into the storage ring!

Just when David was about to start, Fan Jiang suddenly said, "Mr. Chen, do you want to revive this body?"

## Chapter 1736

"Not bad!" David nodded.

"Although I can't possess the body, we can make this corpse into a puppet corpse, and then we can follow Mr. Chen's orders!"

Fan Jiang hurriedly said that he didn't want to be put into a storage ring by David!

"Do you know what strength this corpse is? You still want to make it into a puppet corpse?"

Hu Mazi snorted coldly.

"Any corpse is fine, as long as it's a corpse, I can practice it, even if it's the realm of transformation..."

Fan Jiang's face was full of self-confidence.

"You can really practice?" David had some doubts!

"Mr. Chen, I will never dare to deceive you..."

Fan Jiang said respectfully.

"Well, you refine it. If you can refine it successfully, I will definitely find you a fleshy body."

David said.

Fan Jiang looked puzzled: "Mr. Chen, I'm just a soul body now, and I can't refine it at all. I need to find a flesh body."

David looked at Fan Jiang and didn't speak for a long time. After a moment of stunned, he nodded and said, "Okay, I will find you a body, but if you dare to lie to me, I will definitely make you regret it..."

"Don't dare, now Mr. Chen is the Great Marquis. Even if I find my body, I am not Mr. Chen's opponent. How dare I deceive you..."

Fan Jiang quickly assured.

"Du Nan, go find a corpse..."

David ordered to Du Nan.

Du Nan nodded, and soon found a corpse. This corpse was full of beards, and his appearance was not very good!

Although Fan Jiang was a little disgusted, but now, as long as he can see the sun again, he doesn't care about that.

Soon, Fan Jiang was attached to the corpse, and with the bearded corpse opening his eyes, Fan Jiang woke up!

Looking at his body, Fan Jiang's face was full of excitement!

"Now you can make puppet corpses..."

David said to Fan Jiang.

"Mr. Chen, to refine such a powerful puppet corpse, you need to build a formation..."

Fan Jiang said.

David frowned: "How long does it take?"

"Just a few hours..."

"Okay, let Du Nan send someone to assist you, hurry up..." David nodded, then turned and left the forbidden area!

David and the others were tired and had to rest first.

"David, do you trust that guy that much?"

Hu Mazi asked David.

“He shouldn’t dare to lie to me. As the head of the evil cultivator, maybe he really has a way to make the Gorefiend’s corpse into a puppet corpse...”

David can only choose to trust Fan Jiang now!

Hours passed quickly!

Du Nan sent someone to call David and the others. When he walked into the forbidden area, David saw that in the middle position, a five or six meters high formation was set up!

Moreover, there are some magical instruments placed around the formation, which are estimated to be used to stabilize the formation.

“Mr. Chen, the array is ready, but there are no decent instruments here to stabilize the array. I’m afraid that during the refining period, the array can’t bear it and collapse. I don’t know if Mr. Chen has any advanced instruments?”

Fan Jiang asked David.

David shook his head with an embarrassed look on his face: “I don’t have any magic weapon either. I have a spirit sword, can I use it?”

Fan Jiang shook his head: “In order to be safe, I think we need to find a few magic tools...”

But now where can David go to find the magic weapon?

At this moment, Hu Mazi stood up: “What kind of magic weapon, I just need to draw a few spells to ensure that the stage is as stable as a rock.”

Hu Mazi said, took out the yellow paper, and then said something in his mouth, what did he draw on the yellow paper!

Soon, Hu Mazi drew the spell and posted it on all four corners of the stage!

Looking at Hu Mazi's talisman technique, Fan Jiang felt a burst of surprise. He didn't expect that there are people who are so proficient in talisman techniques!

## Chapter 1737

Fan Jiang ordered the Gorefiend's body to be placed in the middle of the stage, and then took it out and looked at David and said, "Mr. Chen, you still need a few drops of your blood essence to drip into the body, and then you can control him. !"

David nodded, jumped up and down on the stage, and then forced a few drops of blood essence from the eyebrows, dripping on the blood demon flesh!

When the blood essence dripped onto the blood demon flesh, it was instantly absorbed into the body!

And the Gorefiend's body seemed to be stimulated, and it started to twist!

David looked at Fan Jiang in surprise!

