Chapter 3331

City Lord Sun did not notice that Protector Gong was breaking out in cold sweat at this moment!

“Who is this? He actually said that I am a demon cultivator. What a joke...”

Protector Gong suppressed the panic in his heart and said with a grin!

“It was brought by one of my brothers. I heard that he was in the same team as Boss Cai. I didn’t ask about his specific identity.”

City Master Sun said casually!

When Protector Gong heard this, he was stunned for a moment, and then said with a serious expression, “Is this young man’s surname Chen?” City

Master Sun nodded, “Yes, I heard Boss Cai call him Mr. Chen...”

“Oh, this guy is David, the person I asked City Master Sun to arrest for me.”

Protector Gong said quickly!

“What? Is it him?”

City Master Sun looked confused. “I think that young man is only at the Fusion Realm, and his medical skills are not that good. How can Master Gong have a grudge against him?” City Master

Sun didn’t understand. Why would a senior pharmacist like Protector Gong have a grudge against someone like David?

“City Lord Sun, don’t ask any more questions. Please help me catch David immediately. I will definitely cure Miss Sun’s illness.”

Protector Gong said excitedly!

“Okay, I’ll take them over right now. They live next door!”

City Master Sun nodded!

Soon, City Lord Sun took people to Lao Jia’s yard, and Gong Hufa was waiting with a happy face!

As long as David is captured, he will take David away directly!

As for the poison in Sun Xiaoyun’s body, he didn’t care!

“Second brother, why did you come to my place suddenly?”

Lao Jia looked very strange when he saw City Master Sun and his people coming to his yard!

Although the two families are very close, City Master Sun rarely comes to this courtyard!

“Brother, let me ask you, is the young pharmacist you brought here yesterday named David?”

City Lord Sun asked Lao Jia!

“Yes, his name is David. I heard him say it yesterday!”

Lao Jia nodded!

r> “That’s good, I’m here to catch him. Where does he live?” City Master Sun asked.

“In the innermost room of the east wing.”

Lao Jia said!

City Master Sun and his people hurried over.

At this time, David was practicing. Although there was very little immortal energy in the courtyard, it was better than nothing. David could consolidate his realm!

City Master Sun led people to David’s house and was about to push the door open and enter!

“Who are you? How can you break into other people’s rooms without permission?”

At this time, Huo Feng followed Ji Yun and saw it, and immediately rushed over and blocked the front of the room!

They didn’t know who City Lord Sun was, so of course they wouldn’t let him rush into David’s room!

Huofeng followed Ji Yun and shouted, and everyone else came out of the room!

When Cai Hongwei saw that it was City Master Sun who brought people here, he was immediately surprised!

“City Lord Sun, what are you doing?”

Cai Hongwei stepped forward and asked!

“I’m here to catch David. Is he in this room?”

City Lord Sun said!

Cai Hongwei was stunned, his face full of confusion. “City Lord Sun, why did you arrest Mr. Chen? Did something happen?” “Don’t

ask any more questions, get out of my way immediately, otherwise don’t blame me for being rude!”

City Lord Sun said with a cold face!

Upon seeing this, Cai Hongwei quickly looked at Lao Jia, hoping that Lao Jia could say something, but Lao Jia pretended not to see it!

Since City Lord Sun mobilized troops to arrest David, there must be a reason, and Lao Jia certainly wouldn’t care!

When City Master Sun saw that everyone was still standing in front of him, his body shook slightly, and a wave of air suddenly rolled, knocking everyone in front of him to the ground!

“Hmph, you don’t overestimate your capabilities...”

City Master Sun snorted coldly and was about to push the door open and enter!

“Wait a minute, no one is allowed to take Mr. Chen away...”

Mr. Miao came from nowhere and stood directly in front of City Lord Sun!

Mr. Miao’s life was saved by David, so Mr. Miao will not sit idly by and watch!

Chapter 3332

“You dare to stop me?”

Otherwise City Lord Sun would be furious. This is Yuanri City, and he is the City Lord. What he says here is the imperial edict!

Now someone actually dares to stop him!

It’s totally outrageous!

I saw City Lord Sun raising his hand and slapping Mr. Miao!

City Lord Sun raised his hand casually, which blocked the sky and the sun, and endless pressure came down.

Facing City Lord Sun’s attack, a long sword instantly appeared in Miao Lao’s hand, and then the sword shook, and several huge sword flowers appeared in front of him!

Each sword flower is extremely sharp. As the sword flower blooms, countless sword lights rise into the sky, and then collide with the palm of City Lord Sun!

“Hmph, you are just a sixth-level Tribulation Realm master, but you dare to act wild with me...” City

Master Sun snorted coldly, smashed the countless sword lights into pieces, and then patted Mr. Miao on the shoulder, causing Mr. Miao to retreat. Count the steps!

With this palm, City Lord Sun did not kill him. It was obvious that he did not want to kill Mr. Miao!

However, it can also be seen from this that there is still a certain gap in strength between Mr. Miao and City Master Sun!

