Chapter 4186

“President Su, Lu Qing and others found us, but they were all killed.”

Nie Lei said!

“What? Killed?” Su Tianshuo frowned: “That David is only the sixth level of the Tribulation Realm, and the men and women around him are even weaker. How could he kill Lu Qing and others?”

“Did you help? Or did someone help David?”

“President Su, we didn’t help, and no one helped David. David did it himself.”

“To be precise, it’s not called fighting. After Lu Qing and others approached David, they were ignited by the sudden burst of fire from David, burning them and screaming!”

“If my brother and I hadn’t acted quickly, I guess they would have betrayed us and you!”

Nie Hong said!

Listening to Nie Hong’s words, Su Tianshuo didn’t calm down for a long time!

You have to know that Lu Qing and others are all cultivators of the seventh or eighth level of the Tribulation Realm. Although this kind of person is not particularly outstanding in the Heavenly Human Realm, in the team of pharmacists, being able to cultivate to the seventh or eighth level of the Tribulation Realm is definitely considered a master!

Moreover, several of them can’t even deal with David, a cultivator of the sixth level of the Tribulation Realm?

“It seems that I underestimated this David!” Su Tianshuo said with a gloomy face!

At this time, David had already approached the light curtain and slowly stretched out his hand!

“Mr. Chen, be careful!”

Nie Heng saw this and hurriedly reminded him!

“David, don’t be reckless...”

Liu Ruyan stepped forward and grabbed David!

So many cultivators were injured in the light curtain. If David also entered the light curtain, I don’t know what would happen!

“Don’t worry, I know my limits. This so-called light curtain is just a test formation!”

David smiled slightly, then broke free from Liu Ruyan and walked into the light curtain in an instant!

David walked into the light curtain and his figure disappeared instantly!

At this time, Su Tianshuo saw that David suddenly entered the light curtain and ran over immediately!

Diao Changmin and Bao Longxing also came over!

They didn’t understand why David wanted to enter the light curtain!

After David entered the light curtain, his body was instantly torn by a strange force!

David wanted to control his body, but he couldn’t control it at all!

A series of sharp breaths kept making David’s body fly everywhere!

Even though David activated the indestructible golden body, the power still made David feel the blood surging, and his internal organs churning!

“What kind of breath is this? It’s so strange. It’s not spiritual energy, not fairy energy, nor demonic energy. What on earth is it!”

David was a little overwhelmed by these sharp breaths!

Because David had never encountered the breath in this light curtain!

“It’s really strange. What the hell is this aura? Although it looks extremely sharp, it’s not very powerful.”

“Otherwise, you would have died long ago. And those pharmacists who broke in were all injured and left, not dead!”

The Red Cloud Demon Lord was also wondering where this aura came from!

Just when David's body was like a ball, being hit and flying around by this strange aura, there was a sudden buzz!

Something suddenly flew out of David's storage ring, flashing with light!

"Shennong Ding?"

David was stunned when he looked at the thing that suddenly flew out!

I saw the lines on the Shennong Ding constantly emitting light!

The strange auras in the light curtain were clearly visible at this moment!

Two auras flew past the Shennong Ding and were actually directly sucked into it!

Seeing this, the other auras moved away from the Shennong Ding and continued to attack David!

David was directly suspended above the Shennong Ding, and those strange auras were like mice seeing a cat, all circling around David, but they never attacked David again!

Chapter 4187

David looked down and found that the two auras in the Shennong Ding were struggling and wandering in the Shennong Ding at this moment, as if trying to break free from the shackles of the Shennong Ding!

"Boy, catch all these auras into the Shennong Ding, what do you think will happen?"

asked the Red Cloud Demon Lord!

David looked carefully at the two auras in the Shennong Ding. He didn't know what would happen if all these auras were caught in the Shennong Ding!

But now he has the Shennong Ding, and he knows that these strange auras are afraid of the Shennong Ding, so David is not afraid!

"Try it..." After

David said this, he actually took the initiative to go towards those strange auras!

After David broke away from the Shennong Ding, those strange auras began to attack David again! While

David dodged, he began to lure those auras towards the Shennong Ding!

Then he was caught off guard and forced a breath into the Shennong Ding, and then was controlled by the huge suction of the Shennong Ding!

