### Chapter 2275

Boom.....

With another loud noise, the brilliance of the formation suddenly turned into a little starlight, scattered all over the ground, the formation arranged by David was completely broken!

"Kill..."

David saw this, holding the Dragon Slaying Sword, and rushed out with a loud roar!

Seeing this, Ge Yuhan followed closely behind David, because she wanted to protect David's safety!

"Kill..."

Jin Yuan and Lu Chang also raised their arms!

They rushed up with their subordinates. At this time, no one dared to hide their secrets. As long as they did not try their best, they would become Chinese food in the mouth of a monster!

David's figure, like a bolt of lightning, constantly shuttles among the monsters, and the Dragon Slaying Sword continues to harvest the monster's life!

Jin Yuan and Lu Chang also led people to fight with the monsters. Because everyone formed a circle, relying on each other to attack, so there was no flaw, and the many monsters could not break through this defensive circle for a while. !

"Roar..."

Accompanied by a loud roar, the monsters that were constantly attacking, as if they had heard an order, retreated collectively!

And David and the others were all covered in blood, and many people were injured!

Although the injury was not serious, the consumption of spiritual energy made them panting. Taking advantage of this time, they took a deep breath and wanted to rest!

The lost spiritual power cannot be recovered in a short time. If these monsters are attacking, it is estimated that they will not be able to last for long!

"If this goes on, we won't be eaten by monsters, and we will probably die of exhaustion..."

Lu Chang frowned!

Everyone didn't speak, because they knew that if it went on like this, they would really be exhausted!

"Everyone collect the beast pills, and take advantage of this time to take some beast pills, and maybe add some spiritual power!"

David greeted everyone to quickly get the beast pill!

After all, under their feet are all dead monsters., Now the resource that can quickly restore spiritual power, that is, beast pill!

“In such a short period of time, even if you eat the beast pill, it’s too late to refine it...”

Jin Yuan sighed.

“As much as you can refine, there is no choice now...”

After David finished speaking, he waved the Dragon Slaying Sword in his hand, and the insides of several monsters were thrown into the air. David sucked all of them in. in the belly!

The Heart Concentration Art is running fast, and it begins to refine the swallowed beast pill!

At this time, David was observing the retreating monsters. These monsters retreated 100 meters away and seemed to be waiting for the next attack!

On a raised boulder, the flaming tiger held its head high and stared at David and the others!

“It seems that the only way to capture the thief is to capture the king first...”

David looked at the flaming tiger and knew that as long as the flaming tiger was killed, all these monsters could be dispersed!

But it is not easy to kill the flaming tiger. The ground is full of hordes of monsters. The only way is to attack the flaming tiger from the air!

“Roar...” The

flaming tiger seemed to see David’s thoughts, and roared loudly in the sky, and hundreds of monsters began to act again!

"You block these monsters, I will kill the flaming tiger. Only by killing the flaming tiger can the beasts dissipate!"

David said to Jin Yuan and Lu Chang!

After all, it is almost impossible to kill so many monsters, and the spiritual power in their bodies cannot support them to kill all these monsters!

Therefore, the sword can only go to the side, catch the thief first and catch the king!

"David, with your strength, it is possible to kill the Flaming Tiger, I think I should try it!"

Jin Yuan wanted to kill the Flaming Tiger!

Jin Yuan did this not because he was afraid of David's danger, but out of selfishness. If he killed the flame tiger, he could get the beast pill of the flame tiger!

To know the beast pill of the flaming tiger, it is a priceless treasure.

## Chapter 2276

Jin Yuan didn't wait for David to answer, he jumped into the air, and then went straight to the flaming tiger!

Everyone followed the monster to kill, no one cared about Jin Yuan!

But just as Jin Yuan jumped up, when he was in the air, he suddenly roared and saw more than a dozen eagles rushing out of the air. These eagles were also huge, rushing towards Jin Yuan!

Jin Yuan was caught off guard, only to be surrounded by a dozen eagles, and then scratched by those sharp claws with scars everywhere!

It seems that this flaming tiger has long been prepared, knowing that someone will attack him from the air, so he set up an ambush!

If it wasn't for this Jin Yuan and David rushing on, it is estimated that David was the one who was ambushed!

"I didn't expect this beast to have such a mind, know how to observe the situation, and set up an ambush..."

David couldn't help but be very curious about this flaming tiger!

You must know that when monsters cultivate to a certain level, they can also open up their intelligence and think like humans!

Even some monsters continue to cultivate, they can transform into human figures, and they can cultivate into immortals in the end!

There are countless ways to become immortals, as long as you can persevere to the end, you can achieve positive results!

After Jin Yuan was injured by a sneak attack at this time, after a short period of adjustment, he recovered, and instantly took out the flying knife in his hand and threw it directly at those eagles!

Several flying knives swept through the air like lightning, exuding terrifying sharp edges, and several eagles were instantly penetrated by the flying knives and fell one after another!

It can be seen that Jin Yuan's strength is not weak, but he was just too eager to kill the flame tiger, so he was ambushed and injured!

"Roar..." The

flame tiger roared, and soon all kinds of flying monsters in the air rushed towards this side!

A piece of darkness in the sky, like a black cloud coming over!

Jin Yuan was stunned when he saw this scene, even if these monsters don't move, let him kill them casually, I'm afraid they will be exhausted and half dead!

Seeing this, David jumped up, followed by a flash of light on his fingertips, streaks of golden light shot from his fingertips, like bullets, and instantly moved towards the group of monsters!

A large number of flying monsters fell from the air, screaming and screaming, but because there were too many, even if David continued to blast out the rays of light, he still couldn't stop the attack of the monsters!

"What the hell are you doing?"

David roared angrily when he saw that Jin Yuan was still in a daze!

Jin Yuan reacted at this time and then spread his arms, and countless flying knives formed a pair of wings, making Jin Yuan suspended in the air!

Jin Yuan shook his arms, and countless flying knives flew out instantly. Those flying monsters suffered heavy casualties and fell one after another!

But David knew that if they continued like this, they wouldn't be able to last for long, and they had to find a way to kill the flaming tiger!

David raised the Dragon Slaying Sword, the power of the divine dragon continued to surround on the Dragon Slaying Sword, and a golden dragon slowly emerged!

When the golden dragon appeared, the eyes of the flaming tiger were obviously a little scared!

David slashed the Dragon Slaying Sword in his hand, and a beam of soaring swords shot out in an instant. After the golden dragon also uttered a dragon roar, it instantly rushed towards the flying monsters!

The addition of the golden dragon made those flying monsters in chaos, and David took the opportunity to take the flaming tiger and go away!

Seeing this, the flaming tiger jumped and avoided David's attack. It was just dodging and did not want to follow David!

And just when David and the others followed the bloody battle with the monsters, Ge Cangsheng in the secret realm of Fire Gate was furious at moment!

"Naughty, it's just nonsense, how can you take Mr. Chen to the Secret Realm of Monster Beasts?"

"I actually encountered a beast swarm inside. If Mr. Chen has three strengths and two weaknesses, I will never forgive you!"

Ge Cangsheng summoned all the clansmen, reprimanded them loudly, and prepared to rescue Davidren!
