

A Man Like None Other

Novel

Chapter 2287

When everyone saw Jin Yuan coming, they walked away one after another, and it seemed that they were still somewhat jealous of this Jin Yuan!

Jin Yuan glanced at David and the others, and then walked away angrily. In his opinion, this news must be the work of the Ge family or Tianluolou!

"This Jin Yuan always looks like a bull, he hasn't even been on the Billboard, what a bull!"

Hou Zhen looked at Jin Yuan like that, and couldn't help snorting coldly!

"Don't care about him, let's go around..."

David finished and continued to walk towards the depths of the castle.

Soon, David felt that a bell sounded in his ear, and the bell sounded melodious, shocking the soul!

"Monkey, did you hear the bell?" David asked Hou Zhen.

Hou Zhen shook his head, "No, where is the bell?"

Then Hou Zhen asked Ge Yuhan, "Miss Ge, did you hear it?"

"I didn't hear it either, where is the bell?"

"Mr. Chen doesn't . Could it be hallucinations?"

Ge Yuhan said!

"Maybe!" David shook his head, but the bell was still there.

David followed the voice and walked slowly to a copper door, which was engraved with many strange patterns.

But just when David wanted to push open the copper door, he was hurriedly stopped by Hou Zhen!

"Mr. Chen, you can't go in here. This is the bell tower. Only when the Secret Realm Conference officially starts and the bell is ringing will it open!"

Hou Zhen stopped David and said.

"Is there a clock in here?" David asked.

"Yes, there is a dragon-patterned bell on the clock tower. I don't know how many years it has existed. Every time the conference starts, the number one on the last Billboard will ring the bell."

"However, over the years, Yao Shenghui has been occupying the top spot on the list, so he rings the bell every time."

Hou Zhen said!

David heard that there was still such a rule, so he retreated and did not open the copper door!>

But at this moment, someone suddenly called David from behind!

"David...David..." A

surprised female voice came!

David was stunned. He didn't understand. He was in the Eight Great Secret Realms. Except for the Ge family, he didn't seem to know anyone else. How could anyone here call out his name?

David turned his head, and when he saw the person calling him, he was instantly stunned!

"Han...Han..."

David forgot the name of the girl in front of him for a while!

"My name is Han Qinger..." The

girl ran to David, not angry because David couldn't pronounce her name, on the contrary, her face was full of excitement!

David was slightly embarrassed and said, "Miss Han, I'm sorry..."

"It doesn't matter." Han Qinger shook her head, and then asked very strangely, "How did you come here? Are you also a person from the Eight Great Mysteries? I remember that you are secular. The world?"

"I..." David didn't know how to explain to Han Qinger.

"Mr. Chen, who is this lady?"

At this moment, Ge Yuhan stood up and asked.

"Oh, this is..."

When David was about to introduce, Han Qinger said by herself, "I'm Han Qinger from the Secret Realm of Thunder Gate."

"Hello, I'm Ge Yuhan from the Secret Realm of Fire Gate. Mr. Chen represents our Ge family. I'm here to attend the Secret Realm Conference."

Ge Yuhan explained to Han Qinger!

"I really didn't expect to see David here. The last time we parted, we were afraid..."

"Qing'er, the conference is about to start, why did you come here!"

Before waiting for Han Qinger After speaking, Lu Chang hurried over!

When Lu Chang saw David, the whole person was stunned. In his opinion, David chased the flaming tiger into the depths of the Monster Beast Mountains, it must be dead, but he didn't want to be alive!

"David, are you still alive?" Lu Chang asked in surprise.

Chapter 2288

"Young Master Lu, what are you talking about, Mr. Chen is not good, why are you asking this!"

Hou Zhen on the side said!

Lu Chang didn't even look at Hou Zhen, his eyes were fixed on David, his face was full of disbelief, "You chase that flaming tiger and enter the depths of the Monster Beast Mountains, haven't you encountered any danger? Where is the tiger?"

Lu Chang is very curious now, David entered the depths of the Monster Beast Mountains, what happened and how did he get out safely?

With David's strength, it is almost impossible to rush out from the depths of the Monster Beast Mountains!

But now the facts are in front of you, and David is standing in front of him, so Lu Chang is so surprised and curious!

"Lu Chang, do you know David?" Han Qinger asked in surprise.

"Well, we've met a few times, and in the secular world, we've met!"

Lu Chang nodded and said!

"Young Master Lu, I just chased for a distance, and I didn't go too deep. I came out quickly, so I wasn't injured!"

David explained with a faint smile!

As for the matter of subduing the flaming tiger, it is impossible for him to say it now!

The flaming tiger is now David's trump card, and it can only be exposed when it is most important!