“Grandpa, are you okay?”

Miao Miao saw Mr. Miao being slapped and hurriedly stepped forward and asked with concern!

Mr. Miao didn't say anything, but he looked at City Lord Sun with solemn eyes!

“Fellow Taoist, you'd better get out of the way. City Lord Sun has no intention of killing you, otherwise you would have died a long time ago.”

Lao Jia said to Mr. Miao!

But Mr. Miao said with a cold face, “My life was saved by Mr. Chen, so unless I die, no one can catch him in front of me.”

Mr. Miao is an upright man, even if he is the strongest in the team People who have never used their power to bully others!

Moreover, Mr. Miao values love and justice, and David helped him detoxify, which was equivalent to saving his life!

Now that David is in trouble, he will never sit idly by and watch!

It is precisely because of this kind of character that Mr. Miao has always been respected by others. Even if Miao Miao causes trouble outside, he will not care about it for the sake of Mr. Miao!

“I didn't want to kill you. I didn't expect you to seek death on your own. Then Don't blame me...”

City Master Sun's eyes narrowed slightly, and then his body trembled slightly. The cultivation of the eighth level of the Tribulation Realm made the world dim instantly, as if it was the end of the world! Fire

Phoenix and Ji Yun both thought He stepped forward to stop him, but the aura from City Master Sun made it impossible for them to raise their heads!

Mr. Miao gritted his teeth and resisted the momentum with all his strength!

“If you want to arrest me, I will just go with you. Why bother?” Hurt other people...”

At this time, David’s voice came from inside the room!

Upon hearing this, City Master Sun’s aura instantly converged, and the originally dark world also recovered!

David slowly opened the door and walked out directly !

“Mr. Chen...”

“Master...”

Huofeng and Ji Yun all surrounded him.

“Master, you can’t follow him, it will be very dangerous. “

Huofeng stopped David!

“Yes, Mr. Chen, you must not go with him, otherwise you will not be able to come back. “

Ji Yun also said anxiously!

“Mr. Chen, although I am not the opponent of City Lord Sun, but with my old bones, I can still delay him for a while. You can take advantage of this time to run away. “

Miao Lao made the determination to die!

David was very grateful for Miao Lao’s attitude.

“It’s a blessing, not a curse. It’s a curse that can’t be avoided. It doesn’t matter if I go with him. Even if we resist, no one can be his opponent. , increasing casualties in vain. “

David said calmly!

“Master, if you want to run away, I am willing to give up my life to buy you time. “

Huofeng’s face was full of worry!

“Mr. Chen, I am willing too. As long as you are well, I can die for you...”

Ji Yun said without hesitation!

City Lord Sun on the side saw that these people were actually willing Giving up his life for David, he couldn't help but feel very curious!

He didn't understand how David, a young pharmacist and a mere monk in the combined body realm, could be so charming?

Chapter 3333

“You all get out of the way, I'll go with him!”

After saying that, David walked directly in front of City Lord Sun. “Can I know why you want to arrest me?” “

I am also entrusted by others to be loyal. I have said that whoever saves my daughter, I can agree to his conditions, and the condition is to arrest you.”

City Lord Sun said without hesitation!

When David heard this, he became even more convinced of his guess. He couldn't help but raise his lips and said with a smile, “Okay, I'll go with you!”

City Lord Sun's men stepped forward to tie David up, but City Lord Sun waved his hand to stop him. !

“No need to tie him up, he won't escape...”

City Lord Sun knew that David would not escape. Just now so many people tried to buy time for him, but David didn't escape, then he would not escape now.

“Let's go...”

City Lord Sun said coldly to David!

David walked out with a smile. When Huofeng and Ji Yun saw this, they wanted to follow, but they were shocked by the aura of City Lord Sun and fell to the ground one after another!

David followed City Lord Sun directly into the City Lord's Mansion. At this time, Protector Gong was in Sun Xiaoyun's boudoir, and Sun Xiaoyun had already taken the refined elixir!

"Miss Sun, if you take this pill, you will be protected from recurrence for half a year. After taking it three times in a row, you will be completely cured."

Protector Gong said to Sun Xiaoyun!

"Thank you, Protector Gong!" Sun Xiaoyun looked happy!

That way she doesn't have to be tied up, and she doesn't have to go crazy from time to time and become like a lunatic!

At this time, City Lord Sun walked in with David!

When Protector Gong saw David, his eyes suddenly lit up!

When David saw Protector Gong, he slightly raised the corner of his mouth and said, "It is indeed you. It seems that my guess was not bad at all..." "

You were right, it is me. Now that you are in my hands, I will let you experience that life is worse than deathtaste. "

When he thought of his golden silkworm poison, Protector Gong hated David and itched his teeth!

