

A Man Like None Other Novel

Chapter 2255

"Old Qu, we broke in rashly, we offended!"

Hu Mazi and the others hurriedly nodded their heads and bowed!

"I have nothing to entertain on this deserted island. These monsters are roasted and eaten, and they are still very fragrant."

After that, Qu Yunchang prepared to roast meat for Chen Ping and the others!

And Hu Mazi walked towards Chen Ping with a puzzled face: "Chen Ping, what's going on?"

"What's going on?" Chen Ping pretended not to know and asked.

"Why did this old monster suddenly become so good?"

Hu Mazi asked.

"I don't know, maybe I was convinced by my strength." Chen Ping said jokingly.

Hu Mazi rolled his eyes at Chen Ping, he knew it was definitely not for this reason!

But since Chen Ping didn't want to say it, Hu Mazi didn't ask!

The barbecue will be ready soon, Chen Ping and the others will start eating!

At the same time, above the seaside mountains, Wang Defa from the Tianlei faction had already chased him here!

At the same time, there is also the Qishajun of the Feixing faction...

This Qishajun is the killer of the Feixing faction, and his status is higher than that of the elders. This time Leng Wudao sent the Qishajun, it can be seen that I want Chen Ping to die!

Looking at the vast sea in front of him, Wang Defa's eyes narrowed slightly.

"Wang Defa, you Tianlei sent the second young master to be killed by that Chen Ping, did Tong Haiyang send you to hunt down that Chen Ping?"

"Don't when your strength is not as good as that of Chen Ping, you will be killed..."

Qishajun said to Wang Defa. Wang Defa snorted coldly, but did not reply, because he knew that as the trump card of the Feixing faction, Qishajun, no one knew his true strength, but his strength was definitely not below him!

Seeing that Wang Defa didn't speak, Lord Qisha didn't stimulate him, but looked towards the sea and continued: "That kid must have gone by water, but monsters are rampant in this waters, and there is an old monster blocking the way, they I 'm sure I can't escape."

"Go cut some trees to make a raft, and we'll catch up..."

Qishajun instructed the disciples of the Feixing Sect.

Soon, the Flying Star faction took action and planned to pursue it from the waterway.

And Wang Defa has been staring at the sea in a daze, the expression on his face is very solemn, he knows the danger of this sea!

But remembering the tragic death of Tong Youcai, Wang Defa said with a heart: "You guys also go to cut down trees and make rafts..."

Wang Defa asked the disciples of the Tianlei faction to cut down trees, and planned to go to the sea to chase Chen Ping. He must avenge his son!

Just after the people from the Tianlei faction and the Feixing faction went to sea, another group of people appeared where they were standing!

This group of people is Fen Tianjiao, Yao Qing looked at Wang Defa and Qishajun who had gone far, and the corners of his mouth twitched! "Two idiots

, who dared to go to sea to chase after them, just based on their ability, even if they don't bury themselves in the mouth of the monster, they will be killed by Chen Ping."

It's flat, how can these two be rivals!"

Yao Qing knew Chen Ping's true strength, after all, the Great Protector said it himself!

But the Feixing faction and the Tianlei faction did not know, they always thought that Chen Ping's strength was only in the early stage of the Martial God!

"Sect Master, what should we do? Do we want to catch up?"

A Burning Heaven Sect cultist asked.

"Dare to go to this sea area, that is courting death, let's go back, then Chen Ping will not survive, because no one can escape from this sea area."

Yao Qing waved his hand and led people away, he knew that Chen Ping would definitely die!

Because with his strength, he dare not say that he can pass through this sea area, so Chen Ping is even more impossible.

“Cult Master, is there really an old monster in this sea area? That old monster is really so terrifying, making the entire Hidden Realm so jealous...”

Some cultists asked in confusion

Yao Qing heard it, there was a bit of fear in his eyes: “That old monster is the strongest person I have ever seen, and I am afraid that I am the only one who can escape in his hands. , that was more than ten years ago...”

Yao Qing was targeted by the three sects and six factions of the hidden world at that time, and the entire Burning Heaven Sect was almost wiped out, there is no place for him here. , so Yao Qing thought of looking for a foothold at sea!

As a result, Yao Qing took hundreds of people from the Burning Heaven Sect and went out to sea by boat, planning to find a deserted island and establish his own base!

However, he encountered a monster at sea, and it was not easy to kill a bloody road. He found a small island, but killed a strange old man from the island.

More than ten years later, Yao Qing still has a fresh memory, so he is in awe of this sea area and dare not step into it!

At this moment, Wang Defa and the Seven Demon Lords were sailing on the sea. When they saw the bodies of monsters appearing in a sea area, and when a large area of the sea was dyed red, they knew that there was a battle here!

"This Chen Ping should be nearby, the body of this monster was obviously killed not long ago, hurry up..."

Wang Defa saw the body of the monster and hurriedly ordered to speed up!

Seeing this, the Qishajun also ordered people to speed up and chase forward quickly!

Roar.....

Suddenly, a huge roar spread throughout the entire sea, the roar was like thunder, and the entire sea began to roll!

When Wang Defa and the Qishajun saw this, they were all stunned, knowing that they had encountered a monster.

However, the two of them were not afraid, on the contrary, their faces showed excitement, because of such monsters, beast pills are treasures!

And Chen Ping, who was eating barbecue on the road, also heard this roar!

Qu Yunchang's brows wrinkled, and murderous intent flashed in his eyes: "Someone dares to break into this water area and seek death..."

When Chen Ping heard this, he knew that this huge roar was made by someone who broke in and was made by a monster. alarm!

And Chen Ping can also guess that the person who broke in must have come to him, but he doesn't know which sect he is! "These people should be here to kill me..."

Chen Ping said lightly.

When Qu Yunchang heard it, his murderous aura became even stronger: "They dare to chase and kill Mr. Chen, I will kill them now..."

Qu Yunchang got up and was about to leave, but was stopped by Chen Ping .

"Old Qu, wait a minute, I'll go and see who dares to chase after me. If I lose, you won't be too late!"

Chen Ping planned to solve it himself. Then let Qu Yunchang take action.

Now that Qu Yunchang is behind him, Chen Ping is full of confidence, and he doesn't need to be afraid of the people from the three sects and six sects in the hidden world!

"Alright, if Mr. Chen is in danger, send a signal to me..."

Qu Yunchang nodded and said!

Chen Ping got up and left. After reaching the beach, Chen Ping used the method taught by Qu Yunchang to summon the monsters.

Then he jumped up, stood on the body of a killer whale monster, and then walked towards the place where the roar was just now!

At this time, Wang Defa and Qishajun were arguing over a monster in front of him!

"Seven Evil Lord, I killed this monster, the beast pill should be given to me..."

Wang Defa said.

"If I hadn't injured this monster, it would have run away long ago. You secretly attacked me when I wasn't prepared."

Qishajun said with a cold expression on his face.

The two gangs are fighting each other for the beast pill, and it seems that they are going to fight!

But at this moment, I saw a huge wave rolling in from a distance, and it was getting closer and closer!

Wang Defa and the Qishajun hurriedly looked into the distance, and found that there were dozens of monsters under the huge waves, huge bodies, swimming and setting off huge waves!
