

A Man Like None Other

Novel Chapter 2412

Chapter 2412

"David, how are you? Have you thought of a solution?"

Han Qinger asked anxiously when she saw David came back!

If David had no choice, then their Zixiao Mansion might be completely ruined!

Han Fusheng and his wife also looked at David nervously, no one wanted to die, if David had a way, then they wouldn't have to wait to die!

David looked at Han Qing'er's expectant eyes, then nodded and said, "Don't worry, as long as Lu Buwei and his son dare to come tomorrow, I will make him unable to go back."

"David, are you really sure?" Han Fusheng said a little asked in disbelief.

"Of course, since I've said it, I'm sure!"

David said confidently.

Seeing that David was so confident, Han Fusheng also breathed a sigh of relief!

Just waiting for tomorrow to come!

In the evening, Han Fusheng left David to stay in Zixiao Mansion for one night, while Long Ruotong and the others lived in the cave. After all, they will fight

tomorrow. Although David is sure, if he accidentally let his mother David couldn't forgive himself for being injured!

So he asked Ji Ruxue and the others to protect his mother, and David himself was in Zixiao Mansion to deal with Lu Buwei and his son who will arrive tomorrow!

"Qing'er, you are old and young. There are some things you should understand."

"Although there are many women around David, he is a rare talent. You have to seize the opportunity..."

"If David really helps us in Zixiao Mansion After passing this test, we should repay others."

"Do you know what your mother and I mean?"

Han Fusheng and An Lingrong were persuading Han Qing'er!

They knew their daughter's temperament, and after seeing that David had so many women, they were afraid that Han Qing'er would resist David!

Han Qing'er nodded slowly, "Dad, Mom, I know what you mean, but I actually like David too..."

"Silly boy, if you like it, then take the initiative. Tonight will be a good day."

"If there are other women around David, do you think it will be your turn?"

"You have no experience at all, and you will be at a disadvantage then Yes ."

An Lingrong hurriedly said to Han Qing'er!

Han Qing'er was blushing, bit her lips, stood up suddenly and said, "I know what to do..."

After finishing speaking, Han Qing'er walked out of the room, while Han Fusheng and his wife looked at each other and smiled!

At this time, David was lying on the bed, thinking about how to deal with Lu Buwei and his son tomorrow!

The door was gently pushed open, and a woman's body fragrance came, David knew who it was without looking!

David pretended to close his eyes.

Han Qing'er walked up to David naked, looking at David who was already asleep, Han Qing'er was full of hesitation!

But in the end, he gritted his teeth, lay down beside David, and got into David's bed!

Han Qing'er rested her head on David's chest, only at this time, Han Qing'er felt a sense of security.

And David smelled Han Qing'er's body fragrance, felt that tender skin, he had already tasted the sweetness, and he couldn't restrain the flame in his heart anymore!

Turning over put Han Qing'er under her body!

Han Qing'er panicked, and was about to say something, but David directly blocked her mouth...

"Ah..."

A happy cry came from David's room, resounding throughout the Zixiao Mansion!

When Han Fusheng and An Lingrong heard this voice, they immediately recognized that it was from their own daughter!

Both of them breathed a sigh of relief, and looked toward the room where David was!

I saw David's room glowing with golden light, and the entire Zixiao Mansion was almost shrouded in this golden light!

Looking at the dazzling golden light, Han Fusheng was shocked.

"This David is really unusual. It seems that our choice is correct."

Han Fusheng said slowly.

"No, it's not easy for me to look at the young man at a glance..."

An Lingrong smiled all over his face as if the mother-in-law looks at the young man, and the more she looks at him, the more she likes him!

Chapter 2413

the next day!

Lu Buwei and his son, who hadn't waited for Han Qing'er for a long time, came to Zixiao Mansion again!

"Han Fusheng, how dare you fu** me? Even if you hand over your daughter today, it's too late. I'm going to destroy your entire Zixiao Mansion..."

Lu Buwei said angrily, feeling that he had been tricked.

At this time, Han Fusheng, with David's guarantee, was no longer afraid of Lu Buwei, and said with a sneer, "Lu Buwei, if you want to destroy my Zixiao Mansion, I'm afraid you don't have the ability..."

Lu Buwei froze for a moment, brow wrinkled slightly, he said, "It seems that you have recruited reinforcements, otherwise you wouldn't dare to talk to me

with this attitude, but let me tell you, you won't find anyone unless you join our Demon Heart Sect, otherwise no one will save you." I can't help you..."

"Really? Then can I save him?"

At this moment, David walked out holding Han Qing'er's hand!

Han Qing'er's face was flushed at this time, like a red-headed apple, and she also had a woman's smell on her body. It was obvious that Han Qing'er had undergone her own transformation last night!

"Qing'er, you..."

Seeing Han Qing'er coming out hand in hand with David, Lu Chang was furious!