"No wonder, almost none of those who entered the depths of the Monster Beast Mountains came out alive. Even if they were alive, they were seriously injured!"

Lu Chang heard that David did not go deep into the Monster Beast Mountains, and then he understood why David was still alive!

After speaking, Lu Chang took Han Qinger's hand and said, "Qinger, let's go, Uncle Han and the others are waiting..."

Lu Chang pulled Han Qinger away directly, while Han Qinger glanced at David, her face became a little embarrassed And ugly, he broke free from Lu Chang's hand!

Lu Chang was stunned for a moment, and looked at Han Qinger with a puzzled face.

You must know that the two of them are childhood sweethearts, and the two have long been preparing for their marriage!

Lu Chang didn't understand, what happened to Han Qing'er today, why she suddenly stopped holding hands!

"There are so many people here, don't tug at it..."

After Han Qing'er finished speaking, she walked straight towards the square!

Lu Chang, who was stunned, could only follow behind!

"Let's go too..." David said, and led Ge Yuhan and Hou Zhen to the square!

At this time, the square was already full of people, and on the high platform in the middle, a dozen people were sitting on it, and at first glance, they were the people in power in the major secret realms!

And behind these people, there are five people standing in front of them. Among these five young people, there is a woman with a white veil!

"Mr. Chen, these five young people standing are the five on the Billboard, and the one who is veiled is the only woman named Yu Jiameng, the eldest lady of the secret realm of Tianmen.

"The old man in front of Yu Jiameng is her father Yu Qian, the head of the Yu family, who should be regarded as the strongest person in the eight secret realms, and the right to speak at the secret realm conference is also in Yu Qian's hands!"

"And Yu Jia . The young man beside Meng is Yao Shenghui, who is number one on the Billboard, the eldest disciple of the Secret Realm Purple Thunder Sect..."

"..."

Hou Zhen introduced David one by one, and he could see that, Hou Zhen really knew a lot about the Eight Great Secret Realms!

This also gave David a preliminary understanding of the Eight Mysteries.

But when Hou Zhen introduced Han Fusheng from the Zixiao Mansion in the secret realm of Thunder Gate, David squinted his eyes, and a murderous intent rose from his body!

Hou Zhen felt the change in David's breath, and hurriedly asked, "Mr. Chen, what's the matter with you?"

David quickly put away his breath, and said with a faint smile, "It's okay, you continue to say..."

Chapter 2289

But what Hou Zhen was introducing later, David didn't listen to it at all. His eyes were fixed on Han Fusheng, and his mother should be in this Zixiao Mansion at this moment!

Soon, something suddenly came to David's mind, and he hurriedly asked Hou Zhen, "Monkey, how many people with the surname Han in the Leimen secret realm? Wouldn't it have anything to do with Han Qinger following this Han Fusheng just now?"

Hou Zhen shook his head "I'm not very clear about this, but then Han Fusheng does have a daughter. Maybe Han Qinger is Han Fusheng's daughter. After all, there are not many people with the surname Han in Leimen Secret Realm."

David frowned, he never I never thought that Han Qinger was actually from Zixiao Mansion. If so, then Han Qinger would become her own enemy!

At this moment, David's eyes suddenly lit up. He seemed to think of a way to rescue his mother. If he wanted to break into Zixiao Mansion and rescue his mother by relying on his current strength, it would be more difficult than reaching the sky!

But since that Han Qinger is from Zixiao Mansion, and is also Han Fusheng's daughter, then he can use his relationship with Han Qinger to enter Zixiao Mansion, trying to find a way to rescue his mother!

Thinking of David here, he hurriedly turned his head to look at everyone, trying to find Han Qinger's figure!

He must now have a good relationship with Han Qinger. If he can become a boyfriend and girlfriend, it will be more beneficial for David to rescue his mother!

Soon, David found Han Qing'er's figure. At this time, Han Qing'er was also staring at David!

When the two looked at each other, Han Qinger's face flushed and her eyes were dodging!

Seeing this scene, David instantly understood what Han Qinger was thinking!

David walked towards Han Qinger, Hou Zhen and Ge Yuhan saw this and hurriedly followed!

And Han Qinger felt a little excited and excited when she saw David walking towards her!

"Miss Han, are you here to participate in the competition?"

David took the initiative to follow. Han Qinger asked.

"Of course!" Han Qinger nodded, then glanced at David and said, "Is the jade I gave you still there ?

"

After Ping finished speaking, he directly took out the jade that Han Qinger had given from the storage ring!

At that time, David didn't feel anything special about this jade, so he threw it into the storage ring!

"Do you feel that the stone I gave you is very ordinary, so you didn't wear it and threw it directly into the storage ring?"

Han Qinger asked when she saw it.