Just like this, more than an hour passed, and there was no breath in the light curtain anymore, and all the breath was sucked into it by Shennong Ding!

These breaths twisted randomly, as if they were very scared!

David gently pressed one hand on Shennong Ding, and as the lines on it continued to emit golden light, the breath in Shennong Ding gradually became quiet!

Soon these breaths began to merge, and streams of white mist continued to emerge from Shennong Ding!

At this time, Liu Ruyan and Nie Heng, who were outside the light curtain, had been anxious!

David had been in the light curtain for more than an hour, but he hadn't seen any traces, and even didn't hear much movement!

Liu Ruyan wanted to enter the light curtain to find David many times, but was stopped by Nie Heng!

Even Su Tianshuo and others were very curious, and didn't understand why David had been in the light curtain for so long without any movement!

"President Su, we went in for only a few minutes, and we were all injured one by one and flew out. This guy has been in for more than an hour, why is there no movement?"

Bao Longxing asked in confusion!

"Could he have died in there?"

Diao Changmin also said!

Su Tianshuo looked at the light curtain in front of him. He had also personally felt the strange aura inside, which was very domineering. They were forced out in a few minutes, and many people were injured! David has been

in there for such a long time now, maybe he has died in there!

“It is very likely that he has died in there. So many of us didn’t hold on for a few minutes, and now it’s been an hour.”

“If this guy is dead, the plan we discussed will have to change again.”

Su Tianshuo frowned.

Things are always changing, which gives him a headache!

“If David is dead, these two people can’t stay either!”

Bao Longxing said, and looked at Liu Ruyan and Nie Heng with murderous intent!

Liu Ruyan and Nie Heng were concentrating on the light curtain in front of them, but a dangerous murderous aura suddenly came, and the two turned back at the same time!

They saw that Bao Longxing was looking at them with murderous intent, and this murderous aura made the two people tremble in their hearts!

“Don’t do it yet, wait and see. If David doesn’t show up in a quarter of an hour, we will kill these two guys and then go around the mountain!”

Su Tianshuo decided to wait!

After hearing Su Tianshuo’s words, Bao Longxing put away his murderous intent!

“Miss, why do I feel that these guys have bad intentions?”

“The way they looked at us just now seemed to want to eat us up.”

Nie Heng whispered to Liu Ruyan!

“I also felt that these guys were murderous and probably wanted to kill us.”

Liu Ruyan said with a serious face!

“Didn’t they talk well with Mr. Chen just now? And we have no grudges against them, why do they want to kill us?”

Nie Heng was very puzzled!

Chapter 4188

“You can’t know a person’s heart by his appearance. Who knows what they are thinking? Let’s be careful.”

Liu Ruyan asked Nie Heng to be careful!

She was nervously looking at the light screen in front of her, hoping that David would appear!

But at this time, David was concentrating on everything in the Shennong Ding!

At this moment, the surroundings had already been wrapped in mist, and a crystal pill appeared in the Shennong Ding. Inside the pill, there was white mist wrapped in it!

“What kind of pill is this?” David took the pill out of the Shennong Ding. After playing with it for a while, David couldn’t figure out what this pill was and what it did!

“No wonder I didn’t recognize those auras just now. It turned out that they were transformed by this elixir!”

“It can be transformed into a breath, which shows that the level of this elixir is not low.”

“Could it be that it was practiced by this medicine god, and then the medicine god fell, and the elixir slowly turned into fierce energy here!”

said the Red Cloud Demon Lord.

“I don’t know either, but those auras just now were transformed by this elixir. If there was no Shennong Ding to collect these auras and then refine them into elixir again, I would never have thought that the elixir could actually turn into aura, and it also has a certain consciousness!”

David said with emotion!

Although David is also a pharmacist, and his medical skills are good, he can be regarded as a senior pharmacist!

But he never thought that a dead thing like elixir could actually be transformed into aura, and it also has a certain consciousness!

Otherwise, those auras would not know to dodge after encountering the Shennong Ding. Since they dodge, it proves that they have a certain consciousness!

David put the elixir away. Since he didn't know what this elixir was and what it did, David didn't dare to take it casually!

At this time, Liu Ruyan, who was anxiously waiting for David outside, turned pale!

Nie Heng held his sword with one hand, ready to take action at any time!

Because of thatThe murderous aura filled the air again!