Fan Jiang jumped onto the platform and said to David: "Mr. Chen, during the time I am refining the puppet corpse, I must not be disturbed by anyone, otherwise it will be in vain."

"Don't worry, I will guard here in person, but how many days does it take you to refine the puppet corpse?"

David asked.

He couldn't protect Fan Jiang endlessly. If Fan Jiang lied, he couldn't make it at all. Then David and the others had to protect the law all the time.

Fan Jiang looked up at the sky, and then said: "The refining can be completed before dark..."

"Yes!" David nodded and jumped off the stage.

Soon, Fan Jiang slowly raised his hands, muttering words, and strange forces emerged from the ground, and then these forces converged on the Gorefiend's corpse!

David and Hu Mazi waited quietly to protect Fan Jiang!

Time passes by every second!

Seeing that it was about to get dark, Fan Jiang didn't move, and the Gorefiend's body didn't move either.

However, strange forces are still emerging from the ground!

David's face showed anxiety, but he could only wait!

At this moment, there was a sudden sound of fighting outside, and accompanied by two terrifying breaths, it was coming in the direction of the forbidden area.

David's face changed: "Someone is here?"

"The breath is not weak, the realm of the Great Marquis..."

Hu Mazi also frowned and said.

David glanced at Fan Jiang on the stage, and then said to Ge Yuhan: "Yuhan, you stay here, don't let anyone approach, I'll go out with Master Hu to see..."

Ge Yuhan nodded, and then David quickly rushed out of the forbidden area with Hu Mazi!

As soon as he rushed out, he met Du Nan who was in a panic!

“what happened?”

David stopped Du Nan and asked.

“Mr. Chen, it’s not good. Two people broke into the palace and came straight to the forbidden area. My people couldn’t stop it...”

Du Nan said anxiously.

As soon as David heard it, he immediately greeted him.

However, the closer the distance, the more ugly David’s face was, because he could clearly feel that the opponents were all of the late Dawuhou strength.

This kind of strength, David is not sure, if the two opponents are the strength of the late Dawuhou, then David can’t stop it at all!

No matter whether it can be stopped or not, David will always stop it, and they cannot be allowed to rush into the forbidden area!

Hu Mazi was also dignified at the moment, holding yellow paper in his hand, constantly drawing talismans!

When David and Hu Mazi rushed into the hall, they found that the ground was full of corpses, and a man and a woman covered in blood were walking towards the back of the palace!

“Stop, who are you? Why did you break into the palace and kill people indiscriminately?”

David stopped the two in front of him!

The man just glanced at David, and then said coldly, “If you don’t want to die, just get out of the way...”

After all, the man and the woman ignored David and walked straight to the forbidden land!

Seeing this, David smashed it with a punch, blocking the way of the two!

And the man immediately followed with a punch.

boom...

With a loud noise, David's body flew backwards instantly, and then his arms trembled slightly.

## Chapter 1738

The test of this punch let David know that the opponent's strength is far superior to himself!

"Who are you? What do you want? I can give you..."

David knew that if he used force, he and Hu Mazi might not be able to stop the two, so he wanted to delay time!

"We are from the Demon Sect, and now we have to take away the body of the Gorefiend..."

The man said to David.

"Devil Spirit Sect?" David was stunned, he had never heard of this sect, and how could the other party know that the body of the Gorefiend was here?

"What kind of blood demon body you said, we don't have it here at all. Did you find the wrong place?"

David pretended to be ignorant and said.

"Boy, stop pretending, what we said, you understand in your heart, if you hand over the blood demon body now, we can leave immediately, and we will never embarrass you..."

The woman spoke up!

"I really don't know..."

David shook his head.

"Pretend, I think you won't cry without seeing the coffin..."

After the woman finished speaking, she lifted her foot and kicked David!

The snow-white long legs arrived in front of David in an instant!

David quickly retreated, then grabbed the man's ankles with both hands, and pulled back suddenly!

And the woman jumped up with strength, her legs like water snakes, coiled around David's body!

David was instantly embarrassed to be in such close contact with a woman!

"Okay, you witch, come to me if you have the ability..."

Seeing this, Hu Mazi's eyes were red, and a spell was instantly thrown at the woman!

