An Understated Dominance by Marina Chapter 1928

Chapter 1928

“Mason, your opponent is me.”

Jason drew his sword at the same time, blocking Mason’s way.

The two are equally powerful and would be equally matched in a fight.

Although Mason wanted to help, he could not withstand the combined efforts of the two sects and could only watch as the disciples of Wandering Dragon Sect came forward.

Just when he thought Dustin Rhys was going to be deposed, an accident happened.

Just listen to two crisp sounds of “pop”.

As soon as the two Wandering Dragon Sect disciples approached, they were slapped by Dustin Rhys and flew away. They fell to pieces and were unable to stand up.

The whole process happened so fast that it was almost impossible to react.

“Ah?”

Mason was stunned for a moment, with a look of astonishment on his face.

The disciples of Wandering Dragon Sect are all elite warriors who are one in a hundred, and they are definitely not something ordinary people can compete with.

Dustin Rhys defeated two Wandering Dragon Sect disciples with just two moves. Their strength was probably at the innate level.

Among all the major sects, he can be regarded as a top disciple.

“What? How could this happen?”

Not only Mason was surprised, but also Jason and others were also surprised at this moment.

They originally thought that Dustin Rhys was just a small character with no affiliation and could be easily suppressed. Unexpectedly, the other party still had some strength.

In one confrontation, two elite disciples of Wandering Dragon Sect were eliminated.

It's really surprising.

"Boy! I have to admit that you do have some skills. No wonder you dare to be so arrogant. But unfortunately, you offended the wrong person today!"

Mark slowly took off his coat and said with a cold and arrogant expression: "Originally, I just planned to teach you a lesson. , but you don't know how to appreciate it, now, you injured two of my younger generation brothers, you must pay the price in blood today!"

"I advise you not to take action." Dustin Rhys said calmly.

"What? Are you afraid? It's a pity that it's too late!"

Mark sneered: "Now you have only two choices, either cut off your hands and feet to apologize to my younger generation brothers, or I will do it myself and cut you into pieces! "

Afraid?"

Dustin Rhys suddenly laughed: "You are right. I am indeed a little afraid. I am afraid that I will accidentally kill you." As soon as these words came out, the whole place was in an uproar.

No one expected that Dustin Rhys would be so crazy, as if he didn't take the strict prohibition into consideration at all.

Who is strictly prohibited? That was the genius of Wandering Dragon Sect, one of the best in the sect.

His strength has reached the late innate master stage, far surpassing the two elite disciples just now.

Wouldn't it be asking for death to challenge such a master?

“Arrogant kid! You are really looking for death!”

Hearing this, Mark instantly became furious. Without any hesitation, he directly pulled out his sword and attacked Dustin Rhys suddenly.

The speed of the ban was very fast, and the whole person was like the wind. In the blink of an eye, he was in front of Dustin Rhys.

The sword in his hand emits a sharp sword light, and wherever it passes, the surrounding flowers and plants are broken.

For a moment, sand and rocks were flying, and smoke and dust were everywhere, with an astonishing power.

“Brother Dustin! Be careful!”

Mason's expression changed and he quickly warned.

Just when everyone thought that it was strictly forbidden to kill with one strike.

Dustin Rhys suddenly moved, and saw that he did not dodge, but only stretched out his index and middle fingers to clamp the forbidden sword edge.

The originally powerful sword was instantly frozen in place, unable to move.

The whole audience was stunned.