"That guy must be dead. Don't waste time. I'll kill these two people, and then we'll take a detour!"

Bao Longxing saw that the time was almost up and David was still nowhere to be seen, so he decided to attack Liu Ruyan and Nie Heng!

Liu Ruyan and Nie Heng felt the murderous aura behind them, so they were also very nervous and prepared to resist!

However, their strength was too low, and they knew they were no match for these people!

But they couldn't just sit there and wait to die!

Just as Bao Longxing slowly approached Liu Ruyan and Nie Heng, there was a sudden bang!

I saw the light curtain hanging from the top of the mountain in front of me, like broken glass, directly shattered, and then slowly disappeared!

The light curtain disappeared, and everyone was stunned!

Then the scene behind the light curtain was also seen by everyone!

There was a light mist behind the light curtain, and David was not far from them!

In front of David, there was also a furnace placed on the ground! There

were all kinds of strange patterns on the furnace, and it exuded a burst of ancient breath!

David was also startled by the sudden disappearance of the light curtain, and hurriedly put away the Shennong Ding!

Shennong Ding is an ancient divine cauldron, the favorite thing of alchemists!

If these pharmacists knew that David had a treasure like Shennong Ding in his hand, it would be more attractive than the hundred-year offering of the Demon Sealing League!

After all, this Shennong Ding is a priceless treasure for these pharmacists!

“President Su, did you see the medicine cauldron just now?”

Bao Longxing was the closest, and asked Su Tianshuo with a slight trembling body!

“I saw it...” Su Tianshuo’s eyes were also wide open!

“That is an ancient medicine cauldron, it is definitely a treasure among treasures.”

“I didn’t expect that David actually had this kind of medicine cauldron in his hand.”

Diao Changmin showed greed in his eyes!

Chapter 4189

At this time, David had already walked out of the mist. The mist seemed to be blocked by something and did not float over the position where the light curtain was just now!

“David, are you okay?”

Seeing David coming out, Liu Ruyan hurriedly stepped forward and asked!

“It’s okay!” David shook his head!

Seeing this, Su Tianshuo and the others also came over, and then looked at David with a smile and said, “Fellow Daoist Chen, why did you stay in this light curtain for so long? And this light curtain suddenly disappeared, how did you do it?”

“This is just a formation. I know a little bit, so I broke the formation inside, so the light curtain disappeared!”

David smiled slightly!

David did not say anything about using Shennong Ding to refine those strange auras!

“Fellow Daoist Chen, can you let us appreciate the medicine cauldron you just put away? I feel that medicine cauldron is so special!”

Diao Changmin asked greedily!

“Yes, let’s take a look. I didn’t expect that there is such a good medicine cauldron in the world of heaven and man!”

Bao Longxing said hurriedly when he saw this!

David didn’t expect that his Shennong Ding was seen by these people, but if these people want to see it, it doesn’t matter if they see it, and let them learn more!

Just when David was about to agree and take out the Shennong Ding, Liu Ruyan suddenly pulled David and said with an ugly face: “David, I feel a little uncomfortable, can you help me take a look...”

“Ruyan, what’s wrong with you?”

David saw this and hurried forward to support Liu Ruyan, and a spiritual power instantly entered Liu Ruyan’s body!

Following David’s spiritual power, Liu Ruyan transmitted a voice: “Don’t take out your medicine cauldron, these guys are not good things.”

“Just now they wanted to kill us, fortunately the light curtain disappeared and you appeared, otherwise they would have done it.”

David frowned when he listened to Liu Ruyan’s voice transmission!

He didn’t understand why Su Tianshuo and others did it to Nie Heng and Liu Ruyan?

They have no grudges!

And with the strength of Liu Ruyan and Nie Heng, they can’t threaten them!

But since Liu Ruyan reminded him, David would not take out the Shennong Ding!

“It’s just an ordinary medicine cauldron, nothing to see.”

“Now that the light curtain disappears, let’s go up the mountain as soon as possible. I’m leaving too!”

David supported Liu Ruyan and said to Bao Longxing and others!

Seeing this, Su Tianshuo nodded: “Fellow Daoist Chen, let’s say goodbye...”

David took Liu Ruyan and left, walking into the mist!

Nie Lei and Nie Hong followed closely behind!

“Chairman Su, what should we do? Just let David go?”