"David?" Lu Buwei was slightly taken aback after seeing David. After all, everyone saw David's performance in the Secret Realm Conference.

"Han Fusheng, the reason why you are arrogant is not that you found this kid, right? With his current strength, I can easily crush him with one hand, believe it or not?"

Lu Buwei said nonchalantly!

Although David performed brilliantly in the Secret Realm Conference and his strength was not bad, but it was compared among the younger generation. If you want to compare with them, David's strength is not enough!

But Lu Buwei didn't know that the current David was no longer the David of a few months ago!

David, who is at the peak of the separation and reunion realm, and with the bow of the god king in his hand, can easily crush Lu Buwei's!

Han Fusheng didn't speak, but looked at David because he didn't know what strength David had at the moment, whether he could really defeat Lu Buwei!

Besides, Lu Buwei still has hundreds of disciples staring at him, but David is still alone, and he has not seen the reinforcements that David has recruited!

"Whether you can crush me to death with one hand, you have to try..."

David smiled coldly, and said to Lu Buwei!

"If you want to die, then I will kill you first, and I will destroy Zixiao Mansion..."

Lu Buwei's eyes narrowed, and a cold light shot out instantly, and he was about to attack David!

"Dad..." Lu Chang stopped Lu Buwei, then looked at Han Qing'er angrily and said, "Qing'er, you are my childhood sweetheart, I like you so much, can't you see?"

"As long as you are willing to marry me now, I can convince you My dad, let your Zixiao mansion go."

"I don't understand, what is that David better than me?"

Lu Chang roared, as if he was going to lose his mind!

"Lu Chang, give up. I am now born as David's man and died as David's ghost. I am already his man..."

After Han Qing'er finished speaking, she glanced at David affectionately. It seems that David has completely conquered her last night!

Lu Chang was stunned, his face full of disbelief!

"No, it's impossible, it's absolutely impossible, you lied to me, you are definitely not that kind of casual woman, for so many years, you don't even let me hold your hand, what a pure girl you are..."

Lu Chang I don't believe that Han Qing'er would follow David to do that kind of thing!

"Lu Chang, wake up, I won't let you hold hands, it's because I don't like you, and when I meet a man I like, I'm willing to give everything of myself..."

Han Qing'er's words once again deeply stimulated Lu Chang!

"Ah..." Lu Chang roared like he was going crazy, "David, I'm going to kill you, I'm going to tear you into pieces..."

After speaking, Lu Chang burst out with all his breath and moved towards David rushed over!

"Hmph!" David snorted coldly, without even looking at Lu Chang, he raised his foot and kicked Lu Chang away!

Chapter 2414

Lu Chang's body flew straight out like a kite with a broken string, and then fell heavily to the ground!

"Son..."

Lu Buwei was shocked, and hurriedly chased him out!

Han Fusheng looked at David in shock. He did not expect David to be so strong. Although Lu Chang was not the strongest in the younger generation, he was not weak either. David would not even look at him now. Kicking it away with one kick, it can be seen how terrifying David's strength is already!

And Han Qing'er looked at David with fascination at the moment, she looked at David so handsome now!

"Son, son..."

"Ah... I'm going to kill you all..."

Outside, Lu Buwei's furious roar sounded, and the terrifying aura made the surrounding houses crumble!

Han Fusheng and the others hurried out of the room and saw that Lu Chang was bleeding from all seven orifices at the moment, his eyes were wide open, he had already lost his breath, and he couldn't bear to die!

Han Fusheng was shocked again, David kicked Lu Chang to death with a random kick?

"David, I'm going to tear your corpse into thousands of pieces, into pieces..."

Lu Buwei roared angrily, and a surge of aura filled his body!

On the center of Lu Buwei's eyebrows, a black mark slowly appeared, and the whole sky suddenly became dark, and the sky was shrouded in a black mist!

The clothes on Lu Buwei's body became torn apart, and a purple robe was draped over Lu Buwei's body. At this moment, Lu Buwei's face also began to blur, and a cloud of black mist shrouded his head!

"Purple-robed envoy?" Seeing Lu Buwei's outfit, David raised his mouth slightly, "Today is just right, and I have to settle the grievances of following your Demon Heart Sect..."

"David, don't think you are great, The reason why you are still alive is that the spirit energy recovery formation still needs you."

"Wait until the aura recovery array is activated and your soul is completely sacrificed, your life will be worse than death..."

Lu Buwei looked at David coldly, his whole body was shrouded in black mist, like a devil!

"Spiritual energy recovery formation?" David was a little puzzled, not understanding what this formation was.

At this time, Han Fusheng said, "This spiritual energy recovery formation existed very early, and it was set up by the suzerain of Wendaozong. It's just that the Daoist sect was wiped out suddenly before this formation was activated.