The spell exploded in the air in front of the woman, causing the woman to let go of David and flip back!

"David, you are strong enough to deal with that man, this woman let me deal with..."

Hu Mazi stared at the woman in front of her with a pair of eyes.

It's just that his gaze has been sweeping over the long snow-white legs of the woman...

The woman felt Hu Mazi's gaze, her brows wrinkled, and her face was full of disgust!

David looked at Hu Mazi like that, and felt speechless for a while, when is this all?

Hu Mazi still only has women in his eyes!

"Master Hu, that woman's strength is not weak, you have to be careful..."

David told Hu Mazi.

"Don't worry, I haven't learned anything during this time, I just learned how to deal with women and see how I clean up her..."

As Hu Mazi said, he threw several spells towards the woman, followed by Hu Mazi, rushing towards the woman!

bang bang bang ...

Several talismans exploded in the air, rising flames, directly blocking the woman's retreat.

At this time, Hu Mazi had already arrived in front of the woman, with a wretched face, she opened her mouth and arms and hugged the woman!

The woman's face was furious, and she smashed it out with a ruthless punch.

Just when the woman was about to hit Hu Mazi's chest with a punch, a spell on Hu Mazi's chest suddenly exploded!

The woman was startled, but she retreated and found that she was also blocked from behind!

At this time, Hu Mazi was already in front of the woman, and she reached out and touched the woman's face directly!

Seeing his hand, Hu Mazi quickly retreated, but he was still a step behind!

The woman was touched by Hu Mazi, and she was already very angry, she kicked her foot out!

He directly kicked the flax seeds and fell heavily on the ground!

Hu Mazi grinned in pain, but he muttered, "It's really tender, it's really slippery..."

David looked at Hu Mazi, he really didn't know what to say!

How did this guy get a girl to die?

"You are courting death..."

The man was angry, and a terrifying coercion erupted from his body.

David suddenly felt a lot of pressure on his body, and his legs were shaking slightly!

The flax was lying directly on the ground, and was pressed on by this coercion, unable to get up!

## Chapter 1739

David's aura was beginning to rise, trying to resist the pressure!

The golden light flickered from the body, illuminating the night sky, and the entire hall was filled with dazzling golden light!

The man looked at David, his eyes narrowed slightly: "I didn't expect your kid's body to be a good thing..."

Let's just say, the man's figure is fleeting, and then he arrives in front of David!

Then a punch hit David's chest!

David greeted him with a punch, and the two punched against each other!

boom...

A huge explosion sounded, and then David's body instantly retreated!

And the man's figure swayed a few times, and his wrists were slightly numb!

"If this body grows up, I'm afraid it will be even stronger than that Gorefiend..."

The man's eyes narrowed slightly, and his eyes were hot.

"Don't hurt him, grab it and keep it up, this is definitely a superior body..."

The woman's eyes were also full of brilliance, and her gaze towards David changed!

The man's face turned cold for a moment, and he looked at the woman and said, "Don't you like this kid?"

After the woman heard this, she frowned and said, "What nonsense, I just saw his body..."

"Then catch it, I don't care..."

The man seemed to be jealous, and he seemed to be angry, so he stopped and walked aside!

David looked at the man and the woman and felt speechless. The two completely ignored him.

The woman rolled her eyes at the man, then looked at David and said, "Little brother, listen to me, we will never hurt you, and we will make you stronger."

"I don't want to hurt you, so don't resist..."

The woman said and walked towards David!

Moreover, the woman's eyes were full of charm, and she was actually casting a charm on David!

It's just that this woman's charm is obviously not a strong point. Compared to the sisters Wu Mei'er and Xiao Lan, they are far behind!

David didn't even care about the charm of the sisters, how could he still be charmed by this woman?

David secretly smiled in his heart, but his face was expressionless.

Seeing David's sluggish face, the woman raised the corners of her mouth slightly, walked to David, and gently stroked David's face with her hands!

Seeing this, Hu Mazi angrily beat his fists on the ground: "It's too much, why don't you touch me?"

The woman exhaled like blue and whispered softly: "Little brother, listen to elder sister, go with elder sister, be good..."

The woman took David's hand and planned to take David away!

But just as the woman pulled David's hand up, a bright light suddenly flashed in David's eyes, followed by a sneer at the corner of his mouth.