"Oh, no, I'm just afraid of losing it, so I'm not willing to wear it!"

David explained!

"This jade seems to be ordinary, but it is a life-saving runestone. You can bring it with you to turn evil into good luck."

"Hurry up and bring it, maybe you can use it today in a fight!"

Han Qinger said to David !

"Okay!" David quickly put the jade on his body! At this time, seeing this, Lu

Chang frowned and said, "Qing'er, this is the life-saving rune that Uncle Han made for you. You wore it since you were a child. How could you give it to him?"

I don't know that Han Qinger was saved by David, and she doesn't know that Han Qinger has been obsessed with David since that day!

"It's my thing, it's up to you!"

Han Qing'er gave Lu Chang a blank look and said!

This time, Lu Chang was very shameless, and when David saw it, he followed Lu Chang and said, "Master Lu, this jade was given to me when I rescued Miss Han at the beginning."

"You saved Qing . My son's life?" Lu Chang was stunned for a moment, a little unbelievable!

David nodded and told the story about Han Qinger again. Lu Chang then remembered that Han Qinger had indeed sneaked out of the secret realm and was attacked, but he did not expect that David saved Han Qinger!

Chapter 2290

Since Han Qinger gave the life-saving runestone to David in return for David's life-saving grace, Lu Chang couldn't say anything!

He could only watch Han Qinger chatting with David fiery, and seeing Han Qinger's happy appearance, Lu Chang's heart was full of jealousy!

Now Lu Chang only hopes that the secret realm conference will start soon, so that David and Han Qinger can end their chat!

"Everyone, be quiet..."

At this time, on the high platform, Yu Qian, who was sitting in the first place, stood up and said loudly!

For a moment, everyone closed their mouths, and then looked at the high platform!

Seeing that it was quiet, Yu Qian continued, "This time the Secret Realm Conference is restarted, I like that you still have to take the attitude of learning from each other, and don't deliberately hurt others, as the so-called friendship is the first and the competition is the second!

" , Ring the dragon bell, and we have officially started the conference! "

But there are some minor changes this year, that is, this dragon clock, anyone can ring, but whether it can ring, then it depends on their ability. "

"When the time comes, don't ring the dragon bell, but you are backlashed and seriously injured, then the gain will outweigh the gain!" After Yu Qian finished speaking, he then looked at Yao Shenghui and said, "

Young Master Yao, please..."

Yao Shenghui nodded, then lightly tipped his toes, the whole person flew to the front of the clock tower in an instant, and then pushed open the copper door and walked in

! The moment the copper door was pushed open, a terrifying aura rushed toward my face!

The bell tower was only over fifty meters high, but it took Yao Shenghui half an hour from walking into the copper door to revealing his figure on the bell tower. Time!

"Okay..."

When Yao Shenghui's figure appeared from the top of the bell tower, many people applauded!

"It seems that Yao Shenghui's strength has improved a lot, and it took half an hour to reach the top. The clock tower is up! "

Hou Zhen couldn't help sighing.

"Is half an hour a short time? This clock tower is only fifty meters high, right?"

David asked in confusion.

"Mr. Chen, you don't know. Although this clock tower is not high, the way to the clock tower is full of magic circles. You need to pass through the magic circle.

"To be able to ring this dragon clock, this dragon clock is engraved with nine dragon-shaped patterns!"

"Every time it rings, there will be a golden dragon circling the bell tower, and Yao Shenghui can only ring it once!"

"Even the most powerful The strong Yu Qian, who has tried it before, struck five times at most, when five golden dragons roamed around, the scene was so spectacular!"

Hou Zhen explained to David, his eyes were full of anticipation and outward, it seemed that at that time The scene of the five golden dragons roaming around shocked him very much!

"It turns out that there are so many things to do when it comes to ringing this dragon bell, I'll try it later..."

David couldn't help being interested in the dragon bell! "David, with your strength, you still want to ring the dragon bell? I'm afraid you won't be able to climb the bell tower."

Feel free to try it!"

Lu Chang on the side said to David!

David's hot chat with Han Qinger just now made Lu Chang feel dissatisfied with David!

"No matter if we can ring it, we should try it. If we are so scared that we don't even have the courage to try, what can we do, no matter how high our cultivation level is?"

David said with a slight smile!

“David, you are from the secular world, so you don’t know the horror of this dragon clock. When you see it, you probably won’t say that!”

Lu Chang sneered, not saying anything!

“David, don’t be rude. You can’t knock this dragon clock. Let’s see if other people on the Billboard dare to try it!”

Han Qinger urged David!

David didn’t speak, but his determination to ring the dragon bell could not be changed, and he seemed to be able to feel that the dragon bell was calling him!
