## Chapter 2085 – 2086

### Chapter 2085

David put away his consciousness, and Hu Mazi no longer shook the bell!

Shi Qingpei's father and son's faces were ugly, looking at the big bell in Hu Mazi's hand, their eyes were full of fear!

"Dad, you've been in seclusion for so long, what kind of magic weapon did you practice? How can you see someone's big bell, it just doesn't work..."

Shi Yan complained and looked at his father.

Shi Qingpei didn't say a word, and he didn't understand what was going on. He had been practicing in seclusion for so long, how could he say that if he didn't work, he wouldn't work!

Is it really because he was scared by the big bell of the other party?

"The secret order I took away, if I'm in a good mood, maybe I will send it back to you..."

David took the secret order, turned around and left!

With Shi Qingpei like this, there is a high probability that David will not be sending the Secret Order back!

“Stop...”

Seeing that David was going to take away the secret order, Shi Qingpei shouted!

Immediately afterwards, dozens of members of Bailian Pavilion surrounded them with various instruments!

Seeing this, David asked coldly: “You want to do something to me?”

“Yes, keep the secret order, it is our treasure, how can you easily take it away!”

Shi Qingpei said loudly .

The reason why he gave the secret order to David just now was because he thought that David would be under his control soon, and the secret order would be able to get it back!

Now I find that my soul bell is useless at all, so I can only use force!

David’s face instantly became extremely cold, and the murderous aura on his body began to rise!

“You think clearly, if you do it, then your Bailian Pavilion will cease to exist...”

David said coldly.

“Don’t tell me anything else, keep the secret order, you can leave, if you don’t stay, you will take it back even if you try your best.”

“I don’t believe so many people, there are so many I can’t deal with the two of you...”

Shi Qingpei knew that David's strength was very strong, but he had so many magic weapons, this is his confidence!

"Humph..."

David snorted coldly, and then suddenly stretched out his palm, and he came to a member of Bailian Pavilion in an instant!

As soon as he made a move, he smashed the head of the Bailian Pavilion member, and even the magic weapon in the hand of the Bailian Pavilion member was instantly turned into powder!

No one reacted, and David returned to his original place!

Such a fast speed made Shi Qingpei stunned at once!

"Kill him..."

Seeing this, Shi Qingpei knew that he couldn't let David break them all, so he shouted!

Soon, more than a dozen members of Bailian Pavilion urged the magic weapon to attack David.

In addition, some people went towards the flax seeds!

Hu Mazi took out the purple gold gourd unhurriedly, smiled lightly: "Today I am going to consecrate the purple gold gourd..."

Let's talk, a ray of spiritual power entered the purple gold gourd, and then the purple gold gourd made a great light!

A terrifying force shot out from the gourd, and a member of the Bailian Pavilion rushed in front, and was instantly penetrated by this force!

Shi Yan looked at the purple gold gourd in Hu Mazi's hand, and his teeth were itchy.

On the other side, David was full of murderous aura, his fists shone with golden light, and he suddenly smashed out with one punch!

boom!

With a tight punch, the three or four Bailian Pavilion members in front of them were all knocked out, and the magic weapon in their hands was instantly shattered!

The rays of light emitted by other instruments hit David, but they had no effect, just like a ticklish!

Seeing such a scene, Shi Qingpei immediately took a breath!

"Son, hurry up..."

## Chapter 2086

Shi Qingpei pulled Shi Yan, turned around and ran away!

However, David didn't chase after him. After all, he came to borrow the Heavenly Secret Order, and he didn't really want to kill Bailian Pavilion!

Seeing Shi Qingpei and his son running away, the other members of Bailian Pavilion also left in a rush!

In the quasi-instantly huge hall, only David was left with Hu Mazi!

"Damn, I haven't had enough fun yet, why did I run away?"

Hu Mazi cursed while holding the purple gold gourd!

“Okay, we’re here to get the secret order, not to kill people.”

After David finished speaking, he planned to leave. After he got the secret order, he had to rescue Sonya as soon as possible!

“Wait a minute...”

Just when David was about to leave, Hu Mazi stopped him!

“Master Hu, is there anything else you can do?”

David asked in confusion.

“It’s such a pity that we just left with so many instruments...”

After Hu Mazi finished speaking, he began to look for things to install instruments frantically!

When David saw this, he directly opened the storage ring and swept away all the instruments!

Although David can’t use these instruments, giving these instruments to those in Longmen will definitely increase the strength of Longmen!

David followed Hu Mazi back to Kyoto!

With the secret order, David can open the entrance to the secret realm of Demon Heart Sect, and he can rescue Sonya!

When the two arrived in Kyoto, it was already dark, but David didn’t dare to rest at all, and rushed to the entrance of the secret realm with the secret order!

Zhou Jie had already received the news in advance and was waiting for them at the entrance of the secret realm!

I saw that the entrance appeared with Zhou Jie's hands waving, Zhou Jie said to David: "Mr. Chen, where is the secret order?"

David handed the secret order to Zhou Jie, and Zhou Jie gave a spiritual Break into the secret order!

In an instant, the Heavenly Secret Order shone with light, and then Zhou Jie directly threw the Heavenly Secret Order to the entrance of the secret realm, accompanied by a burst of bright light.

With a humming sound, the entrance to the secret realm in front of him emits rays of light, and the dazzling rays of light illuminate the entire dark night!

After the entrance was opened, the secret order returned to Zhou Jie's hands!

"Mr. Chen, the entrance is open!"

Zhou Jie handed the secret order to David, but David didn't pick it up!

"Heavenly secret, please save it first, I want to go in to save Yuqi, so I don't know what's going on, it's not safe to put it on me..."

David entered the secret realm to save Sonya, after all, it was an unknown environment, David didn't know himself What danger will be encountered!

"David, I'll go in with you..."

Hu Mazi said.

"Master Hu, you should stay outside. I'll go ahead and explore the way. If I encounter danger, I can escape."

After all, Hu Mazi's strength is much weaker, so David did not agree to let him follow him. Get in!

After David finished speaking, he walked towards the entrance, and soon his body disappeared in the light!

Just as David's body disappeared, the void suddenly shook, and the entrance in front of him was instantly closed!

This time, Hu Mazi and Zhou Jie outside panicked!

"What's going on?"

Hu Mazi asked.

"I, I don't know..."

Zhou Jie hurriedly activated the spell, but the entrance in front of him did not appear at all!

Soon Zhou Jie's head was full of cold sweat!

"It's broken, it's broken, we're afraid we've been fooled by the Demon Heart Sect."

Hu Mazi looked at the disappearing entrance and stomped his feet anxiously!

But at this time, David didn't know it at all, he only felt a strong light flashed in front of him, and then all the scenes changed!

Although the time and space in the secret realm is the same as that in the secular realm, it is still dark night, but with the aura full of spiritual energy and the lush green forests, the environment here is much stronger than the secret realm of Fire Gate where the Ge family is located!
