An Understated Dominance by Marina Chapter 1929

Chapter 1929

“Buzz!”

The sword in Mark’s hand trembled slightly and made a soft sound.

The sharp sword blade was clamped between Dustin Rhys’s fingers. No matter how hard he tried, he could not make an inch forward.

“What? You blocked it?”

Everyone was shocked when they saw this scene.

No one expected that Dustin Rhys would have such an ability to directly take the forbidden fatal blow with bare hands.

How powerful is this guy?

“How... how is it possible?!”

Mark’s face changed drastically and his mind trembled.

Although he didn’t use all his strength in the sword strike just now, he still used seventy percent of his power.

Ordinary innate warriors simply cannot resist it.

He had never encountered someone like Dustin Rhys who could defuse an attack with just two fingers.

“This guy...does he only know this trick?”

One of the Flying Snow Sect disciples, a girl with a ponytail, frowned and looked a little ugly.

In the hotel cafeteria before, the other party also clamped his sword blade with two fingers, giving her a big blow.

Now the old trick is being used again, and it is also applied to the powerful Mark, which is really scary.

“I thought you were so powerful, but it turns out you only have this little strength.” Dustin Rhys shook his head, with a bit of sarcasm on his face.

“That’s too much! I’ll kill you!”

Seeing that he was being looked down upon, Mark instantly became angry and suddenly pulled out the dagger from his waist and stabbed Dustin Rhys in the heart.

The dagger glowed with black light, obviously quenched with poison.

For an innate master, just scratching the skin can be fatal.

“Don’t overestimate your own capabilities!”

Dustin Rhys’s face turned cold, and he struck out like lightning, his sword finger suddenly pointing at Mark’s chest.

“Bang!”

There was an explosion.

Before the forbidden dagger even touched the corner of Dustin Rhys’s clothes, the whole person flew away like a cannonball more than ten meters away and hit the courtyard wall with his head.

Blood spurted from the mouth and nose, and he was in a miserable state.

“Second Senior Brother!”

Seeing this scene, the disciples of Wandering Dragon Sect were all shocked.

They really didn't expect that the powerful Mark would be defeated by someone with just one move.

Even the senior brother, who is the strongest genius in the Wandering Dragon Sect, probably doesn't have this ability.

"What is this kid's background? How can he be so powerful?"

Jason frowned, his expression becoming extremely solemn.

He thought he was strictly forbidden to vent his anger on his behalf, but he didn't expect to be seriously injured by Dustin Rhys.

Thinking of how he almost had a conflict with the other party before, he couldn't help but feel a little palpitated.

Mark's strength is not much different from him. If Dustin Rhys can defeat Mark, there is a high probability that he can defeat him.

Before the sect elders arrived, it seemed that they could no longer act rashly.

"It's true that people can't be judged by their appearance. I didn't expect Brother Dustin to have such strength." Mason was surprised and happy.

He thought Dustin Rhys was going to burp just now, but the situation took a shocking turn.

Dustin Rhys defeated the second disciple of Wandering Dragon Sect with one move. If this matter spreads, it will definitely become famous throughout the southwest.
