Chapter 2295

After Yu Qian finished speaking, no one saw Yu Qian's movements, but they saw that his body had already fallen from the high platform and fell outside the clock tower!

Immediately afterward, Yu Qian's body aura began to rise, and the aura burst violently, straight to the sky, everyone felt this aura, and all of them trembled slightly!

I saw Yu Qian push open the copper door of the bell tower with one hand and walked in. Everyone was silent, watching quietly, waiting, waiting for how long Yu Qian could pass the road to the top of the bell tower!

Yao Shenghui stood behind his master and stared at the direction of the clock tower!

"Shenghui, you can't hold your breath anymore. I know that you have the Spirit Enhancement Pill in your hand. As long as you eat the Spirit Enhancement Pill, you will definitely be able to knock out the three dragons soaring."

"But have you ever thought about it? Next, if you take the elixir, will others not be able to see it?"

"If these people trace it, the origin of the elixir will not be explained."

Yao Qisheng sat on the stone bench and used the sound transmission technique to explain the origin of the elixir. Yao Shenghui reprimanded.

Yao Shenghui lowered his head slightly and said nothing!

At this moment, everyone suddenly burst out in amazement, only to see Yu Qian's figure already appearing at the top of the clock tower!

"This... This Patriarch Yu's strength is too strong, how long did it take to reach the top?"

"Ten minutes? Shouldn't it be less than ten minutes?"

"Let's not say how many times Patriarch Yu can ring, just I'm afraid that Yao Shenghui can't catch up with the speed of this summit."

"No, a small number one on the Billboard doesn't know what his surname is, and he still compares with the head of the family!"

Everyone was shocked at the same time. , also began to ridicule Yao Shenghui!

You must know that when Yao Shenghui rang the dragon bell twice, they all flattered Yao Shenghui.

But Yao Shenghui didn't know what to do, but he followed Yu Qian, and everyone turned to Yu Qian!

Anyway, Yu Qian is a matter of people in the Eight Great Mysteries, who doesn't give some face?

Yao Shenghui's face was also embarrassed at this time, and his face was red and white.

At this moment, I saw Yu Qian picking up the clock hammer, looking very relaxed, not as laborious as others!

Immediately afterwards, the bell hammer slid across the air, and an afterimage appeared in an instant, and then hit the dragon clock heavily!

Om...

A melodious bell rang, followed by a huge breath that set off a wave of wind and waves, heading in all directions.

All the people in the square felt their breathing stagnate and their minds were shaking!

The dragon-patterned clock kept shaking, and a golden dragon rose from the dragon-patterned clock in an instant!

Before everyone could react from the huge breath, another melodious bell rang!

Another golden dragon soared into the air, and two golden dragons hovered in mid-air, constantly soaring!

Om...

Yu Qian waved the bell hammer in his hand again, and the third bell sounded!

These three strokes are almost done in one go, and I can't see why it is difficult for Yu Qian!

"Three dragons take off..."

Everyone looked excitedly at the mid-air, three golden dragons took off and circled around the clock tower!

At this time, I saw Yu Qian holding the bell hammer high again!

"Is Patriarch Yu about to strike the fourth blow?"

“Could we be able to see the scene of the four golden dragons taking off?”

Everyone looked at Yu Qian in shock, all looking forward to Yu Qian’s fourth strike!

Om...

Finally, the bell hammer in Yu Qian’s hand fell again and slammed into the dragon clock. A dragon pattern on the dragon clock turned into a golden dragon and hovered in the air!

“Four, really four...”

“Patriarch Yu really hides it, so Yao Shenghui doesn’t know what to do, so he’s going to compare with Patriarch Yu!”

“I’ve been slapped in the face now, how dare Yao Shenghui be so arrogant!”

Everyone was talking about it, and they laughed at Yao Shenghui!

At this moment, Yao Shenghui’s face was more uncomfortable than eating shit, and even Yao Qisheng’s face was equally ugly!

Chapter 2296

“It seems that the strength of the patriarch is deeply hidden...”

Yao Qisheng sighed softly!

On the high platform, everyone was attentively watching the golden dragon soaring in the air, and they were all deeply shocked!

Only David frowned, his expression seemed a little painful!

Because at this moment, David felt that the power of the dragon in his body was being attracted again, especially when he saw the few golden dragons in the air, it made David want to rush over desperately!

He wants to unleash the power of the dragon in his body, and he is more like himself flying like a golden dragon!

But he can't, he can't do this in front of everyone, if his secrets are exposed more, he will be targeted by many people.

With his current strength, he is not enough to fight against any of the eight secret realms!

He is desperately suppressing the restlessness in his body!

"Look, look, Master Yu raised the hammer again..."

At this moment, someone shouted loudly!

Everyone watched in shock, only to see that the breath of Yu Qian continued to rise, the expression on his face began to be solemn, and the hammer in his hand was raised high again!

