

An Understated Dominance By Marina Vittori

Chapter 1843

After many years, his strength has improved by leaps and bounds.

However, he didn't expect that now, he would be defeated by a young man.

What a disgrace.

"Too much bullying!"

Seeing that the situation was getting worse and worse, Nangong Po couldn't help roaring and directly used his killing move.

He was seen holding the spear in one hand, quickly distanced himself, then suddenly stopped and turned around, holding the spear with both hands, and stabbed back fiercely.

The true energy all over his body suddenly burst out.

"Look at the stars and look at the moon!"

Nangong Po roared angrily, and the tip of his spear suddenly vibrated.

The spear shadows all over the sky shot out like meteors, carrying the power of destroying the world and crashing into Dustin.

Wherever the spear shadow passed, the air twisted and the ground exploded, which was particularly terrifying.

"Hmph!"

Dustin did not dodge, and with a shake of the Sky Sword, a sharp sword light shot out instantly, slamming into the shadow of the spear in the sky.

"Bang bang bang..."

Just a burst of explosions was heard.

Dustin's sword light was as powerful as a broken bamboo, directly shattering all the spear shadows, and then accurately stabbed the tip of Nangong Po's spear.

"Boom!"

There was a loud noise.

Nangong Po's spear was overwhelmed and exploded into more than a dozen pieces in an instant.

The powerful shock wave generated by the explosion directly lifted Nangong Po dozens of meters away, and then fell heavily to the ground.

For a while, he had bleeding from his mouth and nose, and he couldn't stop coughing.

"What?!"

Seeing this scene, everyone looked horrified.

Although they knew that Dustin had the upper hand, Nangong Po was not a good person.

According to their predictions, the two should fight back and forth.

How come Nangong Po was defeated in the blink of an eye? And it failed so miserably?

This result is too sudden, right?

"This boy is really powerful. If he can be used by me, that would be great."

Looking at Dustin who defeated the enemy with one sword, Dustin Kate couldn't help but squinted his eyes, perhaps even more intensely.

Being able to defeat Nangong Po at such a young age means his future is limitless.

"With the reputation of the general, if he can extend an olive branch and promise to bring wealth and honor, it will not be difficult to conquer this person." Harmon Liang said meaningfully.

"Such a master is worth wooing." Gao Yuan nodded.

West Lucozia is a martial people and the people are fierce. A person's force value can greatly affect future achievements.

"Cough cough cough..."

Nangong Po stood up staggeringly and reached out to wipe the blood from the corner of his mouth. His whole body no longer obeyed the previous calmness, but was replaced by fear.

"The swordsmanship you use is very similar to that of Sword Immortal Bai. Who are you?!" Nangong Po shouted in a deep voice.

"I will tell you the truth after you die!"

Dustin didn't talk nonsense. The Sky Sword shook and ejected again, suddenly attacking Nangong Po.

"General, save me!"

Nangong Po's expression changed. He completely ignored his image as a master and hid behind Dustin Kate as quickly as possible.

He knew that he was no match for Dustin, and at this time, he had to seek protection.

"Little brother! Wait!"

Dustin Kate spoke loudly, trying to resolve the conflict between the two parties.

As a result, Dustin didn't react at all, and the long sword still stabbed straight at him, as if he was determined to fight to the end.

Seeing this scene, Dustin Kate couldn't help but frown slightly.

Although he really wanted to win over the young master, if the opponent was an uncontrollable factor, th
