Chapter 3259

David can use his skills this time and can also use the Dragon Slaying Sword, so he doesn't have to shrink back!

David swung the dragon-slaying sword in his hand, and the sword light rose up like a violent storm.

Wherever the sword light passed, those original fantasy beasts were instantly cut into pieces!

The original fantasy beast was killed, and a large amount of original aura rose into the sky, and David greedily absorbed it! There

are all kinds of original breaths in it, but apart from the origin that David realized, other original breaths can only enter David's body like silk, and then in the original source. Slowly dissipate in the space!

Without the absorption and storage of the original stars, even if other original breaths were absorbed by David, they would not be able to stay in his body!

In mid-air, Ji Meiyuan was shocked when she saw David absorbing the original aura!

Others were absorbing one source after another, but David turned out to be a mixed bag of fish and dragons, inhaling all the original breath into his body!

Fortunately, David's original space is the stars of the universe. It is infinite and no amount of original aura can fill it!

If the source space was not large, like David's method of absorbing the source, he would probably have exploded and died!

At this moment, David was killing a lot of people in the mountain col. Little did he know that the original fantasy beasts he killed had been condensed and transformed after many years. According to his killing method, it is estimated

that the Ji family will open up the ancestral land later. It's hard to see the original fantasy beast again!

Not far from the entrance of the mountain col, Qin Jingyu's face was very ugly, "There are really too few original phantom beasts in your ancestral land. You have only encountered a few original phantom beasts along the way. When will this happen?" How can I understand the origin of the metal element?"

"Master Qin, it is said that there are many origin fantasy beasts in our ancestral land. There are dozens of people entering the ancestral land every time, but they can enter this mountain col to hunt the origin. There are not many people who are phantom beasts."

"After all, not every child of the Ji family can open the original space and feel the original breath..."

r> Ji Yue followed Qin Jingyu to explain!

"There are indeed a few original phantom beasts. Could it be that someone really came in first and hunted the original phantom beasts in the front, and we were just picking up the missing original phantom beasts in the back?" Ji Meizhen also felt a little strange. Indeed, this original phantom

beast There are very few animals!

"Come on, let's move quickly. Maybe we can find the person coming in ahead!"

Qin Jingyu decided not to kill the original fantasy beast yet, but quickly walked into the depths of the mountain col to see if someone entered first!

Ji Yue and Ji Meizhen both nodded and agreed to Qin Jingyu's proposal, so the three of them quickened their pace!

Just as the three of them were moving forward rapidly, the further they walked, the more terrified they became!

Because along the way, they rarely encounter the original fantasy beast, which is very strange!

You must know that along the way, the further you go deeper into the mountain col, the greater the strength and number of the original phantom beasts will be!

But now, the closer they go, the less they find the shadow of the original fantasy beast!

“It’s really weird, where have all these original fantasy beasts gone?”

Ji Yue frowned, and he couldn’t figure out where those original fantasy beasts had gone!

After traveling for nearly half an hour, Qin Jingyu suddenly stopped!

“Master Qin, why did you stop? Did you find anything?”

Ji Yue asked Qin Jingyu!

“Can’t you feel it? There are people fighting in front, and the fighting is quite fierce, and the aura fluctuates greatly.”

Qin Jingyu said!

When Ji Yue and Ji Meizhen heard this, they quickly used their consciousness and instantly detected the aura fluctuations in front of them. Such large aura fluctuations clearly meant that someone was fighting!

“Come on, let’s rush over and take a look. I must catch the guy who sneaked into the ancestral land!”

Ji Yue rushed forward impatiently!

Chapter 3260

“Brother, wait...”

Ji Meizhen hurriedly caught up.

When Qin Jingyu saw this, he could only chase after him!

Not long after the three people moved forward, the sound of fighting in front became clearer and louder!

At this moment, David is killing those origin fantasy beasts. Every time he kills an origin fantasy beast, the origin aura pours into David's body, making the stars in David's origin space become brighter and brighter!

But just when David was vigorously killing, he suddenly felt someone approaching, so he frowned, and his body instantly rose into the air, making a vigilant posture!

"What's wrong?" Ji Meiyuan asked!

"Someone is coming, it seems like three people..."

David said!

"How come someone comes here? I remember that among the people who entered the ancestral land this time, no one has opened the source space. How could they come to this mountain col?" Ji Meiyuan's face was filled with tears

. Doubts!

At this moment, Ji Yue and the others had arrived. When they saw Ji Meiyuan and David, they were all stunned!

Now, they knew who secretly sneaked into the ancestral land and who killed these origin fantasy beasts in this mountain col!

"Ji Meiyuan, you are so courageous. You actually dare to sneak into the ancestral land with an outsider and come here to kill the original fantasy beast. You are cheating on others and deserve death..." Ji Meizhen was originally following Ji Meizhen

. Yan didn't deal with it and immediately yelled after seeing this!

"Ji Meiyuan, you violated the ancestral precepts and dared to bring outsiders into the ancestral land, why don't you come and apologize soon."

Ji Yue also shouted angrily!

Ji Meiyuan, on the other hand, was not afraid at all and slowly fell down. Then she turned her attention to Qin Jingyu and said, "Didn't you two also bring in outsiders? Then what's your crime?"

“This is Mr. Qin from Juman Palace. He came in with the family head’s order. But this David you brought here, does he have the family head’s order?”
r> Ji Meizhen asked!

Ji Meiyuan was stunned. She didn’t expect that her father could give orders to the people of Juman Palace.

“I don’t have the family head’s order!” David stepped forward and said!

“Anyone who dares to enter our Ji family’s ancestral land without the order of the family leader is seeking death...”

Ji Meizhen instantly drew out a sword!

Qin Jingyu’s eyes narrowed slightly, looking at David with murderous intent, and then asked, “Is this guy the one who broke my eldest brother’s arm?”
“Yes, this is the guy who broke Mr. Qin’s arm.

” Arm.”

Ji Meizhen nodded!

When Qin Jingyu heard this, a raging aura suddenly erupted from his body, his muscles continued to expand, and his body became much taller!

“Master Qin, don’t be angry yet...”

Ji Yue stopped Qin Jingyu, “We entered the ancestral land this time to understand our origins. Time is limited, and we cannot waste it fighting.” “

This guy sneaked into our Ji family’s ancestral land. Without Juman Palace taking action, our Ji family will not let him go.”

Qin Jingyu calmed down after hearing this!

“Who said we sneaked in secretly? Taizu was guarding outside. Without him opening the light door, how could we have come in.” “

Now David is considered half of our Ji family, so even if he enters the ancestral land, It didn’t violate the ancestral teachings.”

Ji Meiyuan retorted!

“Half Ji’s family?” Ji Meizhen didn’t understand what it meant!

However, Ji Yue understood. He glanced at Ji Meiyuan with disdain and said, “Ji Meiyuan, you are really shameless. How long have you just known David? And you slept with someone?”

Ji Yue’s words made Ji Meizhen understand instantly, and she immediately taunted Ji Meiyuan, “Ji Meiyuan, you are such a b!tch. You just sleep with a man. I think you should just go to Wanhua Building, maybe.” You can also be a top celebrity and earn a lot of money...”
