

## An Understated Dominance Chapter 2484-2486

Chapter 2484

“Boom!”

The black iron staff, surrounded by golden light, struck the ground heavily, leaving a deep, long groove.

The 100-meter-square arena was made entirely of black gold stone, as hard as steel.

Creating such a groove with one strike showed how powerful the attack was.

Had it hit a person, they would have been pulverized instantly.

The staff missed, and without hesitation, Jeffrey swept it across, aiming for Father Adam’s legs.

With the golden light’s blessing, the staff moved swiftly and powerfully.

Father Adam stepped back, immediately flying into the air and floating backwards.

“I’m waiting for you!”

Jeffrey’s eyes turned cold as he poured all his energy into the staff.

In an instant, the golden light on the staff intensified, transforming into a golden dragon that lunged at Father Adam mid-air.

This was one of the killer moves of the Demon Subduing Stick Technique, the Golden Dragon Subduing the Demon. Once unleashed, gods and demons would retreat; no one could withstand it. The attack’s power had increased several times over.

The crucial point was that, after the first two moves, Father Adam was now in mid-air, unable to dodge, and could only brace himself.

“Boom!” A loud bang resonated.

As expected, Jeffrey’s black iron staff, transformed into a golden dragon, struck Father Adam hard.

The next second, Father Adam plummeted to the stage from a great height, like a swatted fly.

A human-shaped dent formed in the hard black gold stone ground.

For a moment, dust and energy surged.

“Good! Well done!”

“You filthy foreign devil! Let’s see if you survive this time!”

The audience applauded and cheered.

Being struck by Master Jeffrey’s killer move would shatter even a tank in an instant.

If nothing unexpected happened, the priest would have turned into a pool of pulp.

“Hua La La...”

Just when everyone thought the battle was over, there was the sound of rolling gravel.

Through the cloud of smoke and dust, Father Adam emerged unscathed. There wasn’t a single scar on his body, just some dust on his robes.

“This is my favorite robe. Now you’ve ruined it. How will you compensate me?”

Father Adam looked down at his slightly torn robe.

The smile on his face faded, replaced by a menacing glint in his eyes.

He was very angry, and the consequences would be severe.

Chapter 2485

“What? This guy is not dead? How is that possible?!”

“Not only is he not dead, but there isn’t even a scratch on him. It’s unbelievable!”

“How could this be? Is he wearing some kind of armor?”

“Even if he were wearing armor, it’s impossible for him to be unscathed by Master Jeffrey’s strike!”

“.....”

The audience widened their eyes in astonishment as they stared at Father Adam, who remained indifferent.

That was Master Jeffrey's killer move.

With one strike, he could split mountains and cut rivers.

Normally, with Father Adam's physique, he would have been crippled if not killed.

Yet, the strange thing was that Father Adam was completely unscathed, which was beyond everyone's understanding.

At this moment, not only was the audience surprised, but even Jeffrey himself doubted his senses.

The Golden Dragon Subduing Demon was one of the deadliest moves in the Demon Subduing Stick technique.

It was unstoppable and had always been effective.

He was sure that he had hit Father Adam solidly with the stick, but he couldn't understand why Father Adam wasn't injured—not even his skin was broken.

What kind of monstrous body was this? Was this foreigner human or demon?

"My clothes are torn. How are you going to compensate me?" Father Adam raised his voice and asked again.

"I don't believe you're truly invulnerable!" Jeffrey roared in anger and charged at him with his stick once more. His body glowed with a golden light, as if surrounded by a dragon.

"If you won't compensate, then you'll pay with your life!" Father Adam's eyes turned cold, his previously kind face transforming into something fierce.

A stream of black deathly energy gushed from his body, spreading rapidly over him.

His fair skin turned dark, and black scales emerged from his flesh, covering everything below his head.

His human fingers transformed into sharp claws.

In the blink of an eye, Father Adam had turned into a half-human, half-beast monster.

"Human...die!" Father Adam grinned, revealing a hideous smile.

In the next second, he disappeared, reappearing right in front of Jeffrey.

His sharp claws turned into blades, piercing Jeffrey's chest and abdomen.

"So fast!"

Jeffrey's pupils shrank in horror.

Without time to think, he instinctively raised his stick to block.

Chapter 2486

"Clang!"

The sound of metal clashing echoed as Father Adam's black claws struck the black iron stick with terrifying force.

Jeffrey's body shook, and he was forced to step back uncontrollably, his hands temporarily paralyzed.

After his transformation, Father Adam's speed and strength had reached terrifying levels.

Even a casual attack was deadly.

"Huh?"

Looking at the deep claw marks on his stick, Jeffrey frowned, a huge wave of emotion surging within him.

His black iron stick, harder than ordinary steel, had never been damaged in over ten years.

Yet, with a light wave of Father Adam's hand, it bore three claw marks nearly an inch deep.

The sharpness of these claws was comparable to that of a magical weapon!

"Swoosh!"

Before Jeffrey could react, Father Adam swung his claws again, leaving a trail of afterimages.

Jeffrey had no time to dodge and could only raise his stick to block again.

"Clang!"

Another explosion echoed as Jeffrey was repelled several meters away.

The black iron stick in his hand “clicked” and broke under the heavy load.

This scene shocked everyone in the audience.

A claw that could cut through black iron—what kind of monster was this?

“Fine! You want to fight, then I’ll see it through to the end!” Jeffrey, looking at the broken stick in his hand, threw it away and clenched his fists.

His entire body was enveloped in golden light.

At the same time, Jeffrey chanted a spell, and the golden light condensed, forming a set of golden armor around him.

This golden armor was covered with intricate scriptures, flowing like living things.

“Wow! This is the supreme technique of the Vajra Temple—the Arhat Golden Robe!”

“It is said that the Arhat Golden Robe is invulnerable to swords and guns, resistant to water and fire. It’s an absolute defense!”

“I can’t believe it! Venerable Jeffrey has mastered the Arhat Golden Robe. No one below the Grand Master level can harm him now!”

“Hahaha... With the Arhat Golden Robe, Venerable Jeffrey is invincible. I want to see what that half-human, half-demon priest can do now!”

The audience, looking at Jeffrey in his golden armor, were both surprised and delighted.

Venerable Jeffrey already had an indestructible body, and with the Arhat Golden Robe, he had a double layer of defense.

Even a master-level warrior would struggle to harm him.

“Monster! Surrender now!”

Jeffrey glared and shouted, his entire body exuding golden light, like an Arhat descending to the world, majestic and awe-inspiring.
