

Chapter 961 Conflict

Cyril walked on the red carpet and said, "So you work for Glory Company? I'm a shareholder here. Dealing with you is going to be easy. Kneel and lick my shoes, or else you'll be fired!"

Trevor pressed his lips into a thin line as he looked at Cyril, a hint of pity flashing in his eyes.

He was worried that he wouldn't have many chances to make other people resent Zakai, but now, to his surprise, Cyril took the initiative to create a chance for him.

With that, Trevor rolled up his sleeves and replied, "Zakai's the boss here. The red carpet under your feet is specially prepared for him. What makes you think you deserve to step on it?"

He narrowed his eyes at Cyril and turned to look at the bodyguards. "Get him, guys!"

Trevor deliberately kept mentioning Zakai to remind Cyril that the personal feud between them was all because of Zakai.

The other bodyguards' eyes lit up in excitement when they heard what Trevor said.

Cyril was a shareholder of the company, and no one dared to offend him.

But now, they learned he had a conflict with Zakai.

No matter how powerful he was as a shareholder, Zakai was still the boss.

That was why they didn't want to pass up an opportunity like this. They wanted to help Zakai punish Cyril.

"What are you doing? Don't come any closer!" Cyril stammered. His expression dramatically changed when he saw the bodyguards gather around him. Since he was a shareholder, he didn't expect to get beaten up by the bodyguards in front of the company.

Suddenly, he let out a scream, and all of the bodyguards pounced on him. They pinned him on the red carpet and beat him up over and over again.

At that time, Zakai finally showed up.

When he noticed the commotion at the entrance of the company, he frowned and shouted, "What the hell are you doing?"

Immediately, the bodyguards went aside, exposing Cyril's pitiful state.

Trevor turned around, walked toward Zakai, and said, "Cyril came to the company early in the morning to make trouble and stepped on the red carpet prepared for you to show his

superiority."

Zakai became infuriated upon hearing what Trevor said. After he got out of the car, he glared at Cyril and shouted, "Cyril, you idiot! You've already been beaten up yesterday. Don't you ever learn? I'm from the Sanderson family, and you have no right to provoke me like this! Do you have a death wish?"

Cyril struggled up and glanced at Trevor and Zakai. He couldn't help but feel like something was wrong.

He took action against Trevor just now, but he never expected that he would have a conflict with Zakai.

However, regardless of his calm analysis, he got annoyed because Zakai kept scolding him. Eventually, he retaliated.

"Who do you think you are, Zakai? The Sanderson family is indeed powerful, but it is not the ruler of Esterham. So what if you are a Sanderson? I don't give a damn!"

Trevor's lips curved into a small smile. Things were going just as he expected.

With that, the dispute between Zakai and Cyril became much bigger than before.

Noticing that there were so many people on Zakai's side, Cyril limped back to his BMW. But before he left, he glared at Zakai and said, "Just you wait and see, Zakai. We're not done yet. Don't think that you can do whatever you want in
