it", the golden dragon of David was instantly suppressed!

"Hahaha, I have thousands of believers, and I have an inexhaustible power of faith."

"If you fight with me, the final result will be exhaustion and death..."

Jue Yuan went crazy. Laughing, the endless power of faith makes Jueyuan become rampant!

At this time, David looked at the rampant Jue Yuan, and a smile appeared on the corner of his mouth!

"You have the power of faith, and so do I. I'll show you the power of my faith..."

David said lightly.

"You talk nonsense, you don't have believers, how can you get the power of faith, it's just nonsense..."

Jueyuan didn't believe that David had the power of faith at all!

"There are more than a million followers of mine, how can you be a little host like you!"

After David finished speaking, he saw his hands clenching the magic formula, and suddenly a ray of light shot straight into the sky!

At this moment, in the island country thousands of miles away, all the statues of David began to glow faintly!

Tens of thousands of statues, exuding the power of devout faith at this moment, then gathered together and quickly went in the direction of David!

You must know that this is the power of faith in the entire island country, and this power of faith is countless times stronger than Jue Yuan's!

The overwhelming power of faith, covering the entire sky, is galloping towards David at a high speed!

"Can you die if you don't brag? What kind of thing are you? How can you have the power of faith?"

Shi Yan said to David with disdain!

But David ignored him and waited quietly!

In the mid-air, the golden dragon and the Buddha were already fighting fiercely. At this time, the golden dragon began to feel a little helpless, but David did not panic at all!

The overwhelming power of belief has passed through the vast sea, through the alpine jungle...

Somewhere in a primitive mountain, an old man is sitting on a boulder, teaching the disciple in front of him the spiritual method!

When the power of faith passed through the sky overwhelmingly, the old man couldn't help but raised his head!

"How can there be such a huge power of faith?"

"It's weird, it's weird..." The

old man frowned slightly, then said to a man and a woman: "Xing'er, Rui'er, you two follow this power of faith. Let's see, who in the end is capable of possessing such a huge power of faith..."

A man and a woman stood up, nodded and said, "As per your order..."

Soon, the two stepped on the sword, and the sword flew. Go in the direction of the power of faith!

At the same time, in the uninhabited places in Daxia, there are several figures, and they are also rushing away in the direction of the power of faith!

David didn't know that his random power of faith attracted the attention of some hidden sects and gangs in the martial arts world!

Roar...

In mid-air, the golden dragon roared and uttered long roars, and was then slapped by that Buddha's palm!

Immediately afterwards, Jinlong's body turned into a little golden light, and it dissipated in an instant!

In the end, it was the golden dragon that David transformed into defeated!

Seeing this scene, Shi Yan instantly burst into laughter.

"Hahaha, you lost, what about your power of faith?"

"Why did I not see your power of faith for so long?"

Shi Yan took two steps forward and asked David provocatively.

"Don't worry, it will be here soon..."

David said calmly.

“You stop pretending, the power of your faith is in the sky, it’s not until so long?”

“It’s useless for you to delay time in this way, today you are sure to die!”

Shi Yan said with a sneer .

But as soon as Shi Yan finished speaking, he suddenly found that there was a change in the sky, and the breath of the sky was rushing towards this side!

Shi Yan was startled by this, and he thought it was an expert. After all, this kind of aura is not something that ordinary warriors can emit.

it” and Najue looked at the sky in the distance, his face changed and changed, and finally he opened his mouth and his body trembled slightly!

“The power of faith, this is the power of faith...”

Jueyuan looked at the overwhelming power of faith incredulously.

“What? How is that possible?”

Shi Yan also looked at David in shock!

However, David showed a sneer, and then his body jumped up, instantly suspended in the air!

The overwhelming power of faith directly wrapped David, and a large amount of the power of faith entered David’s body!

David, whose spiritual energy was almost exhausted, was instantly filled in his dantian, and a large amount of the power of faith was all stored in David's body, waiting for David to refine it!

After absorbing all the power of faith, David's body slowly fell to the ground, exuding that kind of reborn temperament!

Jueyuan was stunned, completely stunned!

He has never seen such a huge power of faith!

With so much faith, he didn't know where David got it.

"You... Who the hell are you? Do you have such a huge power of belief?"

Jueyuan asked David incredulously.

"I said I was a god of a country, would you believe it?"

David said with a faint smile.

"You are talking nonsense, you are only a mere martial sage, how can you be a god!"

Jueyuan simply did not believe what David said, how could a fifth-rank martial sage be a god of a country.

"Forget it if you don't believe it, now it's time for you to taste the power of my faith..."

After that, David jumped up with the Dragon Slaying Sword in his hand.

The dazzling sword light soared into the sky, and then slammed towards the Buddha!

The mountain-like sword light slashed at the Buddha fiercely. The Buddha did not resist in the slightest, and instantly turned into nothingness!

At this moment, a few hundred meters away from the Kuchan Temple, a man and a woman stepped on flying swords, looking down at everything in front of them!

"Senior brother, who is this man? It's obviously not the cultivation of the fifth-rank Martial Saint, but the strength he exudes is afraid to surpass that of the Martial God. I'm afraid it is difficult for you and me to resist the sword just now, right?" The

girl Some incredible questions.

"Hmph, that's just a false move, just that sword, I can easily block it, the fifth-grade Martial Saint's cultivation base, he has the ability, it is impossible to show the strength of the Martial God!"

"But those just now . The terrifying power of faith is absorbed by this man, so that sword just now makes you mistakenly think that you have more power than the god of war." The

man snorted coldly, with a proud look on his face, obviously looking down on David's sword !

"Liu Xing, this son can absorb so much power of belief, and he can also cut out a sword with the strength of Martial God, it means that there must be something special about him. I don't know when your arrogant temperament will change. What about a change?"

At this time, several figures appeared in front of the man and woman, and the leader was a handsome young man in white!

"Tong Yougong, why did you Fenglei faction come here?"

Liu Xing asked coldly, looking at the young man in white.

"This is not the territory of your Pure Yang Sect, why can't I come?"

"You are here for the power of faith, and of course I am..."

Tong Yougong said with a playful smile.

"Brother, don't say it anymore..." The girl grabbed Liu Xing and planned to stay away from this Tong Gonggong!

"I haven't seen you for a long time, Miss Liu Rui is getting more and more beautiful."

"It's a pity that if you enter the Pure Yang Sect, you won't be able to get married, and you won't be able to enjoy the fun of being a woman!"

Looking at the girl, Tong Yougong showed a few lewd smiles on his face.

"Tong Yougong, you're fu**ing courting death..."

Liu Xing frowned and was about to start!

However, Liu Rui held him back, and finally kept away from that Tong Gonggong!
