

The Charismatic Charlie Wade Chapter 866 – 870

Chapter 866

After that, the Old Mrs. Willson immediately shouted to Wendy: “Wendy, come here, our take her to the bathroom and washes away the food on her head with cold water! Otherwise, later in case she ate secretly behind us, On the contrary, it is cheaper for her!”

Elaine shouted in horror: “It’s almost winter now! You are going to wash my head with cold water, you are going to kill me!”

Gena Jones, who had been watching the excitement by the side, suddenly said coldly: “Stop the d*mn talking nonsense, otherwise, not only will the Lady Willson use cold water to wash your head, I will also give you a shower with cold water!”

Elaine was so frightened that she could only cry loudly while letting her grandma and granddaughter drag her into the bathroom.

Immediately afterwards, Wendy put her head under the faucet of the mop pool and screwed the faucet to the maximum without hesitation!

The cold tap water directly washed Elaine’s head, leaving her brain blank, followed by the biting cold, which made her swing all over.

She was holding her head full of cold water, looking at the grinning Old Mrs. Willson, begging: “Mom, I beg you, give me a towel, or I will really freeze to death!”

The Old Mrs. Willson sneered: “Just you still want a towel, do you deserve it? If you really freeze to death, it will be a good thing. You will free yourself, and I will also relieve my hatred!”

As she said, she looked at Elaine and said sarcastically, "Or you can just cooperate. If you die, it's a hundred!"

Elaine collapsed on the ground and cried loudly. The Lady Willson glanced at her in disgust, and said to Wendy: "Let this b*tch cry here, let's go!"

Wendy also said happily: "*btch! Your good days have just begun! Now it's to clean up you. When I finish cleaning up your old btch, I will definitely find a chance to clean up that little b*tch Claire!*"

.....

Claire never dreamed that her wonderful mother was being tortured to death by her grandma and her cousin.

Because her father Jacob was unwilling to come out to find her mother, she could only split up with Charlie planner, one to find the chess and card room and the other to the beauty salon.

Charlie got the car key from the Old Master, and was about to get into the Old Master's car, and went to the chess and card room to look around. Claire grabbed him and asked in a low voice: "Charlie, I ask you, What is the specific situation of that old classmate and Dad?"

Charlie asked curiously: "Wife, what do you want to know?"

Claire said: "I want to know her appearance, temperament and personality, as well as her family situation, relationship situation, and her future plans after returning to China."

Charlie said truthfully: "That Aunt is really very beautiful, has a very good temperament, and her personality feels very low-key and humble, and very very friendly. As for her family situation, her husband was very simple. Has passed away, now she and her son are dependent on each other."

After speaking, Charlie hurriedly changed his words: "It can't be said that it is dependent on each other. After all, the mother and son are still very powerful. I heard that they have opened a very large law firm, and it is designed for the world's top 500 companies.

They have already moved their businesses back to Aurous Hill, and their future plans are definitely to prepare for retirement in Aurous Hill.”

Chapter 867

“What?!”

Claire was shocked and said: “Good looks, good temperament, and perfect personality. More importantly, she is widowed and gold... Isn't this the diamond king among middle-aged aunts?”

Charlie nodded and said seriously: “It is indeed the fifth king of the diamond, but this Aunt does not look like an aunt at all, more like an older sister.”

Claire asked in surprise, “Is it so exaggerated? How big does it look like?”

Charlie said: “Looking at it is only thirty-seven or eight years old, up to forty.”

“real or fake?!”

Claire's face was unbelievable, she rarely saw a woman who was 50 years old, she would look like thirty-seven or eighteen.

Even a movie star is not so outrageous, right?

Charlie said seriously: “I didn't make any jokes with you at all. Aunt looks really young.”

Claire exclaimed: “So exaggerated?”

Charlie smiled calmly and said, “It just so happens that she will come to eat at home tonight, you will know when you meet.”

Claire no longer doubted Charlie's words. She said anxiously: “This woman is father's first love. Now she is widowed and the conditions are so good. It just so happens that the relationship between my father and my mother is so unstable and even more angry. The human thing is that my mother is still missing at this time. Wouldn't it be necessary for this woman to take advantage of this?!”

Charlie smiled a little embarrassedly and said, "Wife, that's not what we can manage as children. After all, parents also have their freedom. As children, we can only respect, not objection."

Claire suddenly became impatient. Although she knew that her mother was not a good and virtuous woman, she was also her own mother after all. How could she want to see her mother abandoned by her father?

Thinking of this, her heart became even more eager, eager to find her mother quickly and take her home.

So she hurriedly said to Charlie: "Oh, it's getting late. Let's start separately. You must do as much as possible this afternoon. You must arrange all the chess and card rooms. You must take the picture of mother, carefully. Go and ask every owner and every customer in the store."

