Chapter 2568

Chapter 2568

"How do you know it's ruined? What if it's made from pills?"

David raised his lips!

"Are you kidding? It's only been ten minutes. How could you succeed in refining? If you succeed in refining, I will kneel down for you on the spot!"

Sect Master Hu didn't believe it at all. It can't be refined into a pill in minutes!

"Okay!"

David smiled, then calmly walked in front of the Shennong Cauldron, and reached out his hand to take out a crystal clear elixir, and there was a faint light around the elixir!

Seeing that David had really refined Agrimony into a elixir, everyone had an incredible expression on their faces!

Especially Hu Zongzhu, who looked at it with surprise on his face, but his mouth was full of disbelief, "Impossible, this is absolutely impossible..."

Hu Zongzhu said, and even ran to Shennong Ding, looked inside the Ding, he Let's see if David has tampered with it!

"You don't need to read it. This is the medicine elixir made from Agrimony. The aura from this elixir also has the smell of Agrimony in it. As a pharmacist, you can't detect it, right?"

Chen said. Said with a flat smile!

In fact, Zongzhu Hu noticed it the moment David took out the elixir, but he didn't want to believe it!

"How is it possible, how is this possible?"

Zongzhu Hu still couldn't believe it even if the facts were right in front of his eyes!

"If you can't do it, it doesn't mean others can't do it. You're just a frog in a well. How can you know that the world is so big that nothing is impossible."

"Now that I have refined it, you can kneel down and kowtow to me ." Right?"

David looked at Zongzhu Hu proudly and asked.

"Boy, although I don't know what method you used to refine Agrimony into a elixir within ten minutes, your elixir is definitely useless and has no effect at all."

"I don't believe that this pill of yours can cure this girl's illness..."

Sect Master Hu argued loudly, how could his majestic Sect Master of the Jade Cauldron Sect kneel down to David, a brat!

"In this case, then I will convince you!"

After David finished speaking, he gave the elixir to Elder Pei and said, "Elder Pei, give this elixir to your daughter. Within three hours, your daughter It will definitely be cured."

Elder Pei excitedly took the elixir, and then everyone entered the room, watching Elder Pei take the elixir for his daughter!

At this moment, there was a commotion in the yard, as if someone was talking about something!

"What's the matter, you're yelling..."

Yihe Yaohuang suddenly said angrily when he heard the discussion in the yard!

"I'll go out and have a look..."

Princess Isa walked out of the room, and saw several servants in the yard looking up and pointing!

Princess Isa looked up and found that there were a few more clouds in the sky above the yard. These clouds were still in different colors, and they were so beautiful!

"Father, father, come and see..."

Princess Isa couldn't help shouting loudly.

Hearing Princess Isa's shout, everyone walked out of the room, and they were shocked when they saw the clouds in the sky!

"Yaohuang, this is a vision from heaven, will something big happen?"

Elder Pei said with a face full of shock!

The Demon Emperor Yihe didn't speak, but just looked up blankly!

But Sect Master Hu was stunned for a moment after seeing the clouds in the sky, and said in disbelief, "Dan cloud? This...is this forming a Dan cloud?"

Even David was a little surprised at this time. He didn't expect that Agrimony is worthy of being Immortal grass, just ten minutes of refining, actually formed such a big pill cloud!

"Danyun? What is Danyun?" Yihe Yaohuang was a

little confused, he had never heard of it!

Chapter 2569

"The pill cloud is only produced when the pill is refined, but not every time the pill is refined, the pill cloud appears. The appearance of this pill cloud proves that the refined pill is of a high grade. The higher the grade of the pill, the bigger the pill cloud is. The higher it is!"

"It seems that this agrimony has great potency, and it only took ten minutes to refine it, yet it produced such a big pill cloud!"

David explained following Yihe Yaohuang!

"This should be due to Mr. Chen's superb alchemy skills. If it were someone else, I'm afraid he wouldn't be able to refine it at all."

There was something in Yihe Yaohuang's words, and it was obvious that he said it to Sect Master Hu!

At this time, Zongzhu Hu had ten thousand muddy horses galloping through his heart.

Now that the pill cloud has appeared, it proves that David's refining is of a high grade, absolutely high-grade pill, and it is not a waste pill at all!

Now Sect Master Hu only begs for David's elixir not to cure Elder Pei's daughter!

Although the elixir is advanced, if the medicine is not suitable for the symptoms, it is useless at the advanced level!

But at this moment, an excited shout suddenly came from the room.

"Miss is awake, miss is awake..."

Accompanied by shouts, everyone rushed into the room and saw that Elder Pei's daughter had opened her eyes and her face was much rosier!

"Daughter, you...you finally woke up..."

Elder Pei burst into tears and rushed forward!

"Dad..." Elder Pei's daughter also cried!

After a while, Elder Pei knelt down to David with a plop, "Mr. Chen, I will never forget your great kindness."

"Elder Pei, this is just a little effort, let your daughter get out of bed and move around, and lie down ." After so many years, her body needs to recover slowly!"

David helped Elder Pei up!

Elder Pei nodded, personally helped his daughter out of bed, and then slowly started to walk!

Yihe Yaohuang was also very happy to see that Elder Pei's daughter had recovered!

Especially Princess Isa, the way she looks at David now has changed a little bit!

