

The Charismatic Charlie Wade Chapter 746 – 750

Chapter 746

After speaking, Issac turned and left.

Regnar squatted on the spot, crying silently, covering his face.

The dignity of a lifetime has been trampled down today!

What the h*ll does it mean to live for this purpose?

The point is, how can he make up the Wade Family? Even if this hatred is as deep as the sea today, there is no way to repay it.

Is there anything more painful than this?

By the way, there is more!

On the notifications section, the cross talk between the Liu family and his son is still spreading wildly. Now the number of likes has reached more than three million, which is almost all over the Internet...

Ten minutes later, two helicopter pilots and a mechanic rushed over by taxi.

Regnar finally saw the savior of his life.

The three people got him and his son Roger in the car first, and then the five dead dogs in the car. The driver pulled them to the primary school playground where the helicopter was parked. The three people got all the seven people in the car. After that, the plane took off in the dark and hurried to Suzhou.

When the Wu family man and his son came to Aurous Hill, they came by private jet. They were extremely high-profile and arrogant!

But who could have imagined that when the two of them left, they broke their hands and feet and suffered humiliation, like a bereaved dog!

In the cabin of the plane, Regnar and Roger, father and son, looked at the bustling night view of Aurous Hill, embracing and crying!

No one thought that this trip to Aurous Hill would end in such a bleak situation!

The father and son cried for a long time, and finally eased their emotions. Roger clutched his severed hand and said angrily: "Dad, I don't understand. Charlie's Rubbish is just the son-in-law of a small family. How come there is such a strong strength, Jones Zizhou and the five of them are not even his opponents!"

As he said, he said angrily: "I don't know why, I always have a feeling that the Wade family is targeting us, not because Jones Zizhou's Rubbish wounded the Shangri-La people, but as if the Wade family was helping Charlie assist. same!"

Regnar's expression was pale, and he said, "You think too much! Charlie is just a live-in son-in-law with a stronger personal strength. He may have practiced with an expert before, but he is absolutely impossible to have anything to do with the Wade Family!"

Roger said: "Then why did the Wade family help him?! And they are all named Wade, are they distant relatives?"

Regnar shook his head and said, "Do you see how well the Wade family protects the calf? Even the security guards and lobby managers do not allow anyone to bully, and they can even turn their faces with the Wu family for this reason! If Charlie really belongs to the Wade family A distant relative, how could the Wade family sit back and watch him as the live-in son-in-law in Aurous Hill?"

Immediately, Regnar said: "I heard that this Charlie was very humiliated in his wife's family. The key point is that his wife's family is not even a third-rate family. If he is really a distant relative of the Wade family, the Wade family must be early So he took action to put his wife's obedience to his family!"

Speaking of this, Regnar regretted it in his heart and blurted out: “If I knew Charlie had such a strong personal strength, so I directly mobilized a dozen or twenty masters and killed him at once! This will be done once and for all! There will be so many troubles behind!”

When he mentioned Charlie, Roger felt bitter in his heart, and hurriedly asked, “Dad, what shall we do with Charlie next? Everything today is due to that Charlie! If it weren’t for him to abolish With these five wastes of Jones Zizhou, they can’t offend Issac, and the Wade family can’t offend them as well! They definitely can’t spare him!”

Regnar said coldly: “The current situation is already very unfavorable to us. It is not a wise move to deal with Charlie now. When we return to Suzhou, we will keep a low profile for a while, and wait for the turmoil to pass, and then consider the long-term plan!”

Roger was shocked, and blurted out: “Dad, Charlie made our Wu family lose face in front of the people of the whole country, so just forget it?”

Regnar said with a cold face, “How could it be forgotten?! Anyone who dares to offend our Wu family must pay the price of their lives! Charlie must be dealt with for severed hand and the dignity of my Wu family, I must let him pay for his bloody hands! Let him die without a place to bury!!”

Chapter 747

Before Charlie was cooking, Stephen Thompson called and told him that YouTube local operations have already been bought.

He turned on YouTube and saw that the video has been restored, and it is indeed the first one to open on the screen for all users. The number of likes has grown rapidly, and now it has exceeded 5 million.