He is about to ring the fifth dragon bell, but it is obvious that Yu Qian's fifth stroke is not very easy, and the bell hammer raised high did not fall immediately!

If this blow fails to ring the dragon bell, it is likely to be injured by the anti-vibration force of the dragon bell!

After a while, Yu Qian gritted his teeth, swung the hammer down, and slammed into the dragon clock!

Om.....

The dragon bell rang, and the melodious bell sounded again!

Hearing the sound of the bell, Yu Qian's heart settled down, and he dropped the bell hammer in his hand on the ground!

At this moment, five golden dragons are hovering in the air, and the entire square is illuminated by golden light!

Everyone looked at this really shocking moment, opened their mouths wide, and made no sound!

With a smile on his face, Yu Qian jumped up from the bell tower and landed directly on the high platform.

"Patriarch Yu, you really hide it!"

"Patriarch Yu, with your strength, you can knock it out so easily. Ringing the dragon bell five times, even if it is the sixth time, I am afraid it will be very easy. "

Yu Patriarch, in today's competition, you have to ask your subordinates to let us order!" "

Many leaders of sect families on the high platform stepped forward to praise Yu Qian!

Yu Qian waved his hand, then glanced at Yao Shenghui, but at this time Yao Shenghui bowed his head and said nothing, his face was hot!

"Patriarch Yu, really amazing Ah, to be able to ring the dragon bell five times at one time, this is beyond the reach of us old men. "

It's getting late, I think the conference should start, right?" "

Yao Qisheng knew that if they waited, they would only be more humiliated, so he hurriedly urged the conference to start!

If they can still maintain their results in the conference competition, then they can still earn some face!

“Since Sect Master Yao is so impatient, Then our conference will officially start, and let the disciples of the major secret realms prepare to enter the ring! ”

Yu Qian nodded and said.

“Wait...”

At this moment, David spoke!

Everyone’s eyes were on David, and they didn’t understand what David was going to do!

“Young man, what else do you need? ”

Yu Qian asked with a displeased expression on his face!

“Yu Patriarch, didn’t you just say that anyone can try this dragon clock.” ”

“So I want to try to ring that dragon bell, okay?” ”

David said!

“Do you want to try?” “Yu Qian was a little surprised!

Others also showed disdain, and everyone in the audience shouted!

“David, you are only distracted by the strength of the three realms, you still want to ring the dragon bell and dream. ”

Jin Yuan was in the audience, loudly mocking David!

"Let's not talk about whether this dragon-patterned bell can ring, even if you can't break through the passage leading to the bell tower, why waste your time?"

Yu Qian said!

"If you don't try, how do you know that I can't pass, and I can't ring? Anyone can try, you said it yourself."

David said neither humbly nor arrogantly.

Chapter 2297

Yu Qian was a little speechless by what David said, because he really said it himself!

"Boy, since you said so, then let you try, but life and death are fate, if you die inside, it has nothing to do with anyone!"

Yu Qian said with a cold face!

"No problem..."

David nodded.

"Mr. Chen, you... are you really going to ring the dragon-patterned bell? You must know that there is a formation in the passage leading to the top of the bell tower, so you might be trapped inside."

Ge Cangsheng asked worriedly . road.

"Don't worry, Ge Clan, I'm sure again!"

After David finished speaking, he jumped towards the clock tower!

David's body fell steadily in front of the clock tower, and then he pushed open the copper door and walked in without hesitation!

As soon as he walked in, David felt a terrifying killing aura that kept coming towards him!

Looking at the stairs going up, David stepped on it!

Just when David's foot just stepped on it, there was a sudden turn of the world, and David's body floated uncontrollably!

The scenery in front of David has also changed. It is not the upward passage. At this time, he seems to have come to a cliff, and above the cliff, there is a winding path leading to the top of the mountain!

"Is this an illusion in the formation?"

David looked around blankly. This sudden change must have triggered the illusion in the formation!

Looking at the winding path, David followed the path and walked towards the top of the mountain!

David found that as he kept walking up, he felt the pressure around him was getting stronger and stronger!

Seeing that he was about to reach the top of the mountain, David felt that there was a big mountain, all pressing on him!

The bones of David's body were constantly rattling, and his whole body was already soaked with sweat!

David gritted his teeth and used all his spiritual power. He knew that to break this illusion, it seemed that he had to reach the top of the mountain!>

Om....

With a humming sound, David's body seemed to pass through a barrier, and the pressure on his body disappeared instantly!

At this moment, David has also reached the top of the mountain!

The area of the top of the mountain is not large, but on the side of the top of the mountain, the skeleton of a giant dragon hovers there!

The skeleton of the giant dragon is white, and it has long since lost its flesh. I don't know how long it has been dead!

