

A Man Like None Other Novel Chapter 4079

Chapter 4079

Even though the ghost face opened its mouth and sucked continuously, the Red Cloud Demon Lord did not move!

Even if there was a remnant soul left, it was not something that a Mahayana cultivator like Wei Tianya could shake.

“How is it possible? You are just a remnant soul. My ghost face has absorbed countless demon souls and has never failed.”

“How could this be?” Wei

Tianya was a little confused when he saw this!

“That’s because you haven’t touched me. If you had touched me, you would have failed long ago.”

“You have such a broken ghost face, and you are still showing off. It’s really fucking shameful!”

“Pah...”

The Red Cloud Demon Lord spat directly!

But just after spitting, Wei Tianya’s ghost face was struck by lightning and shattered in an instant. The mountain-like ghost face just disappeared like that!

Wei Tianya was stunned!

The others were all shocked when they saw this scene. They didn’t understand what kind of existence this demon soul hidden in David’s sea of consciousness was!

Only a wisp of residual soul was left, but it was still so powerful. This was too outrageous!

“I understand, I understand...”

The old sect master understood at this moment why David was not afraid of the demon soul of the Ghost Face Sect and dared to let the demon soul enter his sea of consciousness!

It turned out that there was such a powerful demon soul in David's sea of consciousness. If other demon souls entered, wouldn't that be courting death?

"You... who are you? With such strength, how could there be only a wisp of residual soul left? And it's in this kid's sea of consciousness?"

Wei Tianya asked in shock!

With only a wisp of residual soul left, the strength was so great. It can be imagined how terrifying the strength of the Red Cloud Demon Lord was when he was at his peak!

But even with this terrifying strength, he was killed by someone, his physical body was destroyed, and only a wisp of residual soul was left!

"I am your ancestor. When you see me, you should bow three times and kowtow nine times, and call me ancestor!"

The Red Cloud Demon Lord said with a smile! To be

exact, what the Demon Lord Chiyun said was not wrong. As members of the same demon clan, they must be able to have a connection!

Yun Mojun said that he was Wei Tianya's ancestor, which was correct!

Wei Tianya's eyes narrowed slightly. He thought that Chi Yun Mojun was scolding him and deliberately humiliating him!

"Humph, since you are so arrogant, don't blame me for being rude..."

After that, Wei Tianya's shadow solidified a little more, and the black mist around his body began to spread!

"Fuck, I said you are my ancestor, and I am flattering you, but you are so stupid."

"Then I will teach you a lesson..."

After Chi Yun Mojun finished speaking, he slapped him!

The black mist that Wei Tianya had finally spread dissipated in an instant, and the whole person was slapped hard!

In front of Chi Yun Mojun, Wei Tianya found that he didn't even have the slightest room to resist!

And he could feel that Chi Yun Mojun was just playing with him and didn't use his full strength, otherwise, with the slap just now, his projected shadow would have collapsed long ago!

The Red Cloud Demon Lord came to Wei Tianya, then grabbed Wei Tianya and slapped him again!

Everyone stared blankly!

Wei Tianya was a third-grade cultivator in the Mahayana realm. Although he was just a projected shadow, not a real entity!

But his strength should not be underestimated. Now he was slapped in the face by a demon soul!

And it seemed that Wei Tianya had no power to fight back!

This slap directly made Wei Tianya stunned, and his eyes were full of fear!

Because he sensed a breath that did not belong to the heavenly world from the extremely weak breath of the Red Cloud Demon Lord!

"You... are you a demon soul from the heaven?"

Wei Tianya asked with a trembling body!

"You kid still have some vision. I am the Demon Lord of the Heavenly Realm, and my residual soul accidentally came to the Heavenly Realm."

"Even if I only have a wisp of residual soul left, you ants can't say anything."

The Red Cloud Demon Lord said coldly!

"Heavenly Realm? Demon Lord?"

Wei Tianya's eyes widened, and he was scared to death!

Chapter 4080

What a joke?

Fighting with the Demon Lord of Heaven?

Not to mention that the other party has only a remnant soul left, even if there is a consciousness left here, it is not something that he, a Mahayana realm, can handle!