This makes him feel happy.

What he want is this feeling!

It seemed that the Wu family was really uncomfortable now.

This video, it will at least hang on YouTube for a while. The Wu family must be uncomfortable, but they definitely have nothing to do.

When the meal was ready, Charlie put away his mobile phone and came out of the kitchen with the food. Only then did he discover that his wife Claire had also returned and was sitting in the living room looking at the phone.

Not only Claire was looking at his cell phone, but his father-in-law Jacob and his mother-in-law Elaine were all looking at the cell phone.

Elaine sighed as she watched, "The Liu family and the two masters are really brave, so speaking of the Wu family, can't the Wu family kill them?"

Claire looked very nervous.

She recognized Liu Ming in the video.

The poor hanging on Liu Ming's forehead was the one that she watched.

At first, she went to the hot springs with her husband Charlie and her girlfriend Elsa. They had a little conflict with Liu Ming in the parking lot. Later, Mr. Orvel suddenly appeared and helped Charlie beat Liu Ming severely.

Later, it was also Charlie who asked Mr. Orvel to engrave the words "poor hanging" on his forehead.

Now, in the video, Liu Ming's father had "Father of the Poor hanging" engraved on his forehead. She thought of Charlie all of a sudden, and felt that this matter seemed related to Charlie.

So, when she saw Charlie coming out of the kitchen with food, she hurriedly walked to him and asked him in a low voice, "Charlie, tell me the truth, are you conflicting with Liu Ming and his father again?"

"No!" Charlie lied: "I haven't seen them at all!"

"Really?" Claire frowned, remembering that when he saw Charlie on Warnia's Rolls Royce in the kitchen this morning, he couldn't help feeling jealous again.

So she asked in a low voice, “Then I ask you, when you went out this morning, why was the Miss Song picking you up?”

Charlie was stunned, and immediately said seriously: “She came to pick me up because today her grandfather invited me to his birthday banquet.”

“Really?” Claire didn’t quite believe it.

Charlie hurriedly said: “Why would I lie to you? Didn’t I tell you that there is a friend who is going to have a birthday, he is the Old Master of the Song family.”

Claire had a taste in her heart and mumbled and asked, “Why is Warnia so good to you? She even drove to the door to pick you up. I think she even gave you the car door. It’s very respectful. Does she like you? Huh?”

“Hey...” Charlie laughed and said: “Wife, who is your husband, a rag who doesn’t even have a job, and it’s a fool to show others Feng Shui or something. A few people, but they don’t make the Song family like them? What kind of family is the Song family, the first family in Aurous Hill! Think about how they can look at me, not to mention, I am a married person , in the Aurous Hill, who doesn’t know me, the soft rice king...”

Claire hurriedly said: “Don’t be so presumptuous of yourself!”

Charlie smiled and said: “I didn’t slander myself. Isn’t this all the truth? Many people see me, and they just talk rubbish, rag, eating soft rice, and the son-in-law. Actually, I’ve been used to it for a long time.”

Claire said earnestly: “Anyway, you are my husband, you are not a waste, nor are you eating leftovers.”

Charlie nodded and said, “My wife knows how to appreciate me. I think in Aurous Hill, the person who appreciates me most is you.”

Chapter 748

After speaking, Charlie said again: “So you see, Miss Song, how can she look at rag like me?”

Claire couldn't help saying: "But...but I think she really respects you! She took the initiative to get off the car and open the door for you!"

Charlie snorted and said: "She respects me because her grandfather believes in me. Her grandfather is getting older and he believes in Feng Shui fortune and fate more and more, and I am the one he trusts, so he respects me. Naturally, his granddaughter should be polite to me too. If she neglects me, her grandfather will blame her.

Claire nodded slightly.

Charlie's explanation seemed to be believable.

Everything can be said and explained.

Thinking of this, she dispelled a lot of doubts in her heart.

In fact, she was in a bad mood all day today.

When shopping with Elsa, she also seemed a little uninterested and worried.

The main reason was that she always felt that Warnia seemed to really mean something to Charlie.