Seeing David leave, Diao Changmin said anxiously!

He had taken a fancy to David’s Shennong Ding and wanted to get it!

“Let him go for the time being, and wait until he joins the Zhou family and the Zhen family, and we will catch them all in one fell swoop...”

“Otherwise, the Zhou family and the Zhen family will unite with other pharmacist associations, and we will be in trouble!”

Su Tianshuo said!

“Ah!” Diao Changmin sighed, but there was nothing he could do!

A group of people also entered the mist and began to head towards the mountain!

“Mr. Chen, why do I feel that there is something wrong with this mist?”

Nie Heng suddenly said as he walked forward!

“There is a problem, what is the problem?”

David’s face was full of surprise!

“I also feel that there is something wrong. This mist seems to be poisonous, but the toxicity is not great. It will only slowly erode. We have only walked for a while, and I feel a little tired, and the spiritual power in my body can’t be mobilized!”

Liu Ruyan also said!

At this time, Nie Lei and Nie Hong also said: “There is indeed a problem with this mist. We are now feeling flustered and short of breath, and it is very uncomfortable...”

Chapter 4190

There are five people in the group, and now four of them feel uncomfortable, only David has no problem at all!

“Why don’t I feel anything?”

David is different, could it be related to his physique?

“There is indeed a problem with this mist. If you take out the pill on your body, you can probably feel the problem with this mist!”

The Red Cloud Demon Lord said to David!

David heard it, so he took out the pill and handed it to Liu Ruyan!

“David, what kind of pill is this, it’s so strange...”

Liu Ruyan looked at the pill and asked curiously!

“I don’t know either, I picked it up!” After David finished speaking, he slowly felt the surrounding mist!

David found that there was indeed something wrong with this mist, which could slowly erode the human body!

When you notice the problem, it means that the body has suffered too many toxins!

“Look, why is there black mist coming out of my body!”

At this time, Liu Ruyan suddenly shouted!

I saw Liu Ruyan holding the unknown pill, and from her palm, a wisp of black mist slowly emerged, and then was absorbed by the pill, and then purified and turned into white mist!

David then realized that it was really the matter of this pill. This pill can purify the toxins in the mist!

Although the toxins in the mist are not very heavy, if you stay for a long time, you will still feel it!

“Ruyan, give the pill to Nie Heng...”

David said!

Nie Heng took the pill, and the toxins in his body began to be absorbed quickly!

Nie Lei and Nie Hong, brother and sister, also did the same, using the pill to absorb the toxins in their bodies! After

clearing the toxins, everyone felt much more relaxed, and then continued to move forward!

Although they knew there were toxins in the mist, they were not afraid with the pill!

But after walking for a while, David suddenly stopped!

“Mr. Chen, what’s wrong?” Nie Heng asked!

“Someone is coming, you guys go first...”

David noticed that someone was approaching them!

“How is it possible? Not to mention that no one knows our location, and this place is full of poisonous fog, who can come straight to us?”

Liu Ruyan frowned, she was very puzzled, how could someone always find their location accurately!

“These people are very strong, you should go first, and then I will find you!”

David also frowned slightly!

Because he noticed that the other party was very strong, and there were even masters of the Mahayana realm, and the target was very obvious, that is,

they came straight to them! If it was just David himself, David could still deal with it, but Liu Ruyan and the others were here, and David still had to divide his energy to protect them, that would be troublesome!

“Okay, you pay more attention to yourself!” Liu Ruyan also knew her own strength. Following David would only drag him down, so it would be better to leave in advance!

“I know, you take this pill, otherwise it will be difficult for you to get out of here!”

David gave the pill to Liu Ruyan!

“What are you going to do?” Liu Ruyan asked with concern!

“Don’t worry, this little bit of poison can’t cause any harm to me.”

David smiled slightly!

Indeed, David’s strong body suffered much less damage from the poison than others!

If it was an ordinary toxin, David would have been immune to all poisons!

But this toxin was obviously left by the God of Medicine, not an ordinary toxin, which made David unable to resist it completely!

Liu Ruyan took the pill and quickly left with Nie Heng and the others!

Not long after Liu Ruyan and the others left, David saw a group of people coming out of the fog next to him!

There were more than a dozen of these people, and most of them were at the level of the seventh or eighth level of the Tribulation Realm!