"Mr. Gong, I brought you the person. You can deal with it as you like. My daughter's illness..." "Don't

worry, City Master Sun, I will continue when I get back. Refining the elixir will ensure Ms. Sun's recovery." Protector Gong patted his chest in assurance, and then continued, "But I also ask City Master Sun to destroy this kid's strength first to prevent him from escaping. "

Mr. Gong, you are in the Tribulation Realm. Are you still afraid of someone in the Fusion Realm?" "

City Lord Sun didn't understand why Protector Gong asked him to depose David!

"This kid is good at using tricks. I've been fooled several times, so it's safer to depose him. "

Protector Gong said!

“Well, in this case, I will abolish his cultivation first. “

City Master Sun saw this and was about to destroy David’s cultivation!

But David said calmly, “City Master Sun, you have to think carefully, if you destroy my cultivation, your daughter will never be born again.” Will recover. “

I said that your daughter was poisoned, not sick. Moreover, the poison has penetrated deeply into the blood. I am afraid no one can save her except me.”

“This guy is a demon cultivator. He didn’t see your daughter’s illness. He just used pills to suppress it temporarily. In a few days, your daughter will have another attack. “

David’s words made City Master Sun hesitate for a moment!

“You fart! “When Protector Gong heard this, he immediately retorted, “You are the demon cultivator. Don’t spit on others just to survive. I will definitely be able to cure Miss Sun’s disease. I have lived for so many years, am I not as good as a little kid like you in terms of medical skills? “

City Lord Sun was right when he heard it. After all, Protector Gong is so old, and David is just a child. How much can he do if he makes medicine from his mother’s womb? “You will know right away whether you can cure it...”

Chapter 3334

After this breath entered Sun Xiaoyun’s body, Sun Xiaoyun was slightly startled, and then her eyes began to glow red!

“City Lord Sun, don’t listen to this guy’s nonsense. I’ve been fooled several times. You’d better destroy him.”

Protector Gong urged City Lord Sun to destroy David!

No one noticed that Sun Xiaoyun on the side was changing!

City Lord Sun glanced at Protector Gong, then at David, and finally chose to believe in Protector Gong, so he slapped David with his palm!

But David stood motionless, not even a trace of fear!

Just when City Lord Sun didn't know why David wasn't afraid, a roar suddenly came from behind!

I saw Sun Xiaoyun, who had just been well, now looking like a madman, with his eyes wide open, and he rushed towards Protector Gong!

The two of them were closest, and Sun Xiaoyun attacked Protector Gong first!
This

sudden change made Guardian Gong unable to react for a moment. He instinctively slapped Sun Xiaoyun out with a palm!

But after this palm shot, Protector Gong stood stunned for an instant!

Because when he slapped his palm, his aura was instantly exposed!

City Lord Sun was stunned, and then looked at Protector Gong in disbelief, "Are you really a demon cultivator?"

Protector Gong didn't speak, turned around, jumped out, and ran away quickly!

Now that your identity is exposed, you have to run away quickly!

City Master Sun's face was full of anger, and he wanted to chase after him, but he took a look at Sun Xiaoyun who was photographed and wanted to go over and check it out!

"City Master Sun, Miss Sun has been handed over to me. I will definitely be able to cure him. Hurry up and chase him. Don't let those demon cultivators escape."

David said to City Master Sun!

City Lord Sun glanced at David, then turned around and chased him out!

Just after City Lord Sun chased him out, David immediately just locked the door!

And Sun Xiaoyun was like a wild beast, rushing towards David!

The girl who was frail just now has become neither human nor ghost, looking very scary!

Looking at the crazy Sun Xiaoyun, David frowned slightly. Although Sun Xiaoyun lost his mind and his strength would be greatly reduced, David couldn't go all out. After all, he couldn't hurt Sun Xiaoyun!

Now David must control Sun Xiaoyun first, and then use the silver needle to force out the poison. There is no way for someone like Sun Xiaoyun to force out the poison!

David waved his hand, set up a formation around the room, and then followed Sun Xiaoyun to fight together!

Soon, there was a roar in the room. If David hadn't mentioned setting up the formation, the room would have been razed to the ground!

Sun Xiaoyun frantically attacked David, while David dodged and used his body skills to parry!

Gradually, Sun Xiaoyun's desperate attacks made her a little exhausted, and her forehead was covered with sweat!

But the sweat turned out to be black, which made Sun Xiaoyun look confused!

Just when David looked at Sun Xiaoyun with confusion on his face, Sun Xiaoyun suddenly stopped attacking!

At this time, the scarlet color in Sun Xiaoyun's eyes slowly faded and recovered again!

Sun Xiaoyun looked at the messy room, then looked at David in front of her, and asked with confusion on her face, "What's going on? Where is my father?" "Why did I get sick again? Aren't

I already well?"

Sun Xiaoyun was a little panicked. She didn't understand what was going on!

"Miss Sun, don't panic. You are not sick. You are poisoned in your body. I am asking you now. You must answer me truthfully so that I can help you." David saw that Sun Xiaoyun had regained consciousness, so he was

careful said!

Sun Xiaoyun looked at David and found that David was not hostile, so she nodded and said, "Okay, you can ask..."
