

A Man Like None Other Novel

Chapter 2153 – 2154

Chapter 2153

After Tong Youcai and his mother left, Tong Haiyang's expression became cold!

"Could it be that if you destroy the law, will you really be punished by God?"

Tong Haiyang stared out the window blankly, looking at the blue sky!

Even if they don't ask about the world, they are hidden from the world, but if they want to become immortals and become Buddhas, it is still as difficult as going to the sky...

Even if they have become gods in the eyes of ordinary people, only they know it!

They are still a long way from the true God!

At this time, Tong Youcai, who had walked out of the room, happily said to his mother, "Mom, see if you don't, this is an opportunity, our chance is here!"

"This time, I must compare that Tong Yougong. In the future, Tianlei Pai will be mine!"

"But you have to hurry up and tell Uncle Wang, let him modify my genes!"

Tong Youcai's mother looked at her son and nodded: "Don't worry, I've got your Uncle Wang done, you can modify your genes at any time, and your Uncle Wang said that he will support you."

"Hahaha, that's great, with Uncle Wang's support, even a child has merit. No matter how talented you are, Lei Pai will be mine sooner or later."

Tong Youcai laughed excitedly.

"Son, you just boasted about Haikou in front of your dad. How are you going to deal with the person who hurt your eldest brother?"

"If he can hurt your eldest brother, it proves that he is not weak, and you are definitely not an opponent." The

woman asked worriedly.

"Mom, don't worry, I've already inquired about it, that guy named David doesn't have much strength, but the elder brother underestimated the enemy and was injured!

"Strength, if it wasn't for someone from the Pure Yang Sect, that guy would have been brought back long ago!"

"And there is a more important thing, that David should be an evil cultivator."

"As long as I catch him and learn his evil cultivating method, and adding genetic modification, the whole hidden world is afraid that there will be nothing. People are my opponents."

"At that time, Tong Youcai can only be a resource for my cultivation..."

Tong Youcai's eyes flashed with endless greed, it seems that his ambitions are not only the Tianlei faction!

"But how did you ask Chunyang Sect to hand over people?" The woman continued to ask.

"I just need to inform the other sects about the Pure Yang Sect's protection of Xie Xiu. When the time comes, we will go and ask for someone. I believe that the Pure Yang Sect will definitely give someone." Tong Youcai said with a slight smile.

"Well, I'll tell you Uncle Wang and let him accompany you. I've secretly accompanied him for so many years, and it's time for him to repay our mother and son!"

After that, Tong Youcai's mother left in a hurry!

Tong Youcai, on the other hand, has endless greed flashing in his eyes

.....

Pure Yangzong!

David slowly opened his eyes, looking at the clean and tidy room, David frowned!

Because he can't remember where he is!

He only remembered the moment before he fainted, and then he remembered nothing!

Slowly getting up, David moved his body and found that there was no major problem. Then the spiritual power swam around in the body and found that it was also unobstructed!

"Where is this? Who saved me?"

David muttered, wanting to open the door and go out!

But just after the door was opened, they bumped into a beautiful figure!

"I'm sorry..."

David quickly apologized!

And this figure is Liu Rui, Liu Rui is holding a bowl of lotus seed soup in his hand, and David is scattered!

"You...you're awake, I'm so sorry!"

Liu Rui hurriedly wiped David's body!

David looked at Liu Rui and recognized at a glance that this was the girl with a boy and a girl on the side when he and Tong Yougong were fighting!

Chapter 2154

At that time, both of them looked at him with murderous intent. Although David didn't know the reason, he was sure that the two would not be friends!

But looking at the girl's expression and expression now, it doesn't seem to be malicious!

"Where am I? What's your name? How many days have I been in a coma?"

David asked Liu Rui.

"My name is Liu Rui, this is the Chunyang Sect, and my master rescued you."

"You have been in a coma for three days and three nights, and I almost thought you couldn't survive!"

Liu Rui smiled slightly. .

"What kind of Tianlei faction does your Pure Yang Sect follow, and it is also the Hidden World Sect?"

David asked.

"I don't know if I should say something, but I'd better call my master!"

After Liu Rui finished speaking, she turned around and was about to go out!

But as soon as he turned around, Liu Xing walked in and saw that David was awake, and Liu Xing said with a trace of anger in his eyes: "My life is really big, and it was really saved by Master, and Master did not hesitate to save his own life. Zengyuandan gave this evil cultivator, I really don't know what the master thinks."

"Brother, the master said that he is not a cultist, and the master will definitely not be wrong."

"And how could the evil cultivator attract such a large number of people? As for the power of faith, there must be a misunderstanding here."

"I'm going to call Master over now!"

Liu Rui went to call Yue Buqun after she finished speaking!

But Liu Xing still looked at David with cold eyes.

David knew that the other party had misunderstood, and quickly explained: "This brother, I'm really not an evil cultivator, absorbing that Jueyuan's strength is just a part of my ability in the practice."

"I didn't kill and absorb other people's strengths for the sake of cultivation, and I didn't kill any ordinary people. I hope you don't misunderstand."

Since he was saved by the other party, David felt that it was necessary to explain clearly.

"Hmph, you are not an evil cultivator, how could you be able to injure Tong Yougong, the Martial God, with your Martial Saint realm?"

"Even I can't hurt that Tong Yougong, you are a little Martial Saint, why can you? "

It's clear that you are an evil cultivator, I don't know what kind of evil cultivator you used!"

Liu Xing snorted coldly, not believing what David said at all!

David opened his mouth and didn't know how to explain it!

At this moment, an old and stern voice came.

"Xing'er, your arrogant temperament must be changed. If you can't do something, don't you allow others to do it?"

"You have such a jealous mind, why don't you practice more!"

Yue Buqun came in and reprimanded Liu Xing!

Liu Xing bowed his head and said nothing!

"David, this is my master, Yue Buqun, the sect master of Chunyang Sect..."

Liu Rui was introduced to David!

"Sect Master Yue, thank you for saving your life!"

David thanked Yue Buqun!

"Little brother is too polite, saving the dead and helping the wounded is what my martial arts world should do."

"It's just that many people have forgotten their original intentions in pursuit of fame and strength."

"Now seeing you recover, I'm also happy!"

Yue Buqun showed a kind smile on his face!

But just after speaking, Yue Buqun's face suddenly changed, and then he coughed violently, and his breathing became short!

Seeing this, Liu Xing and Liu Rui hurried forward to support Yue Buqun!

"Junior sister, quickly get the medicine for Master..."

Liu Xing said to Liu Rui.

"Oh..." Liu Rui nodded, then took out a porcelain bottle from Yue Buqun's pocket, and poured out a pill from it!

After stuffing the pill into Yue Buqun's mouth, Yue Buqun soon recovered!

"It's an old problem, it made my little brother laugh..."

Yue Buqun smiled awkwardly.

At this time, Liu Rui, who was beside him, was holding the porcelain bottle, frowned and said, "Master, you...you have only one Zengyuan Dan left?"