Haven't waited for the woman to react!

David smashed it out with a punch of the Holy Light!

This punch slammed into the woman's stomach, instantly knocking the woman out!

Unprepared, the woman was punched by David, her body fell heavily to the ground, and there was blood dripping from the corner of her mouth!

"Damn, is this guy so cruel to women?"

Seeing this, Hu Mazi was shocked!

When the man saw David smash the woman out with one punch, he was instantly furious, and red flames began to rise from his body.

The flames wrapped the man's body, and a wave of heat swept through in an instant!

David looked at the flames rising from the man, and his face instantly became a little ugly!

This man actually knew how to control fire, and from the looks of it, he was at the level of perfection!

David stimulated the power of the dragon in his body, and golden lights flashed, followed by a golden dragon wrapped around David's body!

call...

I saw the man wave his palm, and the flames on his body attacked David, and the huge heat wave was also rolling.

David didn't dare to resist, he could only keep retreating and dodging everywhere, but the flames seemed to have eyes, chasing after David.

# Chapter 1740

Seeing this, David could only stop, and a light blue flame instantly ignited in his palm, with the blessing of a divine dragon, the flame rose up!

David decided to fight fire with fire, David's palm gently pressed down, and the light blue flame instantly burned on the ground, forming a wall of fire in front of David!

"You can still control fire, but you are too small..."

The man looked at the wall of fire in front of David and couldn't help sneering!

woohoo...

Soon, a group of flames penetrated the wall of fire and hit David fiercely!

A flame instantly rose from David's body, and he fell to the ground!

Immediately afterwards, I saw the man's body jumping up, and flames began to burn in the air. It seemed that the entire hall was burning with blazing fire!

The flames pressed down, with terrifying coercion, as if to shred David's body!

David gritted his teeth, all the joints in his body were rattling.

David's eyes turned blood red, and blood began to seep from his nose and mouth!

But just when the flame was about to fall on David from mid-air, there was a sudden chill, and then a stream of water mist rushed towards the flame, directly extinguishing the flame!

David looked surprised. He didn't know who was helping him. When he turned to look, he found that it was the woman who was helping him just now.

"what are you going to do?"

The man looked at the woman with anger on his face!

"You can't kill him, I'll..."

The woman walked towards David with a cold face, and it seemed that she was still brooding about the punch just now!

The man looked at the woman's expression and said nothing, but took a few steps back!

The woman looked at David, and the coldness on her body wrapped David directly!

David's body was rapidly condensing ice blue crystals, and icicles suddenly emerged from the ground, trapping David on the ground like a cage!

David wanted to break free, but his body was so stiff that he couldn't move at all!

"I could have given you a chance, but you ruined the chance with your own hands, so now you have to die..."

After the woman finished speaking, a sharp icicle suddenly appeared on the palm of the hand, aiming directly at David's head!

The power of the dragon in David's body is constantly surging, and the spiritual power in his dantian is also surging outwards rapidly!

He must break through a layer of crystals on his body, otherwise he will really die!

Just when the woman was about to attack David, the flax who was lying on the ground suddenly flew up and hugged the woman's snow-white thigh...

"David, run quickly..."

Hu Mazi yelled at David!

"what..."

David shouted angrily, the crystals on his body shattered, and then David jumped up, turned his head and ran towards the forbidden ground!

He knew that he was by no means the opponent of these two people in the fight!

The woman was stunned for a moment, and then wanted to chase David, but found that Hu Mazi was hugging her leg and kept rubbing her face on her leg in disgust!

"Let go, let me go..."

The woman kicked Hu Mazi vigorously, but Hu Mazi would not let go.

At this moment, when the man saw David escape, his body jumped up, his fists were wrapped in flames, and then he punched David.

This punch is extremely powerful, and it carries a wave of heat!

David didn't dare to stop, the Dragon Slaying Sword appeared in his hand instantly, and turning around was a slashing out!

clang...

With a loud noise, a terrifying force came from the Dragon Slaying Sword, which almost made the Dragon Slaying Sword in David's hand fly away!

With the help of this power, David's figure rushed forward very far!

"Damn, this power is too terrifying..."

David did not dare to stop at all, and continued to run forward!

The man is chasing after David again!