Otherwise, a woman has the strongest sixth sense!

She just looked from a distance and felt that Warnia seemed to like Charlie.

And it really made her guess right!

Fortunately, Charlie's brain reacted quickly, and he immediately dealt with her doubts in her heart.

In fact, Charlie knows Warnia's affection for him deep in his heart.

He is not a fool either, he also feels many things, he can see that Warnia must have a heart for him, and this intention is very strong.

Of course, he didn't have any thoughts of betraying Claire, so to Warnia, he had always pretended to be stupid, pretending to be confused.

Fortunately, Warnia was more graceful and restrained, and did not take the initiative to express her feelings to him, so she gave him space to pretend to be confused.

At this time, Claire felt much more relieved and said, "You, don't interact too closely with these upper-class people in the future. When they believe you, they will hold you, and when they don't believe you, they will throw you away. If they lose you, if they really want to throw you, you are likely to suffer a big loss."

Charlie nodded hurriedly and said seriously: "My wife, don't worry, I will try to keep my distance from them in the future."

Seeing his sincere attitude, Claire was a little relieved.

At this time, the mother-in-law Elaine came over with her mobile phone and muttered impatiently to Charlie: "Can't you still eat? You run out every day without a sh!t, and everything about grocery shopping and cooking is delayed! Me and your dad I've been waiting hungry for a long time!"

Charlie hurriedly said: "Mom, there is something wrong today, but you can rest assured that I will not delay buying vegetables and cooking in the future."

"You better remember what you said!" Elaine snorted coldly, her face full of discomfort.

In fact, she had always resented Charlie for what he asked Lian to donate the money last time.

There were two million in it that belonged to her, but now it was completely lost.

She has no money now, and can't go out and play with the old sisters. She can only stay at home by herself every day to make her sulking, so Charlie is even more unpleasant.

At this time, Jacob walked over and suddenly asked, "By the way, Charlie, when will our Tomson first-class villa be finished?"

Chapter 749

When Jacob asked about the villa, he actually wanted to help Charlie.

He knew his wife's temperament and personality, plus she had recently taken gunpowder, so Jacob was also afraid that she would catch Charlie, and kept sarcasm at him.

In Jacob's eyes, his son-in-law is really saving his life time and time again, so he now treats Charlie as a son-in-law, a real one.

In addition, as the saying goes, a son-in-law is half a son, so when he saw Charlie being scolded, he even felt sorry for his son-in-law.

However, when he asked about the villa, Elaine's attention was suddenly attracted!

She looked at Charlie and blurted out: "Yeah, when will the villa be renovated and when we can move in? When I move in, I will leave a separate room with a mahjong machine so that it can be occupied by my friends. , I asked my friend to play Mahjong in my villa!"

Charlie thought to himself, playing mahjong? Do you have money to lose? Living in a large villa worth more than 100 million, you find someone to come to your house to play mahjong, and then you can't afford to lose two thousands. Are you not ashamed?

However, he certainly couldn't say this directly to his mother-in-law, that is, he just mocked her in his heart.

Thinking of this, Charlie didn't bother to be familiar with his mother-in-law, and said lightly: "I saw Solmon White today. He said that the villa is basically covered, but furniture and appliances are missing. If we want to move in, we can buy some furniture. Put home appliances in, and then can move."

"Great!" Jacob was very happy when he heard that the villa could be available to live in.

Elaine on the side was also very excited, haha laughed and said, "Okay, okay, okay! I'm finally getting rid of this broken house!"

With that, she suddenly recovered.

Buy furniture and appliances? !

What the h*ll!

Didn't the villa have any furniture or appliances? !

All the money made Charlie donate the Hope Project, so what kind of purchase can they get? !

Thinking of this, Elaine's expression immediately became ugly, and she said coldly: "That Solmon White is too much, so expensive villas are given away, furniture and appliances are not provided, let us buy it ourselves?! Why so miser! "

When Claire heard this, she reluctantly said: "Oh, mom, why are you like this? People gifted a villa worth more than 100 million, are you still not satisfied?"

Charlie immediately understood Elaine's desperate look.