And at the place of the giant dragon's skull, a dragon crystal exuding a lustrous luster instantly attracted David's attention!

David hurried forward and picked up the dragon crystal. When the dragon crystal was held in his hand, the dragon crystal in David's body began to glow.

The two dragon crystals seemed to be related in some way. When David was outside the clock tower, the summoning he felt should be emanating from this dragon crystal!

"This...isn't this in an illusion?"

Looking at Longjing in his hand, and feeling the real power of the dragon in Longjing, David couldn't understand it!

He should be in the clock tower at this time, and shouldn't this be the illusion created by the magic circle in the passage?

"What's going on here?" David frowned slightly, then looked at the giant dragon's skeleton, "What happened to this giant dragon? Why did it die here? Where is this place?"

" The question made David a little confused!

However, the real feeling of Longjing in his hand made David feel that it was not like he was in an illusion!

But if it weren't for the illusion, then the magic circle in the passage might be a teleportation circle, which sent David to this place!

"Could it be that other people who entered the clock tower were also sent here?"

David was puzzled!

In the end, since he didn't understand, David stopped thinking about it, but swallowed Long Jing in his hand instantly!

When Long Jing entered David's body, the giant dragon skeleton on that side instantly turned into powder and was blown away by a gust of wind!

Chapter 2298

Feeling the dragon crystal wandering in his body, David hurriedly sat cross-legged, and then guided the swallowed dragon crystal to move closer to the dragon crystal in his body!

Soon, the two dragon crystals met, and finally a dazzling light erupted from David's chest, and the two dragon crystals gathered together!

A huge divine dragon power, like a wild horse that had run away, began to gallop in David's body, and it had the potential to break through David's body and go straight to the sky!

Seeing this, David hurriedly ran the Heart Concentration Art, and began to refine this divine dragon power and use him for his own use!

Just when David was refining this divine dragon power, everyone outside the clock tower had already gotten impatient!

"It's been more than an hour, and I haven't seen David climb the bell tower. I guess he died in the passage, right?"

"I dare to try even if I have the strength of the three realms. Isn't this courting death?"

"He is a worldly world. Come here, how can you understand the danger in our secret realm."

Everyone was talking about it, and they all thought that David died inside, after all, it has been more than an hour, and David has not been seen!

"Hmph, I overestimated my own strength and threw my life inside!"

Lu Chang said with a cold smile.

Han Qing'er on the side glared at Lu Chang fiercely, and then looked at the direction of the clock tower worriedly!

She was very worried about David. If she had known this, she should have stopped David and prevented him from taking risks!

Looking at Han Qing'er's worried look, Lu Chang became more and more angry, and hated David more and more!

"Ge Cangsheng, this is the person you brought. If you haven't seen it before, let us have one less person to participate in the secret realm of Fire Gate."

"If you lose this time, the Ge family will bear all the resources. I Zhanyue Pavilion will not care."

Jin Lifu said angrily to Ge Cangsheng.

After all, they both belong to the secret realm of Fire Gate. Originally a secret realm was a contestant. Now David is brave, but he rang the dragon bell, and

now he is dead inside.Face, let the fire door secret realm one less person, fall into passive!

Ge Cangsheng did not speak, but looked at the clock tower nervously. David was not seen for more than an hour, which made Ge Cangsheng very worried!

"Yu Patriarch, I think that kid is already dead inside, let's start the conference, there is no need to wait any longer."

Yao Qisheng said!

This endless wait, no one knows when, not to mention that Yao Shenghui lost face today, and their Purple Thunder Sect is still waiting to find it!

Yu Qian glanced at the clock tower, then looked at Ge Cangsheng and said, "Patriarch Ge, we haven't seen anyone for more than an hour, we will start the conference, no wait..."

"Patriarch Yu, we are waiting, I believe Mr. Chen will be able to attend at a point. To the top of the clock tower."

Ge Cangsheng prayed!

"Patriarch Ge, what happens even if David reaches the top? He will be seriously injured by then. I'm afraid he won't even be able to lift the bell hammer, let alone ring the dragon bell."

"Don't waste everyone's time . Now, they are all waiting for a fight!"

Yao Shenghui said impatiently.

Today he lost face and was in a bad mood, so he just vented on Ge Cangsheng!

Ge Cangsheng ignored Yao Shenghui, but looked at Yu Qian and said, "Patriarch Yu, please wait."

Ge Cangsheng knew that only Yu Qian's words could decide when the conference would start! Seeing Ge Cangsheng like that

, Yu Qian nodded, "Okay, just wait five minutes. After five minutes, the conference will start immediately!"

minutes!

Seeing this, Ge Cangsheng didn't know what to say. He could only pray that David would appear in these five minutes!

"David, you must show up, you will be fine..."

Han Qinger clenched her fists and silently prayed for David!
