

Chapter 866 Feed You To The Tigers

The expression on Marion's face changed slightly. When he saw that Trevor and Beckett were about to fight, he was worried. He held Trevor's hand and whispered, "Trevor, calm down. You are a stranger here. Since you are from another city, I understand that you don't know much about this man's identity. He's from the Garza family, which is very powerful in Mordor. Local people don't dare to go against them. I'm afraid you'll suffer losses if you fight with him."

The Garza family?

Trevor raised his eyebrows and thought for a while. In the end, he realized he had no impression of this so-called powerful family.

The Sanderson family was one of the richest and most powerful families in the world.

In Trevor's eyes, the members of the Garza family were the real bumpkins.

After warning Trevor, Marion stepped forward, stood in front of Trevor, and smiled kindly. He said to Beckett, "Mr. Garza, long time no see. What a coincidence that we ran into each other in the zoo! Please don't take such a trivial matter to heart. Let's just forget about it for my sake."

After saying this, he smiled apologetically, showing great respect for Beckett.

Whether Marion's effort worked or not, Trevor was still moved that Marion was trying to protect him.

However, Beckett was always arrogant and domineering. He sneered at Marion.

"What did you say? For your sake? Who do you think you are? Get out of my way! The Norris family, right? Don't think that you can live a comfortable life just because you have a company in Mordor. If you make me unhappy, I can make your company go bankrupt in three months."

Beckett scolded Marion regardless of the latter's sullen look. He continued, "Damn it! I was in a good mood today and wanted to hang out with some woman. But this guy

dared to act against me. He must be courting death."

Upon hearing this, Harmoni panicked at once. She only knew that Beckett was domineering. She didn't expect that his rudeness and arrogance were beyond her imagination.

She said hurriedly, "Mr. Garza, please don't be angry. I'm sure Trevor didn't mean to offend you. He..."

"Fuck! You bitch!"

When he saw that Harmoni was trying to ease the conflict, Beckett thought that she was partial to Trevor. And the more he thought about it, the angrier he became. He slapped her hard across the face.

"Ouch!" Harmoni cried out in pain, trembling in fear.

She finally realized that things had gone out of her control and were screwed up.

Beckett's face turned gloomy. He reached out, pinched Harmoni's smooth chin, and snapped, "You fucking bitch! Offer yourself to me tonight. Otherwise, you will regret it. Humph!"

He looked at the bouquet on the ground expressionlessly and stepped on one of the flowers, crushing it. The sap of the flower spread and dyed the ground.

Obviously, it was a threat to Harmoni.

Harmoni realized that Beckett was someone she couldn't control at all. The ways she used to manipulate men didn't work on him.

If she was wrong in her guess that Trevor was from a more powerful family, she would be in a very dangerous situation.

Trevor would get into trouble in Mordor, and she would be raped by Beckett tonight.

At the thought of this, Harmoni couldn't help but burst into tears.

She wanted to marry into a rich family, not be a plaything.

The current situation made her extremely regretful. She regretted that she had approached Beckett.

At this moment, Beckett looked at Cecelia, Clarissa, Makenna, and Irene arrogantly.

And the longer he looked at them, the more excited he felt.

"Hey, brat! I'll give you a chance. If you can persuade these beautiful women around you to sleep with me and have fun, I will let you off this time. But if you dare to refuse..."

He patted the guardrail of the tiger area behind him, smiled, and threatened, "I will feed you to the tigers."