The mother-in-law must be afraid that Claire and Jacob will know that she has no money!

Therefore, Charlie deliberately said: "Mom, what Solmon White gave was a villa, not furniture and appliances. Besides, this furniture and appliances should be selected according to personal preference. If they give it to you, if you don't like it, there will be so many troubles. Where to put the furniture?"

Elaine made a strong argument: "Why don't I like the gift? As long as it is free, I like it!"

Jacob took the conversation and said, "Oh, it's okay for us to buy the furniture we like. Tomorrow, we will go to the furniture store and take a look. If we have any furniture we like, we don't need the money. Ah, after all, we still have more than two million in our family. Buying some good furniture and home appliances can not use more than one million at most."

Elaine panicked suddenly and blurted out: "What to buy? Don't buy it! Let that Solmon White give it to us!"

After she finished speaking, she said to Charlie annoyed: “You call that Solmon White, what the h*ll are you doing? The car is delivered, how can you drive it without adding a tank of gas? Let him be matched and we will move past!”

Charlie deliberately said: “Mom, this is not possible. Mr. White regrets that he should not give such an expensive villa. He told me in the past two days that he wanted to change to a smaller and more partial villa for me.”

Chapter 750

“What the h*ll?” Elaine was anxious, cursing: “What kind of dog thing is this? Can you ask to return the gift from someone?”

Charlie opened his hands: “After all, it was something that was given by someone else, even if someone repents and doesn’t want to give it away, what can we do? We can’t compare with White’s family!”

Elaine said angrily, “How can it be like this! It’s a b@stard to send the villa without the furniture!”

Jacob said: “Okay! You should be content too, stop twittering here, take out our money, and buy furniture tomorrow! After buying furniture, I will find a moving company to move next week!”

Elaine panicked and said, “No! If you don’t talk about furniture, you can’t move it!”

“What are you talking about?” Jacob frowned and asked, “I buy the furniture we use ourselves. What else can I say?”

“I...I...” Elaine said in a panic: “I don’t want to buy it! If you want to buy it, you can buy it yourself!”

Jacob blurted out: “What nonsense are you talking about, how can I have the money to buy furniture? My son-in-law gave me the money for my dinner party!”

“What?!” Elaine blew up all of a sudden, blurted out: “Charlie, where did you get the 20,000?!”

Charlie said: "Private money."

"Private money?" Elaine said annoyedly: "If you eat in our house, live in our house, and use our house, you still dare to hide your private money?! Say, how much private house money you have, all will be kept by me! "

Elaine is now insane and desperate to make money. Hearing that Charlie has private money, she immediately became greedy!

Charlie said indifferently at this time: "Mom, I didn't save much money for my private house. I just occasionally showed people to see Feng Shui and made some money. Didn't this I bought two BMWs? I don't have much money anymore. . "

Elaine hurriedly asked, "How much money do you have?"

Charlie shrugged: "Maybe there is less than 10,000, seven or eight thousand!"

"Give it to me!" Elaine blurted out: "You are not allowed to save a penny of private money in the future!"

Claire couldn't see it anymore, and said coldly, "Mom, why do you always bully Charlie for! It's not easy for him to save some money, and it's just a little bit in total. You still wonder if you have More than two million?!"

Elaine was speechless.

How can she have more than two million?

So she could only say angrily: "Well, let's move when the time comes. Let's move the old furniture in our house and use it first!"

"Huh?" Jacob was stunned, and said, "Do you know how big the villa is? There are three floors above ground and two floors underground. The total area is more than 1,000 square meters. There are more than 100 points in our house. Put this piece of furniture in. What does it show?"

With that, Jacob pointed to his own fabric sofa and said: “Just put this broken sofa in a living room of the boss of Tomson. What’s the matter? Wouldn’t it be an ant riding an elephant?”

Elaine was very guilty and made strong words: “You know what a bullsh*t? This saves money! Otherwise, just buy some furniture and appliances for the villa, and it will cost more than one million! Spending so much money is just for vanity? People can’t live their lives!”

Jacob was stunned...

He has vanity? He can’t live? What face does Elaine have to say to him like this?
