

Chapter 970 Provocation

The next morning, when Trevor arrived at the Glory Company building, he noticed that Zakai was already in his office.

"Hey, Dragon! You've done a good job recently, so I've decided to raise your salary. Everyone who works hard will be paid handsomely."

Zakai sat askew, both of his legs on the desk while sitting on his chair. He looked quite complacent.

Trevor smiled. Upon seeing the look on Zakai's face, he knew that he had secretly transferred a large sum of money from Dooley's company this time around.

He sneered inwardly.

Zakai grinned from ear to ear before he stood from his seat. He stumbled a bit while he did so, but eventually managed to regain his balance.

He held the desk as he exclaimed excitedly, "Dragon, come with me to visit Cyril. I'm going to tell him in person that the Ramos family is doomed!"

Trevor nodded in response. With that, he drove Zakai to the Ramos family's company.

When they arrived, they happened to block Cyril's BMW at the gate of the company.

Beep! Cyril irritably honked at their car and poked his head out of the window. "Who the hell are you? Why are you blocking my way? Do you have a death wish? Get the fuck out of here!"

While Cyril was cursing, Trevor went out of the car.

Cyril's eyes widened in shock. "You!"

He immediately opened the door of his car and clenched his jaw. He could still remember the day when he was forced to apologize to Trevor. He truly wished he could beat him into a pulp.

However, someone else attracted his attention at that point.

"Cyril, how dare you! You're venting your anger on my bodyguard. Why are you doing this? Are you hoping to feel some sense of superiority by looking down on others?" Zakai said with a smug look as soon as he got out of the car.

It only took a few more insults before they argued again. Trevor, on the other hand, silently watched the tension between them gradually deepen.

"God fucking damn it! Why the hell are you here, Zakai? I haven't gotten back at you for what happened last time!" Cyril exclaimed furiously. At that moment, he wanted to rush over to where Zakai was and beat him up.

Zakai burst into laughter.

"Why do you want to get even with me, Cyril? Do you really think you can outsmart me by causing me trouble? By selling

shares and instigating the suppliers? You must be kidding. I not only solved those problems but also went further than that. In the future, Esterham's real estate will be the market of the Sanderson family! I'll crush your family with my own two hands! This is the consequence of your actions!"

"Bullshit!" Cyril shouted. "You and your family are unimportant members of the Sanderson family! If you even dare set your foot in the real estate industry, I won't hesitate to fight back and make you lose everything!"

Zakai sneered. He had already achieved his goal of provoking Cyril, so he turned to Trevor and said, "Let's go, Dragon. I don't have time to waste on a loser like him!"

Cyril clenched his fists in anger. "Fuck! This is my territory. Do you really think I'll let you leave? Guards, stop them!"

It didn't take long before a group of security guards rushed outside of the building.

Moreover, they were holding electric batons.

The security guards glared at Trevor and Zakai angrily.

Zakai's face darkened. That was when he realized that he had been too arrogant.

He shouted in a panic, "What the hell are you doing, Cyril? I'm warning you. Don't do anything rash, or you'll regret it."

Cyril had a smug look on his face as he shouted, "Are you scared now? You have no right to come to my company and provoke me like this. Guards, beat them up!"
