

A Man Like None Other Novel

Chapter 2235

Before a few people woke up from the shock, another thunder robbery crashed down!

Boom...

Boom...

" "This... is this the first thunder calamity? Is there still an end?"

The robbery continued to bombard, and the whole person was a little stupid!

You must know that they have all experienced the breakthrough of Martial God and suffered thunder calamity, but no one has ever suffered such a terrifying thunder calamity!

Even breaking through Emperor Wu's thunder tribulation, isn't it so perverted?

"The seventh way..."

Leng Yun said slowly, with a strong shock in his tone!

Ka....

just in the seventh thunder robbery After dropping, finally the ball made a crisp sound!

Immediately after that, the ball began to split and spread out like a petal!

And the figures of David and Liu Rui are also exposed!

Although the ball has spread out, David still closed his eyes slightly and did not move!

And the black clouds in the air are still dense, there is no meaning to disperse!

“Could it be that there is still a thunder tribulation behind? I want to see how this kid can resist!”

Tong Youcai saw that the black cloud had not dissipated, so he said.

Rumbling...

A purple lightning flashed across the thick black clouds, and with a huge roar, it slashed directly towards David!

This time, the power of thunder tribulation was even stronger, like ten thousand horses galloping down, Liu Rui beside David couldn't bear the pressure, and the whole person fell directly from the psychic tree!

The power of thunder robbery slammed on David's body, and the blue smoke rose up, and the huge smoke covered David's body!

In the distance, Tong Youcai and others even smelled the smell of burnt!

“This kind of perverted thunder calamity, I said that no one can bear it. It is estimated that this kid David has not disappeared, but has become coke.”

Tong Youcai said with a sneer on his face.

After smelling the burnt smell, the Great Protector felt a little regret, "What a good body, it's a pity, it's a pity..."

"This David is also unlucky, it is estimated that he swallowed the psychic fruit, so Lei Jie will be so ferocious, it seems that the psychic fruit is a good thing, but it also has drawbacks!"

Leng Yun thought that David's breakthrough was because of swallowing the psychic fruit, which would lead to such a perverted thunder calamity!

But just when several people thought that David was dead, the smoke dissipated, and David was still sitting on the spot, not dead at all, nor turned into coke!

It's just that the clothes on his body were shattered by the bombardment of the thunder, like a beggar!

David's body began to float slowly, the skin on his body slowly became transparent, and the blood in his body could be clearly seen!

"This..."

When Tong Youcai saw this, they all looked up dumbly, their mouths wide open, their faces full of incredulity!

Rumbling.....

Another lightning came, and this time it was golden lightning.

With the passing of golden lightning, the black cloud finally dissipated!

And Lei Jie hit David, instantly turning David's transparent body into a golden color!

At this time, David was suspended in mid-air, and his whole body was full of golden light!

The terrifying aura was constantly rising, and it soon reached its peak!

Om.....

I saw the whole void fluctuate for a while, and then the breath of David began to grow exponentially!

The terrifying aura began to spread around, and Tong Youcai and others, who felt this aura, trembled in their hearts, and even felt like they wanted to kneel!

The breath slowly dissipated, and David slowly opened his eyes. At this time, David had a kind of majesty on his body, his body was suspended in the air, and wherever his eyes could see, it was like a god overlooking all living beings!

“Breaking through the Martial God, just like this, this guy is too unusual!” The

Great Protector’s face showed a dignified color, adjusting his breath to the best state!

Chapter 2236

“Hmph, it was only by virtue of the psychic fruit that he attracted such a huge thunderstorm. Originally, the psychic fruit belonged to us.”

Tong Youcai snorted coldly and looked at David with gnashing teeth.

Leng Yun’s face is also very ugly. If he swallows the psychic fruit, maybe the battle of breakthrough will be so huge!

David’s body fell slowly, while Liu Rui had already removed the clothes from the others and brought them to David!

Can’t let David fight naked?

And Liu Rui, as a girl, will inevitably blush when she sees David like this!

"Mr. Chen, clothes..."

Liu Rui blushed and handed the clothes to David!

It was only at this time that David discovered that the clothes on his body had been torn apart., the important parts are not exposed.

David hurriedly put on his clothes, then looked at Tong Youcai and the three of them coldly and said, "This psychic fruit tastes really good, but it's a pity that you will never be able to taste it!"

"David, what are you proud of, even if it is After eating the psychic fruit, you have only just broken through to the Martial God, and you can't eat all of the more than a dozen psychic fruit, you must still have a psychic fruit hidden in your body!"

Tong Youcai gritted his teeth, loudly Yelling at David!

"Boy, you hand over the remaining psychic fruit, I can make you die without pain, don't think that you can escape from here if you break through the god of war!"

Although the great protector was shocked by the battle of David's breakthrough, David's breakthrough Even if Ping made a breakthrough, he was only a first-rank Martial God.

Compared with his eighth-rank Martial God, it is still a world apart!

"Even if there is a psychic fruit left, I can't give it to you. Besides, there is nothing left. I ate it all, and I'm still not full!"

David said while rubbing his stomach.

"Damn..."

Tong Youcai hated his teeth, that psychic fruit was a priceless treasure, one was enough for other people to practice for a year and a half, but David actually took this kind of spiritual fruit as a meal , and said that he was not full!

"Tong Youcai, he's mad at you on purpose, stop talking to him, kill him, and take the psychic fruit!"

Leng Yun knew that David couldn't have eaten all the psychic fruit!

Tong Youcai nodded, and then the three of them looked at David eagerly, ready to take action at any time!

And Liu Rui was on the side, and his breath was rising, and he was on guard!

Tong Youcai began to be filled with a faint green gas, which was the reason for the genetic modification!

"Today, I must kill you..."

After speaking, Tong Youcai charged directly towards David!

But before David could make a move, Liu Rui, who was on the side, immediately greeted him!

"Tong Youcai, I'm here to teach you..."

After Liu Rui swallowed the psychic fruit, his strength also increased greatly, so he was not afraid to deal with Tong Youcai!

"It's just the two of you now, let's go together, and I'll take you on the road at the same time!"

David looked at the great protector and said Leng Yun!

"Boy, I envy you for your ability to leapfrog and fight. It's just that you are a new martial god, and you want to fight with me as an eighth-rank martial god. Isn't it too self-sufficient?" The

Great Protector said with a sneer.

"I don't think it's you who can't help yourself. You quickly rose to the realm of the eighth-rank Martial God by absorbing the strength of others, but this kind of strength is ultimately obtained by sorcery. Even if you reach the realm of the eighth-rank Martial God, it's a pity that you have used it. The power of the real eighth-rank Martial God!"

"Do you think I'm right?"

David said with a smile.

The Great Protector's face turned slightly cold, the strength from this absorption really couldn't follow the realm achieved by down-to-earth cultivation!

The Great Protector did not understand, how did David know the drawbacks of this sorcery!

"Hmph, even if you can't use the power of the real eighth-rank Martial God, it's more than enough to kill you!"

After the Great Protector finished speaking, he charged directly at David, and his fist was a blow!