Charlie said: "I don't have a picture of mother."

For Elaine, Charlie was too late to hide, how could he keep any photos of her in his mobile phone.

Claire hurriedly said, "I will immediately send you the ID photo my mother took some time ago!"

.....

After Charlie drove out of home, he started near his home and shuttled between the chess and card rooms.

Every time he went to the entrance of a chess and card room, he would take a photo of the front entrance of the chess and card room, then another photo of the chess and card room, and then send the two photos to his wife to prove that he had been there.

Whenever Claire asked him how it turned out, his rhetoric was the same: the boss said that he had never seen this person, and the guests said that they had never seen this person.

Although he didn't really ask, he knew the result must be like this.

Claire looked at the various feedbacks he kept sending. On the one hand, she knew that Charlie was indeed helping her find mother, but on the other hand, she couldn't find any clues for a long time, and her heart became more and more anxious.

It is said that the best time to solve a disappearance case is the 24 hours before the disappearance. If a clue can be found in these 24 hours, there is a higher probability that the person will be found.

Chapter 868

At this time, 24 hours had passed since Elaine disappeared.

So Claire was also very worried and nervous now, so she went to the beauty salons and clubs that Elaine often went to without stopping.

She came to one of the beauty salons, took the picture of Elaine and asked the boss: "Hello, have you seen the woman in the photo?"

The boss looked at Elaine's picture and said in surprise: "Oh, isn't this Sister Elaine?"

Claire asked in surprise, "Do you know my mother?"

The boss smiled and said, "So you are Sister Elaine's daughter. Sister Elaine used to be a frequent visitor to me, but I haven't seen her much these days. Sister Elaine used to come to me with friends. What's the matter? Has she disappeared?"

Claire nodded and asked, "Then do you know her friends? Can you give me a contact method."

The boss suddenly thought of something and blurted out: "Oh, a friend of Sister Elaine's is making a face with me now, should I call her out and ask?"

Claire said gratefully, "Thank you so much, for your hard work!"

"You're welcome, you should."

The boss smiled slightly, picked up the walkie-talkie, and said: "Lili, you call Sister White, just say Sister Elaine's daughter has come to Sister Elaine, and I want to ask her face to face."

A response came quickly from the intercom: "Okay, Sister White said this will come."

Claire waited for a while and saw a fat, very rich and burly woman walking out with a mask on her face.

This woman's face is a bit too fat, so the entire mask is a little bit too much, and it looks somewhat funny.

But Claire didn't mean to laugh. She just looked at each other expectantly, hoping to get some information and clues from her mother.

That White Sister walked up to Claire, looked her up and down, and asked, "Are you Elaine's daughter?"

Claire hurriedly said respectfully: "Hello Aunt White, I am Elaine's daughter, I would like to ask you, have you seen my mother since yesterday?"

"d*mn!" Sister White snorted angrily: "Friends like your mother, we can't afford it!"

Claire hurriedly asked: "Aunt White, what do you mean by this? Does my mother have any conflicts with you?"

Sister White curled her lips and said, "How dare I have any conflicts with the old horse? I just called her to make a face with her yesterday afternoon, but do you know how your mother spoke?"

Claire hurriedly asked, "Aunt White, what did my mother say at the time?"

Sister White scolded angrily: "What kind of identity your mother said at the time, how could she have facials with me? She also said that people like us do facials in a beauty salon. She wants to buy the beauty salon directly. Come down, serve her alone, and said that she wants to draw a line with us!"

After speaking, Sister White looked at Claire and asked angrily: "Talk to yourself, is your mother going too far?"

"Everyone is a friend. I kindly asked her to come out and make a face together. She was so sarcastic and ridiculed me. She also said that I was a poor woman and said that she had wealth that I could not imagine in my life! What does she mean? She got rich? Can't look at our poor sisters?"

"If you don't look at me, just don't contact me. What are you doing to harm someone? I f*cking provoke you? Why did you come up to harm me? You really mad at me!"

Chapter 869

Sister White said annoyedly, the already tight mask on her face was collapsed by her twisted facial muscles.

She looked at the mask on the ground, feeling distressed.

Thinking of yesterday's events, she felt even more depressed to death.

Although she and Elaine are not so good friends, they all have a good friendship. They often play together, make faces together, and often play cards together.

Friends like this, everyone has a lot of each other, and they usually greet each other with a polite smile, and no one will embarrass anyone, but Elaine was on the phone yesterday and ridiculed her so badly that she was so angry that she didn't sleep last night.

Claire was puzzled, why did her mother talk to Sister White like this? She doesn't have much money, but she has been very low-key recently. Did she find any windfall yesterday?

She also said that she would buy a beauty salon and serve herself alone, which proves that this windfall is not a small amount.

But the problem came again, even if she really got a windfall, there is no need to evaporate!

what on earth is this kind of happenings?