She didn't expect this humble human being to have such superb medical skills and compassion, he could recklessly fight against Zongzhu Hu for an irrelevant girl!

"The elixir has been practiced, and the person has been cured, shouldn't you kneel down?"

David looked at Zongzhu Hu and said!

Sect Master Hu was slightly taken aback, and then said, "Boy, I am the majestic Sect Master of the Jade Cauldron, how could I kneel down for you, don't dream, I was just joking just now!"

" Kneel flat!"

"You want to cheat?" David narrowed his eyes slightly.

"I'm just cheating, what can you do? Don't you just rely on the Shennong Ding and Agrimony in your hands to cure that girl?"

"Without these things, you are nothing, but your Shennong Ding is a Good thing, if you give it to me, I can give you a position as an elder in the Jade Cauldron Sect!"

Hu Zongzhu took a fancy to David Shennong Cauldron, and shamelessly began to ask for it!

David sneered, "Are you worthy of owning the Shennong Cauldron? If you don't kneel today, you will never get out of this imperial city!"

"Hahaha, boy, you are too crazy. Could it be that this imperial city belongs to you?" No, the Demon Emperor Yihe is here, do you think he dares to say such a thing?"

Zongzhu Hu laughed loudly, he knew that the Demon Emperor Yihe would never dare to do anything to him!

As far as David's threat is concerned, he can completely ignore it. As far as David's current strength is concerned, Sect Master Hu doesn't pay attention at all!

"Sect Master Hu, if you don't kneel, you really won't be able to leave my imperial city!"

Yihe Yaohuang said with a cold face!

In front of David and Hu Zongzhu, Yihe Yaohuang unconditionally obeyed David's words, Hu Zongzhu is nothing!

At the beginning, the respect for Hu Zongzhu was only because of asking for others!

Chapter 2570

Sect Master Hu was stunned for a moment, his smile froze on his face, he looked at Yihe Yaohuang in disbelief and said, "Yihe Yaohuang, what do you mean? Do you want to make an enemy of our Jade Cauldron Sect because of this kid? "

You have to know the consequences of being an enemy of our Jade Cauldron Sect. At that time, no one will refine pills for your imperial city, and maybe someone will unite with other imperial cities to ban you directly!"

Hu Zongzhu threatened Yihe Yaohuang, but he completely ignored Yihe Yaohuang's attitude towards David!

David's ability to reprimand Yihe Yaohuang like a child, it shows that Yihe Yaohuang's attitude towards David is ten times and a hundred times more respectful than his treatment of Hu Zongzhu!

"Even if I'm banned now, you still have to kneel down to Mr. Chen..."

After Yihe Yaohuang finished speaking, a terrifying aura erupted from his body, and this aura was full of bloody smell. And there is the kind of violence of the orcs!

Feeling the aura of Yihe Yaohuang, Hu Zongzhu's body trembled again and again. He couldn't figure out why this Yihe Yaohuang would not hesitate to be an enemy of himself and the entire imperial city for a brat like David. safety!

"Kneel down, you can go, otherwise..."

David looked at Zongzhu Hu who was trembling all over, with a strong killing intent in his eyes!

Sect Master Hu gritted his teeth, his face turned red, and finally knelt down helplessly!

After kowtowing to David, Sect Master Hu looked at David angrily and said, "Remember, I will repay you double for today's humiliation..."

Sect Master Hu left, and the Demon King Yihe He looked at David excitedly and said, "Mr. Chen, I really didn't expect your alchemy skills to be so good. From now on, the elixirs in my imperial city will no longer need to be restricted by others.

"The Demon Emperor has to spend a lot of resources and be respectful. Now that David is a pharmacist, and his alchemy skills are much better than other pharmacists, there is no need to ask for help anymore!

But David smiled bitterly and said, "Although I know how to refine medicine, it is impossible to stay here and refine medicine for you all the time. You have to train your own medicine masters!"

"Take me to your library Take a look at the pavilion, I see if I can decipher the secret of why the orc race can't become a pharmacist."

When Yihe Yaohuang heard that David wanted to help him train a pharmacist, he immediately took David to the Zangshu Pavilion excitedly!

“Mr. Chen, I’ll hire a translator for you. It’s all written in my beast clan. You can’t understand it!”

Yihe Yaohuang said to David!

But David waved his hand and said, “No, I can understand it. You just need to send someone to watch over the door, and don’t let people disturb me...”

“Can you understand it?” Yihe Yaohuang looked at David in shock. I really don’t understand how David understands the orc characters!

But after thinking about it, David has the aura of a dragon on his body, and half of his blood is from the beast race. It shouldn’t be surprising that he can understand the characters of the beast race!

The Demon Emperor Yihe sent Huben and his imperial guards to guard outside Zangshu Pavilion, and no one is allowed to disturb David!

This guy Huben was so depressed, he grabbed David in Zangshu Pavilion yelling at the beginning, and wanted to punish him with this!

But now it’s all right, he’s reading books in Zangshu Pavilion aboveboard, and he still has to guard the gate for others!

David was in the Library Pavilion, flipping through various books of those beast races!

As David read more and more books, David learned more and more about the beast race!

It turns out that the acupoints on the orcs are different from those of humans, even if these orcs have transformed into humans, the acupoints are also different!

Although some acupoints overlap, some are different. The cultivation methods of humans and beast races are also different, and they all have their own characteristics!
