Chapter 1483 Paternity Test

Laney pretended like she didn't notice Garrett's aggrieved gaze. Standing up with the document in her hand, she said, "It seems like I'll have to give this to Janet tomorrow."

It was not until then that Garrett realized Laney had been holding a file with her all along. He became vigilant at once and asked, "What's in there?"

After being slandered by Kailee because of fabricated evidence and losing his family as a result of that, he would feel a chill swimming down his spine whenever he saw strange documents. He couldn't overcome the fearful apprehension in his heart.

Sparing a glance at Garrett, Laney replied coldly, "It has nothing to do with you."

Garrett retorted, "What are you talking about? Brandon is my good friend. I'll have to see what's inside."

documents. He couldn't overcome the fearful apprehension in his heart.

Sparing a glance at Garrett, Laney replied coldly, "It has nothing to do with you."

Garrett retorted, "What are you talking about? Brandon is my good friend. I'll have to see what's inside."

Then, he stretched out his hand to reach for the file.

However, Laney turned around and dodged. When Garrett saw that, his suspicion was piqued even more.

"Why are you hiding it? I'm not having a good feeling about this."

With her arms crossed over her chest, Laney raised her eyebrows. "Well, you aren't that stupid."

Garrett's heart sank. He stared at the file maliciously. It seemed that whatever was in the file would cause something bad to happen, or it might even separate Brandon and Janet.

How could he allow such a thing to happen?

Narrowing his eyes, Garrett pounced on Laney, trying to grab the file from her. However, he

lost his balance in the process and sprained his ankle, falling onto Laney.

It had never occurred to Laney that Garrett would be so bold to snatch the file away from her. For a moment, she was caught in a daze, watching Garrett throw himself at her.

The next second, they fell into the soft bed. Looking at Laney, who was under his body, Garrett was in seventh heaven. ₂

Laney had been harboring grievances against him after what had happened between him and Kailee. No matter how hard he tried, the most he could do was hold her hand. It was literally impossible for him to bridge the gap between them.

It had been a long time since he had gotten this close to her. He couldn't help but move his lips closer to her bit by bit.

At the sight of that, Laney's heart skipped a beat, her mind went blank.

He didn't look like he was going to stop.

Right then, Laney suddenly came to her senses and pushed him away. "I have yet to forgive you. Stay away from me!" Her face was red.

A hint of disappointment flashed across Garrett's eyes. "I didn't mean to do that. I was just trying to grab the file bag from you."

Laney got up from the bed and said helplessly, "Why did you do that when you didn't even know what it was?"

"So what is it?"

"It's the paternity test result of the baby in Suzanne's belly as well as the hotel surveillance footage capturing Suzanne's covert actions to achieve pregnancy."

It was indeed something bad. "Does the baby have anything to do with Brandon?"

"No." Laney shook her head firmly.

Garrett scratched his head, feeling confused. "Then why is Suzanne saying that she is conceiving Brandon's child?"

She rolled her eyes at him and said in a disdainful tone, "Do you think everyone is as stupid as you? Brandon has already seen through the conspiracy between Suzanne and Jeremy. He deliberately changed the trash can at the hotel room to trick them."

Then, she gave Garrett a meaningful look.

"Perhaps only you will fall into this kind of trap."

With a heavy heart, Garrett lowered his head.

"I'm sorry..."
