Married at First Sight Chapter 2699—“Sonny, come here.” Jane waved to Sonny.

Sonny walked up to Jane. Jane pulled him close, then picked him up and let him sit on her lap. She asked softly, “Did you quarrel with Titus?”

“No.”

Sonny denied the quarrel and said childishly, “Titus is right, though. Avah is his little sister, so it makes sense that she is his. Auntie, I like Avah very much. I really want a little sister. Would it be possible for you to give me Avah?”

Jane chuckled. “I can’t give this away.”

Avah was like a young ancestor in FC Manor, and thousands of people adored her.

If outsiders held him for a while, everyone in the Johnson family would be worried that their little ancestor would be taken away.

Sonny said, “Auntie, why can’t you give Avah as a gift? Okay, how about I buy it? I’m wealthy, and I will give all my money to you. Is it okay?”

Jane smiled and said, “I can’t sell Avah either. Avah is a person, not an item. She can’t be sold. Sonny, you also have a little brother. Don’t listen to Titus’s nonsense. He is equally as domineering as your Uncle Johnson.”

The two were not biological father and son, but their overbearing love for Avah was the same.

“Auntie, you’re lying. As long as I am older than Avah, she will always call me brother, but Titus is different.” Sonny said seriously, “Auntie, my mother said that I am four years old and not a three-year-old child. Please don’t coax me.”

Sonny was so smart.

Jane said, “Yes, Sonny, you’re a big boy now, not a three-year-old child. Auntie won’t coax you. However, I really can’t give away or sell your little

sister, Avah. If you like her, go with your aunt when you have time. When you play at home, you can see Avah often.”

Sonny tilted his head and thought for a while, then said, “But I have to go to kindergarten every day, and I only have two days off. I also miss my mother and spend time with Uncle Lewis. I don’t have enough time.”

Jane was also serious. “Then what do you think we should do?”

Sonny didn’t know what to do. He felt that he still had to have a sister. But if his aunt didn’t give birth to a little sister, how could he get her?

Let his mother give birth?

His mother said that she could just have him, and she didn’t want to have another sister.

Let’s talk to Uncle Lewis. When Uncle Lewis came, he would secretly tell Uncle Lewis and ask Uncle Lewis to tell his mother to help him give birth to a little sister.

“Mama, Enzo is p!ssed off.”

Titus, who always accompanied his siblings, shouted.

Jane put down Sonny and stood up to help Enzo change his diaper, but Ben moved faster than her.

Both Zachary and Serenity watched Ben skillfully change Enzo’s diaper—not too smelly or dirty.

Ben usually despised Enzo for crying and fussing, but preferred Avah. The first thing he did when he came home from work every day was to hug Avah and kiss her fiercely. In fact, he loved Enzo just as much.

Zachary looked at it seriously.

He wanted to learn from Ben and become a qualified dad in the future.

“Hey, there are so many people here; what’s wrong? What treasure are you all looking at here?”

Josh's loud voice came in, and then he was seen walking in, holding a big box in one hand and Jasmine's hand in the other.

"Uncle Josh, Auntie Jasmine."

Sonny saw the couple and ran over happily.

Knowing that Jasmine also had a baby in her belly, Sonny didn't dare ask for a hug when he saw Jasmine like before, so he could only turn to Josh.

Josh let go of Jasmine's hand and hugged Sonny with one hand.

"Sonny, do you miss Uncle Josh?"

Sonny: "think."

Married at First Sight Chapter 2700-Josh: "Then how do you behave?"

Sonny quickly hugged his neck and kissed both sides of his face.

Josh smiled with satisfaction. "You performed well. Come, Uncle Josh will give you a remote control plane."

"Thank you, Uncle Josh." Sonny happily took the big box.

Josh put him down at the right time.

"Titus, let's go play airplane." Sonny greeted Titus.

After seeing the guests in the room clearly, Josh said, "I didn't know Titus was here. Titus, I didn't prepare a gift for you. I'll make up for it next time."

Sonny said, "Titus, I'll give you this new plane. I'll get another one. Let's go outside and play."

Sonny generously transferred the new remote control plane given to him by Josh to Titus.

He had many remote-controlled airplanes. He also had a lot of remote-controlled toy cars and windmills.

There was no way; Duncan would only give him windmills most of the time.

Now that he didn't play much, Duncan changed things up a bit. But when Duncan gave toys, he gave the same thing. If he liked it, he gave it the same thing every day.

Unlike others, who would send fresh and diverse ones,

Titus did not refuse and accepted the gift from Sonny.

When Sonny brought another remote-controlled toy airplane, the two little guys stopped teasing their siblings and ran to the yard to play with the remote-controlled airplane.

Ben and Jane were both making milk powder. After making milk powder and feeding their children, they sat back on the sofa each holding a baby.

"At this point, they need to take a lunch break and hold them to sleep. When they fall asleep, they need to be carefully placed on the bed."

Ben held Avah in his arms. His face was full of love.

Josh reached out and pinched Avah's face, "It's fleshy and feels really good."

Ben slapped his hand away, said: "Josh, don't pinch my daughter's face, it will hurt her."

Josh: "I see she's not crying."

Ben said: "If my daughter cries, I can fight with you. My daughter is the most obedient and rarely cries. If you pinch her face and she cries, it will hurt her and she will suffer. If you can't, just cry, tell me, can I not beat you?"

Josh: "..."

He quickly sat back down next to Jasmine.

The little ancestor of the Johnson family couldn't afford it.

After the two children had eaten and drank enough, they fell asleep really quickly.

After they fell asleep, Ben and Jane put their children back on the stroller respectively. Enzo was easy to put them down, but Avah was not. As soon as they put them down, Avah opened her eyes.

Ben had no choice but to pick Avah up again, coaxing her softly and walking around in the hall.

Josh leaned into Jasmine's ear and whispered, "If I hadn't seen it with my own eyes, I would never believe it."

Jasmine gently squeezed his thigh.

Josh sat upright.

Suddenly he remembered something and said to Zachary, "On the way to your house, I received a message from the boss of the Information Department, saying that a strange man appeared in Wiltspoon with more than a dozen bodyguards, but he couldn't come here. He was leaving in a hurry, and I still don't know who he is or what he is doing in Wiltspoon."

Zachary said nothing.

Serenity said casually, "It's not that non-Wiltspoon residents can't enter Wiltspoon! Countless strangers come to Wiltspoon and leave Wiltspoon every day."

The Bucham family was really powerful. When strangers in Wiltspoon came into the city, they all paid attention.