Now Wei Tianya finally understood why David, a little cultivator of the fifth rank of the Tribulation Realm, was so awesome!

Moreover, his elder Tu and Mahayana realm cultivators such as Huo Dong all died in David's hands!

It turns out that there is such a Demon Lord living in the sea of consciousness, so what is there to be afraid of!

However, Wei Tianya didn't know that David didn't rely entirely on the Demon Lord Chiyun!

In addition to his own bloodline strength, David has a lot of things to use!The

Fire Spirit, the Dragon Pattern Bell, the God King Bow, and the little Sky Devouring Beast that only knows how to eat but doesn't work much!

If this little guy wakes up, he can also kill people everywhere!

At the same time, the origin space in David's body, the stars in the universe, countless origin stars are waiting for David to light up!

These are also David's reliance. David not only relies on the remnant soul of the Red Cloud

Demon Lord! Wei Tianya didn't know this. He only knew that the remnant soul of the Heavenly Demon Lord, the Red Cloud Demon Lord, scared him to death!

"Senior, ancestor, I was wrong. I didn't know it was the ancestor's soul. I spoke rudely and offended the ancestor..."

Wei Tianya cried and begged for mercy!

A great cultivator of the third rank of the Mahayana realm, the leader of the Ghost Face Sect!

Wei Tianya, who was in the limelight and arrogant for a while, cried at this time!

Looking at Wei Tianya's cowardly look, the Red Cloud Demon Lord instantly lost interest!

When he met David at that time, David knew his identity, and he didn't seem to be scared to tears!

This fucking coward is still the leader!

“Coward, you are really embarrassing our demon clan, get out of here...”

The Red Cloud Demon Lord lost interest in playing and waved his hand. Wei Tianya's shadow instantly disappeared!

At the same time, Wei Tianya in the Ghost Face Sect's main hall opened his eyes, his forehead was covered with cold sweat!

He looked down and found that his body was already wet!

Give him some courage now., he didn't dare to seek revenge on David anymore!

And Huo Yuanting, watching Wei Tianya crying and begging for mercy like a dog, and finally dissipated directly, the whole person was in a daze!

He didn't understand what the identity of the demon soul in David's body was, and he actually scared Wei Tianya to tears!

Just now, the Red Cloud Demon Lord introduced himself, and only Wei Tianya heard it, and no one else could hear it at all!

But no matter what, the Red Cloud Demon Lord just spat and made Wei Tianya's ghost face instantly shattered. This was seen with his own eyes!

This kind of strength, no one present had!

Huo Yuanting knew that he was afraid that he would be in danger today!

But looking at the Divine Fire Seal in David's hand, Huo Yuanting was also jealous!

This should have been his. For the Divine Fire Seal, he worked hard, but now it fell into David's hands!

Wei Tianya left, and the entire Ziyan Sect returned to peace!

The Red Cloud Demon Lord returned to David's sea of consciousness!

“Junior brother, you are so great...”

Zhu Ling said to David with eyes full of admiration!

Elder Yu, Wei Qing and the others also gathered around, and everyone praised David!

“Huo Yuanting, now your son is dead, and it is clearly you who colluded with the Ghost Face Sect, but you framed Elder Yu and others.”

“Now I want to take back my order and dismiss you from your position as the acting sect master!”

The old sect master looked at Huo Yuanting coldly and said!

“Dismiss me? On what basis do you dismiss me?”

“You are no longer the sect master, and I am not the acting sect master. I am now the real sect master of Ziyamen, but I have the Divine Fire Seal to recognize the master.”

Huo Yuanting snorted coldly!

“The Divine Fire Seal recognizes the master?” The old sect master smiled: “Now that the Divine Fire Seal is no longer in your hands, what sect master are you still?”

“You don’t have the Divine Fire Seal anymore, so you are not the sect master either. On what basis do you dismiss me?”

“According to the rules, I am the last sect master of Ziyamen. Before the new sect master is born, even if I don’t have the Divine Fire Seal, I am still the sect master.”

Huo Yuanting began to use the loopholes in the rules of Ziyamen to refute!