"The formation requires eight people with special physiques, and they are activated with special spells, but I just don't know why someone from the Demon Heart Sect can activate this large formation."

When David heard this, he immediately remembered the things in the secret realm of Daoist Sect!

Sonya and the others were trapped in a secret realm, and there were several more people with special physiques. Only now did David know why the Demon Heart Sect wanted to arrest these people!

And David himself has a special physique. Thinking of the stone statues in the cave in the secret realm of Wendaozong, David knew that this big formation must be related to those weird stone statues!

"It turns out that the Demon Heart Sect is playing such a big game of chess. It seems that they want to rule the entire secular world..."

David said slowly!

"Hmph, you underestimate us, our ambition is not just to rule the secular world..."

Lu Buwei snorted coldly!

“No matter what ambition you have, it will never be realized. Today I will take your life...”

After David finished speaking, the aura on his body began to rise!

But at this moment, the aura exuded by David was quite different in front of Lu Buwei!

“With this little ability, I dare to say big things...”

After Lu Buwei finished speaking, he stretched out his hand to grab the sky, and the billowing black mist in the sky instantly formed a heavy hammer in Lu Buwei’s hand!

The heavy hammer emitted bursts of cold air, as if the surrounding air was about to condense!

Chapter 2415

Lu Buwei’s body jumped up, and then the heavy hammer slammed down on David!

The surrounding air instantly turned into a vast expanse of whiteness, directly sealing David around!

“David...”

Seeing this, Han Qing’er yelled, wanting to help!

She didn’t expect that David would be at a disadvantage as soon as he made a move!

After all, she is also David's person, and she can't just watch David die in front of her. If she wants to die, the two of them will die together!

Han Fusheng grabbed Han Qinger, he knew that Han Qinger would die if he charged up!

"Daughter, don't go, I'll come..."

Han Fusheng was about to rescue David.

Although Han Fusheng's strength was inferior to Lu Buwei, but at this time, he could only save David with all his might!

But just when Han Fusheng was about to make a move, he discovered that clusters of red flames began to erupt around David, and the originally condensed space instantly became torn apart!

The dragon-slaying sword in Chen's hand swung upward vigorously, and a terrifying sword glow went straight towards Lu Buwei!

Boom...

After a loud noise, the heavy hammer condensed by the black mist in Lu Buwei's hand suddenly shattered, and the huge impact directly knocked Lu Buwei out!

"With this little skill, how dare you crush me with one hand?"

David said with a cold snort!

Lu Buwei was overturned, then fell to the ground, and took a few steps backwards before he stabilized his figure!

"How could you have such a strong strength?"

Lu Buwei's face was full of disbelief!

When Han Fusheng saw that David had repelled Lu Buwei with a sword, he was instantly excited!

It seems that he made Han Qing'er follow David, and he was really right. David will definitely have a bright future in the future!

"It's because you are too weak..."

After David finished speaking, he raised the Dragon Slaying Sword in his hand high!

The golden sword light soared into the sky, approaching the sky!

David waved his arms and slashed down with a fierce sword!

The huge sword light was like a tsunami, overwhelming towards Lu Buwei!

Seeing this, Lu Buwei's face was bulged with veins, and feeling the increasing pressure, he roared, "I'm not weak, I'm the strongest..."

Lu Buwei slapped his palm in the void, and there was a terrifying roar, and the sky The black mist in the middle began to shrink instantly, and then the black mist condensed into a huge vicious dog, which jumped down from mid-air!

The vicious dog roared, and a huge sound wave instantly shattered David's golden sword glow!

Lu Buwei jumped up and stood on the vicious dog, looking down at David below!

"David, this is a hell dog, no one can escape from his mouth..."

Lu Buwei said coldly!

"Hmph, this is just caused by the condensation of yin energy. What kind of hell dog are you calling it? It's ridiculous..."

David snorted coldly, but he didn't care!

"Looking for death..." Lu Buwei stepped on the back of the vicious dog and swooped towards David!

I saw the vicious dog roaring, and streams of cold air billowed out, freezing the surroundings in an instant!

A thick layer of frost condensed around David again, binding David tightly.

The condensed frost this time is stronger than Lu Buwei's just now!

Seeing this scene, Han Fusheng and Han Qing'er were worried about David. They didn't expect that Lu Buwei would have such a means!

Seeing Lu Buwei driving the hell dog towards David, but David couldn't move, a crisp cry suddenly came to mind in the sky.

Immediately afterwards, a phoenix bird with raging flames appeared all over its body, and its huge body covered David's head!

The icy breath, under the instigation of the huge wings of the phoenix bird, disappeared in an instant, and the thick frost on David's body also disappeared!

"This is Phoenix, Fire Phoenix..."

Han Qinger shouted excitedly!

Han Fusheng was shocked. He didn't understand why a phoenix bird suddenly appeared? And the phoenix bird seemed to come to help David.