The more Claire thought about it, the more she didn't understand.

At this time, the angry sister White asked, "What? Your mother is missing?"

Claire hurriedly nodded and said, "Yes! She hasn't come back since she went out at noon yesterday, and she couldn't get through the phone, WeChat didn't reply, and the video couldn't get through. It's been a day and a night!"

Sister White was stunned, and then snorted and said: "It may be that after your mother got rich, not only did she do with old friends like us, but even you and your dad, so she chose to evaporate. Got it."

As she said, Sister White sighed slightly and said, "I feel much better after hearing what you say. Elaine can't even look down on her husband and daughter, or even poor sisters like us. It's also normal."

Claire felt a little bit in his heart.

She thought of her aunt Horiyah.

Horiyah evaporated with more than 15 million people at the time. It is said that she still raised her little white face outside and eloped with her.

If mother really got a windfall, would she be the same as Horiyah?

Thinking of this, Claire suddenly felt nervous.

She hurriedly asked Sister White again: "Aunt White, do you know any other clues?"

Sister White waved her hand and said, "I just made a phone call with your mother. From then to now, I have never contacted her again, and there is no news about her."

Claire could only say gratefully: "Thank you Aunt White."

Sister White said indifferently: "You don't need to be polite, but I should thank you. I was quite flustered in my heart. Listening to you, I suddenly feel better."

Claire could only say sincerely to Sister White: "Aunt White, I'm really sorry, I apologize to you for my mother."

Sister White waved her hand and said seriously: "You don't need to apologize. If your mother can't be found, then forget it. But if you can find her, you tell her not to show up in front of me in the future, otherwise I don't care about her. How rich she is, I will smoke her with a big mouth."

Claire nodded awkwardly, and after thanking her again, she hurriedly left the beauty salon.

After coming out, Claire has been thinking about this issue.

According to mom's character. If she really talked to Sister White like that on the phone, it would prove that she was really rich, otherwise she would definitely not dare to talk like that.

But she remember that at noon yesterday, mother wanted to ask Dad for money and went to the beauty salon to make a face. Later, she went to Charlie to ask for it, but Charlie didn't give her anything.

Chapter 870

In other words, mother was penniless.

So why didn't she miss that Aunt White while on the phone not long afterwards, in the tone of a nouveau riche?

To say that in such a short period of time, she suddenly became rich?

Where does the money come from?

Taking a step back, even if she is really rich, why should she disappear?

Is it really because she hate her and father when she has money?

It's not impossible with her mother's personality, but she has been thinking of Tomson for a long time.

Even if she did get a fortune by accident, it stands to reason that she should hide the money quietly, and then continue to come back to enjoy the luxurious Tomson Villa. This is in line with her mother's behavioral style.

It wasn't that after getting a sum of money, the world evaporated immediately, and she couldn't even live in the Tomson villa, not to mention that she didn't even live in the Tomson villa to sleep.

The more Claire thought about it, the more she felt that this matter was strange and very contradictory, and there was a strange and unexplainable aura everywhere.

However, the clues stopped abruptly when they arrived at Aunt White, and for the time being, she couldn't continue to explore other clues.

Therefore, to solve these mysteries, more clues must be found.

Once the mystery is solved, then the whereabouts of mother will be clear.

Otherwise, she may never find where her mother is.

.....

Charlie drove around Aurous Hill City, thinking about his mother-in-law.

He saw his wife getting more and more anxious, and he didn't want his wife to suffer such torture from the bottom of his heart.

But now he hasn't figured out exactly what method should be used to release Elaine.

As he drove through an intersection, he saw the eye-catching words on the intersection billboard: "All the people mobilize, resolutely crack down on MLM and MLM behavior in disguise, completely eradicate the soil for MLM survival, and build a safe and harmonious Aurous Hill!"

Seeing this slogan, Charlie suddenly had a plan.

So he immediately called Issac and asked, "How is my mother-in-law in the detention center recently?"

Issac respectfully said: "Mr. Wade your mother-in-law suffered a bit in the detention center. It seems that everyone in the cell is not pleasing to her eyes, so she has to be treated."

Charlie snorted and said, "She used to scold Old Lady so badly before, and this Lady has such a grudge. This time, she will definitely not let her go easily. It is normal for her to suffer a bit."

Issac asked, "Mr. Wade do you think about how to solve this problem? With all due respect, your mother-in-law has suffered so much in it. If you let her out, she will definitely not give up, the first thing. It must be trouble for you."

Charlie smiled and said, "Don't worry about this. I already have a general plan, but I still need your cooperation. You must cooperate with me and act in a big show."

Issac hurriedly said, "Mr. Wade you can just ask if you have any questions."

Charlie smiled indifferently: "I am not ready to let her out now, I will contact you when I want."

"OK Master!"
