

Chapter 1213 Bess' Acting Skill

Hearing Aldwin's curses, Trevor just sneered.

It was really cheeky of Aldwin to say that to the man who beat him.

Trevor then slowly raised his hand.

This simple action from Trevor was enough to make Aldwin tremble. The latter suddenly fell silent.

He didn't dare to make the slightest sound anymore.

At this moment, Aldwin took a step back and subconsciously looked at the exit, ready to escape at any time.

The beating he suffered at the hands of Trevor at the motel and the casino would forever be etched in his memory. He would never forget them.

Just seeing Trevor raise his hand made Aldwin feel a dull pain in his body.

Seeing that, Trevor put down his hand with a sneer and said coldly, "Get out of here at once or my fist might land anywhere on your body!"

Aldwin was so furious that his face turned dark and then red. He stared at Trevor and mumbled through gritted teeth, "Wait and see! In a few days, the Murray family will hold a meeting to decide the fate of the direct descendants. That day, I will make you pay for everything. You will be doomed!"

Although Aldwin was threatening Trevor, he still ran desperately towards the exit and soon disappeared.

Watching Aldwin leave, Trevor couldn't help but sneer. "What a coward."

After Aldwin left, Bess seemed worried. She looked at Trevor and said

with concern, "I have a feeling this family reunion will be a trap for us. Aldwin seemed very confident just now. I don't think he was bluffing."

However, Trevor was very calm and collected. He put his hand on Bess' shoulder and said in a calm and confident tone, "Don't worry. As long as you and your father don't want to leave the Murray family, I won't let anyone drive you away. I will fight for you."

Trevor's comforting hand and the reassurance that emanated from him calmed Bess. She felt she had to trust Trevor. So she nodded and said seriously, "Okay!"

Once their gym visit was over, Trevor and Bess drove away.

Trevor intended to drive Bess home. However, he saw a familiar policeman on the way. It was Edlin.

Since the day Edlin had provoked Trevor at the police station, the police director had him assigned to traffic control.

Trevor and Edlin saw each other.

"It's you!" Edlin roared when he saw Trevor and he gnashed his teeth in hatred.

He felt it was his chance to get revenge on Trevor, so he decided to use his identity to stop Trevor. He held out his police ID and shouted, "Stop the vehicle! Routine check! Show me your ID and driver license!"

Edlin smiled happily. At this moment, the only thing he was thinking about was how to make things difficult for Trevor.

However, Trevor thought of something.

Since Edlin was the Murray family's secret informant, Trevor decided he would use him to send some false information.

An idea then occurred to Trevor. He winked at Bess, who was sitting next to him.

He then opened the window, holding his right arm as if it was injured.

"What's the matter? Come on! My arm hurts!" Trevor said impatiently.

Bess looked at Trevor in confusion. Why did he suddenly say that his arm hurt?

Then, she remembered the look Trevor gave her just now and she instantly understood he was just acting. She decided to play along and said with a worried face, "You're too careless, Dragon. Now, you've fallen and hurt your arm! The family meeting is in a few days. What should we do? I wonder if you can still help me."

Bess looked really worried and her eyes were filled with tears. She looked up at Edlin, who was in a daze, and said, "Sir, please let us go. My friend's arm is injured. We need to go to the hospital to get him taken care of as soon as possible!"

Trevor was amazed by Bess' acting and he secretly gave her a thumbs up. He couldn't help but look at her admiringly.

In his opinion, she really deserved to be a professional actress. Her acting was awesome!

Bess' acting completely fooled the stunned Edlin.

A hint of slyness suddenly flashed through his eyes. At this moment, he was already thinking of several ways to get even with Trevor.
